PROXY STATEMENT

DATED APRIL 17, 2003

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 22, 2003

This Proxy Statement is being furnished to stockholders of Abercrombie & Fitch Co. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on Thursday, May 22, 2003, or any adjournment. The Annual Meeting will be held at 10:00 a.m., local time in Columbus, Ohio, at the Company's executive offices located at 6301 Fitch Path, New Albany, Ohio 43054. This Proxy Statement and the accompanying form of proxy were first sent or given to stockholders on or about April 17, 2003.

A form of proxy for use at the Annual Meeting accompanies this Proxy

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

Statement and is solicited by the Board of Directors of the Company. You may ensure your representation by completing, signing, dating and promptly returning the enclosed form of proxy. A return envelope, which requires no postage if mailed in the United States, has been provided for your use. Alternatively, stockholders holding shares registered directly with the Company's transfer agent, National City Bank, may appoint proxies to vote electronically via the Internet or by using the toll-free telephone number stated on the form of proxy. The deadline for transmitting voting instructions electronically via the Internet or telephonically is 11:59 p.m., local time in Columbus, Ohio, on May 21, 2003. The Internet and telephone voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been properly recorded. Stockholders voting through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that will be borne by such stockholders.

Stockholders holding shares in "street name" with a broker, financial institution or other holder of record should review the information provided to them by the holder of record. This information will describe the procedures to be followed in instructing the holder of record how to vote the "street name" shares and how to revoke previously given instructions.

You may revoke your proxy at any time before it is actually voted at the Annual Meeting by giving notice of revocation to the Company in writing, by accessing the Internet site, by using the toll-free number stated on the form of proxy or, if you are a registered stockholder, by attending the Annual Meeting and giving notice of revocation in person. You may also change your vote by choosing one of the following options: executing and returning to the Company a later-dated proxy; submitting a later-dated vote through the Internet site; using the toll-free telephone number stated on the form of proxy; or, if you are a registered stockholder, voting at the Annual Meeting. Attendance at the Annual Meeting will not, in itself, constitute revocation of your proxy.

The Company will bear the costs of preparing, assembling, printing and mailing this Proxy Statement, the accompanying form of proxy and any other related materials and all other costs incurred in connection with the solicitation of proxies on behalf of the Board of Directors, other than the Internet access and telephone usage charges mentioned above. Solicitation of proxies may be made by associates of the Company via mail or by telephone, mailgram, facsimile, telegraph, cable or personal contact. The Company has retained Georgeson Shareholder Communications Inc., New York, New York, to aid in the solicitation of proxies with respect to shares held by brokerage houses, financial institutions, custodians, fiduciaries and other nominees for a fee of approximately \$5,500, plus expenses. The Company will reimburse its transfer agent, financial institutions, brokers, and other custodians, nominees and fiduciaries for their reasonable costs in sending proxy materials to stockholders.

Our Annual Report to Stockholders for the fiscal year ended February 1, 2003 (the "2002 fiscal year") is being delivered with this Proxy Statement.

VOTING AT ANNUAL MEETING

The shares entitled to vote at the Annual Meeting consist of shares of the Class A Common Stock, par value \$.01 per share (the "Common Stock"), of the Company, with each share entitling the holder of record to one vote. There are no cumulative voting rights in the election of directors. At the close of business on March 27, 2003, the record date for the Annual Meeting, there were 97,773,670 shares of Common Stock outstanding. A quorum for the Annual Meeting is one-third of the outstanding shares of Common Stock.

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

The results of stockholder voting will be tabulated by the inspectors of election appointed for the Annual Meeting. Shares of Common Stock represented by properly executed proxies returned to the Company prior to the Annual Meeting or represented by properly authenticated electronic votes recorded through the Internet or by telephone will be counted toward the establishment of a quorum for the Annual Meeting.

Those shares of Common Stock represented by properly executed proxies, or properly authenticated votes recorded electronically through the Internet or by telephone, that are received prior to the Annual Meeting and not revoked, will be voted as directed by the stockholders. All valid proxies received prior to the Annual Meeting which do not specify how shares of Common Stock should be voted will be voted "FOR" the election as directors of the nominees listed below under "ELECTION OF DIRECTORS".

