INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

The information called for by Part I of Form S-8 is included in the descriptions of the Dana Holding Corporation 2008 Omnibus Incentive Plan and the Dana Holding Corporation 2008 Common Stock Bonus Plan (the Plans) to be delivered, as applicable, to persons acquiring securities pursuant to the Plans. PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

ITEM 3. Incorporation of Documents by Reference.

The following documents filed with the Securities and Exchange Commission (the Commission) by Dana are incorporated in this Registration Statement on Form S-8 (the Registration Statement) by reference:

1. Dana's Annual Report on Form 10-K for the fiscal year ended December 31, 2006;
2. All other reports filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act) since December 31, 2006; and
3. The description of Dana's common stock, par value \$0.01 per share, set forth in Dana's Registration Statement on Form 8-A filed January 31, 2008 and any amendments, reports or other filings filed with the Commission for the purpose of updating that description.

Except to the extent that information therein is deemed furnished and not filed pursuant to securities laws and regulations, all documents filed by the Company or the Plans with the Commission pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act of 1934, subsequent to the effective date of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement indicating that all securities offered hereby have been sold or deregistering all securities then remaining unsold shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents. Any statement contained herein or in any document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed to constitute a part of this Registration Statement, except as so modified or superseded.

ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

Not applicable.

ITEM 6. Indemnification of Directors and Officers.

Under our Restated Certificate of Incorporation, our directors and officers are entitled to indemnification from Dana to the fullest extent permitted by the Delaware General Corporation Law ("DGCL"). In addition, the Company may, to the fullest extent permitted by the DGCL or to such lesser extent as is determined in the discretion of the Board of Directors, indemnify other employees and agents of the Company. Pursuant to Section 145 of the DGCL, the Company generally has the power to indemnify its present and former directors and officers against expenses and liabilities incurred by them in connection with any suit to which they are, or are threatened to be made, a party by reason of their serving in those positions so long as they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the Company, and with respect to any criminal action, they had no reasonable cause to believe their conduct was unlawful. With respect to suits by or in the right of the Company, however, indemnification is generally limited to attorneys' fees and other expenses and is not available if the person is adjudged to be liable to the Company unless the court determines that indemnification is appropriate. The statute expressly provides that the power to indemnify authorized thereby is not exclusive of any rights granted under any by-law, agreement, vote of stockholders or disinterested directors, or otherwise. The Company also has the power to purchase and maintain insurance for its directors and officers.

The Company has also entered into indemnity agreements with each member of its Board of Directors and its officers. These agreements generally provide that, if the director or officer becomes involved in a claim (as defined in the terms and conditions of such agreement) by reason of an indemnifiable claim (as defined in the agreement), the Company will indemnify the director or officer to the fullest extent authorized by the Company's Restated Certificate of Incorporation, notwithstanding any subsequent amendment, repeal or modification of the Restated Certificate of Incorporation, against any and all expenses, judgments, fines, penalties and amounts paid in settlement of the claim.

The preceding discussion of the Company's Section 145 of the DGCL, Restated Certificate of Incorporation and form of indemnity agreement previously filed with the Commission is not intended to be exhaustive and is qualified by Section 145 of the DGCL, the Restated Certificate of Incorporation and form of indemnity agreement.

ITEM 7. Exemption From Registration Claimed.

Not applicable.

ITEM 9. Undertakings.

A. The Company hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act);

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof)

which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Company or the Plans pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
