PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Thor Industries, Inc. (the "Company") for use at the 2003 Annual Meeting of Stockholders to be held at 230 Park Avenue, Suite 618, New York City, on December 9, 2003, at 1:00 p.m., local time (the "Meeting"), and any adjournment thereof. The cost of such solicitation is being borne by the Company. This proxy statement and the accompanying form of proxy are being sent to stockholders on October 31, 2003.

The Company does not expect that representatives of Deloitte & Touche LLP, its principal independent accountants, will be present at the Meeting. However, such representatives will be available during the Meeting by telephone to respond to any stockholder questions that may be asked.

VOTING BY STOCKHOLDERS

A proxy in the form accompanying this proxy statement that is properly executed, duly returned to the Company and not revoked prior to the Meeting will be voted in accordance with the instructions contained therein. If no instructions are given with respect to the proposals to be voted upon, proxies will be voted in favor of such proposals. Each proxy may be revoked by a stockholder at any time until exercised by giving written notice to the Secretary of the Company, by voting in person at the Meeting, or by submitting a later-dated proxy.

The Common Stock of the Company constitutes its only outstanding security entitled to vote on the matters to be voted upon at this meeting. Each share of Common Stock entitles the holder to one vote. Only stockholders of record at the close of business on October 21, 2003 are entitled to notice of and to vote at the Meeting or any adjournment thereof. As of that date, 28,621,296 shares of Common Stock were outstanding. The presence, in person or by proxy, of the holders of a majority of all the issued and outstanding Common Stock is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (i.e., shares held by a broker for its customers that are not voted because the broker does not receive instructions from the customer or because the broker does not have discretionary voting power with respect to the item under consideration) will be counted as present for purposes of determining the presence or absence of a quorum for the transaction of business.

In accordance with the By-laws of the Company and the Delaware General Corporation Law, a plurality of the votes duly cast is required for the election of directors. The approval of the amendment to the Company's Certificate of Incorporation and the approval of the Thor Industries, Inc. Annual Incentive Plan will require the affirmative vote of the majority of the outstanding shares of Common Stock entitled to vote thereon. Under the Delaware General Corporation Law, although abstentions and broker non-votes are deemed to be present for the purpose of determining whether a quorum is present at a meeting, abstentions and broker non-votes are not deemed to be votes duly cast. As a result, abstentions and broker non-votes will not be included in the tabulation of voting results with respect to Proposal #1, and therefore will have no impact on the voting on such proposal. With respect to Proposals #2 and #3, however, abstentions and broker non-votes have the effect of votes in opposition.

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

A copy of the Company's Annual Report for the fiscal year ended July 31, 2003 ("fiscal 2003") is being sent to each stockholder of record herewith. The Annual Report is not to be considered a part of this proxy soliciting material.

PROPOSAL #2

INCREASE OF AUTHORIZED SHARES

The Company's Certificate of Incorporation, as currently in effect, authorizes the Company to issue up to 40,000,000 shares of Common Stock having a par value of \$0.10 per share. On September 26, 2003, the Board of Directors authorized an amendment to the Certificate of Incorporation, subject to stockholder approval, to increase the authorized number of shares of Common Stock to 250,000,000 shares. The text of the proposed amendment is attached as Appendix A to this proxy statement.

As of October 1, 2003, there were 28,615,648 shares of Common Stock issued and outstanding. In addition, as of October 1, 2003, (i) a total of 1,000,000 shares of Common Stock were reserved for issuance pursuant to the Thor Industries, Inc. 1999 Stock Option Plan, of which grants to acquire 475,332 shares were previously issued as of that date, and (ii) a total of 300,000 shares of Common

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

Stock were reserved for issuance pursuant to the Thor Industries, Inc. Restricted Stock Plan, of which 96,375 shares of restricted stock were issued as of that date. As a result of the foregoing, as of October 1, 2003, the Company has authority to issue up to only 10,344,705 shares of Common Stock without first seeking stockholder approval.

3

The principal purpose of the proposed amendment to the Company's Certificate of Incorporation is to authorize additional shares of Common Stock which will be available in the event that the Board of Directors determines that it is necessary or appropriate to effect future stock dividends or stock splits, to raise additional capital through the sale of securities, to acquire another company or its business or assets through the issuance of securities, to establish a strategic relationship with a corporate partner through the exchange of securities or for issuance under the Company's stock incentive plans. The Board of Directors believes that approval of the proposed amendment to increase the authorized shares of Common Stock is necessary to provide the Company with the flexibility to pursue these types of opportunities without added delay and expense. If the proposed amendment is adopted, 210,000,000 additional shares of Common Stock will be available for issuance by the Board of Directors without any further stockholder approval, although certain issuances of shares may require stockholder approval in accordance with the requirements of the New York Stock Exchange or Delaware law. The Company has no present plans or proposals to issue the additional authorized shares.

