This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of M&T Bank Corporation of proxies in the accompanying form for use at the 2006 Annual Meeting of Stockholders or any adjournment or adjournments thereof.

The Annual Meeting of Stockholders of M&T Bank Corporation will be held on the 10th floor of One M&T Plaza in Buffalo, New York on Tuesday, April 18, 2006, at 11:00 a.m., local time. M&T Bank Corporation's mailing address is One M&T Plaza, Buffalo, New York 14203, and its telephone number is (716) 842-5445.

This Proxy Statement and the accompanying form of proxy are first being sent to stockholders of record on or about March 8, 2006. A copy of M&T Bank Corporation's Annual Report for 2005, including financial statements, has either previously been delivered or accompanies this Proxy Statement, but is not part of the proxy solicitation materials.

**VOTING RIGHTS**

Stockholders of record at 5:00 p.m., Eastern Standard Time, on February 28, 2006 are entitled to vote at the Annual Meeting. At that time, M&T Bank Corporation had outstanding 111,362,237 shares of common stock, \$0.50 par value per share ( Common Stock ). Each share of Common Stock is entitled to one vote. Shares may not be voted at the meeting unless the owner is present or represented by proxy. A stockholder can be represented through the return of a physical proxy or by utilizing the telephone or Internet voting procedures. The telephone and Internet voting procedures are designed to authenticate stockholders by use of a control number and allow stockholders to confirm that their instructions have been properly recorded. The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. A stockholder giving a proxy may revoke it at any time before it is exercised by giving written notice of such revocation or by delivering a later dated proxy, in either case, to Marie King, Corporate Secretary, at the address set forth above, or by the vote of the stockholder in person at the Annual Meeting.

Proxies will be voted in accordance with the stockholder's direction, if any. Unless otherwise directed, proxies will be voted in favor of the election as directors of the persons named under the caption **NOMINEES FOR DIRECTOR** and in favor of ratifying the appointment of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation for the year ending December 31, 2006.

The presence in person or by proxy of the holders of a majority of the outstanding Common Stock will constitute a quorum for the transaction of business at the meeting. Broker non-votes will be counted as being present or represented at the meeting for purposes of establishing a quorum.

The vote of a plurality of the shares of Common Stock present or represented at the meeting is required for the election of directors, assuming a quorum is present or represented at the meeting.

The vote of a majority of the votes cast at the meeting is required to ratify the appointment of

PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation for the year ending December 31, 2006, assuming a quorum is present or represented at the meeting. An abstention with respect to the ratification of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation will not constitute a vote cast and therefore will not affect the outcome of the vote on the ratification of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation.

Broker non-votes will not constitute votes cast for purposes of determining, and therefore will have no effect on, the outcome of the vote for the election of directors or the ratification of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation.

**PROPOSAL TO RATIFY THE APPOINTMENT OF PricewaterhouseCoopers LLP AS THE INDEPENDENT PUBLIC ACCOUNTANT OF M&T BANK CORPORATION**

On February 21, 2006, the Audit Committee selected PricewaterhouseCoopers LLP, certified public accountants, as the principal independent public accountant of M&T Bank Corporation for the year 2006, a capacity in which it has served since 1984.

Although stockholder approval of the selection of the independent public accountant is not required by law, M&T Bank Corporation has determined that it is desirable to request that the stockholders ratify the Audit Committee's appointment of PricewaterhouseCoopers LLP as M&T Bank Corporation's independent public accountant for the year ending December 31, 2006. In the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider this appointment and make such a determination as it believes to be in M&T Bank Corporation's and its stockholders' best interests. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent public accountant at any time during the year if the Audit Committee determines that such a change would be in M&T Bank Corporation's and its stockholders' best interests.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting of Stockholders. The representatives may, if they wish, make a statement and, it is expected, will be available to respond to appropriate questions.

Following is a summary of the fees billed to M&T Bank Corporation by PricewaterhouseCoopers LLP for professional services rendered during 2005 and 2004, which fees totaled \$2,272,480 and \$2,185,429, respectively, and are categorized in accordance with the SEC's rules on auditor independence as follows:

**Audit Fees.** Fees billed by PricewaterhouseCoopers LLP for services rendered for the audit of M&T Bank Corporation's annual consolidated financial statements as of and for the years ended December 31, 2005 and 2004, for its review of M&T Bank Corporation's quarterly consolidated financial statements during 2005 and 2004, and for other audit and attest services in connection with statutory and regulatory filings as of and for the years ended December 31, 2005 and 2004, totaled \$1,873,445 and \$1,612,700, respectively.

