This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Citizens, Inc., for use at the Annual Meeting of Shareholders to be held Tuesday, June 6, 2006, at 10:00 a.m., Central Daylight Time, (the Meeting) at our Executive Offices located at 400 East Anderson Lane, Austin, Texas. This Proxy Statement and the enclosed proxy card were sent to our shareholders on or about April 29, 2006. The following matters will be acted on at our Meeting:

Elect the members of our Board of Directors;

Ratify the appointment of Ernst & Young LLP as independent auditor for 2006; and

Transact such other business as may properly come before the Meeting or any adjournment thereof.

You are requested to complete the enclosed proxy card, sign where indicated, and return it to the Transfer Agent in the envelope provided, which requires no postage if mailed in the United States. Solicitation of proxies will be primarily through the mail. Proxies may also be solicited by personal solicitation, telephone or Internet, by our directors, officers and employees at no additional cost to us. We will also request banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries to forward soliciting material to the beneficial owners of our common stock held of record by such persons, firms, or institutions, and we will reimburse the forwarding expense. The cost of this solicitation will be borne by us.

PROXIES

Shares represented by properly executed proxies received by us prior to the Meeting will be voted as specified thereon. If a proxy fails to specify how it is to be voted on any proposal it will be voted **FOR** the director nominees listed in this proxy statement. RECORD DATE

Only shareholders of record at the close of business on April 19, 2006 are entitled to vote at the Meeting. As of the record date, we had outstanding and entitled to vote 40,199,788 Class A shares of common stock and 1,001,714 Class B shares of common stock. Also outstanding as of the record date, were 29,014 shares of Series A Preferred Stock, entitled to vote based on the number of shares of Class A common stock into which such shares of Series A Preferred Stock are convertible as of the record date, (or 2,525,300 shares of Class A common stock).

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of each class of our common stock entitled to vote at the Meeting, including, for the purposes of the Class A common stock vote, the presence, in person or by proxy, of holders of Series A Preferred Stock voting on the basis of the number of shares of Class A common stock into which such shares of Series A Preferred Stock are convertible as of the record date, is necessary to constitute a quorum for that particular class of common stock at the Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If a quorum is not present or represented at the Meeting, the Shareholders entitled to vote thereat, present in person or represented by proxy, have the power to adjourn or recess the Meeting from time to time for up to thirty (30) days without notice, other than announcement at the Meeting, until a quorum is present or represented. At such reconvened Meeting at which a quorum is present or represented, any business may be transacted which might have been transacted at the Meeting as originally noticed.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

We have two classes of common stock. Both classes of common stock are equal in all respects, except that (i) Class B common shareholders elect a simple majority of the Board of Directors of the Company and Class A common shareholders elect the remaining directors; and (ii) Class A shareholders are entitled to receive, on a per-share basis, twice the cash dividends paid on a per-share basis to Class B shareholders. Each outstanding share of common stock has one vote in all matters to be considered at the Meeting. In the election of directors, the nominees receiving the highest number of votes cast in their favor will be elected to our board, subject to the right of the Class B shareholders to elect a simple majority of the directors.

As of the record date, there were 29,014 shares of Series A Preferred Stock outstanding, entitled to vote based on the number of shares of Class A common stock into which such shares of Series A Preferred Stock are convertible as of the record date, (or 2,525,300 shares of Class A common stock).

Management knows of no matters to be submitted at the Meeting with respect to which the shareholders are entitled to vote, other than the proposals described in this proxy statement. In the event other matters properly come before the Meeting, the persons named in the proxy will vote according to their best judgment.

The following table shows, as of April 19, 2006, certain information with regard to the beneficial ownership of our common stock:

Table of Contents

None of our directors is a director of any other company with a class of securities registered under the Securities Exchange Act of 1934 or any investment company registered under the Investment Company Act of 1940.

What Constitutes Independence for non-employee Directors

Citizens determines whether a director is independent in accord with the NYSE requirements for independent directors (Section 303A of the NYSE's Listed Company Manual). In order to be considered independent, other than in his capacity as a member of the Board of Directors or any board committee, a director may not accept any consulting, advisory or other compensation fee from Citizens, and is not an affiliated person of Citizens or any subsidiary. In addition to compliance with NYSE independence rules, the Board is also responsible to determine affirmatively that each independent director has no other material relationship with Citizens or its affiliates or any executive officer of Citizens or his or her affiliates. A relationship will be considered material if in the judgment of the Board it would impair their effectiveness or independent judgment as a director.