The flexibility of the Board of Directors to issue additional shares of stock could enhance the Board's ability to negotiate on behalf of the stockholders in a takeover situation. Although it is not the purpose of the proposed amendment, the authorized but unissued shares of Common Stock could also be used by the Board of Directors to discourage, delay or make more difficult a change in control of the Company. For example, these shares could be privately placed with purchasers who might align themselves with the Board in opposing a hostile takeover bid. The issuance of additional shares might serve to dilute the stock ownership of a person seeking to obtain control and thereby increase the cost of acquiring a given percentage of the outstanding stock. The Company has previously adopted certain measures that may have the effect of helping to resist an unsolicited takeover attempt, including provisions of the Company's Certificate of Incorporation authorizing the Board of Directors to issue up to 1,000,000 shares of preferred stock with terms, provisions and rights fixed by the Board. The Board of Directors is not aware of any pending or proposed effort to acquire control of the Company.

The additional Common Stock to be authorized by adoption of the amendment would have rights identical to the currently outstanding Common Stock. Adoption of the proposed amendment and issuance of additional shares of Common Stock would not affect the rights of the holders of currently outstanding Common Stock, except for effects incidental to increasing the number of shares of Common Stock outstanding, such as dilution of the earnings per share and voting rights of current holders of Common Stock. If the amendment is adopted, it will become effective upon filing of a certificate of amendment to the Company's Certificate of Incorporation with the Secretary of State of the State of Delaware.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK FROM 40,000,000 SHARES TO 250,000,000 SHARES.

PROPOSAL #3

THOR INDUSTRIES, INC. ANNUAL INCENTIVE PLAN

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

The Board of Directors has approved and recommends that stockholders approve the adoption of the Thor Industries, Inc. Annual Incentive Plan (the "Annual Incentive Plan") which is intended to comply with Section 162(m) of the Internal Revenue Code. The Annual Incentive Plan, if approved by stockholders, will provide an incentive to executive officers of the Company and its subsidiaries, and such other key employees of the Company and its subsidiaries, selected by the Committee ("Eligible Executives") to contribute to the growth, profitability and increased shareholder value of the Company. Awards will be paid based on the satisfaction of performance objectives as described below.

4

The Board of Directors approved the Annual Incentive Plan on October 2, 2003. The Annual Incentive Plan permits the Committee (defined below) to grant performance awards based upon pre-established performance goals to Eligible Executives, whether or not such executives, at the time of grant, are subject to the limit on deductible compensation under Section 162(m) of the Internal Revenue Code.

In order to qualify for deductibility under Section 162(m) of the Internal Revenue Code, the Annual Incentive Plan, including the performance goals set forth in the Annual Incentive Plan for determining performance awards ("Performance Awards"), must be approved by the stockholders. If the Annual Incentive Plan is not approved by the Company's stockholders, no Performance Awards granted under the Annual Incentive Plan will be paid whether or not the Performance Awards would otherwise be earned.

Stockholder approval of the Annual Incentive Plan is recommended by the Board of Directors in order to continue to provide an incentive to Eligible Executives to contribute to the growth, profitability and increased stockholder value of the Company, to retain such executives, and to endeavor to maintain the tax-deductible status of such incentive payments to the Company's Chief Executive Officer and the four most highly paid executive officers other than the Chief Executive Officer who were serving as executive officers at the end of the fiscal year and who are named in the Company's proxy statement for the fiscal year in which such amounts are claimed as a deduction by the Company. A copy of the Annual Incentive Plan is attached to this Proxy Statement as Appendix B. The description of the plan that follows is qualified in its entirety by reference to the plan as attached.

The Annual Incentive Plan will be administered by a committee which will be comprised of at least two members of the Board of Directors who qualify as "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code (the "Committee"), which is currently the Compensation Committee. The Committee will select plan participants from among the Eligible Executives of the Company. The number of participants in the Annual Incentive Plan is not determinable from year to year. Under the Annual Incentive Plan, the Committee shall make all determinations under the Annual Incentive Plan and may establish, modify or rescind such rules and regulations as it deems necessary for the proper administration of the Annual Incentive Plan. The Committee also shall make such determinations and interpretations and take such steps in connection with the Annual Incentive Plan or the awards granted thereunder as it deems necessary or advisable. All actions by the Committee under the Annual Incentive Plan shall be final and binding on all persons.

