Section 6.6 Third-Party Claims. If an Indemnified Party shall receive notice of any Action, audit, demand or assessment (each, a "Third-Party Claim") against it or which may give rise to a claim for Loss under this Article VI, within thirty (30) calendar days of the receipt of such notice, the Indemnified Party shall give the Indemnifying Party or Indemnifying Parties, as the case may be, notice of such Third-Party Claim; provided, however, that the failure to provide such notice shall not release any Indemnifying Party from any of its obligations under this Article VI except to the extent that such Indemnifying Party is materially prejudiced by such failure and shall not relieve such Indemnifying Party from any other obligation or liability that it may have to any Indemnified Party otherwise than under this Article VI. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party or Indemnified Parties hereunder against any Losses that may result from such Third-Party Claim, then such Indemnifying Party or Indemnifying Parties, as the case may be, shall be entitled to assume and control the defense of such Third-Party Claim at its or their expense and through counsel of its or their choice if it or they give notice of such intention to do so to the Indemnified Party or Indemnified Parties, as the case may be, within fourteen (14) calendar days of the receipt of notice from any Indemnified Party of such Third-Party Claim; provided, however, that if there exists or is reasonably likely to exist a conflict of interest that would make it inappropriate in the reasonable judgment of the Indemnified Party or Indemnified Parties in its or their sole and absolute discretion for the same counsel to represent both the Indemnified Party or Indemnified Parties and the Indemnifying Party or Indemnifying Parties, then the Indemnified Party or Indemnified Parties shall be entitled to retain its or their own counsel in each jurisdiction for which the Indemnified Party determines counsel is required, at the expense of the Indemnifying Party or Indemnifying Parties. In the event that the Indemnifying Party or Indemnifying Parties exercise the right to undertake any such defense against any such Third-Party Claim as provided above, the Indemnified Party or Indemnified Parties shall cooperate with the Indemnifying Party or Indemnifying Parties in such defense and make available to any Indemnifying Party, at such Indemnifying Party's expense, all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the

Indemnified Party's control relating thereto as is reasonably required by such Indemnifying Party. Similarly, in the event any Indemnified Party is, directly or indirectly, conducting the defense against any such Third-Party Claim, such Indemnifying Party shall cooperate with the Indemnified Party or Indemnified Parties in such defense and make available to any Indemnified Party, at such Indemnifying Party's or Indemnifying Parties' expense, all such witnesses, records, materials and information in such Indemnifying Party's possession or under such Indemnifying Party's control relating thereto as is reasonably required by any Indemnified Party. No Third-Party Claim may be settled (i) by any Indemnified Party without the prior written consent of the Indemnifying Party or Indemnifying Parties (which shall not be unreasonably withheld or delayed) if the Indemnifying Party or Indemnifying Parties acknowledge in writing its or their obligation to indemnify such Indemnified Party hereunder against any Losses that may result from such Third-Party Claim or (ii) by any Indemnifying Party without the prior written consent of the Indemnified Party or Indemnified Parties, except, in the case of (ii) only, where settlement of such Third-Party Claim (A) includes an unconditional release of the Indemnified Party or Indemnified Parties from all liability arising out of such Action, audit, demand or assessment and (B) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

Section 6.7 Exclusive Remedy. Following the Closing, indemnification as set forth in this Article VI shall be the exclusive remedy available, (a) to Ctrip, with respect to any breaches of any representations and warranties, covenants or agreement by any Baidu Party in this Agreement and (b) to the Baidu Parties, with respect to any breaches of any representations and warranties, covenants or agreement by Ctrip in this Agreement, except in each case pursuant to Section 7.13 (which remedies shall, for the avoidance of doubt, be in addition to the remedies set forth in this Article VI).

Section 7.2 Public Disclosure. None of the Parties or their respective Affiliates shall issue or cause the publication of this Agreement or the Transaction Agreements or any press release or other public announcement or communication with respect to the transactions contemplated hereby or thereby except to the extent a Party's counsel deems such disclosure necessary in order to comply with any Law or the regulations or policies of any securities exchange or other similar regulatory body (in which case the disclosing Party shall give the other Parties notice as promptly as is reasonably practicable of any required disclosure to the extent permitted by applicable Law), shall limit such disclosure to the information required to comply with such Law or regulations, and if reasonably practicable, shall consult with the other Parties regarding such disclosure and give good faith consideration to any suggested changes to such disclosure from the other Parties.

Section 7.3 Adjustments for Share Splits, etc. Wherever in this Agreement there is a reference to a specific number of Ctrip Ordinary Shares or Baidu Exchange Shares, then, upon the occurrence of any subdivision, combination or share or extraordinary dividend of or on Ctrip Ordinary Shares or Baidu Exchange Shares with an effective or record date from the date hereof until the Closing, the specific number of such shares so referenced in this Agreement shall be proportionally adjusted to reflect the effect on the outstanding shares of such class or series of shares by such subdivision, combination or dividend.

Section 7.4 Amendment. Any provision of this Agreement may be amended if, but only if, such amendment is in writing and is duly executed and delivered by Ctrip and the Baidu Parties.

Section 7.5 Waiver and Extension.

(a) Ctrip may (i) extend the time for the performance of any of the obligations or other acts of any Baidu Party, (ii) waive any inaccuracies in the representations and warranties of the Baidu Parties contained herein or in any document delivered by any Baidu Party pursuant hereto or (iii) waive compliance with any of the agreements of the Baidu Parties or conditions to Ctrip's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by Ctrip.

(b) Any Baidu Party may (i) extend the time for the performance of any of the obligations or other acts of Ctrip, (ii) waive any inaccuracies in the representations and warranties of Ctrip contained herein or in any document delivered by Ctrip pursuant hereto or (iii) waive compliance with any of the agreements of Ctrip or conditions to the Baidu Parties' obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by a Baidu Party.