Your Board of Directors recommends a vote for the election of the Class A nominees by Class A shareholders. Proxies solicited by the Board of Directors will be voted for the nominees as indicated above unless instructions are given to the contrary.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our business affairs are conducted under the direction of our Board of Directors. The Board of Directors held three (3) meetings during 2005, at which all directors were present. We do not have an attendance policy, although our directors are expected to attend Board Meetings. The non-management directors hold regularly scheduled executive sessions in which those directors meet without management participation. The director chosen to preside at these sessions is determined on an informal basis at the time of the meeting.

To assist it in carrying out its duties, the Board has delegated certain authority to four separately-designated standing committees whose functions are described below:

Our Board of Directors has determined that Dr. Richard C. Scott is qualified as an audit committee financial expert as that term is defined in the rules of the Securities and Exchange Commission. Dr. Scott served as Dean of Hankamer School of Business of Baylor University from 1972 to 1977; from 1971 to 1972 he was the Associate Dean, Director of Graduate Studies, Professor of Management, Hankamer School of Business, Baylor University. He also has been Associate Professor of Management, Director of Special Programs, Hankamer School of Business, Baylor University, since 1964.

Pursuant to NYSE rules, the Audit Committee is to be comprised of three or more directors as determined by the Board of Directors, each of whom shall be independent. Our Board of Directors has determined that all of the members of the Audit Committee are independent, as defined in the listing standards of the NYSE and the rules of the SEC.

Nominating/Corporate Governance Functions

Our Board of Directors does not maintain a nominating/corporate governance committee with respect to (i) identifying, evaluating or recommending candidates for our Board of Directors, and (ii) shaping the corporate governance of the Company. Instead, these functions are performed by the full Board of Directors. Our Board does not maintain a nominating committee for the following reasons:

We are considered to be a controlled company since the majority of the members on our Board of Directors are elected by our Chairman, Harold E. Riley, through his beneficial ownership of all of our outstanding Class B common shares. Under NYSE rules, controlled companies are not required to maintain a nominating committee;

We are a mid-size company and we do not maintain a large number of directors as do many larger public companies; thus, we do not require a special committee whose sole purpose is to identify and evaluate a large director candidate pool or prepare corporate governance rules.

A majority of the directors on our Board of Directors are considered to be independent; thus, we believe that the nominating duties and corporate governance rules with respect to the Class A directors can be accomplished in a disinterested manner by our entire Board of Directors.

Our Board of Directors will consider a candidate for a Class A director position proposed by a shareholder. A candidate must be highly qualified in terms of business experience and be both willing and expressly interested in serving on the Board. A shareholder wishing to propose a candidate for the Board's consideration should forward the candidate's name and information about the candidate's qualifications to Citizens, Inc., Board of Directors, 400 East Anderson Lane, Austin, Texas 78752, Attn.: Mark A. Oliver. Submissions must include sufficient biographical information concerning the recommended individual, including age, employment history for at least the past five years indicating employer's names and description of the employer's business, educational background and any other biographical information that would assist the Board in determining the qualifications of the individual. The Board will consider recommendations received by a date not later than 120 calendar days before the date our proxy statement was released to shareholders in connection with the prior year's annual meeting for nomination at that annual meeting. The Board will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

The Board evaluates nominees for directors recommended by shareholders in the same manner in which it evaluates other nominees for directors. Minimum qualifications include the factors discussed above.

Code of Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics (Code), which we have posted on our website located at www.citizensinc.com. You may also obtain a copy of our Code by requesting a copy in writing addressed to Citizens, Inc. at 400 East Anderson Lane, Austin, Texas 78752, Attn: Mark A. Oliver or General Counsel, or by calling us at 512-837-7100.

Compensation Committee Report on Executive Compensation

The Compensation Committee of our Board of Directors, which is composed of three outside directors, makes recommendations to the Board concerning the compensation of our executive officers. In order to make such recommendations, toward the end of each year, the Committee evaluates the Company's performance relative to its business plan and similar companies. Additionally, each executive officer's contribution to our achievements during the year is evaluated.

The goal of the Compensation Committee is to ensure that we employ qualified, experienced executive officers whose financial interests are aligned with that of our shareholders. The Committee considers general industry practice and other factors in structuring compensation for our executive officials.