Under the Annual Incentive Plan, the Committee has the authority to grant Performance Awards which represent the conditional right of a participant to receive a cash award following a Performance Period (as defined below) based upon performance in respect of one or more of the Performance Goals (as defined below) set by the Committee during a Performance Period. For purposes of the

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

Annual Incentive Plan, a Performance Period shall mean the fiscal year, or such other shorter or longer period designated by the Committee, during which performance will be measured in order to determine a participant's entitlement to receive payment of a Performance Award. The Annual Incentive Plan contemplates that the following Performance Goals may be selected by the Committee and shall mean or may be expressed in terms of any of the following business criteria: revenue, earnings before taxes, funds from operations, funds from operations per share, operating income, pre or after tax income, cash available for distribution, cash available for distribution per share, cash and/or cash equivalents available for operations, net earnings, earnings per share, return on equity, return on assets, return on invested capital, share price performance, improvements in the Company's attainment of expense levels, implementing or completion of critical projects, including, without limitation, implementation of strategic plan(s), improvement in investor relations, marketing and manufacturing of key products, improvement in cash-flow (before or after tax), development of critical projects or product development, or progress relating to research and development. A Performance Goal may be measured over a Performance Period on a periodic, annual, cumulative or average basis and may be established on a corporate-wide basis or established with respect to one or more operating units,

5

divisions, subsidiaries, acquired businesses, minority investments, partnerships or joint ventures. The level or levels of performance specified with respect to a Performance Goal may be established in absolute terms, as objectives relative to performance in prior periods, as an objective compared to the performance of one or more comparable companies or an index covering multiple companies, or otherwise as the Committee may determine.

The Annual Incentive Plan contemplates that the Committee will establish performance objectives ("Performance Objectives") for each Performance Award, consisting of one or more business criteria permitted as Performance Goals under the Annual Incentive Plan, one or more levels of performance with respect to each such criteria and the amount or amounts payable to the participant or other rights to which the participant will be entitled upon achievement of such levels of performance.

The Performance Objective applicable to a Performance Period must be established by the Committee prior to, or reasonably promptly following the inception of, a Performance Period, but no later than the earlier of the date that is 90 days after the commencement of the Performance Period or the date prior to the date on which twenty-five percent of the Performance Period has elapsed, as required by Section 162(m) of the Internal Revenue Code. Performance Awards shall be subject to such conditions and limitations as specified by the Committee; provided, however, that the amount of compensation payable upon the attainment of a Performance Objective shall not be increased at the discretion of the Committee. The Committee may, however, at its discretion, reduce or eliminate the amount of compensation payable upon the attainment of a Performance Objective.

As soon as practicable following certification of the achievement of Performance Objectives by the Committee which entitle a participant to the payment of a Performance Award, the award shall be paid in cash. A participant will not be granted Performance Awards for all of the Performance Periods commencing in a fiscal year that permit the participant in the aggregate to earn a cash payment in any fiscal year, in excess of \$3,000,000.

The Board of Directors or the Committee may, at any time, terminate or, from time to time, amend, modify or suspend the Annual Incentive Plan and the terms and provisions of any Performance Award theretofore awarded to any participant

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

which has not been paid; provided, however, that without the approval of the stockholders, no such amendment or modification shall change the Eligible Executives or the Performance Goals set forth in the Annual Incentive Plan or increase the amount of compensation payable under the Annual Incentive Plan.

The Annual Incentive Plan became effective on October 2, 2003, subject to the approval of the stockholders at the Annual Meeting.

The amounts payable under the Annual Incentive Plan for 2003 which may be received by each of (a) the executive officers of the Company named in the Summary Compensation Table below and (b) the executive officers of the Company as a group, is not currently determinable.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE ANNUAL INCENTIVE PLAN.

BOARD OF DIRECTORS, COMMITTEES AND ATTENDANCE AT MEETINGS

The Board of Directors has the responsibility for establishing broad corporate policies and for the overall management of the business of the Company. Members of the Board are kept informed of the Company's performance by various reports sent to them at regular intervals by management, as well as by operating and financial reports presented by management at Board meetings.

Audit Committee

The principal functions of the Audit Committee are to recommend engagement of the Company's independent public accountants and to maintain communications among the Board of Directors, such independent public accountants and the Company's internal accounting staff with respect to accounting and auditing procedures, the implementation of recommendations by such independent accountants, the adequacy of the Company's internal controls and related matters. During fiscal 2003, the Audit Committee had private meetings with the Chief Financial Officer, the internal audit manager and the outside audit partners. The Board of Directors has determined that Geoffrey A. Thompson, a member of the committee, is an "audit committee financial expert" as defined in Section 407 of the Sarbanes-Oxley Act of 2002. A copy of the Audit Committee Charter is set forth in Appendix C to this Proxy Statement.

Compensation Committee

The principal functions of the Compensation Committee are to establish executive compensation policies and guiding principles; establish the compensation of the Chief Executive Officer and review and approve the compensation of the other executive officers; evaluate the design of compensation and benefit programs; and review all components of compensation for independent directors. In its capacity as administrator of the 1999 Stock Option Plan and the Restricted Stock Plan, the Compensation Committee grants options and restricted stock, determines which employees and other individuals performing substantial service for the Company may be granted options and/or restricted stock, and determines the rights and limitations attendant to options and restricted stock granted under these plans. In its capacity as administrator under the Select Executive

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

Incentive Plan, the Compensation Committee awards supplemental deferred compensation to eligible employees in amounts determined by the Compensation Committee. A copy of the Compensation Committee Charter is set forth in Appendix D to this Proxy Statement.

bonuses are discretionary and depend on the Company's profits.