(c) No waiver of any representation, warranty, agreement, condition or obligation granted pursuant to this Section 7.5 or otherwise in accordance with this Agreement shall be construed as a waiver of any prior or subsequent breach of such representation, warranty, agreement, condition or obligation or any other representation, warranty, agreement, condition or obligation and no waiver of any condition granted pursuant to this Section 7.5 or otherwise in accordance with this Agreement shall be construed as a waiver of any representation, warranty, agreement or covenant to which such condition relates. The failure of Ctrip on the one hand, or the Baidu Parties, on the other hand, to assert any of their respective rights hereunder shall not constitute a waiver of any of such rights.

Section 7.6 Fees and Expenses. Each Party shall pay all of its own fees and expenses (including attorneys' fees) incurred in connection with this Agreement and the transactions contemplated hereby, except that Ctrip, on the one hand, and the Baidu Parties, on the other hand, shall each pay one-half of any reasonable out-of-pocket expenses payable in connection with the sales, use, transfer, stamp duty or similar taxes payable in connection with the conveyance, transfer and assignment of the Ctrip Exchange Shares and the Baidu Exchange Shares.

Section 7.7 Assignment. This Agreement and the rights and obligations of the Parties hereunder may not be assigned by Ctrip without the Baidu Parties' written consent or by any Baidu Party without Ctrip's written consent. Any assignment in violation of this Section 7.7 shall be null and void.

Section 7.8 No Third-Party Beneficiaries. Except for the provisions of Article VI relating to the Indemnified Parties, this Agreement shall be binding upon and inure solely to the benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever.

Section 7.9 Governing Law; Arbitration.

(a) This Agreement and any dispute, controversy or claim arising out of or in connection with it or its subject matter shall be governed by, and construed in accordance with, the Laws of the State of New York (without regard to its conflicts of laws rules that would mandate the application of the Laws of another jurisdiction).

(b) Any dispute, controversy or claim arising out of or relating to this Agreement or its subject matter (including a dispute regarding the existence, validity, formation, effect, interpretation, performance or termination of this Agreement) (each a “Dispute”) shall be finally settled by arbitration.

(i) The place and seat of arbitration shall be Hong Kong, and the arbitration shall be administered by the Hong Kong International Arbitration Centre (the “HKIAC”) in accordance with the HKIAC Administered Arbitration Rules then in force (the “HKIAC Rules”).

(ii) The law of this arbitration clause as set forth in this Section 7.9(b) shall be Hong Kong law.

(iii) The number of arbitrators shall be three (3). In the event that there are more than two parties to an arbitration, one arbitrator shall be appointed jointly by the Baidu Parties and one arbitrator shall be appointed by Ctrip. The third arbitrator, who shall serve as chairperson of the arbitral tribunal, shall be selected by the mutual agreement of the first two Party-appointed arbitrators. Any arbitrator that is not so appointed shall instead be appointed in accordance with the HKIAC Rules.

(iv) The language to be used in the arbitration proceedings shall be English.

(v) Subject to the agreement of the arbitral tribunal, any Dispute(s) which arise subsequent to the commencement of arbitration of any existing Dispute(s) shall be resolved by the arbitral tribunal already appointed to hear the existing Dispute(s).

(vi) The award of the arbitral tribunal shall be final, conclusive and binding upon the Parties.

(vii) Judgment upon any award may be entered and enforced in any court having jurisdiction over a Party or any of its assets. For the purpose of the enforcement of an award, the Parties irrevocably and unconditionally submit to the jurisdiction of any competent court and waive any defenses to such enforcement, including any defenses based on lack of personal jurisdiction or inconvenient forum.

Section 7.10 Entire Agreement. This Agreement and the Transaction Agreements constitute the entire agreement between the Parties with respect to the subject matter of this Agreement and the Transaction Agreements and supersede all prior agreements and understandings, both oral and written, between the Parties and/or their Affiliates with respect to the subject matter of this Agreement and the Transaction Agreements.

Section 7.11 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, Ctrip and the Baidu Parties shall negotiate together in good faith to modify this Agreement so as to effect the original intent of both Ctrip and the Baidu Parties as closely as possible in an acceptable manner in order that the transactions contemplated by this Agreement are consummated as originally contemplated to the greatest extent possible.

Section 7.12 Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Section 7.13 Specific Performance. The Parties acknowledge and agree that irreparable damage would occur, no adequate remedy at law would exist and damages would be difficult to determine if any of the provisions of this Agreement are not performed in accordance with their specific terms. Accordingly, in addition to any other right or remedy to which a Party may be entitled, at law or in equity, it shall be entitled to seek enforcement of any provision of this Agreement by a decree of specific performance and to seek temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without the necessity of proving the inadequacy of money damages as a remedy and without the necessity of posting any bond or other undertaking.

Section 7.14 Joint and Several. All representations, warranties, covenants and agreements of Parent and Baidu hereunder are given on a joint and several basis, and Parent agrees to cause Baidu to perform and comply with all of its obligations hereunder.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

ARTICLE II

STANDSTILL

Section 2.1 Standstill. Subject to Section 2.2, Section 2.3 and Section 2.4, and unless otherwise agreed by both the Shareholder and the Company in writing, the Shareholder covenants and agrees with the Company that, for as long as the Company is in full compliance with Section 3.1(c) and Section 3.2 (to the extent then in effect and applicable), the Shareholder shall not, and shall cause its Subsidiaries not to, directly or indirectly, alone or in concert with others, without the prior written consent of the Company, take any of the actions set forth below (clauses (a) through (e) below, collectively, the “Shareholder Standstill”):