**Audit-Related Fees.** Fees billed by PricewaterhouseCoopers LLP for audit-related services, including audits of employee benefit plans and other attestation services that are not required by statute or regulation rendered to M&T Bank Corporation totaled \$294,960 and \$201,450 for the years ended December 31, 2005 and 2004, respectively. Of the audit-related fees billed for the years ended December 31, 2005 and 2004, all services were pre-approved by the Audit Committee.

**Tax Fees.** Fees billed by PricewaterhouseCoopers LLP for tax compliance, planning and consulting totaled \$87,475 and \$371,279 for the years ended December 31, 2005 and 2004, respectively. Of the tax fees billed for the years ended December 31, 2005 and 2004, all services were pre-approved by the Audit Committee.

**All Other Fees.** PricewaterhouseCoopers LLP billed a total of \$16,600 for the year ended December 31, 2005 for internal audit software licensing fees. The software licensing fees billed for the year ended December 31, 2005 were pre-approved by the Audit Committee. No fees in this classification were billed by PricewaterhouseCoopers LLP for the year ended December 31, 2004.

In addition to the above services, PricewaterhouseCoopers LLP directly billed certain common trust funds sponsored by M&T Bank Corporation a total of \$124,500 and \$120,500 for the years ended December 31, 2005 and

2004, respectively, primarily for audits of annual common trust fund financial statements. The Audit Committee has determined that PricewaterhouseCoopers LLP's provision of professional services is compatible with maintaining its independence. No fees were billed and no services were provided by PricewaterhouseCoopers LLP during 2005 and 2004 for financial information systems design and implementation.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Public Accountant.** Beginning for the year ended December 31, 2003, M&T Bank Corporation instituted a policy that the Audit Committee pre-approve all audit and permissible non-audit services provided by the independent public accountant. These services may include audit services, audit-related services, tax services and other services.

Pre-approval is generally detailed as to the particular service or category of services and is generally subject to a specific budget range. The independent public accountant and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent public accountant in accordance with this pre-approval policy, and the fees for the services performed to date. The Audit Committee may also pre-approve additional services on a case-by-case basis. In the period between meetings of the Audit Committee, the Chair of the Audit Committee is authorized to pre-approve such services on behalf of the Audit Committee provided that such pre-approval is reported to the Audit Committee at its next regularly scheduled meeting.

Before selecting PricewaterhouseCoopers LLP, the Audit Committee considered PricewaterhouseCoopers LLP's qualifications as independent public accountants. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputations for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the auditor's independence will not be impaired. The Audit Committee has considered and determined that PricewaterhouseCoopers LLP's provision of non-audit services to M&T Bank Corporation during 2005 is compatible with and did not impair PricewaterhouseCoopers LLP's independence.

The Board of Directors recommends a vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation for the year ending December 31, 2006.

The voting requirements with respect to this proposal are specified under the caption VOTING RIGHTS.

**COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS**

**Nomination, Compensation and Governance Committee Report on Executive Compensation**

**Overview of Executive Compensation Policy.** A key objective of M&T Bank Corporation is to attract, develop and retain strong executive officers who are capable of maximizing M&T Bank Corporation's performance for the benefit of its stockholders. In furtherance of this objective, the Nomination, Compensation and Governance Committee has adopted a compensation strategy for executive officers which utilizes reasonable base salaries, while placing heavy emphasis on the use of variable incentives, such as awards of cash bonuses and grants of stock options, in order to reward longer-term contributions to M&T Bank Corporation's success.

M&T Bank Corporation periodically compares its compensation levels, practices and financial performance to a select group of commercial banking institutions of similar size, geographic market and business makeup. The Nomination, Compensation and Governance Committee considered eleven commercial banking companies which it believed were reasonably comparable to M&T Bank Corporation's asset size and performance and which were generally located in the northeast or midwest (the comparative group of banks). All eleven of the commercial banking companies forming the comparative group of banks considered by the Nomination, Compensation and Governance Committee were included in the KBW 50 Index compiled by Keefe, Bruyette & Woods, Inc.

During 2005, M&T Bank Corporation retained the services of Mercer Human Resource Consulting LLC ( Mercer ), a human resources consulting firm, to perform a competitive compensation review of its executive officers and certain other senior management employees. This review encompassed base salaries, annual incentives and long-term incentives, including equity-based compensation. Based upon the information from Mercer, and with consideration of each individual's performance, the chief executive officer and the executive vice president of Human Resources developed compensation recommendations for each executive officer to be presented to the Nomination, Compensation and Governance Committee for its consideration.

