SCHEDULE 13D
CUSIP NO. 04544X300
ASSISTED LIVING CONCEPTS, INC.

Item 1. Security and Issuer.

The securities to which this statement on Schedule 13D (the "Schedule") relates are shares of Class A Common Stock, \$0.01 par value per share (the "Class A Common Stock"), of Assisted Living Concepts, Inc. (the "Issuer"). The address of the Issuer's principal executive offices is W140 N8981 Lilly Road, Menomonee Falls, Wisconsin 53051.

Effective March 16, 2009, the Issuer implemented a one-for-five reverse stock split of its Class A Common Stock and its Class B common stock, \$0.01 par value per share (the "Class B Common Stock"), without changing the par value per share. All current share amounts and any per share prices in this Schedule have been adjusted to reflect this reverse stock split. The CUSIP number of the Class A Common Stock before the reverse stock split was 04544X102.

Item 2. Identity and Background.

- (a) The name of the reporting person is Scotia Investments Limited, a Nova Scotia limited company ("Scotia Investments").
- (b) The address of Scotia Investments is 3 Bedford Hills Road, Bedford, Nova Scotia B4A 1J5.
- (c) The principal business of Scotia Investments is serving as a private investment holding company.
- (d) Scotia Investments has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) during the last five years.
- (e) Scotia Investments has not during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.
- (f) Scotia Investments is a limited company organized under the laws of Nova Scotia.

Substantially all of the outstanding voting shares of Scotia Investments are held directly or indirectly by more than 50 members of the family of the late R. A. Jodrey, including former spouses and beneficiaries of deceased family members. David J. Hennigar, chairman of the Issuer's Board of Directors, and Jesse C. Brotz, a director of the Issuer, are each a member of the Jodrey family and each is one of twelve directors of Scotia Investments, none of whom individually has the power to vote or dispose of the Issuer shares held directly or indirectly by Scotia Investments. Matters relating to the voting and disposition of Issuer shares held by Scotia Investments are determined exclusively by its board of directors. Mr. Hennigar and Mr. Brotz each disclaim beneficial ownership of the Issuer shares held directly or indirectly by Scotia Investments.

Pursuant to General Instruction C of Schedule 13D, Exhibit A to this Schedule contains information with respect to each director and executive officer of Scotia Investments. To the knowledge of Scotia Investments, none of the persons listed on Exhibit A has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), nor has any such person been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

All of the securities reported as beneficially owned by Scotia Investments in this Schedule were acquired directly or indirectly by Scotia Investments in connection with the exchange transaction described below under Item

4, subsequent conversions of Class B Common Stock into Class A Common Stock, and the reverse stock split referred to in Item 1 above.

Item 4. Purpose of Transaction.

On November 10, 2006, Assisted Living Concepts (the Issuer) became an independent, publicly traded company with its Class A Common Stock listed on the New York Stock Exchange when the separation of the Issuer from its parent company, Extendicare Inc., pursuant to a distribution of the Issuer's Class A Common Stock and Class B Common Stock to the holders of Extendicare Inc. subordinate and multiple voting shares, was effected pursuant to a Plan of Arrangement filed with and approved by the Ontario Supreme Court of Justice in a transaction exempt from registration under the Securities Act of 1933 pursuant to Section 3(a)(10) of that act. In connection with the separation, holders of Extendicare subordinate voting shares received (i) one share of Class A Common Stock of the Issuer and (ii) one Extendicare common share from Extendicare in exchange for each Extendicare subordinate voting share that they held as of the separation date. Holders of Extendicare multiple voting shares received (i) one share of Class B Common Stock of the Issuer and (ii) 1.075 Extendicare common shares from Extendicare in exchange for each Extendicare multiple voting shares that they held on the separation date. All of the securities reported as beneficially owned by Scotia Investments in this Schedule were acquired in that transaction, subsequent conversions of Class B Common Stock into Class A Common Stock, and the reverse stock split referred to in Item 1 above.

As reported in the Issuer's Information Statement dated as of November 10, 2006 related to its separation from Extendicare Inc., and as updated in the Issuer's definitive proxy statements for its 2007, 2008 and 2009 annual meetings of stockholders and reports filed pursuant to Section 16(a) of the Securities Exchange Act of 1934, Scotia Investments holds directly 57,848 shares of Class A Common Stock of the Issuer and certain of its subsidiaries, as identified on Exhibit B to this Schedule, hold in the aggregate 114,810 shares of Class A Common Stock of the Issuer. Scotia Investments has the right to indirectly acquire 1,463,075 shares of Class A Common Stock upon conversion of the aggregate 1,361,000 shares of Class B Common Stock held indirectly through its subsidiaries as set forth on Exhibit B to this Schedule. Each share of Class B Common Stock is convertible at any time, at the holder's election, into 1.075 shares of Class A Common Stock. In addition, any shares of Class B Common Stock transferred to a person other than a permitted holder of Class B Common Stock, as provided in the Issuer's Amended and Restated Articles of Incorporation, will automatically convert into shares of Class A Common Stock on the same basis upon any such transfer.