- (a) effect, offer or propose (whether publicly or otherwise) to effect, or announce any intention to effect or cause or participate in or knowingly assist, or vote in favor of or authorize, or solicit any other Person to effect, offer or propose (whether publicly or otherwise) to effect or participate in (i) any acquisition of any Equity Securities (or beneficial ownership thereof) or material assets of the Company or any of its Subsidiaries, including rights or options to acquire such ownership, (ii) any tender or exchange offer, merger, consolidation, amalgamation, scheme of arrangement, or other business combination involving the Company or any of its Subsidiaries, or (iii) any recapitalization, restructuring, liquidation, dissolution or other extraordinary transaction with respect to the Company or any of its Subsidiaries;
- (b) make, or in any way participate in, directly or indirectly, any “solicitation” of “proxies” (as such terms are defined in the rules of the SEC) to vote, or seek to advise or influence any Person with respect to the voting of, any voting securities of the Company or any of its Subsidiaries in connection with seeking the removal of any directors on the Board or a change in the size or composition of the Board (other than for exercising its rights under Section 3.2 when such section is in effect and applicable);
- (c) form, join or in any way participate in a “group” (as defined in Section 13(d)(3) of the Exchange Act) with any third party in connection with any action contemplated by any of the foregoing;

- (d) enter into any arrangements with any third party, or finance any third party, with respect to any of the foregoing actions; or
- (e) make any public disclosure inconsistent with clauses (a) through (d), or take any action that would reasonably be expected to require the Company to make any public disclosure with respect to the matters set forth in clauses (a) through (d).

Section 2.2 Exceptions to Standstill. Notwithstanding anything in Section 2.1 to the contrary, it shall not be a breach of this Agreement if the Shareholder or its Subsidiaries:

- (a) acquire Ordinary Shares or ADSs pursuant to this Agreement or the Share Exchange Agreement;
- (b) purchase in whole at any single time or in part at any number of times, from any Person (in the open market, through block trades, or otherwise) an aggregate number of ADSs or Ordinary Shares up to the Shareholder Purchase Right Shares; provided that the Shareholder or any of its Subsidiaries gives the Company written notice of such purchase promptly but in no event later than two Business Days following such purchase (the "Shareholder Notice"); each Shareholder Notice shall specify the applicable number and date of ADSs or Ordinary Shares purchased;
- (c) discuss any matter (including a Company Sale) confidentially with the Company, the Board or any of its members or the Company's management or exercise voting rights with respect to ADSs or Ordinary Shares on any matter brought before the shareholders of the Company (or the holders of ADSs) in any manner they choose; it being understood, for the avoidance of doubt, that this clause shall not permit the Shareholder or its Subsidiaries to bring a matter before the shareholders of the Company for a vote if it is otherwise expressly prohibited from doing so under Section 2.1;
- (d) discuss any matter (including a Company Sale) confidentially with its designees on the Board, including with respect to any action taken or to be taken by such designees with respect to any matter under consideration by the Board;
- (e) discuss any matter (including a Company Sale) confidentially with its directors, officers, employees, financial advisors, legal counsel or other advisors;
- (f) effect, offer or propose (whether publicly or otherwise) to effect, or announce any intention to effect or cause or participate in or knowingly assist, or vote in favor of or authorize, or solicit any other Person to effect, offer or propose (whether publicly or otherwise) to effect or participate in any disposition or sale of any Equity Securities (or beneficial ownership thereof);
- (g) designating any directors or removing any directors designated pursuant to Section 3.2; or
- (h) make any public announcement, filing or disclosure required by Law or the regulations or policies of any securities exchange or other similar regulatory body.

The Company hereby acknowledges and agrees that any ADSs or Ordinary Shares acquired by the Shareholder or its Subsidiaries pursuant to the Share Exchange

Agreement or pursuant to Section 2.2(b) shall not result in the Shareholder or its Subsidiaries becoming an “acquiring person” or similar designation, or otherwise having their rights to acquire ADSs or Ordinary Shares limited in any way, under any “stockholder rights plan,” “poison pill,” or other comparable plan or arrangement of the Company, or any amendment or modification thereof, in effect as of the date of this Agreement or that may be adopted in the future.

Section 2.3 Suspension of Standstill. Notwithstanding anything in this Agreement to the contrary, the provisions of Section 2.1 shall be suspended if:

(a) any Person or “group” (as defined in Section 13(d)(3) of the Exchange Act) other than the Shareholder and its Subsidiaries: (i) executes a definitive agreement with the Company providing for (or the Board or any committee of the Board approves) a transaction or series of related transactions involving a Significant Sale, provided that Section 2.1 will be reinstated if the Company publicly states that any such process has been irrevocably terminated (but only if neither the Shareholder nor any of its Subsidiaries nor any other Person have publicly proposed a separate, bona fide Significant Sale prior to such termination, but only for so long as such proposal by the Shareholder, its Subsidiaries or such other Person has not been withdrawn or terminated); (ii) commences, or announces an intention to commence, a tender offer or exchange offer that, if consummated, would result in the acquisition of beneficial ownership of more than twenty-seven percent (27%) of the Company’s issued and outstanding equity securities and, in the case of this clause (ii), the Board recommends, or publicly discloses an intention to recommend, that the Company’s shareholders tender their Shares into such offer or fails to recommend against its shareholders tendering their Shares into such offer within ten Business Days after the commencement of such offer or at any time thereafter at which it publicly takes a position with respect to such offer, provided that Section 2.1 will be reinstated if any such tender offer or exchange offer is irrevocably withdrawn or terminated (but only if neither the Shareholder nor any of its Subsidiaries nor any other Person have publicly proposed a bona fide Significant Sale prior to such withdrawal or termination, but only for so long as such proposal by the Shareholder, its Subsidiaries or such other Person has not been withdrawn or terminated); (iii) commences any “solicitation” of “proxies” (as such terms are defined in the rules of the SEC) to elect and/or remove a majority of the Board, provided that Section 2.1 will be reinstated if any such solicitation is irrevocably terminated (but only if neither the Shareholder nor any of its Subsidiaries nor any other Person have publicly proposed a bona fide Significant Sale prior to such termination, but only for so long as such proposal by the Shareholder, its Subsidiaries or such other Person has not been withdrawn or terminated); or (iv) beneficially owns twenty-seven percent (27%) or more of the Company’s issued and outstanding voting securities or Equity Securities; or

(b) the Company has authorized a process for the solicitation of offers or indications of interest with respect to a Significant Sale, and fails to invite the Shareholder to participate in the process on substantially the same terms as apply to other participants; provided that Section 2.1 will be reinstated if the Company publicly states that any such process has been irrevocably terminated (but only if neither the Shareholder nor any of its Subsidiaries nor any other Person have publicly proposed a bona fide Significant Sale prior to such termination, but only for so long as such proposal by the Shareholder, its Subsidiaries or such other Person has not been withdrawn or terminated).