The Nomination, Compensation and Governance Committee meets in January of each year to consider salary determinations, stock option grants and annual incentive awards on account of the prior year's performance.

**Salaries.** Base salaries of M&T Bank Corporation's executive officers are determined by competitive, market-based pay practices, performance evaluations and expected future contributions. In line with its strategy of emphasizing variable pay, the Nomination, Compensation and Governance Committee generally targets the salaries of M&T Bank Corporation's executive officers at or below the median of the comparative group of banks, while also considering the unique responsibilities and performance of each executive officer.

**Annual Executive Incentive Plan.** M&T Bank Corporation's executive officers participate in the M&T Bank Corporation Annual Executive Incentive Plan (the Annual Executive Incentive Plan), which was adopted by the Nomination, Compensation and Governance Committee, effective January 1, 1993. The Annual Executive Incentive Plan provides for discretionary grants of cash awards to executive officers out of a fund established annually by the Nomination, Compensation and Governance Committee. In establishing this fund, the Nomination, Compensation and Governance Committee considers M&T Bank Corporation's profitability, as well as the number of participants in the Annual Executive Incentive Plan, and may establish a minimum threshold of net operating earnings after taxes below which

**Table of Contents**

no fund will be created. At the end of the year, the Nomination, Compensation and Governance Committee may, in its discretion, increase the size of the established fund by no more than 50% to take into account its subjective assessment of management's contribution to M&T Bank Corporation's profitability. Generally, the Nomination, Compensation and Governance Committee targets awards under the Annual Executive Incentive Plan so that total cash compensation of M&T Bank Corporation's executive officers is above the median of the comparative group of banks, provided M&T Bank Corporation's overall performance relative to the comparative group of banks and the executive officers' achievement on individual objectives warrants such a compensation level. Awards under the Annual Executive Incentive Plan are determined on a discretionary basis by the Nomination, Compensation and Governance Committee taking into account M&T Bank Corporation's overall performance, the performance of the strategic business units for which the executive officers are responsible and their individual performance. The Nomination, Compensation and Governance Committee believes that determining awards on a discretionary basis allows it to better align awards with performance by reviewing performance after the year is completed.

**Stock Option Awards.** Consistent with its objective of attracting, developing and retaining strong executive management, M&T Bank Corporation provides potentially significant long-term incentive opportunities to its executive officers through discretionary grants of stock options under its stock option plan, thereby emphasizing the potential creation of long-term stockholder value and more closely aligning the interests of M&T Bank Corporation's executive officers with those of its stockholders. Stock options are considered effective long-term incentives by the Nomination, Compensation and Governance Committee, because an executive can profit only if the value of the Common Stock increases. In making these grants, the Nomination, Compensation and Governance Committee considers its subjective assessment of M&T Bank Corporation's past financial performance and future prospects, an executive officer's current level of ownership of Common Stock and the number of stock options already held by the executive officer, the period during which an executive officer has been in a key position with M&T Bank Corporation, dilution, the number of shares of Common Stock outstanding, the market value of the Common Stock on the date of grant, individual performance and competitive practices within the comparative group of banks.

**2005 Executive Compensation Determinations.** At its January 18, 2005 meeting, the Nomination, Compensation and Governance Committee made 2005 salary determinations and stock option grants and annual incentive awards to M&T Bank Corporation's executive officers on account of 2004 performance. While some of the performance factors considered by the Nomination, Compensation and Governance Committee in its 2005 compensation determinations for M&T Bank Corporation's executive officers exceeded predetermined objectives, earnings growth in 2004 was below the expectations of the Nomination, Compensation and Governance Committee. Based upon the compensation recommendations developed by the chief executive officer, the Nomination, Compensation and Governance Committee did not award any stock options to any Named Executive Officer in January 2005 and significantly reduced the aggregate number of stock options awarded to all other executive officers. As a result, the Nomination, Compensation and Governance Committee determined that, upon consideration of the total compensation of the executive officers, salary increases in 2005 and annual incentive awards for 2004 performance would be determined by treating the performance factors as substantially meeting expectations.