Under the applicable rules of the New York Stock Exchange ("NYSE") currently in effect, the election of directors is considered a "discretionary" item upon which broker/dealers, who hold their clients' shares of Common Stock in street name, may vote in their discretion on behalf of their clients if those clients have not furnished voting instructions within the required time frame before the Annual Meeting. Accordingly, there should be no "broker non-votes" with respect to the matters submitted by the Company to stockholders at the Annual Meeting.

2

ELECTION OF DIRECTORS

NOMINEES AND DIRECTORS

Two members of the Board of Directors of the Company will be elected at the Annual Meeting. Directors elected at the Annual Meeting will hold office for a three-year term expiring at the Annual Meeting of Stockholders in 2006 or until their successors are elected and qualified. The nominees of the Board of Directors are identified below. The individuals named as proxies in the form of proxy solicited by the Board of Directors intend to vote the shares of Common Stock represented by the proxies received under this solicitation for the Board of Directors' nominees named below, unless otherwise instructed on the form of proxy. If any nominee who would otherwise receive the required number of votes becomes unable or unwilling to serve as a candidate for election as a director, the individuals designated to vote the proxies reserve full discretion to vote the shares of Common Stock represented by the proxies they hold for the election of the remaining nominee and for the election of any substitute nominee designated by the Board of Directors. The Board of Directors has no reason to believe that either nominee of the Board will be unavailable or unable to serve as a director if elected.

The two nominees receiving the greatest number of votes will be elected as directors. Shares of Common Stock as to which the authority to vote is withheld will not be counted toward the election of directors or toward the election of the individual nominees specified on the form of proxy. Proxies may not be voted for more than two nominees.

(1) Represents for each fiscal year, the aggregate of the performance-based incentive compensation for the Spring and Fall selling seasons.

(2) Represents for each executive officer, the grants of restricted shares of Common Stock for the specified fiscal year under the Company's 1996 Stock Option and Performance Incentive Plan (1998 Restatement). The dollar amounts reflected in this table are based on the fair market value (closing price) of the Company's Common Stock on the date on which the grants were made.

On February 14, 2003, 39,600, 13,200, 7,920, 7,920 and 2,640 restricted shares of Common Stock were granted to Mr. Jeffries, Mr. Johnson, Ms. Chang, Ms. O'Neill and Mr. McDonald, respectively, based on business performance for the 2002 fiscal year. The per share fair market value of the Company's Common Stock on the grant date was \$26.98. These awards vested 10% on the grant date and will vest 20%, 30% and 40% on the first, second and third anniversaries of the grant date, respectively, subject, in each case, to the holder's continued employment with the Company.

On February 4, 2002, 21,360, 7,120, 4,272, 4,272 and 1,424 restricted shares

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

of Common Stock were granted to Mr. Jeffries, Mr. Johnson, Ms. Chang, Ms. O'Neill and Mr. McDonald, respectively, based on business performance for the 2001 fiscal year. The per share fair market value of the Company's Common Stock on the grant date was \$25.00. of the grant date, respectively, subject, in each case, to the holder's continued employment with the Company.

On February 5, 2001, 9,780, 3,260, 1,956 and 1,304 restricted shares of Common Stock were granted to Mr. Jeffries, Mr. Johnson, Ms. Chang and Ms. O'Neill, respectively, based on business performance for the 2000 fiscal year. The per share fair market value of the Company's Common Stock on the grant date was \$29.47. These awards vested 10% on the grant date, 20% on the first anniversary of the grant date and 30% on the second anniversary of the grant date, and will vest 40% on the third anniversary of the grant date, subject, in each case, to the holder's continued employment with the Company.

As of February 1, 2003, the aggregate holdings of restricted shares of Common Stock and the market value of such holdings for the named executive officers were: Mr. Jeffries, 26,070 shares, \$725,789; Mr. Johnson, 8,690 shares, \$241,930; Ms. Chang, 25,214 shares, \$701,958; Ms. O'Neill, 4,758 shares, \$132,463; and Mr. McDonald, 1,282 shares, \$35,691 (based on the \$27.84 per share fair market value of the Company's Common Stock as of Friday, January 31, 2003). The holdings of Mr. Jeffries, Mr. Johnson, Ms. Chang, Ms. O'Neill and Mr. McDonald do not include the 39,600, 13,200, 7,920, 7,920 and 2,640 restricted shares of Common Stock, respectively, granted on February 14, 2003 as noted in the second paragraph of this footnote since those restricted shares of Common Stock were granted after the end of the 2002 fiscal year.

Dividends will not be paid or accrue and no voting rights will exist with respect to the restricted shares of Common Stock until they vest.