Section 2.4 Essential Consideration. The parties hereto acknowledge and agree that the rights and obligations of the parties hereunder, including the Shareholder

ARTICLE III

ADDITIONAL AGREEMENTS

Section 3.1 Investment and Other Restrictions.

(a) If the Shareholder proposes to transfer any Ordinary Shares to any Company Competitor (except in capital markets transaction(s) of Equity Securities of the Company where any Company Competitor participates without the Shareholder's knowledge), the Shareholder shall promptly give the Company a written notice of the Shareholder's intention to make the transfer (the "Transfer Notice"), which shall include (A) a description of the Ordinary Shares subject to the transfer, (B) the identity of the Company Competitor and (C) the consideration and other material terms and conditions upon which the proposed transfer is to be made. The Company may exercise its right of first refusal by delivering the Shareholder of written notice within ten (10) Business Days after its receipt of the Transfer Notice to acquire all, but not less than all, of the Ordinary Shares subject to the transfer at the same price and subject to the same terms and conditions as described in the Transfer Notice. If and to the extent that the Company fails to exercise its right hereunder timely or, at all, the Shareholder may then proceed with the transfer of Ordinary Shares to the Company Competitor on the terms and conditions set forth in the Transfer Notice.

(b) Unless otherwise agreed by both the Shareholder and the Company in writing, the Shareholder covenants and agrees with the Company that for as long as the Company is in full compliance with Section 3.1(c) and Section 3.2 (to the extent then in effect and applicable), the Shareholder shall not, and shall cause its Subsidiaries not to: (i) effect, offer or propose (whether publicly or otherwise) to effect, or announce any intention to effect or cause or participate in or assist any other Person to effect, offer or propose (whether publicly or otherwise) to effect or participate in (A) any acquisition of any securities (or beneficial ownership thereof) or material assets of any Company Competitor, including rights or options to acquire such ownership, (B) any tender or exchange offer, merger, consolidation, amalgamation, scheme of arrangement, or other business combination with any Company Competitor, or (C) any recapitalization, restructuring, liquidation, dissolution or other extraordinary transaction with respect to any Company Competitor; (ii) form any partnership, joint venture or other business entities with any Company Competitor; or (iii) take any action that would have the effect of any of the transactions described in clause (i) or (ii) above; unless such transaction or action set forth in clauses (i) to (iii) above does not involve the travel business of the Company Competitor.

(c) Unless otherwise agreed by both the Shareholder and the Company in writing, the Company covenants and agrees with the Shareholder that for as long as (x) the Shareholder and its Subsidiaries, in aggregate, beneficially own such number of Ordinary Shares that is not less than fifty percent (50%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement (as adjusted for any stock split, stock dividend, recapitalization, reclassification or similar adjustment made in respect of any Ordinary Shares or ADSs, as applicable), and (y) the Shareholder and its Subsidiaries are in full compliance with Article II, Section 3.1(a) and Section 3.1(b) (to the extent then in effect and applicable), the Company shall not and shall cause its Subsidiaries

not to: (i) issue any Equity Securities to any Shareholder Competitor, or effect any sale of material assets of the Company and its Subsidiaries, taken as a whole, to any Shareholder Competitor (except in public offering(s) and Rule 144A or Regulation S private placement(s) of Equity Securities of the Company where any Shareholder Competitor participates without the Company's knowledge); (ii) exempt or suspend any Shareholder Competitor from the application of the rights issued under the Company Rights Agreement or amend, terminate or redeem the Company Rights Agreement or the rights issued thereunder in order to render such rights inapplicable to any Shareholder Competitor, provided that, the provisions of this sub-clause (ii) shall in no circumstance restrict or interfere with any director of the Company acting in such capacity in the exercise of any such director's fiduciary duties in evaluating the actions to be taken by the Board under the Company Rights Agreement, (iii) effect, offer or propose (whether publicly or otherwise) to effect, or announce any intention to effect or cause or participate in or assist any other Person to effect, offer or propose (whether publicly or otherwise) to effect or participate in (A) any acquisition of any securities (or beneficial ownership thereof) of the last Shareholder Competitor set forth in Exhibit B or any of its Subsidiaries, including the rights or options to acquire such ownership, or (B) any merger, consolidation, amalgamation, scheme of arrangement, or other business combination transaction with any Shareholder Competitor; (iv) form any partnership, joint venture or other business entities with any Shareholder Competitor, other than in connection with the transactions as contemplated under the Consortium Agreement entered into by and among C-Travel International Limited and certain other parties named thereunder, dated as of September 18, 2015 and publicly filed as Exhibit E to a Schedule 13D/A beneficial ownership report of C-Travel International Limited dated September 25, 2015 in respect of eLong, Inc., or (v) take any action that would have the effect of any of the transactions described in clauses (i), (ii) (iii) or (iv) above.

(d) For purpose of this Section 3.1, "material assets" of a Company Competitor or the Company (the "Subject Company") shall mean assets of the Subject Company or its Subsidiaries with an aggregate fair value of no less than 15% of the total assets of the Subject Company, as reflected in the most recent and publicly disclosed consolidated financial information of the Subject Company (in the case that the Subject Company is a listed company) or the most recent audited consolidated financial statements of the Subject Company (in other cases), and shares of eLong, Inc. beneficially owned by the Company or its Subsidiaries shall be deemed to be material assets of the Company.

Section 3.2 Appointment of the Company Directors.