- (2) The 2002 and 2001 amounts in this column for Messrs. Thompson and Orthwein represent payments made by the Company under a split-dollar life insurance arrangement effective March 18, 1993, under which the Company assisted Messrs. Thompson and Orthwein in purchasing whole life insurance on their lives and that of their wives. Under the arrangement Messrs. Thompson and Orthwein pay a portion of the premiums based upon certain Internal Revenue standards and the Company advances the balance of the premiums. The Company is entitled to repayment of the amounts it advances, without interest, upon the occurrence of certain events, including the buildup of the policy's cash surrender value or upon the payment of the death benefit under the policy. The Company did not make any further payments under such arrangement during fiscal 2003.

Bennett and Wentworth, respectively, held 13,125 and 8,125 shares of restricted stock which were granted under the Thor Industries, Inc. Bennett and Wentworth, as holders of restricted stock shares, are entitled to receive dividends and other distributions paid with respect to such shares while they are so restricted.

- (5) Messrs. Bennett and Wentworth were credited with supplemental deferred compensation earned under the Company's Select Executive Incentive Plan. The amounts credited to each executive shall vest and be payable six years after the effective date of such eligible executive's participation, provided, however, that the amount shall vest immediately upon death or age 65. The amounts shown in this column for each year represent the amount credited to each executive plus or minus the change in the value of such executive's account in the Select Executive Incentive Plan during that year.
- (6) Mr. Wentworth retired from the Company effective August 1, 2003.

There were no options granted in fiscal 2003 to any of the Named Executive Officers and therefore the customary table setting forth information regarding such grants is not shown in this Proxy Statement.

The following table sets forth information regarding the exercise of options by the named executive officers during fiscal 2003. The table also shows the number and value of unexercised options held by these officers as of July 31, 2003.

In addition, non-employee directors are awarded non-incentive stock options from time to time under the Company's 1999 Stock Option Plan, including a grant of 5,000 options to each then incumbent non-employee director in July 2002.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company consists of a corporate parent, Thor Industries, Inc., and several operating subsidiaries, including, Aero Coach, Inc., Airstream, Inc., Dutchmen Manufacturing, Inc., Four Winds International, Inc., Keystone RV Company, Komfort Corp., Thor America, Inc., Citair, Inc., Thor California, Inc., Champion Bus, Inc., ElDorado National California, Inc., and ElDorado National Kansas, Inc. The Compensation Committee believes that the Company has been successful in attracting and retaining management of its operating subsidiaries because of its policy of compensating management personnel based upon the profitability of such operating subsidiaries. The management of each operating subsidiary is provided with incentive based compensation consisting generally of 14% to 20% of their operating subsidiary's pre-tax profits in excess of targets established by the Company's Chief Executive Officer. The executive officers of the corporate parent, Thor Industries, Inc., Messrs. Thompson, Orthwein, Bennett and Bartus, receive low fixed salaries in addition to bonuses relating to profitability of the Company as a whole, which are reviewed and approved by the Compensation Committee. The Compensation Committee has reconsidered these arrangements and has concluded that it is in the best interest of the Company and its shareholders that such arrangements continue without any substantial change.

1999 STOCK OPTION PLAN

The Thor Industries, Inc. 1999 Stock Option Plan (the "1999 Plan") was adopted by the Company's Board of Directors in July 1999 and by the Company's shareholders in September 1999. The purpose of the Plan is to enhance the ability of the Company and its subsidiaries to attract and retain employees and directors of outstanding ability and to provide employees and directors with an interest in the Company parallel to that of the Company's shareholders. The 1999 Plan is administered and managed by the Compensation Committee of the Board of Directors (the "Committee").

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

The Common Stock subject to the options granted under the 1999 Plan will be authorized by unissued shares of Common Stock of the Company, \$0.10 value, or shares reacquired by the Company in any manner. The aggregate number of shares of Common Stock which may be acquired upon the grant of options under the 1999 Plan will not exceed 1,000,000, subject to adjustment in certain circumstances. If any option granted under the 1999 Plan expires or terminates for any reason without having been exercised in full or ceases for any reason to be exercisable in whole or in part, the unpurchased shares subject to such option shall again be available for grant under the 1999 Plan. Subject to adjustment, no employee may be granted an option to acquire more than 500,000 shares of Common Stock in any one year.

