This Amendment No. 3 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO, as amended (the Statement) (originally filed with the Securities and Exchange Commission on June 29, 2004 and as amended by Amendment No. 1 on July 12, 2004 and Amendment No. 2 on July 21, 2004) relates to an offer by Diamondbacks Acquisition Inc., an Indiana corporation (Purchaser) and a wholly-owned subsidiary of Dick's Sporting Goods, Inc., a Delaware corporation (Dick's or the Parent) to purchase all of the outstanding common stock, no par value per share (the Shares), of Galyan's Trading Company, Inc., an Indiana corporation (Galyan's or the Company) a purchase price of \$16.75 per share, net to the seller in cash and without interest thereon, upon the terms and conditions as described in the Offer to Purchase, dated June 29, 2004 (as amended, the Offer to Purchase), a copy of which has been filed as Exhibit (a)(1)(A) to the original filing of the Statement, and the related letter of transmittal and the instructions thereto, a copy of which has been filed as Exhibit (a)(1)(B) to the to the original filing of the Statement (which, as they may be amended or supplemented from time to time, together constitute the Offer). Capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Offer to Purchase or in the Statement.

Item 7. Source and Amount of Funds

Item 7 of the Statement, which incorporates by reference the information contained in the Offer to Purchase, is hereby amended as follows:

1. The Summary Term Sheet in the Offer to Purchase is amended by supplementing the disclosures contained under the heading Conditions and Termination by inserting after the first full paragraph on page Q-3, a new paragraph as follows: The offer is not conditioned on Dick's obtaining financing. Dick's has renegotiated its senior secured credit facility, so that it is amended and restated in its entirety subject to Dick's meeting specified conditions to the amendment taking effect which conditions are set forth in the amended credit agreement. Upon effectiveness, the amended credit agreement increases the facility to \$350 million in availability and permits it to be used to finance the offer and the merger. See Section 12 Source and Amount of Funds.

2. Section 12 Source and Amount of Funds in the Offer to Purchase is hereby amended and restated in its entirety as follows:

The Offer is not conditioned upon any financing arrangements.

The Purchaser will need approximately \$305 million to purchase all Shares, plus pay for outstanding options under the Company's option plans and rights under the Company's employee stock purchase plan and to pay related fees and expenses. Dick's and Purchaser have amended and restated their existing senior secured credit facility, entered into as of July 26, 2000, among Dick's and certain lenders and General Electric Capital Corporation as agent, in its entirety so as to provide for revolving loans in an aggregate principal amount of up to \$350 million. In total, including the potential repayment of the Company's indebtedness, approximately \$373 million is required to fund and consummate the Offer and the Merger.

As of May 29, 2004, Dick's had cash and cash equivalents and short-term investments in the amount of \$162 million.

The Purchaser's source of funds for the Offer is contributions or intercompany loans from Dick's. Dick's expects, based upon the combination of internally available cash and borrowings under an amended revolving line of credit, to have sufficient cash on hand at the expiration of the Offer to contribute or lend to Purchaser to pay the offer price for all Shares in the Offer.

On July 28, 2004, Dick's amended and restated in its entirety its revolving line of credit (subject to Dick's meeting specified conditions to the amendment taking effect which conditions are set forth in the amended credit agreement), among Dick's, certain lenders and General Electric Capital Corporation as agent. This second amended and restated senior secured revolving credit facility provides for revolving loans in an aggregate outstanding principal amount of up to \$350 million, including up to \$75 million in the form of letters of credit. In addition to cash and cash equivalents and short-term investments on hand, Dick's intends to use borrowings under it to purchase all the Shares, to pay for outstanding options and rights under the Company employee stock purchase plan, to pay related fees and expenses and to cover the Company's indebtedness for borrowed money. On June 14, 2004, Dick's

obtained a waiver under its previous senior secured revolving credit facility to permit Dick's and Diamondbacks to enter into the Merger Agreement and the Shareholder Tender Agreement.

While working with its lenders to amend and restate its credit facility, Dick's also negotiated with another lender to provide an alternative source of financing to be used in lieu of any expanded or replaced credit facility with General Electric Capital Corporation. As a result, Dick's obtained a commitment from Merrill Lynch Capital Corporation (Merrill Lynch) to provide a senior secured interim loan facility to Dick's in the aggregate amount of up to \$175 million. Dick's currently has no intention to enter into any revolving credit facility with Merrill Lynch, but instead to rely on the funds obtained from its amended and restated senior secured revolving credit facility with General Electric Capital Corporation and its cash and cash equivalents and short-term investments to fund the purchase of the Shares and complete the Offer and the Merger.

Description of Second Amended and Restated Senior Secured Revolving Credit Facility

The following is a description of the terms of Dick's new amended and restated senior secured revolving credit facility which will become effective upon the closing date of the tender offer. A copy of the second amended and restated credit agreement executed on July 28, 2004 is filed as an exhibit to this Amendment to the Tender Offer Statement on Schedule TO filed by Dick's pursuant to Rule 14d-3 under the Exchange Act with the SEC in connection with the Offer. Reference is made to such exhibit for a more complete description of the proposed terms and conditions of the amended and restated senior secured revolving credit facility, and this summary description is qualified in its entirety by such document.

The availability under Dick's amended and restated senior secured revolving credit facility is generally limited to the lesser of 70% of Dick's eligible inventory or 85% of Dick's inventory's liquidation value, in each case net of specified reserves and less any letters of credit outstanding.