This award will vest on December 31, 2008 if Mr. Jeffries remains employed with the Company. A pro rata portion of the award may vest earlier upon Mr. Jeffries' death or permanent and total disability or termination of his employment by the Company without cause or by Mr. Jeffries with good reason and will vest in full upon a change of control of the Company. These options vest 25% on the first through fourth anniversaries of the grant date, subject to continued employment with the Company.

On February 25, 2002, options covering 2,000,000 and 7,000 shares of Common

Stock were granted to Mr. Jeffries and Mr. McDonald, respectively. These options vest 25% on the first through fourth anniversaries of the grant date, subject to continued employment with the Company.

On February 28, 2002, options covering 300,000, 100,000 and 200,000 shares of Common Stock were granted to Mr. Johnson, Ms. Chang and Ms. O'Neill, respectively. These options vest 25% on the first through fourth anniversaries of the grant date, subject to continued employment with the Company.

Each of these options becomes fully exercisable in the event of defined changes of control of the Company. If an option holder's employment is terminated by reason of total disability, these options may thereafter be exercised in full for the first nine months that the option holder receives benefits under the Company's long-term disability program, subject to their stated term. If an option holder's employment is terminated by reason of death, these options may thereafter be exercised in full for a period of one year, subject to their stated term. If an option holder's employment is terminated for any

12

other reason, any exercisable options held by the option holder at the date of termination may be exercised for a period of 90 days, subject to their stated term. At the discretion of the Compensation Committee, the options may have a tax withholding feature which allows the option holder, in lieu of paying cash to satisfy any tax withholding obligation, to have the Company commensurably reduce the number of shares of Common Stock which the option holder would otherwise receive upon exercise of the option.

- (2) The dollar amounts reflected in this table are the result of calculations at the 5% and 10% annual appreciation rates set by the SEC for illustrative purposes, and assume the options are held until their expiration date. These dollar amounts are not intended to forecast future financial performance or possible future appreciation in the price of the Company's shares of Common Stock. Stockholders are, therefore, cautioned against drawing any conclusions from the appreciation data shown, aside from the fact that option holders will only realize value from the option grants shown if the price of the Company's Common Stock appreciates.

The following table summarizes information concerning options exercised during the Company's 2002 fiscal year by each of the named executive officers and the number and value of shares of Common Stock subject to unexercised options held as of the end of the 2002 fiscal year by those individuals.

COMPENSATION OF DIRECTORS

During the 2002 fiscal year, directors who are not associates of the Company ("non-associate directors") received quarterly retainers of \$6,250 (increased by \$750 for each committee chair held), plus a fee of \$1,000 for each meeting of the Board of Directors attended (\$400 for a telephonic meeting) and, as committee members, received \$600 for each committee meeting attended (\$200 for a telephonic meeting). Non-associate directors are also reimbursed for their expenses for attending meetings of the Board of

13

Directors or of Board committees. Each action in writing taken by the Board of Directors or any Board committee entitled and will entitle each non-associate director to be paid \$200. Associates and officers who are directors receive no additional compensation for services rendered as directors. During the calendar year ended December 31, 2002, in accordance with the terms of the 1996 Stock Plan for Non-Associate Directors (1998 Restatement) (the "Non-Associate Directors Plan"), each non-associate director received 50% of his or her quarterly retainers in the form of shares of Common Stock and could elect to receive more than 50% of his or her quarterly retainers as well as other cash compensation payable for services rendered as a director of the Company (exclusive of expenses for attendance at meetings of the Board of Directors or of Board committees) in the form of shares of Common Stock. In respect of calendar years beginning on or after January 1, 2003, non-associate directors will receive their quarterly retainers and other cash compensation in the form of shares of Common Stock only through participation in the Directors' Deferred Compensation Plan described below.

Effective October 1, 1998, the Company established the Directors' Deferred Compensation Plan. Voluntary participation in the Directors' Deferred Compensation Plan enables a non-associate director of the Company to defer all or a part of his or her quarterly retainers (whether to be paid in the form of cash or shares of Common Stock) and meeting fees, including federal income tax thereon. The deferred compensation is credited to a stock account where it is converted into a share equivalent. Distribution of the deferred amount is made in the form of a single lump sum transfer under the Non-Associate Directors Plan of the whole shares of Common Stock represented by the share equivalent in the non-associate directors' stock account (plus cash representing the value of fractional shares) commencing within 30 days of the earlier of (a) the date specified by a director at the time a deferral election is made or (b) the date the director ceases to serve on the Board of Directors. For any calendar year beginning on or after January 1, 2003, any portion of a non-associate director's quarterly retainers and/or meeting fees which is not deferred, through

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

participation in the Directors' Deferred Compensation Plan, will be paid to the non-associate director in cash.