(a) Provided that the Shareholder and its Subsidiaries comply in all material respects with Section 3.1(a) and Section 3.1(b) (in each case to the extent then in effect), (i) for so long as the Shareholder and its Subsidiaries, in the aggregate, beneficially own such number of Ordinary Shares not less than fifty percent (50%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement (as adjusted for any stock split, stock dividend, recapitalization, reclassification or similar adjustment made in respect of any Ordinary Shares or ADSs, as applicable), the Shareholder shall have the right, exercisable by delivering written notice to the Company, to designate one (1) director to the Board, and (ii) for so long as the Shareholder and its Subsidiaries, in the aggregate, beneficially own such number of Ordinary Shares not less than seventy-five percent (75%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement (as adjusted for any stock split, stock dividend, recapitalization, reclassification or similar adjustment made in respect of any

Ordinary Shares or ADSs, as applicable), the Shareholder shall have the right, exercisable by delivering written notice to the Company, to designate in total two (2) directors to the Board. The number of directors designated by the Shareholder above shall be increased if the total number of directors on the Board increases by three or more such that the Shareholder generally maintains its pro rata representation on the Board as contemplated in the preceding sentence without such increase in the total number of directors, provided that the Shareholder shall remain eligible to designate two (2) directors to the Board pursuant to this Section 3.2(a) immediately prior to such adjustment.

(b) The Company shall cause the election of the Shareholder's designee(s) to the Board promptly upon receipt of notice with respect to such designation under Section 3.2(a) and in any event, within five (5) Business Days thereof. If the Shareholder's designee(s) should resign or otherwise be unable to serve on the Board, the Shareholder shall have the right, subject to Section 3.2(a), to designate by written notice to the Company new director(s) to the Board in replacement thereof. For so long as the Shareholder has the right to designate director(s) to the Board pursuant to Section 3.2(a), the Company (i) shall not support or permit the removal of such director(s) designated by the Shareholder without the prior written consent of the Shareholder, and (ii) shall include such director(s) designated by the Shareholder as nominees for election to the Board at any general meeting of shareholders of the Company called for that purpose and use its best efforts to procure their election. At such time as the Shareholder and its Subsidiaries, in the aggregate, beneficially own less than seventy-five percent (75%) but not less than fifty percent (50%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement (as adjusted for any stock split, stock dividend, recapitalization, reclassification or similar adjustment made in respect of any Ordinary Shares or ADSs, as applicable), the Shareholder's director designation right pursuant to this Section 3.2 shall be reduced to one (1) director automatically and irrevocably, upon which the Shareholder shall promptly cause one of the two directors designated by it to resign from the Board. At such time as the Shareholder and its Subsidiaries, in the aggregate, beneficially own less than fifty percent (50%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement (as adjusted for any stock split, stock dividend, recapitalization, reclassification or similar adjustment made in respect of any Ordinary Shares or ADSs, as applicable), the Shareholder's right to designate directors pursuant to this Section 3.2 shall terminate automatically and irrevocably, upon which the Shareholder shall promptly cause any directors designated by it to resign from the Board.

Section 3.3 Pre-emptive Right. For so long as the Shareholder and its Subsidiaries beneficially own such number of Ordinary Shares not less than fifty percent (50%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement (as adjusted for any stock split, stock dividend, recapitalization, reclassification or similar adjustment made in respect of any Ordinary Shares or ADSs, as applicable), the Shareholder is entitled to a pre-emptive right to purchase up to its pro rata share of any new Equity Securities which the Company may, from time to time, propose to sell, offer or issue, for the same purchase price and in substantially the same deal timetable as are offered to other participants in such issuance. The Shareholder's pro rata share, for purposes of the pre-emptive right under this Section 3.3, shall be the lower of (1) 24.5% and (2) a fraction, the numerator of which shall be the number of Ordinary Shares held by the Shareholder and its Subsidiaries immediately prior to the issuance of such new Equity Securities and the denominator of which shall be the total number of Ordinary Shares outstanding immediately prior to such issuance of new Equity Securities. For the avoidance

of doubt, the pre-emptive right hereunder shall not apply to any sale, offer or issuance of Equity Securities: (i) to employees, officers or consultants pursuant to any employee benefit plan, employee stock option plan or similar share-based plan of the Company, (ii) in connection with any exercise of conversion rights by any Person holding any convertible securities of the Company, (iii) in connection with any share split, share dividend or any subdivision of Ordinary Shares or other similar event in which all the Shareholders are entitled to participate on a pro rata basis, (iv) in a strategic acquisition of business, or transactions with financial institutions or lessors in connection with loans, credit arrangements, equipment financings or similar transactions, each such acquisition and transaction having been approved by the Board and the shareholders of the Company pursuant to the Memorandum and Articles of Association; or (v) any securities issued pursuant to any transaction or any series of transactions that constitute a Company Sale.

Section 3.4 Significant Sale

- (a) For so long as the Shareholder and its Subsidiaries, in the aggregate, beneficially own such number of Ordinary Shares not less than fifty percent (50%) of the number of Ordinary Shares issued to the Shareholder or its Subsidiary under the Share Exchange Agreement, the Shareholder shall have a right of first refusal with respect to any transaction or series of related transactions involving a Significant Sale to a Shareholder Competitor.
- (b) If the Company receives any proposal with respect to a transaction or series of related transactions involving a Significant Sale from a Shareholder Competitor ("Significant Sale Offer") and the Board plans to approve or support such proposal, the Company shall, within five (5) Business Days thereafter, send a written notice to the Shareholder ("Offer Notice"). The Offer Notice shall state the material terms and conditions of the proposal, including (i) the name of the Shareholder Competitor, (ii) a detailed description of the proposal and (iii) the total amount and form of the proposed consideration.
- (c) The Shareholder may exercise its right of first refusal by delivering to the Company written notice within ten (10) Business Days after its receipt of the Offer Notice to acquire all, but not less than all, of the Equity Securities or assets subject to the Significant Sale at the same price and subject to the same terms and conditions as described in the Offer Notice. If and to the extent that the Shareholder fails to exercise its right hereunder timely or, at all, the Company may proceed with the Significant Sale on the terms and conditions set forth in the Offer Notice.
- (d) To the extent that the Shareholder duly exercised its right of first refusal hereunder, the Shareholder and the Company shall use their commercially best efforts to procure that the transaction(s) contemplated by the Significant Sale at the same price and subject to the same terms and conditions as described in the Offer Notice are completed within 60 days after the date of the Offer Notice.

