JOINT PROXY STATEMENT

Joint Annual Meeting of Shareholders
June 17, 2009

This joint proxy statement is being sent to you by the board of trustees of each Fund named above (each, a Fund). The board of each Fund is asking you to complete and return the enclosed proxy card(s), permitting your shares of the Fund to be voted at the joint meeting of shareholders called to be held on June 17, 2009. Shareholders of record at the close of business on May 1, 2009 (the record date) are entitled to vote at the meeting. You are entitled to one vote for each share you hold, with a fraction of a vote for each fraction of a share. This joint proxy statement and enclosed proxy are first being mailed to shareholders on or about May 19, 2009. Each Fund s board has determined that the use of this joint proxy statement for each annual meeting is in the best interest of each Fund and its shareholders in light of the matters being considered and voted on by the shareholders.

You should have received your Fund s annual report to shareholders for the fiscal year ended October 31, 2008. **If you would like another copy of the annual report, please write to or call the Fund at the address or telephone number shown at the top of this page. The report will be sent to you without charge.**

Calamos Advisors LLC, each Fund s investment adviser, is referred to as Calamos Advisors. Calamos Advisors is an indirect subsidiary of Calamos Asset Management, Inc. (CAM), a publicly traded corporation whose voting shares are majority-owned by John P. Calamos, Sr. and the Calamos family. As of March 31, 2009, Calamos Advisors managed approximately \$23.5 billion in assets of individuals and institutions. The Funds and Calamos Advisors may be contacted at the same address noted above.

ELECTION OF TRUSTEES

Three trustees are to be elected to the board of each Fund for a three-year term. The nominees for the board of each Fund are John E. Neal, Joe F. Hanauer and David D. Tripple. Each nominee is currently a trustee of each Fund.

Unless otherwise directed, the persons named on the accompanying proxy card(s) intend to vote at the meeting **FOR** the election of each nominee as described above. Currently, there are seven trustees. In accordance with each Fund's Agreement and Declaration of Trust, its board of trustees is divided into three classes of approximately equal size. The terms of the trustees of the different classes are staggered. The current terms of John E. Neal, Joe F. Hanauer and David D. Tripple will expire at the annual meeting of shareholders in 2009, the terms of Weston W. Marsh and Stephen B. Timbers will expire at the annual meeting of shareholders in 2010, and the terms of John P. Calamos, Sr. and William R. Rybak will expire at the annual meeting of shareholders in 2011. Messrs. Rybak and Timbers are the trustees who are elected solely by the holders of the preferred shares of each Fund, to the extent there are preferred shares outstanding.

The holders of preferred shares, if any, of each Fund will have equal voting rights with the holders of common shares (i.e., one vote per share). John E. Neal, Joe F. Hanauer and David D. Tripple have been nominated for election as trustees by all shareholders. The vote of a plurality of the preferred shares, if any, and the common shares of each Fund, voting together as a single class, is required to elect those trustees.

The three trustees elected at the meeting to serve on the board of each Fund for a three-year term will hold office until the 2012 annual meeting or until his successor is duly elected and qualified. If a nominee is unable to serve because of an event not now anticipated, the persons named as proxyholders may vote for another person designated by the board of trustees. As of the date of this proxy statement, Mr. Hanauer will retire as of December 31, 2009, in accordance with the board's retirement policy with respect to independent trustees. There is no current intention to fill such vacancy.

Committees of the Board of Trustees. Each Fund's board of trustees currently has five standing committees:

Executive Committee. Messrs. Calamos and Timbers are members of the executive committee of each board, which has authority during intervals between meetings of the board of trustees to exercise the powers of the board, with certain exceptions.

Audit Committee. Messrs. Hanauer, Marsh, Neal (Chair), Rybak, Timbers and Tripple serve on the audit committee of each board. The audit committees operate under a written charter adopted and approved by each board, a copy of which is available on the Funds' website, www.calamos.com. The audit committees select independent auditors, approve services to be rendered by the auditors, monitor the auditors' performance, review the results of each Fund's audit, determine whether to recommend to the board that the Fund's audited financial statements be included in the Fund's annual report and respond to other matters deemed appropriate by the boards. Each committee member is independent as defined by the New York Stock Exchange. The board of each Fund has determined that each member of its audit committee is financially literate and that at least one of its members has prior accounting or related financial management experience. Messrs. Neal, Rybak, Timbers and Tripple have been determined by the board to be audit committee financial experts for each Fund.