Employees and directors of the Company and its subsidiaries are eligible to receive grants of options under the 1999 Plan. Eligible participants may be granted both nonqualified stock options ("Nonqualified Stock Options") and "incentive stock options" ("ISOs" and, together with Nonqualified Stock Options, "Options"), provided that only employees of the Company and its subsidiaries may receive ISOs. The exercise price per share of the shares of Common Stock to be purchased pursuant to any Option shall be fixed by the Committee at the time such Option is granted. In no event shall the exercise price for ISOs be less than the fair market value of a share on the day on which the ISO is granted (110% of the fair market value in the case of an ISO granted to an employee owning stock with more than 10% of the total combined voting power of all classes of stock of the Company or its subsidiaries (a "10% Shareholder")). Subject to termination, the duration of each Option will be determined by the Committee, but may not exceed 10 years from the date of grant; provided, however, that in the case of ISOs granted to 10% Shareholders, the term of such Option shall not exceed 5 years from the date of grant. An Option will be exercisable by the Option holder at such rate and times as may be determined by the Committee at or subsequent to the time of grant. Each Option may be exercised in whole or in part by giving written notice of exercise to the Company. Payment in full of the Option exercise price will be made upon delivery of such notice in cash or through additional methods, if any, prescribed by the Committee. Options are assignable or transferable only in limited circumstances.

14

Upon the occurrence of a Change in Control (as defined in the 1999 Plan), all Options will automatically become vested and exercisable in full and all restrictions or conditions, if any, on any Options will automatically lapse.

Under certain circumstances, in the event option holders engage in certain prohibitive behavior, options can be forfeited at the discretion of the Committee. In addition, any gains realized by option holders may have to be repaid under certain circumstances.

RESTRICTED STOCK PLAN

The Company has adopted the Thor Industries, Inc. Restricted Stock Plan (the "Stock Plan") effective September 29, 1997. The Stock Plan is administered by the Compensation Committee. The Stock Plan is intended to advance the interests of the Company, its stockholders, its subsidiaries and its affiliates by encouraging and enabling inside directors, officers and other employees to acquire and retain a proprietary interest in the Company by ownership of its stock.

The total number of shares available for grants under the Stock Plan may not exceed 300,000 subject to adjustment in certain circumstances and subject to increase by the Board of Directors. Subject to adjustment, no more than 100,000 shares may be granted in any one calendar year. If a grant, or any portion

thereof, is forfeited, the forfeited shares will be made available again for grants under the Stock Plan. The Compensation Committee may, at any time and from time to time, make grants to such participants and in such amounts as it shall determine. Each grant shall be made pursuant to a written instrument which must be executed by the grantee in order to be effective. The Board of Directors may at any time suspend or terminate the Stock Plan or any portion thereof or may amend it from time to time in such respects as the Board may deem to be in the best interests of the Company.

No shares granted under the Stock Plan may be transferred by the recipient thereof until such shares have vested; such shares shall vest on the date specified by the Compensation Committee in the underlying written agreement pursuant to which the grant was made. Notwithstanding the foregoing, the shares of a recipient who has not previously forfeited any nonvested shares granted to him under the Stock Plan shall automatically vest upon the earliest of (x) the termination by the Company of the recipient other than for cause and (y) the recipient's death, disability or retirement. The Stock Plan contains non-competition and non-solicitation provisions which restrict recipients from competing with the Company. Non-compliance with such provisions will result in the forfeiture of non vested benefits.

During the applicable period of restriction, the recipient of shares under the Stock Plan is the record owner thereof and is entitled to vote such shares and to receive all dividends and other distributions paid with respect to such shares. However, if any such dividends or distributions are paid in shares of Company stock during an applicable period of restriction, the shares received shall be subject to the same restrictions as the shares with respect to which they were issued. Moreover, the Compensation Committee may provide in any written agreement pursuant to which the grant was made such other restrictions, terms and conditions as it may deem advisable with respect to the treatment and holding of any stock, cash or property that is received in exchange for the restricted shares.

SELECT EXECUTIVE INCENTIVE PLAN

The Company has adopted the Thor Industries, Inc. Select Executive Incentive Plan (the "Incentive Plan") effective September 29, 1997. The Incentive Plan is administered by an Administrative Committee chosen by the Board of Directors, which is currently the Compensation Committee. The purpose of the Incentive Plan is to provide its eligible executives with supplemental deferred compensation in addition to their current compensation. It is intended that the Incentive Plan shall constitute an unfunded deferred

15

compensation arrangement for the benefit of a select group of management or highly compensated employees of the Company and its designated subsidiaries and affiliates.

The Compensation Committee will designate those employees of the Company (which may include employees of any subsidiary or affiliate thereof) who will be eligible executives under the Incentive Plan. For each year of participation, each eligible executive shall be credited with the amount(s), if any, determined by the Compensation Committee in its sole discretion. The amount(s) will be credited to an account maintained for each eligible executive, which will also be credited with earnings and losses as if the amounts were invested in specific investment funds selected by the Compensation Committee (or by the eligible executive if the Compensation Committee establishes a procedure permitting the eligible executive to credit his or her account with respect to the results of one or more of the index funds selected by the Compensation Committee). The Compensation Committee is not obligated to comply with the investment request of