Under the Non-Associate Directors Plan, each non-associate director first elected prior to July 16, 1998 was granted, on July 16, 1998, an option to purchase 10,000 shares of Common Stock. Each non-associate director first elected on or after July 16, 1998 and prior to October 26, 2000, was granted, on the date first elected, an option to purchase 10,000 shares of Common Stock. Any non-associate director first elected on or after October 26, 2000 will be granted, on the date first elected, an option to purchase 20,000 shares of Common Stock. On the first business day of each fiscal year, beginning after July 16, 1998 and prior to October 26, 2000, each non-associate director then serving was granted an option to purchase 2,000 shares of Common Stock. On the first business day of each fiscal year beginning after October 26, 2000, each non-associate director then serving was and will be granted an option to purchase 4,000 shares of Common Stock. On November 15, 2001, each non-associate director who had served as such for at least three years was granted an option to purchase 20,000 shares of Common Stock. After November 15, 2001, each non-associate director then serving will be granted an option to purchase 20,000 shares of Common Stock on (a) the first business day immediately following the third anniversary of his or her first election or appointment to the Board of Directors and (b) the first business day immediately following each subsequent anniversary of his or her first election or appointment which is a multiple of three.

The exercise price of each option has been and will be equal to the fair market value of the shares of Common Stock on the grant date. Each option granted prior to November 1, 2001 vested and will vest as to 25% of the shares of Common Stock subject thereto on the first through fourth anniversaries of the grant date, subject to continued service as a director. Each option granted on or after November 1, 2001 vested

14

and will vest as to 25% of the shares of Common Stock subject thereto on the grant date and the first through third anniversaries thereof, subject to continued service as a director. The options become fully exercisable in the event of defined changes of control of the Company or upon the death or total disability of a director. The options remain exercisable until the earlier to occur of (a) the tenth anniversary of the grant date, (b) the first anniversary of the date the non-associate director ceases to be a member of the Board of Directors other than by reason of total disability; or (c) nine months after the non-associate director has been determined to be totally disabled.

EMPLOYMENT AGREEMENTS AND OTHER TRANSACTIONS WITH CERTAIN EXECUTIVE OFFICERS

In May 1997, the Company entered into an employment agreement with Michael S. Jeffries under which Mr. Jeffries has served as Chairman and Chief Executive Officer. On January 30, 2003, the Company amended and restated Mr. Jeffries' employment agreement, with the objective of securing the continued services and employment of Mr. Jeffries through December 31, 2008. Under Mr. Jeffries' agreement, the Company is obligated to cause Mr. Jeffries to be nominated as a director.

Mr. Jeffries' agreement provides for a base salary of \$1,000,000 per year or such larger amount as the Compensation Committee may from time to time determine (his base salary for the 2002 fiscal year was \$1,200,000). Mr. Jeffries' agreement also provides for incentive compensation performance plan participation as determined by the Compensation Committee. Mr. Jeffries' annual target bonus opportunity is to be at least 120% of his base salary upon attainment of target, subject to a maximum bonus opportunity of 240% of base

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

salary (his target bonus opportunity was 120% of his base salary for the 2002 fiscal year). Mr. Jeffries' agreement provides for a career share award representing the right to receive 1,000,000 shares of Common Stock. The career share award vests on December 31, 2008 if Mr. Jeffries remains employed with the Company and will vest in full upon a "change of control" of the Company (as defined in the agreement). In exchange for the career share award grant, Mr. Jeffries will forego participation, in respect of fiscal years after the 2002 fiscal year, in the Company's program under which executive officers are eligible to receive annual grants of restricted shares of Common Stock. Mr. Jeffries' agreement also provides for a stay bonus of \$12 million provided Mr. Jeffries is employed by the Company through December 31, 2008 and for term life insurance coverage in the amount of \$10 million.

