Item 2.02. Results of Operations and Financial Condition.

Terex Corporation (Terex) previously announced that on January 1, 2006, Terex realigned certain operations in an effort to strengthen its ability to service customers and to recognize certain organizational efficiencies. The mobile crushing and screening group, formerly part of the Terex Construction Segment, is now consolidated within the Terex Materials Processing & Mining Segment. The European telehandlers business, formerly part of the Terex Construction Segment, is now part of the Terex Aerial Work Platforms Segment.

Terex has posted to its website, www.terex.com, under the Investor Relations section, financial tables for 2005 that reflect the new reporting structure. The tables present Terex s 2005 financial performance, by segment, on a quarterly basis and for the year as a whole.

Terex also intends to post to the Investor Relations portion of its website in the near future, similar financial tables for 2004 that will reflect the new reporting structure.
