PART III -- NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report portion thereof, could not be filed within the prescribed time period.

On October 17, 2003, Metatec, Inc. (the "Company") filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of Ohio in Columbus, Ohio (the "Bankruptcy Court"), Case No. 03-65902 (the "Bankruptcy Case"). The Company reported the Bankruptcy Case in a Current Report on Form 8-K (Item 3) filed with the Securities and Exchange Commission on October 20, 2003. During the pendency of the Bankruptcy Case, the Company will continue to operate its business and manage its properties as a debtor-in-possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code.

In connection with filing the Chapter 11 petition, the Company filed motions with the Bankruptcy Court seeking orders for the approval of (1) the Company receiving post-petition financing of up to \$5.0 million from MTI Acquisition Corp. ("MTI"), (2) bidding procedures with respect to the sale of the Company's assets, and (3) the Company proceeding with the sale of its assets to MTI in accordance with the terms of an asset purchase agreement between the Company and MTI (referred to as the "MTI Bid"). MTI is a wholly owned subsidiary of ComVest Investment Partners II LLC ("ComVest II"), and an affiliate of Commonwealth Associates Group Holdings LLC. ComVest II is the Company's largest secured creditor.

The MTI Bid provides that MTI would purchase substantially all of the assets of the Company for a purchase price of \$10.0 million, consisting of a \$9.0 million credit to ComVest II's secured-party creditor bankruptcy claim (subject to adjustment based on letter of credit obligations) and a \$1.0 million cash payment to the bankruptcy estate, plus the assumption of certain indebtedness and executory contracts. If MTI is the successful bidder, it has agreed to assume the Company's obligations to repay the post-petition financing.

Edgar Filing: METATEC INC - Form NT 10-Q

The MTI Bid is subject to higher and better offers.

On November 13, 2003, the Bankruptcy Court entered an Order (the "Order") which, among other things, (1) authorized the Company to proceed with a sale of its assets (the "Sale"), (2) established bidding procedures to be employed in connection with the Sale (the "Bidding Procedures"), including the approval of a break-up fee and expense reimbursement to MTI, (3) approved form and notice of the Sale, and (4) set dates for a sale hearing and deadlines for the filing of all objections to the Sale and all objections to the assumption by the Company and assignment to the successful bidder of executory contracts and unexpired leases, including any objections to cure payments proposed to be paid in connection therewith. The Bankruptcy Court has also approved the post-petition financing to the Company described above.

The Company is soliciting higher and better offers to the MTI Bid for the purchase of its assets. As further set forth in the Order, in order to be considered a "qualified offer," an offer must comply with the Bidding Procedures and be received on

or before 5:00 p.m. (EST) on December 15, 2003. If a qualified offer is timely received, an auction will be conducted at the offices of the Company's attorneys beginning at 10:00 a.m. (EST) on December 17, 2003. A hearing to approve the purchase agreement of the successful bidder is scheduled to be held before the Bankruptcy Court on December 18, 2003, at 10:00 a.m. (EST).

After the assets of the Company have been sold to the successful bidder, the Company will use the sale proceeds, together with any other (if any) remaining assets, to pay administrative costs, and any remaining proceeds would be distributed to creditors in accordance with the applicable provisions of the Bankruptcy Code. At this time, based upon the purchase price the MTI Bid, the Company does not believe that it will have any cash or other assets remaining to distribute to its shareholders after making payments to its creditors. Therefore, as previously disclosed in its filings with the Securities and Exchange Commission, the Company does not anticipated that its shareholders will realize any cash or other value for their common shares of the Company.

Consequently, given the current conditions and circumstances, the Company believes that its Form 10-Q cannot be prepared without unreasonable effort or expense, and the Company does not intend to file periodic reports until circumstances change such that periodic reports could be prepared and filed without unreasonable effort and expense. The Company does intend to continue to disclose other material information through filings on Current Reports on Form 8-K.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?
/X/ Yes / / No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company's management has not made a determination as to whether or not any of the Company's assets have been impaired as a result of the Bankruptcy Case, described above. However, given the amount of the purchase price of the MTI Bid in relation to book value of the Company's assets, it is likely that the Company's assets would be impaired as a result of the Bankruptcy Case and that the Company would be required to recognize a writedown of assets under United States generally accepted accounting principles.