Under Mr. Jeffries' agreement, if he is terminated by the Company other than for "cause" (as defined in the agreement) or he leaves for "good reason" (as defined in the agreement) prior to a change of control of the Company, he will receive any compensation earned but not yet paid and continue to receive his then current base salary and medical, dental and other employee welfare benefits for two years after the termination date. Additionally, the career share award would become vested based on completed years of service and the Company would pay a \$12 million stay bonus and continue to pay the premium on Mr. Jeffries' term life insurance policy until December 31, 2008. If Mr. Jeffries' employment is terminated by the Company other than for cause or he leaves for good reason within two years after a change of control, he will receive any compensation earned but not yet paid and a lump sum payment equal to two times his then current base salary. Additionally, he would continue to receive medical, dental and other employee welfare benefits for two years after the termination date, the career share award would become vested in full and the Company would pay a \$12 million stay bonus and continue to pay the premium on Mr. Jeffries' term life insurance through December 31, 2008. If Mr. Jeffries' employment is terminated by the Company for cause, by Mr. Jeffries other than for good reason or by reason of Mr. Jeffries' retirement, the Company will pay him any compensation earned but not yet paid and the career share award will immediately be forfeited. If Mr. Jeffries voluntarily terminates his employment following a change of

15

control of the Company, he would be paid a stay bonus in an amount equal to (a) \$12 million if the termination date is on or after January 1, 2007 or (b) the product of \$3 million and the number of completed years of service since January 30, 2003 if the termination date is on or before December 31, 2006. If Mr. Jeffries' employment is terminated due to his death, the Company will pay his estate or beneficiaries, as appropriate, any compensation earned but not yet paid and a \$12 million stay bonus and the career share award would become vested based on completed years of service. If Mr. Jeffries' employment is terminated due to his permanent and total disability, the Company will pay him any compensation earned but not yet paid, disability benefits in addition to those available under the Company's disability plans and a \$12 million stay bonus. The Company would also continue to pay the premium on Mr. Jeffries' term life insurance through December 31, 2008 and the career share award would become vested based on completed years of service. Under the agreement, Mr. Jeffries agrees not to compete with the Company or solicit its employees, customers or suppliers during the employment term and for one year thereafter. If a court finds that Mr. Jeffries has materially breached this covenant, the career share award will be forfeited unless a change of control has occurred or Mr. Jeffries' employment has been terminated by the Company without cause or by Mr. Jeffries with good reason. If any "parachute" excise tax is imposed on Mr. Jeffries, he will be entitled to tax reimbursement payments.

In conjunction with Mr. Jeffries' amended and restated employment

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

agreement, the Company established the Abercrombie & Fitch Co. Supplemental Executive Retirement Plan (the "SERP"). Subject to the conditions described in the SERP, if Mr. Jeffries retires on or after December 31, 2008, he will receive a monthly benefit for life equal to 50% of his final average compensation (as defined in the SERP). If Mr. Jeffries retires after age 62 but before December 31, 2008, he will receive a prorated monthly benefit for life based on his attained age. Mr. Jeffries will receive no benefits under the SERP if he terminates employment for any reason before reaching age 62; dies while actively employed, regardless of his age; or is terminated for cause, regardless of his age.

On January 1, 2002, the Company loaned the amount of \$4,953,833 to Mr. Jeffries pursuant to the terms of a replacement promissory note which provided that such amount was due and payable on December 31, 2002. The outstanding principal under the note did not bear interest as the net sales threshold under the terms of the note was met. The note was paid in full by Mr. Jeffries on December 31, 2002. The January 1, 2002 note constituted a replacement of, and substitute for, promissory notes dated from November 17, 1999 through May 18, 2001.

Seth R. Johnson, Executive Vice President -- Chief Operating Officer, is party to an employment agreement with the Company, dated as of December 5, 1997. The initial term of Mr. Johnson's agreement is six years, with automatic one-year extensions thereafter unless either party gives written notice to the contrary. Mr. Johnson's agreement provides for a base salary of \$265,000 per year or such larger amount as the Compensation Committee may from time to time determine (his base salary for the 2002 fiscal year was \$750,000). Mr. Johnson's agreement also provides for incentive compensation performance plan participation as determined by the Compensation Committee. Upon the failure of the Company to extend the initial term of Mr. Johnson's agreement or the termination of his employment either by the Company other than for "cause" (as defined in his agreement) or by Mr. Johnson for "good reason" (as defined in his agreement), Mr. Johnson will receive any compensation earned but not yet paid under his employment agreement and continue to receive his then current base salary and medical and dental benefits for one year after the termination date. If Mr. Johnson's employment is terminated by the Company for cause, by Mr. Johnson other than for good reason, or by reason of his death, or if he gives written notice not to extend the term of the agreement, the Company will pay Mr. Johnson any compensation earned but not yet paid

