THOR INDUSTRIES, INC.

Proxy Statement

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Thor Industries, Inc. (the Company) for use at the 2004 Annual Meeting of Stockholders to be held at 230 Park Avenue, Suite 618, New York City, on December 7, 2004, at 1:00 p.m., local time (the Meeting), and any adjournment thereof. The cost of such solicitation is being borne by the Company. This proxy statement and the accompanying form of proxy are being sent to stockholders on October 29, 2004.

Representatives of Deloitte & Touche, LLP, the Company's principal independent accountants, will be present at the Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to any stockholder questions that may be asked.

Voting by Stockholders

A proxy in the form accompanying this proxy statement that is properly executed, duly returned to the Company and not revoked prior to the Meeting will be voted in accordance with the instructions contained therein. If no instructions are given with respect to the proposals to be voted upon, proxies will be voted in favor of such proposals. Each proxy may be revoked by a stockholder at any time until exercised by giving written notice to the Secretary of the Company, by voting in person at the Meeting, or by submitting a later-dated proxy.

The Common Stock of the Company constitutes its only outstanding security entitled to vote on the matters to be voted upon at this meeting. Each share of Common Stock entitles the holder to one vote. Only stockholders of record at the close of business on October 18, 2004 are entitled to notice of and to vote at the Meeting or any adjournment thereof. As of that date, 56,997,360 shares of Common Stock were outstanding. The presence, in person or by proxy, of the holders of a majority of all the issued and outstanding Common Stock is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (i.e., shares held by a broker for its customers that are not voted because the broker does not receive instructions from the customer or because the broker does not have discretionary voting power with respect to the item under consideration) will be counted as present for purposes of determining the presence or absence of a quorum for the transaction of business.

In accordance with the By-laws of the Company and the Delaware General Corporation Law, a plurality of the votes duly cast is required for the election of directors. Under the Delaware General Corporation Law, although abstentions and broker non-votes are deemed to be present for the purpose of determining whether a quorum is present at a meeting, abstentions and broker non-votes are not deemed to be votes duly cast. As a result, abstentions and broker non-votes will not be included in the tabulation of voting results with respect to Proposal #1, and therefore will have no impact on the voting on such proposal.

A copy of the Company's Annual Report for the fiscal year ended July 31, 2004 (fiscal 2004) is being sent to each stockholder of record herewith. The Annual Report is not to be considered a part of this proxy soliciting material.

Proposal #1**Election of Directors**

The Company's By-laws provide that the Board of Directors may set the number of directors at no less than one (1) and no more than fifteen (15). The persons named in the enclosed proxy intend to vote FOR the election of the nominees listed below. Board of Directors, Committees and Attendance at Meetings

The Board of Directors has the responsibility for establishing broad corporate policies and for the overall management of the business of the Company. Members of the Board are kept informed of the Company's performance by various reports sent to them at regular intervals by management, as well as by operating and financial reports presented by management at Board meetings.

It is the Company's policy that directors attend all Board of Directors' meeting and the annual meeting of stockholders, unless excused by the Chairman. All elected directors were in attendance at the 2003 Annual Meeting of Stockholders.

The Board has three committees with the principal functions described below. The Charters of each of these committees are posted on our website at www.thorindustries.com.

Audit Committee

The principal functions of the Audit Committee are to recommend engagement of the Company's independent public accountants and to maintain communications among the Board of Directors, such independent public accountants and the Company's internal accounting staff with respect to accounting and auditing procedures, the implementation of recommendations by such independent accountants, the adequacy of the Company's internal controls and related matters. During fiscal 2004, the Audit Committee had private meetings with the Chief Financial Officer, the internal audit manager and the outside audit partners. The Board of Directors has determined that Geoffrey A. Thompson, a member of the committee, is an audit committee financial expert as defined in Section 407 of the Sarbanes-Oxley Act of 2002. A copy of the Audit Committee Charter is set forth in Appendix A to this Proxy Statement.