At its January 17, 2006 meeting, the Nomination, Compensation and Governance Committee determined that M&T Bank

**Table of Contents**

Corporation's net operating earnings after taxes for 2005 exceeded the minimum threshold of profitability which had been previously established by the Nomination, Compensation and Governance Committee, thereby initiating the payment of cash bonuses to its executive officers in February of 2006 under the Annual Executive Incentive Plan, but the Nomination, Compensation and Governance Committee did not exercise its discretion to increase the aggregate size of the fund above the predetermined level.

The aggregate amount of the Annual Executive Incentive Plan pool for 2005 and individual awards to M&T Bank Corporation's executive officers thereunder were reviewed and approved by the Nomination, Compensation and Governance Committee at its January 17, 2006 meeting. The Nomination, Compensation and Governance Committee considered, but did not formally weight, a number of quantitative and qualitative performance factors to evaluate the 2005 performance of executive officers and other employees under the Annual Executive Incentive Plan. The performance factors considered were: growth and composition of earnings; achieving business plans; asset quality; market share; and responsiveness to the economic environment. In determining its discretionary evaluation of the chief executive officer's performance, the Nomination, Compensation and Governance Committee considered, but did not formally weight, certain performance objectives that it established for 2005 related to M&T Bank Corporation's financial plan, including earnings growth, return on assets and return on equity, which were determined, in the aggregate, to have been substantially met in 2005. The Nomination, Compensation and Governance Committee also considered, but did not formally weight, the following performance factors: M&T Bank Corporation's cumulative stockholder return; its asset quality relative to the banking industry as a whole; and market share in key markets and service niches.

The Nomination, Compensation and Governance Committee believes that the total compensation provided to M&T Bank Corporation's executive officers is competitive and reflects M&T Bank Corporation's performance. Also, the Nomination, Compensation and Governance Committee believes that M&T Bank Corporation's compensation programs have helped to focus M&T Bank Corporation's executive officers on increasing M&T Bank Corporation's performance and stockholder value.

**Internal Revenue Code Section 162(m).** Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code) generally denies a deduction to any publicly held corporation for compensation paid to its chief executive officer and its four other highest-paid executive officers to the extent that any such individual's compensation exceeds \$1 million, subject to certain exceptions, including one for performance-based compensation. Generally, the Nomination, Compensation and Governance Committee seeks to maximize executive compensation deductions for federal income tax purposes. However, the Nomination, Compensation and Governance Committee believes that there may be circumstances in which the provision of compensation that is not fully deductible may be more consistent with the compensation philosophy and objectives of M&T Bank Corporation. In 2005, Messrs. Sadler and Wilmers received compensation of approximately \$187,115 and \$96,154, respectively, which was nondeductible under Section 162(m) of the Internal Revenue Code.

This report was prepared by the Nomination, Compensation and Governance Committee of the Board of Directors:

**Pension Plan Table (1) (2) (3)**

650,000	108,065	162,098	216,130	270,163	324,196

- (1) The table assumes a straight-life annuity form of payment. The retirement benefits provided under the regular benefit formula of the Pension Plan, as depicted in the table, are not subject to any reduction for Social Security or other offset amounts.
- (2) The amounts in the table have not been restricted to those within the maximum annual retirement benefit which is currently permissible under the Code. That limit (the IRS Benefit Limit ) is \$170,000 for 2005. Also, in calculating a participant's benefit, annual compensation in excess of a limit set annually by the Secretary of the Treasury may not be considered. That limit (the IRS Compensation Limit ) is \$210,000 for 2005.
- (3) The amounts shown in the Remuneration column of the table are intended to approximate the average of an employee's highest base annual salary paid during any five consecutive calendar year period in the ten calendar years preceding the employee's retirement.

Compensation taken into account under the Pension Plan for the year ended December 31, 2005 for each of the Named Executive Officers was as follows: Mr. Sadler \$682,556; Mr. Wilmers \$597,726; Mr. Brumback \$472,828; Mr. Pinto \$444,949; and Mr. Czarnecki \$352,296. For purposes of the Pension Plan, the following Named Executive Officers had the following years of service at year-end 2005: Mr. Sadler 21 years; Mr. Wilmers 22 years; Mr. Brumback 7 years; Mr. Pinto 20 years; and Mr. Czarnecki 25 years.

Effective January 1, 2006, the Pension Plan was amended to, among other things, modify the benefit formula under the Pension Plan from a final average pay formula to a career average formula. The table above is applicable to benefits accrued through December 31, 2005. The Retirement Plan Potential Annual Payments and Benefits below shows the benefits that have been earned through December 31, 2005 and will be earned in the future under the amended Pension Plan by each of the Named Executive Officers.