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

an eligible executive, and retains the sole discretion regarding the decision to credit earnings with regard to the results of the index funds selected by any eligible executive. The amount(s) credited to the account of an eligible executive shall vest and be payable six years after the effective date of such eligible executive's participation; provided, however, that the amounts vest immediately upon death or age 65. The Incentive Plan contains non-competition and non-solicitation provisions which prohibit eligible executives from competing with the Company within the United States or Canada during the term of such eligible executive's participation and for a period of eighteen months after termination of employment with the Company for any reason. Non-compliance with such provisions will result in a total forfeiture of vested benefits. The Company may establish a trust for payment of benefits under the Incentive Plan; such trust shall be a grantor trust for tax purposes. Payment of benefits will generally be made following termination of employment in one of the following forms: (a) lump sum; (b) substantially equal annual installments for five years; (c) substantially equal installments for ten years; or (d) any other actuarially equivalent form approved by the Compensation Committee.

REPORT OF THE AUDIT COMMITTEE

Working under the guidance of a written charter approved by the Board of Directors, the Audit Committee, which is comprised of Messrs. Neil D. Chrisman, Jan H. Suwinski and Geoffrey A. Thompson, is primarily responsible for assisting the Board in overseeing the Company's financial reporting process as well as the internal controls that management and the Board have established. (During the fiscal year ended July 31, 2003, the audit committee consisted of Messrs. Neil D. Chrisman, Jan H. Suwinski and William C. Tomson.) The Board of Directors adopted a revised charter for the Audit Committee in September 2003, a copy of

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

which may be found in Appendix C to this Proxy Statement.

Management is responsible for the financial reporting process, including the system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes, acting in an oversight capacity. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditors.

During the past fiscal year, the Audit Committee met in person or by telephone eight times and met in separate executive sessions with the Company's Chief Financial Officer, the Company's senior internal auditing executive and the independent auditing partner for the Company. The Audit Committee also met privately on a quarterly basis.

In carrying out its duties, the Audit Committee has reviewed and discussed the Company's audited consolidated financial statements for the fiscal year ended July 31, 2003 with the Company's management and Deloitte & Touche LLP ("Deloitte & Touche"), the Company's independent auditors. The Audit Committee has also discussed with Deloitte & Touche the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees", as amended. In addition, the Audit Committee has received the written disclosures and the letter from Deloitte & Touche required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees" and has discussed with Deloitte & Touche its independence from the Company and its management. Based on the foregoing reports and discussions and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter of the Audit Committee, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended July 31, 2003.

The Board of Directors has affirmatively determined that each of the members of the Audit Committee is "independent" as defined under the proposed rules of the New York Stock Exchange.

The policy requires that all services Deloitte & Touche, the Company's independent auditor, may provide to the Company, including audit services and permitted audit-related and non-audit services, be pre-approved by the Audit Committee, except that the Company may, without such pre-approval, spend an amount on non-audit services of not more than 5% of the total amount of revenues paid by the Company to its auditor during the fiscal year in which the non-audit services are performed. The Audit Committee approved all audit and non-audit services provided by Deloitte & Touche during fiscal 2003.

on a review of copies of the filings furnished to the Company, or written representations that no such filings were required, the Company believes that all filing requirements were satisfied by each of the Company's officers, directors and ten percent (10%) stockholders for fiscal 2003.

Award. Performance goals ("Performance Goals") shall mean or may be expressed in terms of any of the following business criteria: revenue, earnings before taxes, funds from operations, funds from operations per share, operating income, pre or after tax income, cash available for distribution, cash available for distribution per share, cash and/or cash equivalents available for operations, net earnings, earnings per share, return on equity, return on assets, return on invested capital, share price performance, improvements in the Company's attainment of expense levels, implementing or completion of critical projects, including, without limitation, implementation of strategic plan(s), improvement in investor relations, marketing and manufacturing of key products, improvement in cash-flow (before or after tax), development of critical projects or product development, or progress relating to research and development. A Performance Goal may be measured over a Performance Period on a periodic, annual, cumulative or average basis and may be established on a corporate-wide basis or established with respect to one or more operating units, divisions, subsidiaries, acquired businesses, minority investments, partnerships or joint ventures. The level or levels of performance specified with respect to a Performance Goal may be established in absolute terms, as objectives relative to performance in prior periods, as an objective compared to the performance of one or more comparable companies or an index covering multiple companies, or otherwise as the Committee may determine. The Committee shall establish performance objectives ("Performance Objective") for each Performance Award, consisting of one or more business criteria

permitted as Performance Goals hereunder, one or more levels of performance with respect to each such criteria, and the amount or amounts payable upon achievement of such levels of performance. The Performance Objective shall be established by the Committee prior to, or reasonably promptly following the inception of, a Performance Period but, to the extent required by Section 162(m) of the Code, by no later than the earlier of the date that is ninety (90) days after the commencement of the Performance Period or the day prior to the date on which twenty-five percent (25%) of the Performance Period has elapsed. Performance Awards shall be subject to such conditions, including risks of forfeiture, restrictions on transferability and other terms and conditions as shall be specified by the Committee; provided, however, that the amount of compensation payable upon the attainment of a Performance Objective shall not be increased at the discretion of the Committee. The Committee may, however, at its discretion, reduce or eliminate the amount of compensation payable upon the attainment of a Performance Objective.