Compensation Committee

The principal functions of the Compensation Committee are to establish executive compensation policies and guiding principles; establish the compensation of the Chief Executive Officer and review and approve the compensation of the other executive officers; evaluate the design of compensation and benefit programs; and review all components of compensation for independent directors. The Compensation Committee also acts as administrator under the Company's 1999 Stock Option Plan, the Company's Restricted Stock Plan, the Company's Management Incentive Plan and the Company's Select Executive Incentive Plan. In its capacity as administrator of the 1999 Stock Option Plan and the Restricted Stock Plan, the Compensation Committee grants options and restricted stock, determines which employees and other individuals performing substantial service for the Company may be granted options and/or restricted stock, and determines the rights and limitations attendant to options and restricted stock granted under these plans. In its capacity as administrator under the Select Executive Incentive Plan, the Compensation Committee awards supplemental deferred compensation to eligible employees in amounts determined by the Compensation Committee.

Nominating and Corporate Governance Committee

The principal functions of the Nominating and Corporate Governance Committee are to address all matters of corporate governance; evaluate qualifications and candidates for positions on the Board of Directors; evaluate the performance of the Chief Executive Officer and the Board of Directors; review succession plans and senior management performance; establish criteria for selecting new directors, nominees for Board membership and the positions of Chairman and Chief Executive Officer, and whether a director should be invited to stand for re-election. The nominating Committee evaluates candidates on, among other things, possession of such knowledge, experience, skills, expertise and diversity as may enhance the Board's ability to manage and direct the affairs and business of the Company, and as applicable, the satisfaction of any independence requirements imposed by law, regulation, the NYSE and the Company's Corporate Governance Guidelines.

The Board will not consider shareholder nominations of director candidates, because the Board believes that this is not an efficient or effective means of identifying qualified individuals. In addition, the Board has a long history of being able to attract and maintain a membership with the variety of skills necessary to properly oversee the affairs of the Corporation.

Membership of Committees

The following table summarizes the current membership of the Board of Directors and each of its committees.

	Board	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
Wade F. B. Thompson	Chairman			
Peter B. Orthwein	Vice Chairman			
H. Coleman Davis	X			
Neil D. Chrisman	X	X		
Alan Siegel	X		X	Chair
Jan H. Suwinski	X	Chair		
Geoffrey A. Thompson	X	X		
William C. Tomson	X		Chair	X

The Board of Directors has affirmatively determined, by resolution of the Board of Directors as a whole, that the following directors have no direct or indirect material relationship with the Company and satisfy the requirements to be considered independent under the Company's Director Independence Standards which were adopted in accordance with the rules of the New York Stock Exchange: Messrs. Neil D. Chrisman, Alan Siegel, Jan H. Suwinski, Geoffrey A. Thompson and William C. Tomson. As a result, each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee is comprised entirely of independent directors, as determined by the Board.

Board and Committee Meetings

The Board of Directors as a whole met in person, by telephone or took action by unanimous written consent seven times during fiscal 2004. The Audit Committee met in person or by telephone nine times during fiscal 2004. The Compensation Committee, which was formed in September 2002, met or took action by unanimous written consent two times during fiscal 2004. In September 2003, the functions of the former Stock Option Committee were transferred to the Compensation Committee and the Stock Option Committee was disbanded. The Nominating and Corporate Governance Committee which was formed in September 2003 did not meet during fiscal 2004.

Each of the directors attended all meetings of the Board of Directors and the respective Board committees on which they served during fiscal 2004, except for Mr. Wade Thompson who missed one meeting of the Board of Directors for medical reasons.

Stockholder Communications

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which any communication sent to the Board of Directors in care of the Company is forwarded to the Board, has served the Board's and its stockholders' needs. In view of recently adopted Securities and Exchange Commission disclosure requirements relating to this issue, the Board may consider development of more specific procedures. Until any other procedures are developed, any communications to the Board should be sent to it in care of the Secretary of the Company.