Section 4.8 Fees and Expenses. Each party hereto shall pay all of its own fees and expenses (including attorneys' fees) incurred in connection with this Agreement and the transactions contemplated hereby.

Section 4.9 Assignment. This Agreement and the rights and obligations of the parties hereunder may not be assigned by any party hereto without the written consent of the other party hereto. Any assignment in violation of this Section 4.9 shall be null and void.

Section 4.11 Governing Law; Arbitration.

(a) This Agreement and any dispute, controversy or claim arising out of or in connection with it or its subject matter shall be governed by, and construed in accordance with, the Laws of the State of New York (without regard to its conflicts of laws rules that would mandate the application of the Laws of another jurisdiction).

(b) Any dispute, controversy or claim arising out of or relating to this Agreement or its subject matter (including a dispute regarding the existence, validity, formation, effect, interpretation, performance or termination of this Agreement) (each a "Dispute") shall be finally settled by arbitration.

2. Registration Rights.

2.1 Piggyback Registrations.

The Company shall notify the Investor in writing at least three days prior to filing any Registration Statement under the Securities Act for purposes of effecting a public offering of securities of the Company (including, but not limited to, registration statements relating to secondary offerings of securities of the Company, but excluding registration statements filed under Section 2.2 of this Agreement or relating to any employee benefit plan or a corporate reorganization), and shall afford the Investor an opportunity to include in such Registration Statement all or any part of the Registrable Securities then held by the Investor. If the Investor desires to include in any such registration statement all or any part of the Registrable Securities held by it, it shall within three days after receipt of the above-described notice from the Company so notify the Company in writing and in such notice shall inform the Company of the number of Registrable Securities the Investor wishes to include in such registration statement. If the Investor decides not to include all of its Registrable Securities in any registration statement thereafter filed by the Company, the Investor shall nevertheless continue to have the right to include any Registrable Securities in any subsequent registration

statement or registration statements as may be filed by the Company with respect to offerings of its securities, all upon the terms and conditions set forth herein.

- Underwriting. If a registration statement under which the Company gives notice under this Section 2.1(a) is for an underwritten offering, then the Company shall so advise the Investor. In such event, the right of any the Investor's Registrable Securities to be included in a registration pursuant to this Section 2.1(a) shall be conditioned upon the Investor's participation in such underwriting and the inclusion of the Investor's Registrable Securities in the underwriting to the extent provided herein. If the Investor proposes to distribute its Registrable Securities through such underwriting shall enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such underwriting. If the managing underwriter(s) determine(s) in good faith that marketing factors require a limitation of the number of Ordinary Shares to be underwritten, then the managing underwriter(s) may exclude Ordinary Shares from the registration and the underwriting, and the number of Ordinary Shares that may be included in the registration and the underwriting shall be allocated, first, to the Company, and second, to the Investor. If the Investor disapproves of the terms of any such underwriting, the Investor may elect to withdraw therefrom by written notice to the Company and the underwriter(s), delivered at least five days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from such underwriting shall be excluded and withdrawn from the registration.
- (b) No Limit. Except as otherwise provided herein, there shall be no limit on the number of times the Investor may request registration of Registrable Securities under this Section 2.1.
- (c)

2.2 Demand Registration.

- In case the Company shall receive from the Investor a written request or requests that the Company effect a registration on Form F-3, which if the Company is a WKSJ as of the filing date thereof, shall be an automatic Shelf Registration Statement, (and any related qualification or compliance) with respect to all or any part of the Registrable Securities owned by the Investor, then the Company shall file and use its best efforts (i) to cause such
- (a) Shelf Registration Statement to be declared effective under the Securities Act (unless it becomes effective automatically upon filing) as promptly as possible after the filing thereof, and (ii) to keep such Shelf Registration Statement continuously effective under the Securities Act until such date as is the earlier of (x) the date on which all Registrable Securities covered by such Shelf Registration Statement have been sold or (y) the date on which the Registrable Securities may be sold without any restriction pursuant to Rule 144.

- (b) Notwithstanding anything to the contrary provided above, the Company shall not be obligated to effect any such registration, qualification or compliance pursuant to this Section 2.2:
- (1) if Form F-3 or another form permitting incorporation by reference is not available for such offering by the Investor; if the aggregate anticipated price to the public of any Registrable Securities which the Investor propose to sell
- (2) pursuant to such registration, together with the aggregate anticipated price to the public of any other securities of the Company entitled to inclusion in such registration, is less than US\$50,000,000 (or the equivalent thereof in other currencies);
- if the Company shall furnish to the Investor a certificate certifying the same signed by the Chief Executive Officer stating that in the good faith judgment of the Board, it would be materially detrimental to the Company and its shareholders for such registration to be effected at such time, in which event the Company shall have the right to
- (3) defer the filing of the Form F-3 registration statement no more than once during any twelve (12) month period for a period of not more than ninety (90) days after receipt of the request of the Investor under this Section 2.2(a). In addition, the Company shall not have registered any of its other Shares during such ninety (90) day period; or
- if the Company has, within the six (6) month period preceding the date of such request, already effected a
- (4) registration under the Securities Act other than a registration from which the Registrable Securities of the Investor have been excluded (with respect to all or any portion of the Registrable Securities the Investor requested be included in such registration) pursuant to Section 2.1(b).
- (c) No Limit. Except as otherwise provided herein, there shall be no limit on the number of times the Investor may request registration of Registrable Securities under this Section 2.2.