**Table of Contents**

**Supplemental Retirement Benefits.** In addition to retirement benefits under the Pension Plan, M&T Bank has agreed, on an unfunded basis, to pay a supplemental retirement benefit to Mr. Sadler in an amount equal to the difference between 55% of his average annual compensation, which is the average of his highest base annual salary paid during any five consecutive calendar year period in the ten calendar years preceding his retirement, and the amount, if any, payable to him from the Pension Plan and a prior employer's pension plan in which he participated. The supplemental retirement benefit to be paid to Mr. Sadler is not dependent upon his entitlement to retirement benefits under the Pension Plan; however, the supplemental benefit to be paid to him is reduced by payments which he will receive from the retirement plan of his previous employer. Based on current actuarial assumptions associated with his participation in the Pension Plan, \$278,798 would be payable to Mr. Sadler annually as a supplemental retirement benefit commencing at age 65. An actuarially reduced amount would be payable to him if he elects early retirement. The M&T Bank Corporation Supplemental Pension Plan (the Supplemental Pension Plan) provides for the payment of supplemental retirement benefits based on a maximum compensation level of \$235,840 to select management and highly compensated employees of certain of M&T Bank Corporation's affiliates whose benefits payable under the Pension Plan are limited by the IRS Compensation Limit. The supplemental benefits are dependent upon a participant's entitlement to benefits under the Pension Plan. A participant's supplemental benefit is equal to the excess of (a) the payment he would have received under the Pension Plan had compensation under that plan been capped at \$235,840 rather than at the IRS Compensation Limit, over (b) the payment actually received under the Pension Plan. Effective January 1, 2006, the maximum compensation level for which the payment of supplemental retirement benefits under the Supplemental Pension Plan is based was increased from \$235,840 to \$350,000. Each of the Named Executive Officers is eligible to participate in the Supplemental Pension Plan and, in accordance with the terms of the Supplemental Pension Plan, M&T Bank has agreed, on an unfunded basis, to pay retirement benefits under the Supplemental Pension Plan to each of such Named Executive Officers. With respect to Mr. Sadler, the supplemental benefit under the Supplemental Pension Plan is reduced by the supplemental retirement benefit which M&T Bank has agreed to pay to him in accordance with the preceding paragraph. Based on current actuarial assumptions associated with their participation in the Pension Plan, Mr. Wilmers would have received \$15,244 annually if he had retired as of December 31, 2005, Messrs. Brumback, Pinto and Czarnecki would receive annual benefits under the Supplemental Pension Plan of \$21,458, \$37,491 and \$38,386, respectively, if they retire at age 65, and Mr. Sadler would receive no benefits under the Supplemental Pension Plan. An actuarially increased amount will be payable to Mr. Wilmers when he elects retirement, and an actuarially reduced amount would be payable to Messrs. Pinto, Brumback or Czarnecki if any one of them elects early retirement.

**Post-Employment Benefits.** The following tables and discussion contain information concerning the retirement plan potential annual payments and benefits to be paid to M&T Bank Corporation's Named Executive Officers upon their retirement, any contributions and earnings, and ending balances under nonqualified defined contribution and other deferred compensation plans and other potential post-employment payments, which information is presented in accordance with the SEC's proposal to require disclosure of potential future compensation concerning named executive officers that was contained in its proposed rules on executive and director compensation disclosure that were issued on January 27, 2006.

- (1) In addition to retirement benefits payable under the Pension Plan, M&T Bank entered into a supplemental retirement agreement dated as of March 7, 1985 with Mr. Sadler whereby M&T Bank agreed, on an unfunded basis, to pay a supplemental retirement benefit to Mr. Sadler in an amount equal to the difference between 55% of his average annual compensation, which is the average of his highest base annual salary paid during any five consecutive calendar year period in the ten calendar years preceding his retirement, and the amount, if any, payable to him from the Pension Plan and a prior employer's pension plan in which he participated.

**TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS**

Mr. Wilmers is the beneficial owner of a 50 percent interest in certain entities which are unaffiliated with M&T Bank Corporation that own commercial aircraft which are leased to a commercial aviation service. From time to time, M&T Bank charters planes from the aviation service for business use by Mr. Wilmers. M&T Bank paid \$483,713 to the aviation service for use of the aircraft in 2005. M&T Bank has determined that the fees paid to the aviation service for such business use of the aircraft are fair and competitive.