Thompson and Orthwein in purchasing whole life insurance on their lives and that of their wives. Under the arrangement Messrs. Thompson and Orthwein paid a portion of the premiums based upon certain Internal Revenue standards and the Company advanced the balance of the premiums. The amount credited shall vest and be payable six years after the effective date of such eligible executive's participation, provided, however, that the amount shall vest immediately upon death or age 65. Compensation Committee Report on Executive Compensation

The Company consists of a corporate parent, Thor Industries, Inc., and several operating subsidiaries, including, Airstream, Inc., Damon Corporation, Dutchmen Manufacturing, Inc., Four Winds International, Inc., Keystone RV Company, Komfort Corp., Thor America, Inc., Citair, Inc., Thor California, Inc., Champion Bus, Inc., ElDorado National California, Inc., and ElDorado National Kansas, Inc. The Compensation Committee believes that the Company has been successful in attracting and retaining management of its operating subsidiaries because of its policy of compensating management personnel based upon the profitability of such operating subsidiaries. The management of each operating subsidiary is provided with incentive based compensation consisting generally of 14% to 20% of their operating subsidiary's pre-tax profits in excess of targets established by the Company's Chief Executive Officer. The executive officers of the corporate parent, Thor Industries, Inc., Messrs. Thompson, Orthwein, Bennett and Bartus, receive low fixed salaries in addition to bonuses relating to profitability of the Company as a whole, which are reviewed and approved by the Compensation Committee. The Compensation Committee has reconsidered these arrangements and has concluded that it is in the best interest of the Company and its shareholders that such

arrangements continue without any substantial change.

1999 Stock Option Plan

The Thor Industries, Inc. 1999 Stock Option Plan (the "1999 Plan") was adopted by the Company's Board of Directors in July 1999 and by the Company's shareholders in September 1999. The purpose of the Plan is to enhance the ability of

the Company and its subsidiaries to attract and retain employees and directors of outstanding ability and to provide employees and directors with an interest in the Company parallel to that of the Company's shareholders. The 1999 Plan is administered and managed by the Compensation Committee of the Board of Directors (the Committee).

The Common Stock subject to the options granted under the 1999 Plan will be authorized by unissued shares of Common Stock of the Company, \$0.10 value, or shares reacquired by the Company in any manner. The aggregate number of shares of Common Stock which may be acquired upon the grant of options under the 1999 Plan will not exceed 2,000,000, subject to adjustment in certain circumstances. If any option granted under the 1999 Plan expires or terminates for any reason without having been

exercised in full or ceases for any reason to be exercisable in whole or in part, the unpurchased shares subject to such option shall again be available for grant under the 1999 Plan. Subject to adjustment, no employee may be granted an option to acquire more than 500,000 shares of Common Stock in any one year.

Employees and directors of the Company and its subsidiaries are eligible to receive grants of options under the 1999 Plan. Eligible participants may be granted both nonqualified stock options (Nonqualified Stock Options) and incentive stock options (ISOs) and, together with Nonqualified Stock Options, (Options), provided that only employees of the Company and its subsidiaries may receive ISOs. The exercise price per share of the shares of Common Stock to be purchased pursuant to any Option shall be fixed by the Committee at the time such Option is granted. In no event shall the exercise price for ISOs be less than the fair market value of a share on the day on which the ISO is granted (110% of the fair market value in the case of an ISO granted to an employee owning stock with more than 10% of the total combined voting power of all classes of stock of the Company or its subsidiaries (a 10% Shareholder)). Subject to termination, the duration of each Option will be determined by the Committee, but may not exceed 10 years from the date of grant; provided, however, that in the case of ISOs granted to 10% Shareholders, the term of such Option shall not exceed 5 years from the date of grant. An Option will be exercisable by the Option holder at such rate and times as may be determined by the Committee at or subsequent to the time of grant. Each Option may be exercised in whole or in part by giving written notice of exercise to the Company. Payment in full of the Option exercise price will be made upon delivery of such notice in cash or through additional methods, if any, prescribed by the Committee. Options are assignable or transferable only in limited circumstances.

Upon the occurrence of a Change in Control (as defined in the 1999 Plan), all Options will automatically become vested and exercisable in full and all restrictions or conditions, if any, on any Options will automatically lapse.