2.3 Expenses. All expenses, other than the underwriting discounts and selling commissions and any issuance fees of the American depositary shares payable to the depositary (which shall be borne by the Investor) applicable to the sale of Registrable Securities pursuant to this Agreement, incurred in connection with Registrations, filings or qualifications pursuant to this Agreement, including but without limitation all Registration, filing and qualification fees, printers' and accounting fees, fees and disbursements of counsel for the Company and reasonable fees and disbursement of the Investor's counsel, shall be borne by the Company. The Company

shall not, however, be required to pay for any expenses of any Registration proceeding begun pursuant to this Agreement if the Registration request is subsequently withdrawn at the request of the Investor.

2.4 Obligations of the Company. Whenever required to effect the registration of any Registrable Securities under this Agreement the Company shall, as expeditiously as reasonably possible:

- (a) Registration Statement. Prepare and file with the Commission a Registration Statement with respect to such Registrable Securities, use its best efforts to cause such Registration Statement to become effective and keep such Registration Statement effective for the period specified in this Section 2 and if not so specified herein, for the lesser of (i) 180 days and (ii) such shorter period which will terminate when all Registrable Securities covered by such Registration Statement have been sold in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement; provided, however, that (i) such 180-day period shall be extended for a period of time equal to the period the Investor refrains from selling any securities included in such registration at the request of the underwriter(s), and (ii) in the case of any registration of Registrable Securities on Form F-3 which are intended to be offered on a continuous or delayed basis, such 180 day period shall be extended, if necessary, to keep the Registration Statement effective until all such Registrable Securities are sold.
- (b) Amendments and Supplements. Prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement.
- (c) Avoidance of Suspension. Use its best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any order suspending the effectiveness of the Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.
- (d) Prospectuses. Furnish to the Investor such number of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of the Registrable Securities owned by them that are included in such registration.

- Blue Sky. Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or “blue sky” laws of such jurisdictions as shall be reasonably requested by the Investor,
- (e) provided, that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act.
- Underwriting. In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement in usual and customary form, with the managing underwriter(s) of such offering and take such other actions as are prudent and reasonably required in order to expedite or facilitate the disposition of such
- (f) Registrable Securities, including causing its officers to participate in "road shows" and other information meetings organized by an underwriter in connection therewith. If the Investor participates in such underwriting, the Investor shall also enter into and perform its obligations under such an agreement.
- Notification. Notify the Investor if the Investor has Registrable Securities covered by such Registration Statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of (i) the issuance of any stop order by the SEC in respect of such Registration Statement, or (ii) the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the
- (g) statements therein not misleading in the light of the circumstances then existing, and at the request of the Investor, prepare and furnish to the Investor a reasonable number of copies of a supplement or amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Ordinary Shares, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in light of the circumstances then existing.
- Opinion and Comfort Letter. Furnish, at the request of the Investor, on the date that such Registrable Securities are delivered to the underwriter(s) for sale, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the registration statement with respect to such securities becomes effective, (i) opinion letters, dated as of such date, of the counsel representing the Company for the
- (h) purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and reasonably satisfactory to the Investor, addressed to the underwriters, if any, and to the Investor and (ii) a “comfort” letter, dated as of such date, from the independent certified public accountants of the Company, in

form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering and reasonably satisfactory to the Investor, addressed to the underwriters, if any, and to the Investor.

Transfer Agent and CUSIP. Provide a transfer agent and registrar for all Registrable Securities covered by such (i) registration statement and held by the Investor and, where applicable, a CUSIP number for all those Registrable Securities, in each case not later than the effective date of the Registration.

(j) Further Actions. Take all reasonable action necessary to list the Registrable Securities on the primary exchange upon which the Company's securities are traded.

2.5 Furnish Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 2 that the Investor furnishes to the Company such information regarding itself, the Registrable Securities held by it, the intended method of disposition of such securities and other information as shall be required to timely effect the Registration of its Registrable Securities.

2.6 Indemnification. In the event any Registrable Securities are included in a Registration Statement under this Section 2:

Indemnification by the Company. To the extent permitted by law, the Company shall indemnify and hold harmless the Investor, its partners, officers, directors, legal counsel, any underwriter (as defined in the Securities Act) for the Investor and each Person, if any, who controls the Investor or underwriter within the meaning of the Securities Act or the Exchange Act, against all losses, claims, damages and liabilities (joint or several; or actions, proceedings or (a) settlements in respect thereof) to which they may become subject under laws which are applicable to the Company and relate to action or inaction required of the Company in connection with any registration, qualification or compliance, insofar as such losses, claims, damages or liabilities (or actions, proceedings or settlements in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a "Violation"):

any untrue statement or alleged untrue statement of a material fact contained in such registration statement, (i) including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto;

- (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading; or
 - (iii) any violation or alleged violation by the Company of the Applicable Securities Law, or any rule or regulation promulgated under the Applicable Securities Law;
- and the Company shall reimburse the Investor, and its respective partners, officers, directors, legal counsel, underwriter and controlling Person for any legal or other expenses reasonably incurred by them, as such expenses are incurred, in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 2.6(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable in any such case for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by the Investor, partner, officer, director, legal counsel, underwriter or controlling Person of such Investor.
- Indemnification by the Investor. To the extent permitted by law, the Investor shall, if Registrable Securities held by the Investor are included in the securities as to which such registration, qualifications or compliance is being effected, indemnify and hold harmless the Company, each of its directors, each of its officers who has signed the registration statement, each Person, if any, who controls the Company within the meaning of the Securities Act and any underwriter, against any losses, claims, damages or liabilities (joint or several) to which the Company or any
- (b) such director, officer, legal counsel, controlling Person underwriter may become subject under the Securities Act, the Exchange Act or other United States federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereto) arise out of or are based upon any of the following statements, omissions or Violations, in each case to the extent (and only to the extent) that such statement, omission or Violation occurs in sole reliance upon and in conformity with written information furnished by the Investor expressly for use in connection with such registration:
- (i) untrue statement or alleged untrue statement of a material fact contained in such registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto; or
- 10
-

(ii) omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading, and the Investor shall reimburse any legal or other expenses reasonably incurred by the Company or any such director, officer, controlling Person or underwriter in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 2.6(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Investor, which consent shall not be unreasonably withheld; and provided, further, that except for liability for willful fraud or misrepresentation, in no event shall any indemnity under this Section 2.6(b) exceed the net proceeds received by the Investor in such registration.

