ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIP WITH RESPECT TO THE ISSUER.

As noted above, GA is authorized and empowered to vote and dispose of the securities held by GAP 77, GAP-W and GapStar and the GA Managing Directors are authorized and empowered to vote and dispose of the securities held by GAPCO II. 62949W103

Page 14 of 24

On July 20, 2005, GAP 77, GAPCO II, GapStar, GAP-W and KG (collectively, the "GA Signatories") entered into an Amended and Restated Support and Lock-Up Agreement (the "Support Agreement") with the NYSE pursuant to which the GA Signatories agreed not to sell or transfer any shares of Common Stock during the three-year period following the Closing Date except as follows: (i) upon and following the first anniversary of the Closing Date, the GA Signatories will be able to sell or transfer one-third of the Locked-Up Shares, to the extent such amount of Locked-Up Shares have not previously been released as described in clause (iv) below, (ii) upon and following the second anniversary of the Closing Date, the GA Signatories will be able to sell or transfer another one-third of the Locked-Up Shares, to the extent such amount of Locked-Up Shares have not previously been released as described in clause (iv) below, (iii) upon and following the third anniversary of the Closing Date, the GA Signatories will be able to sell or transfer the remaining one-third of the Locked-Up Shares, so that in any event the GA Signatories will be able to sell or transfer all Locked-Up Shares on and after the third anniversary of the Closing Date, and (iv) if the Company's Board of Directors releases from contractual transfer restrictions any shares of Common Stock that were issued in the Merger (other than those shares of Common Stock issued to GSP, LLC ("GSP"), an entity affiliated with Mr. Gerald D. Putnam), then a proportionate number of Locked-Up Shares that remain subject to the transfer restrictions described above will similarly be released.

If the Company proposes to file a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), at any time following the Closing Date but prior to the expiration of the transfer

Edgar Filing: NYSE Group, Inc. - Form SC 13D

restrictions described above in respect of an offering to be made for its own account, and the Company decides to permit

62949W103

Page 15 of 24

certain of its stockholders to participate in such registered offering, then the GA Signatories will have the right to participate in the registered offering on a pro rata basis with the other stockholders of the Company participating in such registered offering. In addition, if the Company proposes to file a registration statement under the Securities Act at any time following the Closing Date but prior to the expiration of the transfer restrictions described above in respect of an offering to be made for the account of entities affiliated with The Goldman Sachs Group, Inc., consisting of GS Archipelago Investment, L.L.C., SLK-Hull Derivatives LLC and Goldman Sachs Execution and Clearing, L.P., or any holder of the Common Stock who was a member of the NYSE immediately prior to the mergers described above, then the GA Signatories will also have the right to participate in such registered offering on a pro rata basis with the other stockholders of the Company participating in such registered offering. If the GA Signatories have not had the right to participate in at least one offering on or prior to the first anniversary of the Closing Date, then the GA Signatories shall have the right (a "Registration Right"), exercisable once during the period between the first and second anniversaries of the Closing Date, to demand that the Company effect the registration under the Securities Act of all or any portion of the Common Stock held by the GA Signatories that are then no longer subject to the restrictions on transfer described above. If the GA Signatories have not had the right to participate in at least two offerings on or prior to the second anniversary of the Closing Date, then the GA Signatories shall have a Registration Right, exercisable once during the period between the second and third anniversaries of the Closing Date, to demand that the Company effect the registration under the Securities Act of all or any portion of the Common Stock held by the GA Signatories that are then no longer subject to the restrictions on transfer described above.

62949W103

Page 16 of 24

Finally, the GA Signatories have a Registration Right, exercisable once during the period between the third and fourth anniversaries of the Closing Date, to demand that the Company effect the registration under the Securities Act of all or any portion of the Common Stock held by the GA Signatories that are then no longer subject to the restrictions on transfer described above. The foregoing summary of the Support Agreement is qualified in its entirety by reference to Exhibit 4 which is incorporated by reference herein.

On October 20, 2005, the GA Signatories entered into a Registration Rights Agreement (the "Registration Rights Agreement") with the NYSE and the Company providing for additional rights and obligations in connection with certain registration rights granted by the NYSE and the Company pursuant to the Support Agreement described above. Under the Registration Rights Agreement, the Company has the right to postpone effecting a registration requested by the GA Signatories pursuant to the Support Agreement for a period of time not to exceed 45 days if the Company determines in good faith that

Edgar Filing: NYSE Group, Inc. - Form SC 13D

effecting the registration would materially and adversely affect an offering of securities of the Company (the preparation of which has already commenced) or would require the Company to disclose material non-public information (the disclosure of which during such period would not be in the best interests of the Company). The Company may not postpone such a registration more than twice during any period of 12 consecutive months.

Pursuant to the Registration Rights Agreement, the GA Signatories will be liable for their portion of the registration and filing fees payable to the Securities and Exchange Commission in connection with any registered offering of the Company common stock effected pursuant to the Registration Rights Agreement (with such portion

62949W103

Page 17 of 24

based on the number of shares of the Common Stock being sold by or on behalf of the GA Signatories in the offering). The Company will be liable for all other registration-related expenses of such offering, other than the underwriter's discounts and commissions related to the shares of the Common Stock sold by or on behalf of the GA Signatories in such offering, which discounts and commissions will be the responsibility of the GA Signatories. If any of the Company's stockholders participate in a registered offering with the GA Signatories, the Company may require such stockholders to pay for their portion of some or all of the expenses of such offering (with such portion based on the number of shares of the Common Stock being sold by or on behalf of such stockholders in the offering). If the Company imposes this requirement, the GA Signatories will be liable for their portion of the same registration expenses (with such portion based on the number of shares of the Common Stock being sold by or on behalf of the GA Signatories in the offering).

The GA Signatories also have the right to participate in certain registered offerings of the Common Stock to the extent that such persons continue to hold the Common Stock subject to the transfer restrictions imposed by the Support Agreement. Specifically, if the Company proposes an offering of the Common Stock for its own account and decides to permit certain of its stockholders to participate in that registered offering, then the GA Signatories will also be entitled to participate in that registered offering pro rata with the other stockholders that are participating in the offering. Moreover, if the Company agrees to register an offering of the Common Stock for any stockholder who was a NYSE member immediately prior to the mergers contemplated by the Merger Agreement, then the GA Signatories will be entitled to participate in that offering on equal terms and pro rata with the other stockholders participating in the

62949W103

Page 18 of 24

offering. The foregoing summary of the Registration Rights Agreement is qualified in its entirety by reference to Exhibit 5, which is incorporated herein by reference.