Under certain circumstances, in the event option holders engage in certain prohibitive behavior, options can be forfeited at the discretion of the Committee. In addition, any gains realized by option holders may have to be repaid under certain circumstances.

Restricted Stock Plan

The Company has adopted the Thor Industries, Inc. Restricted Stock Plan (the Stock Plan) effective September 29, 1997. The Stock Plan is administered by the Compensation Committee. The Stock Plan is intended to advance the interests of the Company, its stockholders, its subsidiaries and its affiliates by encouraging and enabling inside directors, officers and other employees to acquire and retain a proprietary interest in the Company by ownership of its stock.

The total number of shares available for grants under the Stock Plan may not exceed 600,000 subject to adjustment in certain circumstances and subject to increase by the Board of Directors. Subject to adjustment, no more than 100,000 shares may be granted in any one calendar year. If a grant, or any portion thereof, is forfeited, the forfeited shares will be made available again for grants under the Stock Plan. The Compensation Committee may, at any time and from time to time, make grants to such participants and in such amounts as it shall determine. Each grant shall be made pursuant to a written instrument which must be executed by the grantee in order to be effective. The Board of Directors may at any time suspend or terminate the Stock Plan or any portion thereof or may amend it from time to time in such respects as the Board may deem to be in the best interests of the Company.

No shares granted under the Stock Plan may be transferred by the recipient thereof until such shares have vested; such shares shall vest on the date specified by the Compensation Committee in the underlying

written agreement pursuant to which the grant was made. Notwithstanding the foregoing, the shares of a recipient who has not previously forfeited any nonvested shares granted to him under the Stock Plan shall automatically vest upon the earliest of (x) the termination by the Company of the recipient other than for cause and (y) the recipient's death, disability or retirement. The Stock Plan contains non-competition and non-solicitation provisions which restrict recipients from competing with the Company. Non-compliance with such provisions will result in the forfeiture of non vested benefits.

During the applicable period of restriction, the recipient of shares under the Stock Plan is the record owner thereof and is entitled to vote such shares and to receive all dividends and other distributions paid with respect to such shares. However, if any such dividends or distributions are paid in shares of Company stock during an applicable period of restriction, the shares received shall be subject to the same restrictions as the shares with respect to which they were issued. Moreover, the Compensation Committee may provide in any written agreement pursuant to which the grant was made such other restrictions, terms and conditions as it may deem advisable with respect to the treatment and holding of any stock, cash or property that is received in exchange for the restricted shares.

Select Executive Incentive Plan

The Company has adopted the Thor Industries, Inc. Select Executive Incentive Plan (the Incentive Plan) effective September 29, 1997. The Incentive Plan is administered by an Administrative Committee chosen by the Board of Directors, which is currently the Compensation Committee. The purpose of the Incentive Plan is to provide its eligible executives with supplemental deferred compensation in addition to their current compensation. It is intended that the Incentive Plan shall constitute an unfunded deferred compensation arrangement for the benefit of a select group of management or highly compensated employees of the Company and its designated subsidiaries and affiliates.

The Compensation Committee will designate those employees of the Company (which may include employees of any subsidiary or affiliate thereof) who will be eligible executives under the Incentive Plan. For each year of participation, each eligible executive shall be credited with the amount(s), if any, determined by the Compensation Committee in its sole discretion. The amount(s) will be credited to an account maintained for each eligible executive, which will also be credited with earnings and losses as if the amounts were invested in specific investment funds selected by the Compensation Committee (or by the eligible executive if the Compensation Committee establishes a procedure permitting the eligible executive to credit his or her account with respect to the results of one or more of the index funds selected by the Compensation Committee). The Compensation Committee is not obligated to comply with the investment request of an eligible executive, and retains the sole discretion regarding the decision to credit earnings with regard to the results of the index funds selected by any eligible executive. The amount(s) credited to the account of an eligible executive shall vest and be payable six years after the effective date of such eligible executive's participation; provided, however, that the amounts vest immediately upon death or age 65. The Incentive Plan contains non-competition and non-solicitation provisions which prohibit eligible executives from competing with the Company within the United States or Canada during the term of such eligible executive's participation and for a period of eighteen months after termination of employment with the Company for any reason. Non-compliance with such provisions will result in a total forfeiture of vested benefits. The Company may establish a trust for payment of benefits under the Incentive Plan; such trust shall be a grantor trust for tax purposes. Payment of benefits will generally be made following termination of employment in one of the following forms: (a) lump sum; (b) substantially equal annual installments for five years; (c) substantially equal installments for ten years; or (d) any other actuarially equivalent form approved by the Compensation Committee.