16

under his employment agreement. Under his agreement, Mr. Johnson agrees not to compete with the Company or solicit its employees, customers or suppliers during the employment term and for one year thereafter. His agreement provides for disability benefits in addition to the benefits available under the Company's disability plans. In the event any "parachute" excise tax is imposed on Mr. Johnson, he will be entitled to tax reimbursement payments.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Company's Board of Directors reviews and approves the Company's executive compensation philosophy and policies and the application of those policies to the compensation of executive officers. The Company and the Compensation Committee have also retained independent compensation consultants to assist in developing, and periodically assessing the reasonableness of, the Company's executive officer compensation program.

COMPENSATION PHILOSOPHY

The Company seeks to apply a consistent philosophy to compensation for all

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

leadership associates, including senior executives. The primary goal of the compensation program is to link total executive compensation to performance that enhances stockholder value. Accordingly, total compensation for leadership individuals is structured to provide a lower proportion as fixed compensation and a much higher variable proportion keyed to business and stock performance.

The Company's philosophy is built on the following basic principles:

To Pay for Outstanding Performance

The Company believes in paying for results. Individuals in leadership roles are compensated based on a combination of total company, and individual performance factors. Total company performance is evaluated primarily based on the degree to which financial targets are met. Individual performance is evaluated based on several factors, including continuing to build the Company's brands, attainment of specific merchandise and financial objectives, building and developing a strong leadership team, developing an infrastructure to support future business growth, and controlling expenses. In addition, a significant portion of total compensation is in the form of equity-based award opportunities to directly tie any increased compensation to increased stockholder value.

To Pay Competitively

The Company is committed to providing a total compensation program designed to attract the best senior leaders to the business and retain the best, consistently highest performers. To achieve this goal, the Company sets guidelines based on what it believes to be competitive with the compensation paid by other companies that compete with the Company for executive officers and other key employees having the experience and abilities that are necessary to manage the Company's business.

PRINCIPAL COMPENSATION ELEMENTS

The principal elements of executive compensation at the Company are base salary, short-term performance-based cash incentive compensation and equity-based incentive plans. Decisions for each compensation element of the Company's executive officers generally are made by the Compensation

17

Committee although compensation levels for executive officers other than the Chief Executive Officer are recommended to the Compensation Committee by the Chief Executive Officer, who has substantially greater knowledge of the contributions made by the other executive officers. Subject to the needs of the Company, its policy is to attempt to design all cash incentive and equity-based compensation plans to meet the requirements for deductibility under the Internal Revenue Code of 1986, as amended (the "Code").

Base Salary

The Compensation Committee annually reviews and approves the base salary of each executive officer and the Chief Executive Officer. In determining salary adjustments, the Compensation Committee considers the size and responsibility of the individual's position, the Company's overall performance, the individual's overall performance and future potential, and the base salaries paid by competitors to employees in comparable positions. This comparative data may not include the compensation paid by all of the companies that are included in the Standard & Poor's Apparel Retail Composite Index which is used for comparative purposes in the STOCKHOLDER RETURN GRAPH. Individual performance is measured against the following factors: seasonal and annual business goals; business growth and profitability; and the recruitment and development of future

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

leadership talent. These factors are considered subjectively in the aggregate, and none of these factors is accorded a formula weight.

Performance-Based Cash Incentive Compensation

The Company has employed a short-term performance-based cash incentive compensation plan for specified key leadership positions that provides for incentive payments for each six-month operating season, based on the extent to which pre-established objective goals are attained.

The goals under this plan have been based on net income. However, goals also may be based on other objectives and/or criteria, depending on the Company's business strategy. These goals are set at the beginning of each six-month operating season, and are based on an analysis of historical performance and growth expectations for the Company and progress toward achieving the Company's strategic plan.

Target cash incentive compensation opportunities are established annually for eligible executives stated as a specified percentage of base salary. The amount of performance-based incentive compensation earned by participating executives can range from zero to double their incentive target, based upon the extent to which the pre-established financial goals are met or exceeded.