Governance Committee. Messrs. Hanauer, Marsh, Neal, Rybak (Chair), Timbers and Tripple serve on the governance committee of each board. Each committee member is independent as defined by the New York Stock Exchange and is not an interested person of the Funds as defined in the 1940 Act. The governance committees operate under a written charter adopted by each board, a copy of which is available on the Funds' website, www.calamos.com. The governance committees oversee the independence and effective functioning of the board of trustees and endeavor to be informed about good practices for investment company boards.

The governance committees also function as nominating committees by making recommendations to the board of trustees regarding candidates for election as non-interested trustees. The governance committees look to many sources for recommendations of qualified trustees, including current trustees, employees of Calamos Advisors, current shareholders of the Funds, search firms that are compensated for their services and other third party sources. Search firms that are retained by the governance committees to identify potential candidates evaluate potential candidates, conduct screening interviews and provide information to the governance committees with respect to the market for available candidates. In making trustee recommendations, the

governance committees consider a number of factors, including a candidate's background, integrity, knowledge and relevant experience. These factors are set forth in an appendix to the written charter. Any prospective candidate is interviewed by the Funds' trustees and officers, and references are checked. The governance committees will consider shareholder recommendations regarding potential candidates for nomination as trustees properly submitted to the governance committees for their consideration. Procedures for nominating a candidate are set forth in Appendix A to this proxy statement.

Dividend Committee. Mr. Calamos serves as the sole member of the dividend committee of each board. Each dividend committee is authorized to declare distributions on the respective Fund's shares in accordance with the Fund's distribution policies, including, but not limited to, regular dividends, special dividends and short- and long-term capital gains distributions.

Valuation Committee. Messrs. Marsh, Timbers and Tripple (Chair), serve on the valuation committee of each board. The valuation committees operate under a written charter approved by each board. The valuation committees review matters related to the valuation of securities held by the Funds pursuant to the Funds' procedures for valuation of portfolio securities.

In addition to the above committees, each Fund's board of trustees has appointed and oversees a pricing committee comprised of officers of the Fund and employees of Calamos Advisors.

* The Fund Complex includes Calamos Investment Trust, Calamos Advisors Trust and the Funds.

Includes fees deferred during the year pursuant to the deferred compensation plan described below.

The Funds in the Fund Complex have adopted a deferred compensation plan (Plan). Under the Plan, a trustee who is not an interested person of Calamos Advisors who has elected to participate in the Plan (participating trustees) may defer receipt of all or a portion of his compensation from the Funds in the Fund Complex. Compensation deferred for a participating trustee is credited to the trustee's deferral account as of the business day on which that compensation otherwise would have been paid to the trustee. The value of a trustee's deferral account at any time is equal to what the value would be if the amounts credited to the account had instead been invested in Class I shares of one or more of the funds of Calamos Investment Trust as designated by the trustee. Thus, the value of the account increases with contributions to the account or with increases in the value of the measuring shares and any distributions on those shares, and the value of the account decreases with withdrawals from the account or with declines in the value of the measuring shares. If a participating trustee retires, the trustee may elect to receive payments under the plan in a lump sum or in equal annual installments over a period of five years. If a participating trustee dies, any amount payable under the Plan will be paid to the trustee's designated beneficiaries. Each Fund's obligation to make payments under the Plan is a general obligation of that Fund. No Fund is liable for any other Fund's

obligations to make payments under the Plan. As of October 31, 2008, the values of the deferred compensation accounts of Messrs. Hanauer, Marsh and Neal were \$73,556, \$347,770 and \$451,058, respectively.

Certain Relationships and Related Transactions. Each Fund has entered into an Investment Management Agreement and a Financial Accounting Services Agreement with Calamos Advisors. According to the terms of those agreements, Calamos Advisors provides portfolio management services to each Fund in consideration for fees based on the Fund's managed assets and provides certain accounting services to each Fund in consideration for fees based on the Fund's daily average net assets.

Required Vote. The trustee of a Fund elected solely by the holders of preferred shares will be elected by the vote of a plurality of the preferred shares of the Fund present at the meeting, in person or by proxy. The trustee or trustees of a Fund elected by all shareholders will be elected by the vote of a plurality of all shares of the Fund present at the meeting, in person or by proxy. Each share is entitled to one vote.

Board Recommendation

Each Fund's board of trustees unanimously recommends that shareholders of each Fund vote For the nominees.

OTHER MATTERS

Each Fund's board of trustees knows of no other matters that are intended to be brought before the meeting. If other matters are properly presented for action, the proxyholders named in the enclosed form of proxy will vote on those matters in their sole discretion.

Unless a matter is specific to a particular class of shares, holders of the common shares and holders of the preferred shares of each Fund will vote together, as a single class, on any matter that may properly come before the meeting and at any adjournment or postponement thereof. It is not currently expected that any other matter will be raised at the meeting.
