Item 1.01 Entry into a Material Agreement

On April 20, 2007, SiriCOMM, Inc. (the Registrant) entered into Securities Purchase Agreement with five (5) investors. The securities sold were secured convertible debentures in the principal amount of \$1,000,000 due April 15, 2008 (the Debentures). The Debentures bear interest at the rate of 12% per annum and are convertible into the Registrant's common stock at any time at the rate of \$0.31 per share. As part of this transaction, the registrant issued to the investors three (3) common stock purchase warrants for each dollar invested, or an aggregate of 3,000,000 warrants (the Warrants). Pursuant to the Securities Purchase Agreement, the Registrant may issue up to an additional \$500,000 in Debentures and issue up to an additional 1,500,000 warrants on the same terms discussed herein.

Each Warrant entitles the holder to purchase one share of common stock at an exercise price of \$0.31 per share commencing on the date of issuance and expiring on the close of business on the fifth anniversary of the issuance date. The Warrants contain provisions that protect the holder against dilution by adjustment of the exercise price of certain events including, but not limited to, stock dividends, stock splits, reclassifications or mergers.

In addition, the Registrant entered into a registration rights agreement with each investor whereby the Registrant agreed to include the common stock underlying the Debentures and Warrants in any future registration statement filed by the Registrant subject to certain conditions contained in such agreement.

The Debentures are secured by all network equipment, including, without limitation, (i) all access point serves, and supporting infrastructure equipment, (ii) all agreements regarding the network pertaining to the placement and use/operation of the network, and (iii) any proceeds from the sale of network equipment and inventory.

In connection with this transaction, the Registrant issued an aggregate of 300,000 Warrants to Quest Capital Alliance I, L.L.C.(150,000) and Quest Capital Alliance II, L.L.C. (150,000) as a finder's fee.

The proceeds of the financing will be used by the Registrant as general working capital.

Item 3.02 Unregistered Sales of Equity Securities

As described above, the Registrant issued Debentures in the principal amount of \$1,000,000 and 3,000,000 Warrants to five (5) investors. In addition, the Registrant issued 300,000 Warrants in connection with such financing.

The securities discussed above were offered and sold in reliance upon exemptions from the registration requirements of Section 5 of the Securities Act of 1933, as amended (the Act) pursuant to Section 4(2) of the Act and Rule 506 promulgated thereunder. Such securities were sold exclusively to accredited investors as defined by Rule 501(a) under the Act.

Item 8.01 Other Events

On April 25, 2007, the Registrant issued a press release announcing the closing of the above described financing and the closing on March 14, 2007 of a \$500,000 financing with Sunflower Capital, LLC.