Equity-Based Incentive Programs

The Compensation Committee believes that continued emphasis on equity-based compensation opportunities encourages performance that enhances stockholder value, thereby further linking leadership and stockholder objectives. In 2002, the Compensation Committee awarded equity-based incentive compensation under two programs: an option program and a restricted share program under which restricted shares of Common Stock are granted and earned based on seasonal and annual financial performance. The Compensation Committee believes that restricted share awards, which are earned based on financial performance and the ultimate vesting of which is subject to continued employment, assist the Company in retaining key high performing executives.

Award opportunities for each eligible participant are based on guidelines which include the individual's responsibility level, competitive practices and the market price of the Company's Common Stock. In

18

determining the award for an executive officer, the Compensation Committee evaluated competitive practices and the executive officer's performance and criticality to the business.

Options

During the 2002 fiscal year, options were granted to the named executive officers in the amounts shown in the OPTION GRANTS IN 2002 FISCAL YEAR table. The option program utilizes vesting periods to encourage retention of key executive officers. The options granted to the individuals named in the table vest over varying periods ranging from four to five years beginning on the grant date, subject to continued employment with the Company. The exercise price for each option granted is equal to the fair market value of the underlying Common Stock on the grant date.

Performance-Based Restricted Shares

During the 2002 fiscal year, the Compensation Committee continued a program under which executives, including the executive officers named in the Summary

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

Compensation Table, are eligible to receive restricted shares of Common Stock based on the achievement of pre-established financial goals. Executive officers can earn from zero to double their targeted number of restricted shares of Common Stock based upon the extent to which financial goals are met or exceeded. If earned, these restricted shares of Common Stock vest over four years, subject to continued employment.

CEO COMPENSATION

Mr. Jeffries and the Company entered into an employment agreement in 1997 which the Company amended and restated on January 30, 2003 extending the term through December 31, 2008. Under the amended and restated agreement, Mr. Jeffries receives a minimum base salary of \$1,000,000 per year plus certain other benefits. The amended and restated employment agreement also entitles Mr. Jeffries to participate in the performance-based cash incentive compensation plan at a level of at least 120% of base salary upon attainment of the goals.

The Compensation Committee can increase Mr. Jeffries' base salary and performance-based cash incentive target above the levels established by the amended and restated employment agreement to reflect the Company's performance.

In 2002, as in prior years, in reviewing Mr. Jeffries' compensation package, the Compensation Committee considered competitive practices, the extent to which the Company achieved net income and earnings growth objectives and the continued brand growth strategy and execution. These factors were considered subjectively in the aggregate and none of these factors was accorded specific weight.

As a result, Mr. Jeffries' base salary for the 2002 fiscal year was increased 20% from \$1,000,000 to \$1,200,000, and his performance-based cash incentive target remained at 120%. Mr. Jeffries received option grants covering 2,096,950 shares of Common Stock that vests ratably over four years beginning on the first anniversary of the grant date, subject to his continued employment with the Company. Mr. Jeffries was also granted 39,600 restricted shares of Common Stock based on the Company's financial performance for the 2002 fiscal year. These restricted shares of the Common Stock vested 10% on the grant date, and will vest 20%, 30% and 40% on the first through third anniversaries of the grant date, subject to Mr. Jeffries' continued employment with the Company.

19

The Compensation Committee believes that under Mr. Jeffries' leadership, the Company's performance over the past ten years has been exceptional. Specifically, in 2002, despite a difficult sales environment, the Company posted a net sales increase of 17%, a net income increase of 16%, and an earnings per share increase of 18% over the prior year.

AUDIT COMMITTEE MATTERS

In compliance with the requirements of NYSE's corporate governance standards, the Board of Directors adopted the charter of the Audit Committee dated as of March 19, 2002, which sets forth the requirements for the composition of the Audit Committee, the qualifications of its members, the frequency of meetings (including the need for meetings in executive session) and the responsibilities of the Audit Committee.

In addition, in accordance with the SEC's regulations, the Audit Committee has issued the following report:

REPORT OF THE AUDIT COMMITTEE FOR THE FISCAL YEAR ENDED FEBRUARY 1, 2003

The Audit Committee consists of three directors and operates under the charter adopted by the Board of Directors of the Company. In accordance with that charter, the Audit Committee assists the Board of Directors in fulfilling the Board's responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. Each member of the Audit Committee qualifies as independent for purposes of NYSE's corporate governance standards as currently in effect.

