In addition, all documents filed subsequent to the date of this registration statement by the undersigned Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and prior to the filing of a post-effective amendment hereto which either indicates that all shares of common stock offered hereby have been sold or deregisters any shares of such common stock then remaining, shall also be deemed to be incorporated by reference into this registration statement and to be a part hereof from their respective dates of filing. ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

The legality of the shares offered hereby is being passed upon for the Registrant by Troutman Sanders LLP, Atlanta, Georgia. Carl E. Sanders, a director of the Registrant and the Chairman of Troutman Sanders LLP, is the beneficial owner of 62,087 shares of the Common Stock of the Registrant.

ITEM 6. Indemnification of Directors and Officers.

The General Corporation Law of the State of Delaware (the "DGCL") permits a corporation to indemnify officers, directors, employees and agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement if such person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the corporation, and with respect to any criminal actions, had no reasonable cause to believe was unlawful. In the case of an action brought by or in the right of a corporation, the corporation may indemnify a director, officer, employee or agent of the corporation against expenses (including attorneys' fees) actually and reasonably incurred by him or her if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless a court finds that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper. The DGCL provides that a corporation may advance expenses of defense (upon receipt of a written undertaking to reimburse the corporation if indemnification is not appropriate) and must reimburse a successful defendant for expenses, including attorney's fees, actually and reasonably incurred, and permits a corporation to purchase and maintain liability insurance for its directors and officers.

The Registrant's Certificate of Incorporation provides that Registrant shall, to the fullest extent permitted by law, indemnify its directors and officers against any liability, losses or related expenses which they may incur by reason of serving or having served as directors and officers of Registrant. The Registrant's Certificate of Incorporation limits Registrant's directors' liability for monetary damages to Registrant and its stockholders for breaches of fiduciary duty to the fullest extent permitted under the DGCL. The DGCL permits Delaware corporations to include in their certificate of incorporation a provision eliminating or limiting director liability for monetary damages arising from breaches of fiduciary duty. The only limitations imposed under the statute are that the provision may not eliminate or limit a director's liability (i) for breaches of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or involving intentional misconduct or known violations of law, (iii) for the

payment of unlawful dividends or unlawful stock purchases or redemptions or (iv) for transactions in which the director received an improper personal benefit.

The Registrant's Bylaws provide that each person who is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of Registrant, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, will be indemnified by the corporation to the fullest extent permitted by the DGCL, as the same exists or may hereafter be amended, against all costs, charges, expenses, liabilities and losses reasonably incurred or suffered by such person in connection therewith, and such indemnification will continue as to a person who has ceased to be a director, officer, employee or agent and will inure to the benefit of his or her heirs, executors and administrators; provided, however, that Registrant will indemnify any such person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by Registrant's Board of Directors. The right to indemnification is a contract right and includes the right to be paid by Registrant the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that if the DGCL so requires, the payment of such expenses incurred by a director or officer in advance of the final disposition of a proceeding will be made only upon delivery to Registrant of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it will ultimately be determined that such director or officer is not entitled to be indemnified. The Registrant may provide indemnification to employees and agents of Registrant with the same scope and effect as the foregoing indemnification of directors and officers.

The indemnification rights conferred by the Registrant's Certificate of Incorporation and Bylaws are not exclusive of any other right to which a person seeking indemnification may be entitled under any law, bylaw, agreement, vote of stockholders or disinterested directors or otherwise. Registrant maintains an insurance policy on behalf of its directors and officers insuring against certain liabilities including liabilities arising under the Securities Act.

ITEM 9. Undertakings.

(a) Rule 415 offerings. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was

registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Filings incorporating subsequent Exchange Act documents by reference. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Filing of registration statement on Form S-8. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or

controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
