PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON FEBRUARY 12, 2005

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Keithley Instruments, Inc. (the Company) for use at the Annual Meeting of Shareholders of the Company to be held on February 12, 2005, and any adjournment or postponement thereof. The time, place and purposes of the Annual Meeting are stated in the Notice of Annual Meeting of Shareholders which accompanies this Proxy Statement.

The solicitation of proxies is made by and on behalf of the Board of Directors. The expense of soliciting proxies, including the cost of preparing, assembling and mailing the proxy materials, will be borne by the Company. In addition to solicitation of proxies by mail, solicitation may be made personally and by telephone, and the Company may pay persons holding shares for others their expenses for sending proxy materials to their principals. No solicitation will be made other than by Directors, officers and employees of the Company.

The presence of a shareholder at the Annual Meeting will not operate to revoke the shareholder's proxy. Any shareholder giving a proxy pursuant to this solicitation may revoke it by giving notice to the Company in writing or in open meeting. All properly executed proxies received by the Board of Directors of the Company pursuant to this solicitation will be voted at the Annual Meeting, in accordance with the directions contained in such proxies. If no directions are given, properly executed proxies will be voted FOR the election of the nominees named in this Proxy Statement and with discretionary authority to vote on all other matters that may properly come before the Annual Meeting or any adjournment or postponement thereof.

The close of business on December 14, 2004 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the meeting. This Proxy Statement and the accompanying President's letter, notice and proxy, together with the Company's annual report to shareholders for the fiscal year ended September 30, 2004, are first being sent to shareholders on or about December 22, 2004.

VOTING RIGHTS

As of the close of business on December 14, 2004, there were outstanding 14,092,157 Common Shares, without par value, of the Company (Common Shares) and 2,150,502 Class B Common Shares, without par value, of the Company (Class B Common Shares). The holders of outstanding Common Shares on that date will be entitled to one vote for each share held, and the holders of outstanding Class B Common Shares on that date will be entitled to ten votes for each share held. Proxies received by the Company but marked as abstentions or broker non-votes will not count in favor of, or against, election of a nominee for Director.

The Ohio Revised Code, as it applies to the Company, provides that if notice in writing is given by any shareholder to the President, a Vice President or the Secretary of the Company not less than 48 hours before the time fixed for holding the meeting that such shareholder desires the voting to elect Directors to be cumulative, and if an announcement of the giving of such notice is made upon the convening of the meeting by the Chairman or the Secretary or by or on behalf of the shareholder giving such notice, then each shareholder shall have cumulative voting rights in the election of Directors, enabling such shareholder to give one nominee for Director as many votes as is equal to the number of Directors to be elected multiplied by the number of shares in respect of which such shareholder is voting, or to distribute votes on the same principle among two or more nominees, as such shareholder sees fit. If cumulative voting is in effect, the persons named in the proxy will vote shares represented thereby so as to elect as many of the eight nominees named herein as possible.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Keithley's executive officers, Directors and persons who own more than 10% of Keithley's common shares to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These persons are required to provide the Company with copies of all Section 16(a) forms that they file. Based solely on the Company's review of these forms and written representations from the executive officers and Directors, the Company believes that all Section 16(a) filing requirements were met during fiscal year 2004.

ELECTION OF DIRECTORS

At the Annual Meeting, or any adjournment or postponement thereof, Common Shares and Class B Common Shares represented by proxies, unless otherwise specified, will be voted for the election as Directors of the eight persons named below who have been nominated by the Board of Directors following the recommendation of the Board's Nominating and Corporate Governance Committee. If the eight nominees are elected, there will be one vacancy on the Board. The Directors may fill that vacancy at their discretion. The Company believes it is desirable to have the vacancy available to be filled by the Directors if a person who could make a valuable contribution as a Director becomes available during the year.

Each of the Directors to be elected at the meeting is to serve until the next Annual Meeting and until his successor shall have been duly elected and qualified. Pursuant to the Company's Amended Articles of Incorporation (the "Articles"), one-fourth (calculated to the nearest whole number) of the number of authorized Directors, which equals two Directors, is entitled to be elected by the Common Shares voting separately as a class. Messrs. Bartlett and Hendrix have been nominated as the Directors to be so elected by the holders of the Common Shares of the Company. The remaining six nominees are to be elected by the holders of the Common Shares and the Class B Common Shares voting together. The two nominees receiving the greatest number of votes of the Common Shares voting separately as a class, and the six other nominees receiving the greatest number of votes of the Common Shares and the Class B Common Shares voting together without regard to class, will be elected as Directors.

