Item 8.01 Other Events.

On October 31, 2006, a party identifying itself as a shareholder of the Company filed a derivative shareholder suit against us and certain of our current and former officers and directors in the U.S. District Court for the District of Minnesota. The action made general allegations regarding our purported stock option practices and on that basis asserted claims for violations of Section 10(b) of the Securities Exchange Act of 1934 (the Exchange Act) and Rule 10b-5 thereunder, Sections 14(a) and 20(a) of the Exchange Act, breach of the fiduciary duties of loyalty and good faith, an accounting, unjust enrichment and rescission. On November 17, 2006, we filed a motion to dismiss the action in its entirety. On December 22, 2006, rather than opposing this motion to dismiss, plaintiff filed a motion for voluntary dismissal of the case. On January 3, 2007, the Court entered an order granting plaintiff's motion for voluntary dismissal without prejudice.

On February 6, 2007, this shareholder filed a complaint in the Court of Chancery of the State of Delaware. The complaint sought an order pursuant to Section 220 of the Delaware General Corporation Law permitting plaintiff to inspect and make copies and extracts of certain of our books and records. On June 13, 2007, the Chancery Court granted the parties' Stipulation and Order of Dismissal which dismissed the action with prejudice.
