**Item 1.01. Entry into a Material Definitive Agreement**

On October 12, 2006, Cardiogenesis Corporation (the Company) and Michael J. Quinn entered into a Memorandum of Understanding (the MOU) pursuant to which the parties agreed to settle certain disputes between them relating to Mr. Quinn's termination from employment.

Pursuant to the terms of the MOU, the Company will pay Mr. Quinn a total of \$550,000 in 72 equal bi-monthly installments; provided, however, that up to \$75,000 of this amount may be paid to Mr. Quinn's counsel as attorney's fees. Mr. Quinn will be entitled to retain 689,008 previously issued stock options having the following exercise prices:

- 89,008 shares at \$0.32 per share
- 150,000 shares at \$0.70 per share
- 200,000 shares at \$0.54 per share
- 250,000 shares at \$0.50 per share

The exercise period of these options has been extended so that each option shall terminate on October 12, 2009. In addition, Mr. Quinn will be entitled to statutory indemnification and any indemnification required by the Company's bylaws relating to his services on the Board of Directors of the Company. The MOU also provides that both parties will not disparage each other.

The Company anticipates that there will be a non-cash charge associated with the extension of the exercise period of these options. Such amount, which will be included in the company's third quarter results, has not yet been determined. The MOU is intended to be binding and enforceable against the parties; provided, however, that the parties may and the Company expects to enter into a more complete settlement agreement containing customary releases and other provisions, which settlement agreement would supersede the MOU.

**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers**

(a) Pursuant to the terms of the Memorandum of Understanding described in Item 1.01 above, effective October 12, 2006, Michael J. Quinn resigned as a member of the Board of Directors of the Company.