Salaries for each of our executive officers are determined by taking into consideration performance, length of tenure with the Company, compensation by industry competitors for comparable positions and career achievements. Salaries paid within the industry are weighted heavily in setting salary levels. No bonus or stock option plans exist; however, we have a profit sharing plan, where distribution is based on tenure. The Committee also believes that the cash compensation paid to our executive officers, including our Chairman and our Chief Executive Officer, is designed to align their interests with the goals of the Company and that their compensation is related directly to their performance as individuals with considerable experience and ability in the insurance industry.

Harold E. Riley was elected Chairman of the Board and Chief Executive Officer in 1987, although as the founder of the Company, his tenure began in 1968. In October 2000, he relinquished the position of Chief Executive Officer to Rick D. Riley, while remaining as Chairman. On July 19, 2005, Mark A. Oliver, President, assumed the additional position of Chief Executive Officer, while

Table of Contents

Rick D. Riley remained Chief Executive Officer of the Company's life insurance subsidiaries, and remained Vice Chairman of the Company. Harold Riley, Mark A. Oliver and Rick D. Riley have historically been, and currently are, employed by the Company on an at-will basis.

The Committee has conducted a thorough review of the performance of Harold E. Riley, Rick D. Riley and Mark A. Oliver, for the year 2005. This review included an evaluation of the progress made by the Company towards the attainment of its stated goals and the role such persons played in the achievement of our progress. The review also included a broad based comparison of salaries of senior executives of other public life insurance holding companies who are typically identified as comparable to the Company, and the manner in which such executives are compensated.

During 2005, we achieved significant progress in our corporate goals. The conversion of Security Plan Life Insurance Company internal systems to the Company's processing systems was substantially completed. Additionally, efforts were focused on the consolidation of our various life insurance subsidiaries to achieve operational efficiencies. An emphasis was also placed on clearly establishing the corporate identity of Citizens, Inc. as a separate institution. New life insurance products were designed in 2005 that will be introduced in 2006, and which should become the foundation of the Company's growth. In addition, our executive efforts as a group performed well in addressing operational issues we faced as a result of Hurricanes Katrina and Rita in Louisiana. These qualitative factors justified to a large part, the Committee's determination of executive compensation for 2005. In addition, the Company made progress financially in 2005 compared to 2004. Despite the impact of Hurricanes Katrina and Rita in Louisiana, the location of the operations of Security Plan Life Insurance Company and Security Plan Fire Insurance Company, our home service business subsidiaries, the Company made progress financially in 2005 compared to 2004. Although our 2005 net income per share decreased from \$0.17 in 2004 to \$0.13 in 2005, our income before federal income tax grew sharply in 2005, reaching \$11.8 million, a 45.8 % increase over like income in 2004 of \$8.1 million. We experienced double digit increases in premium income and new insurance sales in 2005 over 2004.

Giving consideration to these factors, the Compensation Committee was encouraged by the progress the Company made during 2005, and it considers each of the above three persons to be valuable employees of the Company. Therefore, it is the opinion of the Compensation Committee that the salaries for Harold E. Riley, Rick D. Riley and Mark A. Oliver for 2006 be established at \$750,004, \$300,004, and \$275,000, respectively.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We are not aware of any transaction, or series of transactions, since January 1, 2005, or any currently proposed transactions, or series of transactions, to which we or any of our subsidiaries was to be a party, in which the amount involved exceeds \$60,000 and in which any director, nominee for director, executive officer, more than 5% shareholder or any member of the immediate family of the foregoing persons had, or will have, a direct or indirect material interest.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

During 2005 and 2004, we paid the following fees to KPMG LLP, our principal accountants:

	2005	2004
Audit Fees	\$ 1,213,042	\$ 964,800
Audit Related Fees	-0-	-0-
Tax Fees	-0-	-0-
All Other Fees	-0-	-0-
Total	\$ 1,213,042	\$ 964,800

To help assure independence of the independent auditors, the Audit committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal auditor or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable Securities and Exchange Commission rules. This policy is set forth in our Amended Audit Committee charter. Of the fees shown in the table which were paid to our principal accountants in 2005, 100% were approved by the Audit Committee. SEC regulations and Company policy did not require pre-approval for non-audit services prior to 2003.

CHANGE IN INDEPENDENT ACCOUNTANT

On March 20, 2006, our Audit Committee dismissed KPMG LLP as our independent registered public accounting firm.