Generally, each share of Class B Common Stock entitles the holder to ten votes with respect to all matters upon which stockholders are entitled to vote, each share of Class A Common Stock entitles the holder to one vote on such matters, and the holders of Class A Common Stock and Class B Common Stock vote together on such matters without regard to class. Consequently, based on its ownership of Class A Common Stock and Class B Common Stock reported in Item 5 of this Schedule, and the shares outstanding on May 7, 2009, Scotia Investments held approximately 53.2% of the total voting power of the Issuer.

Scotia Investments reviews its investment in the Issuer on a continuous basis in light of numerous factors, including the Issuer's and Scotia Investments' respective financial condition and operating results and general market and industry conditions, and from time to time engages and consults with advisors to assist with this effort. The alternatives covered in such review include the transfer of Issuer shares among the various subsidiaries of Scotia Investments, the divestiture of such shares, and the acquisition of additional shares from third parties. Based on such reviews and discussions, Scotia Investments may, without notice, pursue different strategic alternatives relating to such shares and the Issuer. Any transfers by Scotia Investments of its Class B Common Stock must be made in accordance with the transfer restrictions contained in the Issuer's Amended and Restated Articles of Incorporation; otherwise, the transferred shares will automatically convert into Class A shares as described above.

Except as set forth herein, Scotia Investments has no present plans or proposals that relate to or would result in any of the matters described in subparagraphs (a) through (j) of Item 4 to Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) Scotia Investments holds directly 57,848 shares of Class A Common Stock of the Issuer and certain of its subsidiaries, as identified on Exhibit B to this Schedule, hold in the aggregate 114,810 shares of Class A Common Stock of the Issuer. Scotia Investments has the right to indirectly acquire 1,463,075 shares of Class A Common Stock

upon conversion of the aggregate 1,361,000 shares of Class B Common Stock held indirectly

-5-

through its subsidiaries as set forth on Exhibit B to this Schedule. As noted in Item 4, each share of Class B Common Stock may be converted into 1.075 shares of Class A Common Stock at the option of the holder. Consequently, Scotia Investments may be deemed to beneficially own an aggregate of 1,635,733 shares, or 13.9% of the outstanding shares of Class A Common Stock of the Issuer.

The number of shares beneficially owned and the percentage of outstanding shares has been computed in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended. The percentages of ownership described herein are based on 10,284,573 shares of Class A Common Stock and 1,560,419 shares of Class B Common Stock issued and outstanding as of May 7, 2009, as reported in the Issuer's quarterly report on Form 10-Q for the quarter ended March 31, 2009.

To the best knowledge of Scotia Investments, and except as described herein (including the exhibits hereto), neither Scotia Investments nor any persons listed on Exhibit A or entities listed on Exhibit B attached hereto beneficially own any additional shares of the Issuer's common stock.

(b) With respect to any rights or powers to vote, or to direct the vote of, and to dispose of, or to direct the disposition of, the shares referenced in paragraph 5(a), Scotia Investments has sole voting and dispositive power over 57,848 of such shares, and shares voting and dispositive power with respect to 1,577,885 of such shares with its subsidiaries listed on Exhibit B.

(c) Other than the effects of the reverse stock split referred to in Item 1 above, no other transactions in shares of the Issuer's common stock were effected by Scotia Investments, the persons listed on Exhibit A attached hereto, or the subsidiaries listed on Exhibit B attached hereto, during the 60-day period prior to May 28, 2009.

(d) Other than the subsidiaries of Scotia Investments listed on Exhibit B attached hereto, no other person is known by Scotia Investments to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares beneficially owned by Scotia Investments.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Any transfers by Scotia Investments of its Class B Common Stock must be made in accordance with the transfer restrictions contained in the Issuer's Amended and Restated Articles of Incorporation, as noted in Item 4 above. Additionally, the following shares, constituting all of the shares of Class B Common Stock held indirectly by Scotia Investments through its subsidiaries, are subject to pledge arrangements which, if a default occurs, may result in another person obtaining voting or investment power over the pledged shares:

517,000 shares of Class B Common Stock have been pledged as security for margin loans from Bank of Montreal.

844,000 shares of Class B Common Stock have been pledged as security for margin loans from the Canadian Imperial Bank of Commerce (CIBC).

Item 7. Material to be Filed as Exhibits.

Exhibit 2: Certificate of Change Pursuant to NRS 78.209 For Nevada Profit Corporations (incorporated by reference to Exhibit 3.1 to the Issuer's current report on Form 8-K dated March 16, 2009 and filed on March 18, 2009, File No. 001-13498).
