On May 6, 2011, the Compensation Committee of the Board of Directors of Performance Technologies, Incorporated (the Registrant) approved the following actions:

Salary Increases

The Compensation Committee of the Board of Directors meets annually to determine executive management compensation levels for the year. As part of the Registrant's overall expense management given the continuing challenging economic conditions, the Chief Executive Officer recommended to the Compensation Committee that there continue to be a freeze on executive management salaries for 2011. The Compensation Committee has accepted this recommendation.

Option Awards

Time-vested non-qualified stock options were granted to purchase common shares under the Registrant's 2003 Omnibus Incentive Plan and its 2001 Stock Option Plan to its executive officers and certain key employees, including grants to the Named Executive Officers identified in the table below:

Named Executive Officer	Number of Shares
John M. Slusser	70,000
John J. Grana	40,000
Dorrance W. Lamb	40,000
J. Patrick Rice	25,000

The options were granted at an exercise price of \$2.22 and will vest in accordance with the following vesting schedule: 20% upon the first anniversary of the grant date, an additional 30% upon the second anniversary of the grant date and an additional 50% upon the third anniversary of the grant date. All of the options expire five years from the date of grant. The options for Mr. Slusser and Mr. Lamb contain customary change-in-control/acceleration provisions. The forms of the stock option agreement are substantially the same as the form of options granted in 2010 and filed as an exhibit to the Registrant's 2009 Form 10-K.