The audit reports of KPMG LLP on our consolidated financial statements for the 2004 and 2005 fiscal years contained no adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles. The audit reports of KPMG LLP on management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting as of December 31, 2005 and 2004 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that KPMG LLP's report indicated that the Company did not maintain effective internal control over financial reporting as of December 31, 2004 because of the effect of a material weakness on the achievement of the objectives of the control criteria and contained an explanatory paragraph that stated the Company's policies and procedures did not provide for adequate and effective management oversight and review of the Company's financial reporting process. Specifically, the Company did not revise its management oversight and review protocols to address changes in the qualifications of personnel performing financial reporting functions, and did not provide for effective cross-training of personnel performing financial reporting functions. As a result, numerous material errors were identified in the Company's financial statement footnotes. These errors were corrected prior to the issuance of our 2004 consolidated financial statements.

In connection with the audits of our consolidated financial statements of the two fiscal years ended December 31, 2005 and 2004, and the subsequent interim period through March 20, 2006, there were no: (1) disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement, or (2) reportable events, except that KPMG LLP advised us of the material weakness noted in the previous paragraph.

We provided a copy of the above disclosure to KPMG LLP and asked KPMG LLP to provide us with a letter addressed to the SEC stating whether or not KPMG LLP agreed with our statements. A copy of that letter, dated March 23, 2006, stating that KPMG LLP has no disagreements with our statements except that it was not in a position to agree or disagree with our statements that the change in auditors was approved by our Audit Committee and KPMG LLP was not in a position to agree or disagree with our statements about retaining Ernst & Young LLP as our independent registered public accounting firm, was filed as Exhibit 16.1 to our report on Form 8-K filed with the SEC on March 23, 2006.

On March 23, 2006, our Audit Committee engaged Ernst & Young LLP as our independent registered public account firm for the fiscal year ending December 31, 2006. During the 2004 and 2005 fiscal years and through March 23, 2006, we did not consult with Ernst & Young LLP regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our statements, or any other matters that were either the subject of a disagreement or a reportable event as defined in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

Our Audit Committee Charter provides that the Audit Committee shall have the sole authority and responsibility to select, evaluate and, if necessary, replace our independent accountants.

On March 23, 2006 our Audit Committee retained Ernst & Young LLP as our independent public registered accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2006.

We are asking the shareholders to ratify the appointment of Ernst & Young LLP by our Audit Committee as our independent public registered accounting firm for the fiscal year ending December 31, 2006. If the shareholders do not ratify this appointment, the Audit Committee will consider such results and determine whether to recommend and appoint a different independent public registered accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2006.

One or more members of the firm of Ernst & Young LLP will attend the annual meeting, will have an opportunity to make a statement and will be available to answer questions.

Ratification of the appointment of Ernst & Young LLP as our independent public registered accounting firm requires the affirmative vote of the holders of a majority of the common shares and preferred shares, voting as one class, present or represented at the annual meeting, in person or by proxy, entitled to vote on this proposal. Abstentions will count as votes against the proposal. Broker non-votes do not count for voting purposes. The Board recommends a vote FOR such ratification.

AUDIT COMMITTEE REPORT

Our Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of our financial management, independent auditors and financial reporting procedures. The Audit Committee Charter was adopted in 2000. The Audit Committee Charter was updated and restated in April 2004 in order to meet the requirements of the Sarbanes-Oxley Act of 2002.

Management is responsible for preparing our financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors. The Audit Committee is also responsible for establishing procedures to address complaints regarding accounting, internal control or auditing issues, as well as the anonymous submission by employees of concerns regarding accounting or auditing matters. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

Table of Contents

Dr. Richard C. Scott, the financial expert of the Audit Committee, as well as the other members of the Audit Committee, are independent directors as defined in the rules of the New York Stock Exchange. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including auditor independence. The members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by our management and the independent accountants.

The Committee has discussed with KPMG LLP, our independent auditors for our 2003, 2004 and 2005 financial statements, the independent auditor's matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the independent auditors provided to the Audit Committee the written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee and the independent auditors have discussed the auditors' independence from us and our management, including the matters in those written disclosures. Additionally, the Committee considered the financial information systems services and other non-audit services provided by the independent auditors and the fees and costs billed and expected to be billed by the independent auditors for those services. The Committee has discussed with management the procedures for selection of consultants and the related competitive bidding practices and fully considered whether those services provided by the independent auditors are compatible with maintaining auditor independence.

The Committee has discussed with our independent auditors their evaluations of our internal accounting controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions with management and the independent auditors referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved, the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission.

With the approval of the Board of Directors, the Audit Committee dismissed KPMG as our principal accountants and engaged Ernst & Young as our independent registered public accounting, effective March 23, 2006.