Management has the responsibility for the preparation of the Company's consolidated financial statements and for the financial reporting process, including the systems of internal accounting and financial controls. The independent accountants PricewaterhouseCoopers LLP ("PwC") are responsible for performing an audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing their report on those consolidated financial statements based on their audit. On behalf of the Company's Board of Directors, the Audit Committee monitors and evaluates the Company's consolidated financial statements and the financial reporting process, the systems of internal accounting and financial controls, the independence, the objectivity and the performance of the independent accountants, and the performance of the accountants performing the internal

audit function.

Management and PwC have represented to the Audit Committee that the Company's audited consolidated financial statements as of and for the fiscal year ended February 1, 2003, were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with the Company's management and PwC.

The Audit Committee has reviewed and discussed with management, PwC, the Company's principal independent accountants, and Deloitte & Touche LLP, the accountants which perform the internal audit function for the Company, the quality, adequacy and effectiveness of the Company's internal accounting and financial controls. In addition, the Audit Committee has reviewed and discussed with PwC all matters required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, and, with and without management present, reviewed and discussed the results of PwC's examination of the Company's consolidated financial statements. The Audit Committee has also discussed, with and without management present, the results of any internal audit findings with Deloitte & Touche LLP.

The Audit Committee has received from PwC the written disclosures and a letter describing all relationships between PwC and the Company that might bear on PwC's independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended. The Audit Committee has discussed with PwC any relationships with or services to the Company

22

or its subsidiaries that may impact the objectivity and independence of PwC and satisfied itself as to PwC's independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 1, 2003 to be filed with the SEC.

FEES OF PRINCIPAL INDEPENDENT ACCOUNTANTS

Audit Fees

The aggregate fees billed for professional services rendered by PwC for the audit of the Company's annual consolidated financial statements for the 2002 fiscal year and the reviews of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the 2002 fiscal year (collectively, the "Audit Services") were \$261,050.

Financial Information Systems Design and Implementation Fees

PwC rendered no professional services to the Company or its subsidiaries during the 2002 fiscal year in connection with the design and implementation of financial information systems.

All Other Fees

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

The aggregate fees billed for services rendered by PwC, other than Audit Services, for the 2002 fiscal year were \$50,750. These fees were primarily for country of origin -- factory site verification. All non-audit services were reviewed with the Audit Committee, which concluded that the provision of such services by PwC was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

PRINCIPAL INDEPENDENT ACCOUNTANTS

As noted above, PwC served as the Company's principal independent accountants during the 2002 fiscal year and in that capacity rendered a report on the Company's consolidated financial statements as of and for the fiscal year ended February 1, 2003. The Audit Committee will make its selection of the Company's principal independent accountants for the 2003 fiscal year later in the year.

Representatives of PwC are expected to be present at the Annual Meeting. They will be available to respond to appropriate questions and may make a statement if they so desire.

DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

Only one copy of the Company's Proxy Statement for the 2003 Annual Meeting of Stockholders and one copy of the Annual Report to Stockholders for the 2002 fiscal year are being delivered to multiple stockholders who share an address unless the Company has received contrary instructions from one or more of the stockholders. A separate proxy card and a separate notice of the meeting of stockholders is being included for each account at the shared address.

Registered stockholders who share an address and would like to receive a separate annual report to stockholders and/or a separate proxy statement for the 2003 Annual Meeting or in the future, or have questions regarding the householding process, may contact the Company's transfer agent National City Bank, by calling 1-800-622-6757, or by forwarding a written request addressed to National City Bank, Locator 5352, Corporate Trust Operations, P.O. Box 92301, Cleveland, Ohio 44193-0900. Promptly upon request, additional copies of the Annual Report to Stockholders for the 2002 fiscal year and/or a separate Proxy Statement for the 2003 Annual Meeting will be sent. By contacting National City Bank, registered stockholders sharing an address can also request delivery of a single copy of annual reports to stockholders or proxy statements in the future if registered stockholders at the shared address are receiving multiple copies.

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

Many brokerage firms and other holders of record have also instituted householding. If your family has one or more "street name" accounts under which you beneficially own shares of Common Stock, you may have received householding information from your broker, financial institution or other nominee in the past. Please contact the holder of record directly if you have questions, require additional copies of the Proxy Statement or our Annual Report to Stockholders for the 2002 fiscal year or wish to revoke your decision to household and thereby receive multiple copies. You should also contact the holder of record if you wish to institute householding. These options are available to you at any time.
