**ITEM 7.01 REGULATION FD DISCLOSURE**

*infoUSA* Inc. (the Company) announced in February 2006 that it has entered into a new \$275 million senior secured credit facility, effective February 14, 2006 (the 2006 Credit Facility), to replace its previous \$250 million credit facility (the 2004 Credit Facility), under which \$121 million was outstanding. The 2006 Credit Facility provides for a \$100 million term loan with a maturity date of February 2012 and a \$175 million revolving line of credit with a maturity date of February 2011. At February 14, 2006, the Company borrowed \$100 million under the term loan and \$21 million under the revolving line of credit to repay the 2004 Credit Facility. During the first quarter ending March 31, 2006, the Company will write off deferred financing costs of \$2.0 million related to the 2004 Credit Facility as a result of entering into the 2006 Credit Facility. In addition, the Company will expense \$0.9 million in financing costs related to the 2006 Credit Facility, for a total of \$2.9 million in special charges during the first quarter ending March 31, 2006. These items will be excluded in the EBITDA (Earnings before interest expense, income taxes, depreciation and amortization), as adjusted, calculation used for measuring the Company's compliance with all financial covenants as specified in the 2006 Credit Facility.

On March 10, 2006, the Company issued a press release reporting that it had made a \$6 million payment on its revolving line of credit under the 2006 Credit Facility. A copy of the press release is furnished as Exhibit 99.1 and is incorporated herein by reference.

The foregoing information is being furnished pursuant to Item 7.01 of Form 8-K.
