Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 26, 2012, the Compensation Committee of the Board of Directors of CH Energy Group, Inc. (the "Company") adjusted the performance objectives applicable to performance shares granted under the Company's Long-Term Equity Incentive Plan for the 2010-2012 performance cycle (the "2010-2012 Performance Shares") to provide that, if the previously-announced acquisition of the Company by Fortis Inc. is not completed prior to the payout of the 2010-2012 Performance Shares in 2013, any expenses or costs associated with or arising out of or in connection with the acquisition of the Company by Fortis Inc. and any non-recurring charges that would not reasonably be expected to have been incurred had the acquisition not been contemplated, will be excluded in calculating the level of attainment of the performance objectives applicable to the 2010-2012 Performance Shares, regardless of whether the acquisition is completed. These changes are consistent with the agreement and plan of merger relating to the acquisition, which provides that, if the acquisition is completed prior to the payout of the 2010-2012 Performance Shares in 2013, all such costs, expenses and charges will be excluded in calculating the level of attainment of the performance objectives applicable to the 2010-2012 Performance Shares when they are paid out.
