EXPLANATORY NOTE

Duke Energy Corporation, a Delaware corporation (the Registrant), registered, pursuant to a Registration Statement on Form S-8 filed on April 3, 2006 (No. 333-132933) (the Registration Statement), the offer and sale of 9,997,573 shares of the Registrant's Common Stock, par value of \$0.001 per share (the Common Stock), issuable under the Duke Energy Corporation 1998 Long-Term Incentive Plan (the 1998 Plan) and 1,649,741 shares issuable under the Cinergy Corp. 1996 Long-Term Incentive Compensation Plan (the 1996 Plan). The Registrant's Board of Directors has adopted, and its stockholders have approved, the 2006 Long-Term Incentive Plan (the 2006 Plan). The number of shares of Common Stock available for issuance under the 2006 Plan is 60,000,000 shares (inclusive of the above-described shares previously registered with respect to the 1998 Plan and the 1996 Plan). The 2006 Plan replaced the 1998 Plan and the 1996 Plan, with respect to awards to be issued in the future, as of the date that the Registrant's stockholders approved the 2006 Plan. No future awards will be made under the 1998 Plan and the 1996 Plan.

In accordance with the principles set forth in Interpretation 89 under Section G, Securities Act Forms, of the Manual of Publicly Available Telephone Interpretations (July 1997) of the Division of Corporation Finance of the Securities and Exchange Commission and Instruction E of the General Instructions to Form S-8, the Registrant is filing this Post-Effective Amendment No. 1 to the Registration Statement to remove 11,647,314 shares of Common Stock registered for issuance under the 1998 Plan and the 1996 Plan from registration under this Registration Statement.

The shares of Common Stock that are hereby removed from registration will be carried over to and continue to be registered under a Registration Statement on Form S-8 (the New Registration Statement) that will be filed contemporaneously with the filing of this Post-Effective Amendment No. 1. The New Registration Statement will register the offer and sale of up to an additional 48,352,686 shares of Common Stock issuable under the 2006 Plan, for a total of 60,000,000 shares.

The offer and sale of shares of Common Stock issuable under the various plans described in footnote 1 to the Calculation of Registration Fee table on the cover page of the Registration Statement, in the amounts described therein, to the extent not previously sold under the Registration Statement or removed from registration hereby, may continue to be conducted under the Registration Statement. In addition, there remain registered under this Registration Statement an additional 14,217,179 shares of Common Stock issuable under the 1998 Plan, but with respect to which no future awards will be made. Such shares may be removed from registration under this Registration Statement in the future, and carried over to another of the Registrant's registration statements to be filed at that time.