Each of the nominees is presently a member of the Board of Directors and each has indicated his willingness to serve as a Director, if elected. If any nominee at the time of election is unable or unwilling to serve or is otherwise unavailable for election (which contingency is not now contemplated or foreseen), it is intended that the shares represented by proxies will be voted for the election of any substitute nominee that may be named by the Board of Directors.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation and Human Resources Committee Report

The Company's Board of Directors has delegated to the Compensation and Human Resources Committee (the Committee) the responsibility of evaluating and recommending for formal board approval the amounts of compensation paid to the Chief Executive Officer and other executive officers. The Committee is composed entirely of independent Directors.

The guiding philosophy of the Company's executive compensation program is to attract, motivate and retain highly qualified senior managers to direct and grow the Company. Information is gathered to provide guidelines on pay for comparable positions in comparable industries. The pay of the officers is managed to assure that, in general, it falls between 80% and 120% of median compensation for similar positions at peer companies as determined by the Committee's compensation consultant.

The program provides for a salary that is based upon individual performance, an annual bonus that is based upon the attainment of performance goals, and long-term incentives in the form of stock options.

The salary for each executive officer is set based upon data from the Committee's compensation consultant, Mellon Human Resources and Investor Solutions. The information used is the range of salaries paid to individuals who hold similar positions or have similar responsibilities within companies or divisions of companies of similar size in the electronics industry some, but not all of which are in the S&P Information Technology Sector Index used in the performance graph on page 14.

The magnitude of the annual bonus that is paid to each officer is determined as follows. First, the targeted amount of bonus to be paid annually is determined through the use of survey information based on a percentage of annual salary. An appropriate mix of corporate financial measures are then determined and a payout schedule is set based upon attainment of the performance goals. The magnitude of these performance goals is set in conjunction with the Board Compensation Committee to reflect the marketplace conditions and an expectation of continuous improvement. The bonus payment begins at an acceptable level of attainment of financial goals.

Non-qualified Stock Options (NSOs) are used to provide long-term incentives to officers and other key employees. Each year a stock option grant is made for each officer based upon competitive market practices. Generally, options vest in four years and expire in ten years from the date of grant and have an option price equal to the market price at the time of grant.

Chief Executive Officer Compensation

The Compensation and Human Resources Committee determined Mr. Keithley's compensation for fiscal 2004 based upon a number of criteria. The major factors that influenced the Committee's decisions were an evaluation by the Committee of Mr. Keithley's performance in 2004 relative to specific goals, the median pay levels for CEOs in electronics firms of similar size, the performance of the Company in sales and level of profits, and the general state of the electronic test and measurement industry.

Mr. Keithley's annual salary for fiscal 2004 returned to \$400,000 in January 2004. This salary was established for 2003, but in May 2003 Mr. Keithley voluntarily reduced his salary 10% until the company had two consecutive profitable quarters. Mr. Keithley's base salary is comparable to others in equivalent positions in the electronics industry. Mr. Keithley received a bonus for fiscal 2004 of \$587,774, based upon the Company's performance relative to sales growth and return on assets goals.

Retirement Plan. The Company's United States pension plan provides retirement benefits to eligible participants who terminate employment at or after age 65, or who terminate employment before age 65 with at least five years of service. Benefits commence after termination of employment, but generally not before age 55. Retirement benefits are computed on the basis of pension credits for each year of the employee's service. Generally, an employee's pension credits will be equal to the sum of (i) 0.9% of the employee's high five-year average annual compensation, not in excess of the employee's Social Security covered compensation (as defined by Section 401(I)(5)(E) of the Internal Revenue Code) as of September 30, 1999, plus 1.5% of such average annual compensation in excess of covered compensation, with such sum multiplied by the employee's years of credited service (up to 30 years) through September 30, 1999; plus (ii) 1.2% of the employee's annual compensation for each plan year beginning on or after October 1, 1999. The employee's annual retirement benefit, when paid as a life annuity commencing at age 65, will equal the total of the pension credits he has earned. If the individuals listed in the compensation table were to continue to be employees until their attainment of age 65 at the rate of compensation they received during fiscal 2004, their
