**Item 3.01 Notice of  
Delisting or  
Failure to  
Satisfy a  
Continued  
Listing Rule or  
Standard;  
Transfer of  
Listing.**

Applica Incorporated today announced that the New York Stock Exchange has notified the Company that it has accepted Applica's proposed plan for continued listing on the NYSE.

As a result of the acceptance, Applica's common stock will continue to be listed on the NYSE pending quarterly reviews by the NYSE's Listing and Compliance Committee to ensure progress against the plan. Applica previously announced that the NYSE notified it that it was considered "below criteria" because its total average market capitalization over a consecutive 30-day trading period and its shareholders' equity were each less than \$75 million.

Failure to achieve the plan's financial or operational goals could result in Applica being subject to NYSE trading suspension and delisting. If Applica is unable to gain compliance with the new standards, Applica will seek listing on another exchange.