Notice. Promptly after receipt by an indemnified party of notice of the commencement of any action (including any governmental action), such indemnified party shall, if a claim in respect thereof is to be made against any indemnifying party, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party shall have the right to retain its own counsel, with the fees and expenses to be paid by the indemnifying party, as incurred, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential conflict of interests between such indemnified party and any other party represented by such counsel in such proceeding.

Survival: Consents to Judgments and Settlements. The obligations of the Company and the Investor under this Section 2.6 shall survive the completion of any offering of Registrable Securities in a registration statement, regardless of the expiration of any statutes of limitation or extensions of such statutes. No indemnifying party, in (d) the defense of any such claim or litigation, shall, except with the consent of each indemnified party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

2.7 Rule 144 Reporting. With a view to making available to the Investor the benefits of certain rules and regulations of the SEC which may at any time permit the sale of the Registrable Securities to the public without registration or pursuant to a registration on Form F-3, after such time as a public market exists for the Ordinary Shares, the Company agrees to file with the SEC in a timely manner all reports and other documents required of the Company under the

Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements).

2.8 Maintenance of Form F-6. The Company covenants that it will maintain the effectiveness of its Registration Statement on Form F-6 which registers a number of ADSs that is sufficient to allow the Investor to exercise its rights hereunder and under such ADS program, and sell its Registrable Securities in the United States in the manner contemplated by this Agreement.

2.9 Termination. The Company shall have no obligations to register any Registrable Securities proposed to be sold by the Investor if all such Registrable Securities proposed to be sold by the Investor may then be freely sold without registration and without restriction (including, volume limitations) pursuant to Rule 144 promulgated under the Securities Act.

Each of the parties hereto irrevocably waives any immunity to jurisdiction to which it may be entitled or become entitled (including without limitation sovereign immunity, immunity to pre-award attachment, post-award attachment or otherwise) in any arbitration proceedings and/or enforcement proceedings against it arising out of or based on this Agreement or the transactions contemplated hereby.

3.3 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Facsimile and e-mailed copies of signatures shall be deemed to be originals for purposes of the effectiveness of this Agreement.

3.4 Notices. Any notice required or permitted pursuant to this Agreement shall be given in writing and shall be given either personally or by sending it by next-day or second-day courier service, fax, electronic mail or similar means to such Party. Where a notice is sent by next-day or second-day courier service, service of the notice shall be deemed to be effected by properly addressing, pre-paying and sending by next-day or second-day service through an internationally-recognized courier a letter containing the notice, with a confirmation of delivery, and to have been effected at the expiration of two days after the letter containing the same is sent

as aforesaid. Where a notice is sent by fax or electronic mail, service of the notice shall be deemed to be effected by properly addressing, and sending such notice through a transmitting organization, with a written confirmation of delivery, and to have been effected on the day the same is sent as aforesaid.

3.5 Successors and Assigns. This Agreement shall be binding upon and inure solely to the benefit of each Party, and nothing in this Agreement, express or implied, is intended to confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Neither this Agreement nor any of the rights or obligations of any Party may be assigned by any Party without the prior written consent of the other Party, except that the registration rights of the Investor with respect to any Registrable Securities may be transferred to a Permitted Transferee of the Investor (i) to which Registrable Securities have been transferred and (ii) who executes and delivers to the Company a written instrument in form and substance reasonably satisfactory to the Company agreeing to be bound by and entitled to the benefits of, the terms of this Agreement, and any purported assignment in breach hereof by the Investor shall be void. Each party hereto who transfers Equity Securities to a Permitted Transferee shall cause such Permitted Transferee to execute and deliver to the Company a written instrument in form and substance reasonably satisfactory to the Company agreeing to be bound by and entitled to the benefits of, the terms of this Agreement.

3.6 Headings and Titles. Headings and titles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

3.7 Expenses. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing Party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such Party may be entitled.

3.8 Entire Agreement; Amendments and Waivers. This Agreement constitutes the full and entire understanding and agreement among the Parties with regard to the subjects hereof and thereof, and supersedes all other agreements between or among any of the Parties with respect to the subject matter hereof. Any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of both Parties.

3.9 Severability. If a provision of this Agreement is held to be unenforceable under applicable Laws, such provision shall be excluded from this Agreement and the remainder of the Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms.

3.10 Further Assurances. The Parties agree to execute such further instruments and to take such further action as may be reasonably necessary to carry out the intent of this Agreement.

3.11 Rights Cumulative. Each and all of the various rights, powers and remedies of a Party hereto will be considered to be cumulative with and in addition to any other rights, powers and remedies which such Party may have at law or in equity in the event of the breach of any of the terms of this Agreement. The exercise or partial exercise of any right, power or remedy will neither constitute the exclusive election thereof nor the waiver of any other right, power or remedy available to such Party.

3.12 No Waiver. Failure to insist upon strict compliance with any of the terms, covenants, or conditions hereof will not be deemed a waiver of such term, covenant, or condition, nor will any waiver or relinquishment of, or failure to insist upon strict compliance with, any right, power or remedy power hereunder at any one or more times be deemed a waiver or relinquishment of such right, power or remedy at any other time or times.

3.13 No Presumption. The Parties acknowledge that any applicable Law that would require interpretation of any claimed ambiguities in this Agreement against the Party that drafted it has no application and is expressly waived. If any claim is made by a Party relating to any conflict, omission or ambiguity in the provisions of this Agreement, no presumption or burden of proof or persuasion will be implied because this Agreement was prepared by or at the request of any Party or its counsel.