4. Certification and Timing of Payment. Following the completion of each Performance Period, the Committee shall certify in writing, in accordance with the requirements of Section 162(m) of the Code, whether the Performance Objective and other material terms for paying amounts in respect of each Performance Award related to that Performance Period have been achieved or met. Performance Awards shall not be paid until the Committee has made the certification specified under this Section 4. Any cash amounts payable in respect of Performance Awards for a Performance Period will generally be paid as soon as practicable following the determination made pursuant to this Section 4.

5. Maximum Amount Payable per Participant. A Participant shall not be granted Performance Awards for all of the Performance Periods commencing in a fiscal year that permit the Participant in the aggregate to earn a cash payment in any fiscal year in excess of \$3,000,000.

6. Changes to the Plan and Performance Awards/Discontinuance of Plan. Notwithstanding anything herein to the contrary, the Board or the Committee, may, at any time, terminate or, from time to time, amend, modify or suspend the Plan and the terms and provisions of any Performance Award theretofore granted to any Participant which has not been paid; provided,

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

however, that without the approval of the stockholders, no such amendment or modification shall change the Eligible Executives or the Performance Goals set forth in the Plan or increase the amount of compensation payable under the Plan. The Plan and all Performance Awards issued hereunder, are intended to be exempt from the application of Section 162(m) of the Code, which restricts under certain circumstances the Federal income tax deduction for compensation paid by a public company to named executives in excess of \$1 million per year. The Committee may, without stockholder approval, amend the Plan retroactively or prospectively to the extent it determines necessary in order to comply with any subsequent clarification of Section 162(m) of the Code required to preserve the Company's Federal income tax deduction for compensation paid pursuant to the Plan.

7. Governing Law. The validity, construction, and effect of the Plan, any rules and regulations relating to the Plan and any Performance Award shall be determined in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of laws, and applicable Federal law.

8. Effective Date. The Plan is effective on October 2, 2003 (the "Effective Date"), subject to subsequent approval thereof by the Company's stockholders at the first annual meeting of stockholders to occur after the Effective Date, and shall remain in effect until it has been terminated pursuant to Section 6 hereof. If the Plan is not approved by the stockholders at such annual meeting, the Plan and all interests in the Plan awarded to Participants before the date of such annual meeting shall be void ab initio and of no further force and effect. Unless the Company determines to submit Section 4 of the Plan and the definition of "Performance Goal" to the Company's stockholders at the first stockholder meeting that occurs in the fifth year following the year in which the Plan was last approved by stockholders (or any

earlier meeting designated by the Board), in accordance with the requirements of Section 162(m) of the Code, and such stockholder approval is obtained, then no further Performance Awards shall be made under the Plan after the date of such annual meeting.

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

system of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established.

Consistent with this function, the Audit Committee should foster adherence to: Company policies, procedures, and practices at all levels. The Audit Committee should also provide an open avenue of communication among the independent auditors, financial and senior management, the internal auditing function, and the Board of Directors.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company shall provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor and to any advisers that the Audit Committee chooses to engage.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter. The Audit Committee will report regularly to the Board of Directors regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors (as defined by all applicable rules and regulations), and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Committee shall be a "financial expert" in compliance with the criteria established by the SEC and other relevant regulations. The existence of such member(s) shall be disclosed in periodic filings as required by the SEC.

Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. Each regularly scheduled meeting shall conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may elect. As part of its job to foster open communication, the Committee should meet periodically with management, the director of the internal auditing function and the independent auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee should meet quarterly with the independent auditors and management to discuss the annual audited financial statements and quarterly financial statements, including the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

APPENDIX D

COMPENSATION COMMITTEE CHARTER

CHARTER OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS OF THOR INDUSTRIES, INC.

AS ADOPTED BY THE BOARD OF DIRECTORS ON OCTOBER 2, 2003

I. Purpose and Authority

The Compensation Committee (the "Committee") of the Board of Directors of Thor Industries, Inc. (the "Company") is appointed by the Board of Directors (the "Board") to discharge the Board's responsibilities with respect to all forms of compensation of the Company's executive officers, to administer the Company's equity incentive plans for employees and to produce an annual report on executive compensation for use in the Company's proxy statement. This Charter sets forth the authority and responsibility of the Committee for approving and evaluating executive officer compensation arrangements, plans, policies and programs of the Company, and for administering the Company's equity incentive plans for employees whether adopted prior to or after the date of adoption of this charter (the "Stock Plans").