Stock Price Performance Graph

The performance graph set forth below compares the cumulative total stockholder returns on the Company's Common Stock (assumes \$100 invested on July 31, 1999 and that all dividends are reinvested) against the cumulative total returns of the Standard and Poor Corporation's S&P 500 composites stock price index (S&P 500) and a Peer Group of companies selected by the Company whose primary business is recreation vehicles or mid-size buses for the five year period ended July 31, 2004. The peer group consists of the following companies: Coachmen Industries, Inc.; Fleetwood Enterprises, Inc.; Winnebago Industries, Inc.; Monaco Coach, Inc.; and Supreme Industries, Inc. The Company cautions that stock price performance noted below should not be considered indicative of potential future stock price performance. The Company changed its peer group in fiscal 2003 to include Monaco Coach, Inc. and remove Collins Industries, Inc.

Report of the Audit Committee

Working under the guidance of a written charter approved by the Board of Directors, the Audit Committee, which is comprised of Messrs. Neil D. Chrisman, Jan H. Suwinski and Geoffrey A. Thompson, is primarily responsible for assisting the Board in overseeing the Company's financial reporting process as well as the internal controls that management and the Board have established. The Board of Directors adopted a revised charter for the Audit Committee in October 2004, a copy of which may be found in Appendix A to this Proxy Statement.

Management is responsible for the financial reporting process, including the system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes, acting in an oversight capacity. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditors.

During the past fiscal year, the Audit Committee met in person or by telephone eight times and met in separate executive sessions with the Company's Chief Financial Officer, the Company's senior internal auditing executive and the independent auditing partner for the Company. The Audit Committee also met privately on a quarterly basis.

In carrying out its duties, the Audit Committee has reviewed and discussed the Company's audited consolidated financial statements for the fiscal year ended July 31, 2004 with the Company's management and Deloitte & Touche, LLP (Deloitte), the Company's independent auditors. The Audit Committee has also discussed with Deloitte the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has received the written disclosures and the letter from Deloitte required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees and has discussed with Deloitte its independence from the Company and its management. Based on the foregoing reports and discussions and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter of the Audit Committee, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended July 31, 2004.

The Board of Directors has affirmatively determined that each of the members of the Audit Committee is independent as defined under the rules of the New York Stock Exchange.

All Other Fees. Represents fees for products and services provided to the Company not otherwise included in the categories above. The amounts shown consist of fees for benefit plan tax consultation.

The Audit Committee has considered whether performance of services other than audit services is compatible with maintaining the independence of Deloitte.

In 2003, the Audit Committee adopted a formal policy concerning the approval of audit and non-audit services to be provided by the independent auditor to the Company. The policy requires that all services Deloitte, the Company's independent auditor, may provide to the Company, including audit services and permitted audit-related and non-audit services, be pre-approved by the Audit Committee. The Audit Committee approved all audit and non-audit services provided by Deloitte during fiscal 2004.

Section 16(a) Beneficial Ownership Reporting Compliance

The federal securities laws require the filing of certain reports by officers, directors and beneficial owners of more than ten percent (10%) of the Company's securities with the Securities and Exchange Commission and the New York Stock Exchange. Specific due dates have been established and the Company is required to disclose in this Proxy Statement any failure to file by these dates. Based solely on a review of copies of the filings furnished to the Company, or written representations that no such filings were required, the Company believes that all filing requirements were satisfied by each of the Company's officers, directors and ten percent (10%) stockholders for fiscal 2004.