Directors and executive officers of M&T Bank Corporation and their associates are, as they have been in the past, customers of, and have had transactions with, the banking and other operating subsidiaries of M&T Bank Corporation, and additional transactions may be expected to take place in the future between such persons and subsidiaries. Any loans from M&T Bank Corporation's subsidiary banks to such persons and their associates outstanding at any time since the beginning of 2005 were made in the ordinary course of business of the banks on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than normal risk of collectibility or present other unfavorable features.

**CORPORATE GOVERNANCE OF M&T BANK CORPORATION**

The Board of Directors believes that the purpose of corporate governance is to ensure that stockholder value be maximized in a manner consistent with legal requirements and the highest standards of ethics and integrity.

Recognizing the importance of corporate governance, the Board of Directors adopted corporate governance standards in July 1997 and has consistently adhered to corporate governance practices that the Board of Directors and executive management believe promotes this purpose. The Board of Directors has evaluated and approved its corporate governance standards on an annual basis since their adoption, and in October 2003, adopted new Corporate Governance Standards as a result of new SEC and New York Stock Exchange requirements.

The Board of Directors last amended its Corporate Governance Standards in February 2004. The current Corporate Governance Standards are available on the Investor Relations section of M&T Bank Corporation's website at [ir.mandtbank.com/corpgov.cfm](http://ir.mandtbank.com/corpgov.cfm). The Corporate Governance Standards address the qualifications and responsibilities of directors, board committee charters, a corporate disclosure policy, controls and procedures regarding financial reporting and disclosure, and separate codes of ethics for all employees and the chief executive officer and senior financial officers.

The Board of Directors has designated the Nomination, Compensation and Governance Committee to discharge the Board of Directors' responsibilities with respect to compensation, director nominations and corporate governance matters.

**BOARD OF DIRECTORS, COMMITTEES OF THE BOARD AND ATTENDANCE**

**Board of Directors, Determination of Independence and Attendance.** Pursuant to the Corporate Governance Standards, the Board of Directors undertook a review of director independence in April 2005. As a result of that review, the Board of Directors determined that 18 of its 24 current members met the New York Stock Exchange standard for independence and continue to do so. Of the 20 nominees standing for election as directors at the 2006 Annual Meeting of Stockholders, all of whom are currently serving as such, 14 meet the New York Stock Exchange standard for independence. In making determinations of independence, the Board of Directors uses categorical standards to assist it in making independence determinations.

**Table of Contents**

Under these standards, absent other material relationships with M&T Bank Corporation that the Board of Directors believes to jeopardize a director's independence from management, a director will be independent unless the director or any of his or her immediate family members had any of the following relationships with M&T Bank Corporation: employment during any of the past three years (as an executive officer in the case of family members); the receipt of more than \$100,000 per year in direct compensation (other than director fees and pension or other forms of deferred compensation for prior service not contingent upon continued service) during any of the past three years; affiliation or employment with a present or former internal or external auditor during any of the past three years; employment with another company where any executive officers of M&T Bank Corporation serve on that company's compensation committee during any of the past three years; being an executive officer of a charitable organization to which M&T Bank Corporation contributed the greater of \$1 million or 2% of such charitable organization's consolidated gross revenues in any single fiscal year during the preceding three years; or being an executive officer of a company that makes payments to, or receives payments from, M&T Bank Corporation for property or services in a fiscal year in an amount in excess of the greater of \$1 million or two percent (2%) of such other company's consolidated gross revenues. In addition, if any business relationship described in the last clause of the preceding sentence is a lending relationship, deposit relationship, or other banking or commercial relationship between M&T Bank Corporation, on the one hand, and an entity with which the director or family member is affiliated by reason of being a director, officer or a significant shareholder thereof, on the other hand, such relationships must meet the following criteria: (1) it must be in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and (2) with respect to extensions of credit by M&T Bank Corporation to such entity: (a) such extensions of credit have been made in compliance with applicable law, including Regulation O of the Board of Governors of the Federal Reserve and Section 13(k) of the Exchange Act and (b) no event of default has occurred and is continuing beyond any period of cure.

The Board of Directors considers all relevant facts and circumstances and the application of the categorical standards and, based on its review of this information, affirmatively determined that the directors identified below as independent do not have any material relationships with M&T Bank Corporation.

