ITEM 2.02. Results of Operations and Financial Condition

On May 23, 2006, Crawford & Company (the Company ) issued a press release containing information about a reaffirmation of the Company's first quarter earnings. A copy of the press release is attached hereto as Exhibit 99.1.

The presentation referred to in the press release and available on the Company's website contains non-GAAP financial measures and a reconciliation to the related GAAP measure is included. Operating earnings is one of the key performance measures used by the Company's senior management to evaluate the performance of its business and make resource allocation decisions. The Company believes this measure is useful to investors in that it allows them to evaluate its performance using the same criteria that management uses.