Code of Ethics

The Company has adopted a written code of ethics, Thor Industries, Inc., Business Ethics Policy, which is applicable to all directors, officers and employees of the company, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller and other executive officers identified in this proxy statement who perform similar functions (collectively, the Selected Officers). In accordance with the rules and regulations of the Securities and Exchange Commission, a copy of the code is available on the Company's website. The Company will disclose any changes in or waivers from its code of ethics applicable to any Selected Officer on its website at <http://www.thorindustries.com> or by filing a Form 8-K.

Stockholder Proposals

Proposals by stockholders that are intended to be presented at the 2005 annual meeting must be received by the Company on or before July 2, 2005 to be included in the proxy statement and form of proxy for the 2005 annual meeting.

Notice of a shareholder proposal submitted outside the processes of Rule 14a-8 of the Securities Exchange Act of 1934, as amended, which is not received on or before September 15, 2005 will be considered untimely. The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with applicable requirements.

Other Matters

Management knows of no other matters that will be presented for consideration at the meeting. However, if any other matters are properly brought before the meeting, it is the intention of the persons named in the proxy to vote the proxy in accordance with their best judgment.

By Order of the Board of Directors,
WALTER L. BENNETT

Audit Committee Charter

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF THOR INDUSTRIES, INC. CHARTER As adopted by the Board of Directors, October 1, 2004

I. PURPOSE

The Audit Committee is established by and among the Board of Directors for the primary purpose of assisting the board in:

Overseeing the integrity of the Company's financial statements,

Overseeing the Company's compliance with legal and regulatory requirements,

Overseeing the independent auditor's qualifications and independence,

Overseeing the performance of the Company's independent auditor, and internal audit function,

Overseeing the Company's system of disclosure controls and procedures, internal controls over financial reporting, and compliance with ethical standards adopted by the Company.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures, and practices at all levels. The Audit Committee should also provide for open communication among the independent auditor, financial and senior management, the internal auditing function, and the Board of Directors.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company will provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor, to any advisors that the Audit Committee chooses to engage, and for payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter. The Audit Committee will report regularly to the Board of Directors regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The Audit Committee will comprise three or more directors as determined by the Board. Each Audit Committee member will have no material relationship with the Company (either directly or as a partner, shareholder, or officer of an organization that has a relationship with the Company), as affirmatively determined by the Board. All committee members must be independent, including being free of disallowed compensation agreements, under all applicable rules and regulations.

All members of the Committee must comply with all financial literacy requirements of the New York Stock Exchange. The Board will determine whether at least one member of the committee qualifies as an audit committee

financial expert in compliance with the criteria established by the SEC. The existence of such a member, including his or her name and whether or not he or she is independent, will be disclosed in periodic filings as required by the SEC. Committee members are encouraged to enhance their familiarity with finance and accounting by participating in educational programs, including those conducted by the Company or outside consultants.

The members of the Committee will be elected by the Board at the annual organizational meeting of the Board to serve until their successors are elected. Unless a Chairperson is elected by the full Board, the members of the Committee may designate a Chairperson by majority vote.

The Committee will meet four times annually, or more frequently as circumstances dictate. Each regularly scheduled meeting will conclude with an executive session of the Committee absent members of management. As part of its responsibility to foster open communication, the Committee will meet periodically with management, the director of the internal auditing function, and the independent auditor in separate executive sessions. In addition, the Committee will meet with the independent auditor and management to discuss the annual audited financial statements and quarterly financial statements, including the Company's disclosure under Management's Discussion and Analysis of Financial Condition and Results of Operations.

Review the performance of the independent auditors and remove the independent auditors if circumstances warrant. The independent auditor will report directly to the Audit Committee and the Audit Committee will oversee the resolution of disagreements between management and the independent auditors if they arise. Consider whether the auditor's performance of permissible nonaudit services is compatible with the auditor's independence.