Following are the names of each current member of the Board of Directors for whom an affirmative determination of independence was made in 2005:

William F. Allyn	Richard E. Garman
Brent D. Baird	Derek C. Hathaway
Robert J. Bennett	Patrick W. E. Hodgson
C. Angela Bontempo	Daniel R. Hawbaker
Robert T. Brady	Richard G. King
Michael D. Buckley	Reginald B. Newman, II
Patrick J. Callan	Jorge G. Pereira
R. Carlos Carballada	Stephen G. Sheetz
Colm E. Doherty	Herbert L. Washington

Messrs. Allyn, Callan, Carballada and Hathaway are not standing for re-election as directors at the 2006 Annual Meeting of Stockholders.

The Board of Directors held six meetings during 2005. Each of the directors attended at least 75% of the total number of meetings of the Board of Directors and of the committees on which the director served that were held during the time such individual served as a director or a committee member.

It is the policy of M&T Bank Corporation that all members of the Board of Directors attend its Annual Meetings of Stockholders, absent exigent circumstances when they are not available. All 20 of the nominees standing for

election as directors at the 2006 Annual Meeting of Stockholders attended last year's annual meeting of stockholders, except for Mr. Doherty, who was elected a director on September 20, 2005.

**Executive Sessions of the Board of Directors.** The non-management directors of M&T Bank Corporation meet at regularly scheduled executive sessions without management. Mr. Pereira, vice chairman of the Board of Directors, presides at these meetings. In his absence, the non-management directors will determine which of them will preside at such meetings.

Interested parties may make their concerns known directly to the presiding director or the non-management directors as a group by submitting their written correspondence to M&T Bank Corporation's Corporate Secretary, One M&T Plaza, Buffalo, New York 14203. **Audit Committee.** In addition to selecting the independent public accountant, the Audit Committee serves as the examining committee for M&T Bank, N.A. and reviews the activities of the Examining Committee of M&T Bank, the audit plan and scope of work of M&T Bank Corporation's independent public accountant, the results of the annual audit and the limited reviews of quarterly financial information, the recommendations of the independent public accountant with respect to internal controls and accounting procedures, and any other matters it deems appropriate. Ms. Bontempo (Chair) and Messrs. Allyn, Hathaway and Hodgson served as members of the Audit Committee throughout 2005, and all of them are currently serving as such. In addition, James V. Glynn served as a member of the Audit Committee from the beginning of 2005 until April 19, 2005, at which time he retired. Mr. Newman became a member of the Audit Committee on April 19, 2005, and he currently serves as such. From time to time, Audit Committee meetings may be attended by other members of the Board of Directors, employees of M&T Bank Corporation, representatives of the independent public accountant or other outside advisors as the Audit Committee requests or deems necessary, useful or appropriate in its sole discretion.

The Board of Directors has determined that the members of the Audit Committee have no financial or personal ties to M&T Bank Corporation (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking and other operating subsidiaries as described in this Proxy Statement) and meet both the New York Stock Exchange and Exchange Act standards for independence. In addition, the Board of Directors has determined that each member of the Audit Committee is financially literate, and that at least one member of the Audit Committee meets the New York Stock Exchange standard of having accounting or related financial management expertise. In addition, the Board of Directors has determined that Ms. Bontempo and Messrs. Hathaway and Hodgson are each an audit committee financial expert and as described in the preceding sentence, are independent of management.

The Audit Committee operates pursuant to a written charter, which was last amended in November 2005. A copy of the Audit Committee Charter is attached to this proxy statement as Appendix A. Additionally, it can also be viewed on M&T Bank Corporation's website at [ir.mandtbank.com/corpgov.cfm](http://ir.mandtbank.com/corpgov.cfm). The Audit Committee Charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of the independent public accountant, including pre-approval of all audit and non-audit services to be performed by the independent public accountant. The Audit Committee

Charter also gives the committee authority to fulfill its obligations under SEC and New York Stock Exchange requirements.

**Report of the Audit Committee.** The members of the Audit Committee are independent as that term is defined in the listing standards of the New York Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors, a current copy of which is attached to this proxy statement as Appendix A. During 2005, the Audit Committee met nine times, and held discussions with M&T Bank Corporation's management and representatives of its independent public accountant consistent with its responsibilities under its charter.

Management is responsible for the preparation of M&T Bank Corporation's consolidated financial statements and their assessment of the design and effectiveness of M&T Bank Corporation's internal control over financial reporting. The independent public accountant is responsible for performing an independent audit of M&T Bank Corporation's consolidated financial statements and opining on management's internal control assessment and the effectiveness of those controls in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and issuing their reports thereon. As provided in its charter, the Audit Committee's responsibilities include monitoring and overseeing these processes.