Interest on outstanding indebtedness under the amended and restated senior secured revolving credit facility currently accrues, at Dick's option, at a rate based on either:

the prime corporate lending rate or

the level of our total borrowings during the prior three months.

The amended and restated senior secured revolving credit facility matures on May 30, 2008. The amended and restated senior secured revolving credit facility contains both conditions precedent that must be satisfied for the amendment to become effective and for Dick's to borrow as well as affirmative and negative covenants to which Dick's and its subsidiaries, which will include Galyan's and its subsidiaries following the successful completion of the Offer and the consummation of the Merger, must adhere.

and any earnout or deferred compensation arrangements with Dick's management, (ix) delivery of financial projections satisfactory to the agent, (x) Dick's has used at least \$155 million of existing cash-on-hand to acquire Galyan's shares in the Galyan's tender offer, (xi) accuracy of Dick's representations and warranties, (xii) making of loans or issuance of letter of credit do not violate applicable laws, (xiii) absence of events which constitute or would constitute a default, and (xiv) after giving effect to any loan or letter of credit the borrowing base is not exceeded. Conditions precedent to subsequent borrowings or issuances of letters of credit include items (xi) through (xiv) of the preceding sentence.

The negative covenants of the amended and restated senior secured revolving credit facility that concern Dick's and its subsidiaries, include, without limitation, restrictions (with certain limited exceptions) on the ability of Dick's (and its subsidiaries) to:

make particular investments;

redeem capital stock;

enter into or be a party to any lending, borrowing or other commercial transactions with subsidiaries, affiliates or its employees

create or permit to exist liens on its properties in excess of certain specified amounts;

Indebtedness. Except as permitted in Dick's amended and restated senior secured revolving credit agreement, neither Dick's nor any of its subsidiaries will be permitted to create, incur, assume, guarantee or permit to exist (i) any indebtedness for borrowed money or for the deferred purchase price of property or services, (ii) any obligations evidenced by notes, bonds, debentures or similar instruments, (iii) any indebtedness created or arising under any conditional sale or other title retention agreements with respect to property acquired by Dick's or any of its subsidiaries, (iv) certain capital lease obligations, (v) certain guaranteed indebtedness, (vi) any obligations of Dick's or any subsidiary of Dick's under any interest rate swap agreement, interest rate cap agreement, interest rate collar agreement, interest rate option contract, foreign exchange contract, currency swap agreement, futures contract, option contract, synthetic cap, commodity purchase or option agreements or other similar agreement or contract designed to protect Dick's or any of its subsidiaries against fluctuations in interest rates, currency values or commodity prices, as

above secured by (or for which the holder of such indebtedness has an existing right, contingent or otherwise, to be secured by) any lien upon or in property (including accounts and contract rights) owned by Dick's or any of Dick's subsidiaries, even though they have not assumed or become liable for the payment of such indebtedness, and (viii) any guarantees or other obligations to make loans or advances to another person.

Acquisitions. Other than the Offer and the Merger, neither Dick's nor its subsidiaries are permitted, directly or indirectly without obtaining a consent under the amended and restated senior secured revolving credit facility, to merge, consolidate or acquire non-subsidiary entities, assets or capital stock of any entity or form, acquire or hold any subsidiary (except certain currently permitted holdings) except that Dick's (so long as no default has occurred and is continuing or would occur as a result of such merger) may merge with and into a wholly-owned subsidiary with Dick's as the surviving corporation.

Restricted Payments. Neither Dick's nor any subsidiary will be permitted to declare or pay any cash dividend on, or make any payment on account of, the purchase, redemption, defeasance, retirement or other acquisition of, any Dick's capital stock or the capital stock of any of its subsidiaries, or make any other distribution in respect thereof, or set apart assets for a sinking or other analogous fund for the purchase, redemption, defeasance, retirement or other acquisition of payments under the currently existing subordinated notes.

Fixed Charge Coverage Ratio. Dick's is obligated to maintain a fixed charge coverage ratio, of not less than 1.0 to 1.0, as calculated in accordance with the terms and definitions determining such ratio contained in the amended and restated senior secured revolving credit facility.

Defaults. Dick's amended and restated senior secured revolving credit facility also contains customary events of default, including a cross-default to certain other debt, breaches of representations and warranties, change of control events and breaches of covenants.

Security. The obligations of Dick's under the amended and restated senior secured revolving credit facility are secured under various collateral documents (including a security agreement, pledge agreement, blocked account agreements, concentration account agreement, disbursement account agreements, and a trademark security agreement) by interests in substantially all of Dick's personal property (excluding store and distribution center equipment and fixtures), including the pledge of the stock of Dick's wholly-owned subsidiaries, including Galyan's and its subsidiaries upon completion of the Offer and consummation of the Merger.

3. On page 44 of the Offer to Purchase, under the heading Fees and Expenses, the second full paragraph is hereby amended and restated in its entirety as follows: Merrill Lynch & Co. has also provided financial advisory services to Dick's in connection with the Offer and the Merger. Merrill Lynch had agreed to provide certain financing in connection with the transaction, if necessary. However, since Dick's should receive adequate financing to complete the Offer and the Merger under its amended and restated senior secured revolving credit facility entered into with General Electric Capital Corporation, there should be no need to for Dick's to enter into any credit facility with Merrill Lynch. See Section 12 Source and Amount of Funds. Dick's has agreed to indemnify Merrill Lynch and related parties against

certain liabilities in connection with its engagement of Merrill Lynch and its affiliates, including certain liabilities under U.S. federal securities laws.