II. Membership

The Committee will consist of two or more members, with the exact number being determined by the Board. Each of the members of the Committee will be (i) an "independent director" as defined under the rules of the New York Stock Exchange, as they may be amended from time to time (the "Rules"), except as may otherwise be permitted by such Rules and (ii) a "Non-Employee Director," as defined in Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). If any such person does not qualify as an "outside director" within the meaning of Treasury Regulation 1.162-27(e)(3) at the time that the Committee is granting "qualified performance-based compensation" within the meaning of Treasury Regulation 1.162-27(e)(2), such person shall recuse himself or herself from considering any compensation arrangements for which the Company will seek to so qualify. In such event, the Board shall appoint one or more "outside directors" to the Committee such that it is comprised solely of two or more "outside directors" in order to satisfy the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended. All members of the Committee will be appointed by, and shall serve at the discretion of, the Board.

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

responsibilities are set forth below. These processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities.

1. The Committee will have the sole authority to determine the form and amount of compensation to be paid or awarded to the Chief Executive Officer ("CEO") and other executive officers of the Company.
2. The Committee will annually review and approve the corporate goals and objectives relevant to CEO compensation and evaluate the CEO's performance in light of these goals and objectives. In determining the long-term incentive component of the CEO's compensation, the Committee will consider, among other things: the Company's performance and relative shareholder return, the value of similar incentive awards to chief executive officers at companies that the Committee determines comparable based on factors it selects, and the incentive awards given to the Company's CEO in prior years.
3. The Committee will annually review and approve the corporate goals and objectives relevant to executive officers' compensation. In light of these goals and objectives, the Committee will annually review the proposals of the CEO respecting (i) salary paid to the executive officers, (ii) the grant of cash-based bonuses and equity compensation provided to the executive officers, (iii) the entering into or amendment or extension of any employment contract or similar arrangement with the executive officers, (iv) executive officers' severance or change in control arrangement, and (v) any other executive officer compensation matters as from time to time directed by the Board. In determining the long-term incentive component of the executive officer's compensation, the Committee will consider the same factors pertaining to such compensation that it considers for that element of the CEO's compensation.
4. The Committee will periodically review with the CEO and make recommendations to the Board with respect to adoption and approval of, or amendments to, all equity-based incentive compensation plans and arrangements for employees, and the shares and amounts reserved thereunder. The Committee will also periodically review and make recommendations to the Board with respect to adoption and approval of, and amendments to, all cash based incentive plans for senior executives.

The Committee will: (i) approve grants of stock, stock options or stock purchase rights to employees eligible for such grants (including grants in compliance with Rule 16b-3 promulgated under the Exchange Act to individuals who are subject to Section 16 of the Exchange Act); (ii) interpret the Stock Plans and agreements thereunder; and (iii) determine acceptable forms of consideration for stock acquired pursuant to the Stock Plans. Pursuant to Section 157 of the Delaware General Corporation Law, the Committee may delegate to the Company's CEO the authority to grant options to

Edgar Filing: THOR INDUSTRIES INC - Form DEF 14A

employees of the Company or of any subsidiary of the Company who are not directors or executive officers, provided that such grants are within the limits established by Section 157 and by resolution of the Board of Directors.

6. The Committee will periodically review the Company's policies and procedures with respect to employee loans, and will not approve any arrangement in which the Company, directly or indirectly, extends or maintains credit, arranges for the extension of credit or renews an extension of credit, in the form of a personal loan to or for any director or executive officer

(or equivalent thereof) of the Company. The Committee will assist the Board and management of the Company in complying with this prohibition.

7. The Committee will exercise the powers of the Directors and perform such duties and responsibilities as may be assigned to a "committee", this Committee or the Board under the terms of any incentive-compensation, equity-based, deferred compensation, or other plan in the Company's executive benefit program.
8. The Committee will prepare an annual report on executive compensation to the Company's stockholders for inclusion in the proxy statement for the Company's annual meeting in accordance with the rules and regulations of the Securities and Exchange Commission (the "SEC").
9. The Committee will make regular reports to the Board.
10. The Committee will review this Charter annually and recommend to the Board any changes it determines are appropriate.
11. The Committee will at least annually review its performance and submit a report on its performance to the Board.
12. The Committee will have the sole authority and right, as and when it shall determine to be necessary or appropriate to the functions of the Committee, at the expense of the Company, to retain and terminate compensation consultants, legal counsel and other advisors of its choosing to assist the Committee in connection with its functions. The Committee shall have the sole authority to approve the fees and other retention terms of such advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any such advisors employed by the Committee pursuant to this charter.
13. The Committee will perform any other activities required by applicable law, rules or regulations, including the rules of the SEC and any exchange or market on which the Company's capital stock is traded, and perform other activities that are consistent with this charter, the Company's certificate of incorporation and bylaws, and governing laws, as the Committee or the Board deems necessary or appropriate.

IV. Meetings

Meetings of the Committee will be held from time to time, in response to the needs of the Board or as otherwise determined by the Chairman of such Committee, and the Committee shall provide reports to the Board. In lieu of a meeting, the