In discharging its oversight responsibilities, the Audit Committee has reviewed and discussed M&T Bank Corporation's 2005 audited consolidated financial statements with M&T Bank Corporation's management and its independent public accountant and has reviewed and discussed with the independent public accountant all communications required by standards of the PCAOB, including the matters described in Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), which include, among other items, matters related to the conduct of the audit of M&T Bank Corporation's financial statements.

The Audit Committee has also received the written disclosures and the letter from M&T Bank Corporation's independent public accountant as required by Independence Standards Board Standard No.1 (Independence Discussions with Audit Committees) and has discussed with the independent public accountant their independence. Based on these reviews and discussions with management and the independent public accountant, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements and report on management's assessment of the design and effectiveness of internal control over financial reporting be included in M&T Bank Corporation's Annual Report on Form 10-K for the year ended December 31, 2005 to be filed with the SEC. The Audit Committee also selected the independent public accountant.

This report was adopted on February 21, 2006 by the Audit Committee of the Board of Directors:

C. Angela Bontempo, Chair

William F. Allyn

Derek C. Hathaway

Patrick W.E. Hodgson

Reginald B. Newman, II

**Nomination, Compensation and Governance Committee.** The Nomination, Compensation and Governance Committee is responsible for, among other things, evaluating the efforts of M&T Bank Corporation and of the Board of

Directors to maintain effective corporate governance practices and identifying candidates for election to the Board of Directors. The Nomination, Compensation and Governance Committee will consider candidates suggested by stockholders. Nominations from stockholders, properly submitted in writing to M&T Bank Corporation's Corporate Secretary at One M&T Plaza, Buffalo, New York 14203, and received no later than 120 days prior to the anniversary of the date on which M&T Bank Corporation first mailed its proxy materials for the preceding year's annual meeting of stockholders, will be referred to the Nomination, Compensation and Governance Committee for consideration. For next year's annual meeting of stockholders, M&T Bank Corporation must receive this notice on or before November 4, 2006.

In considering nominees for director, including those recommended by stockholders, the Nomination, Compensation and Governance Committee reviews the qualifications and independence of the potential nominee in light of the current members of the Board of Directors and its various committees as well as the composition of the Board of Directors as a whole. This assessment includes the potential nominee's qualification as independent, as well as consideration of diversity, age, skills, and experience in the context of the needs of the Board of Directors.

The current Board of Directors of M&T Bank Corporation is comprised of persons who were identified as being qualified director candidates by management and the Board of Directors. The Nomination, Compensation and Governance Committee considers nominees for director that are recommended by various persons or entities, including, but not limited to, non-management directors, the chief executive officer and other executive officers of M&T Bank Corporation, and stockholders. In addition, the Nomination, Compensation and Governance Committee must take into account any contractual rights that persons or entities have with respect to nominees for director. In evaluating all nominees for director, including those recommended by stockholders, the Nomination, Compensation and Governance Committee considers whether each nominee has all the requisite experience, attributes and qualifications for board membership and not just certain specific qualities or skills.

The Nomination, Compensation and Governance Committee also is responsible for administering M&T Bank Corporation's stock option plans, and awarding new grants thereunder, for administering the Annual Executive Incentive Plan, the Directors' Stock Plan, the M&T Bank Corporation Employee Stock Purchase Plan and, in addition, for making such determinations and recommendations as the Nomination, Compensation and Governance Committee deems necessary or appropriate regarding the remuneration and benefits of employees of M&T Bank Corporation and its subsidiaries. The Nomination, Compensation and Governance Committee met seven times during 2005.

Messrs. Pereira (Chairman), Baird, Brady and Buckley served as members of the Nomination, Compensation and Governance Committee throughout 2005, and all of them are currently serving as such.

The Board of Directors has determined that the members of the Nomination, Compensation and Governance Committee have no financial or personal ties to M&T Bank Corporation (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking and other operating subsidiaries as described in this Proxy Statement) and meet the New York Stock Exchange standard for independence.

The Nomination, Compensation and Governance Committee operates pursuant to a written charter setting out the functions and responsibilities of this committee that was last amended by the Board of Directors in November 2005. The Nomination, Compensation and Governance Committee Charter is available on the Investor Relations section of M&T Bank Corporation's website at [ir.mandtbank.com/corpgov.cfm](http://ir.mandtbank.com/corpgov.cfm).

The Executive Committee met once during 2005. Messrs.
