Proxy Statement for Annual Meeting of

Shareholders to be Held on May 13, 2008

Our board of directors is soliciting proxies for the 2008 Annual Meeting of Shareholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. We encourage you to read it carefully.

Voting Information

The board set March 24, 2008 as the record date for the meeting. Shareholders owning our common stock at the close of business on that date are entitled to vote and to attend the meeting, with each share entitled to one vote. If you are a registered shareholder who wishes to vote at our annual meeting, you may do so by delivering your proxy card in person at the meeting. "Street name" shareholders who wish to vote at our annual meeting will need to obtain a proxy form from the institution that holds their shares. There were 2,974,706 shares of common stock outstanding on the record date. A majority of the outstanding shares of common stock entitled to vote at the meeting will constitute a quorum. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

Many of our shareholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name, and these materials are being forwarded to you by your broker or nominee, which is considered the *shareholder of record* with respect to those shares. As the *beneficial owner*, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the *shareholder of record* giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use to direct your broker or nominee how to vote these shares.

When you sign the proxy card, you appoint James B. Orders, III and R. Arthur Seaver, Jr. as your representatives at the meeting. Mr. Orders and Mr. Seaver will vote your proxy as you have instructed them on the proxy card. If you submit a proxy but do not specify how you would like it to be voted, Mr. Orders and Mr. Seaver will vote your proxy for the election to the board of directors of all nominees listed below under "Election of Directors." We are not aware of any other matters to be considered at the meeting. However, if any other matters come before the meeting, Mr. Orders and Mr. Seaver will vote your proxy on such matters in accordance with their judgment.

You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by signing and delivering another proxy with a later date or by voting in person at the meeting. Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proxies that brokers do not vote on some proposals but that they do vote on others are referred to as "broker non-votes" with respect to the

Edgar Filing: SOUTHERN FIRST BANCSHARES INC - Form DEF 14A

proposals not voted upon. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a shareholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

We are paying for the costs of preparing and mailing the proxy materials and of reimbursing brokers and others for their expenses of forwarding copies of the proxy materials to our shareholders. *Upon written or oral request, we will promptly deliver a separate copy of our annual report, our annual report on Form 10-K, or this proxy statement to our shareholders at a shared address to which a single copy of the document was delivered.* Our officers and employees may assist in soliciting proxies but will not receive additional compensation for doing so. We are distributing this proxy statement on or about April 11, 2008.

Proposal No. 1: Election of Directors

The board of directors is divided into three classes with staggered terms, so that the terms of only approximately one-third of the board members expire at each annual meeting. The current terms of the Class III directors will expire at the meeting. The terms of the Class I directors expire at the 2009 Annual Shareholders Meeting. The terms of the Class II directors will expire at the 2010 Annual Shareholders Meeting. Our current directors and their classes are:

<u>Class I</u>	<u>Class II</u>	<u>Class III</u>
Mark A. Cothran	Leighton M. Cabbage	Andrew B. Cajka
Rudolph G. Johnstone, III, M.D.	David G. Ellison	Anne S. Ellefson
R. Arthur Seaver, Jr.	James B. Orders, III	Fred Gilmer, Jr.
	William B. Sturgis	Tecumseh Hooper, Jr.

Shareholders will elect four nominees as Class III directors at the meeting to serve a three-year term, expiring at the 2011 Annual Meeting of Shareholders. The directors will be elected by a plurality of the votes cast at the meeting. This means that the four nominees receiving the highest number of votes will be elected.

The board of directors recommends that you elect Andrew B. Cajka, Anne S. Ellefson, Fred Gilmer, Jr. and Tecumseh Hooper, Jr. as Class III directors.

If you submit a proxy but do not specify how you would like it to be voted, Mr. Orders and Mr. Seaver will vote your proxy to elect Messrs. Cajka, Gilmer, Hooper, and Mrs. Ellefson. If any of these nominees is unable or fails to accept nomination or election (which we do not anticipate), Mr. Orders and Mr. Seaver will vote instead for a replacement to be recommended by the board of directors, unless you specifically instruct otherwise in the proxy.

Austin, Gilmer and Terrell are each entitled to receive either an automobile owned or leased by us or an automobile allowance of \$700 per month while Mr. Strickland receives an automobile allowance of \$750.

Each employment agreement also provides that during the term of employment and for a period of 12 months following termination, Messrs. Austin, Gilmer, Terrell, and Strickland may not (a) compete with us by, directly or indirectly, forming, serving as an organizer, director or officer of, employee or agent, or consultant to, or acquiring or maintaining more than a 1% passive investment in, a depository financial institution or holding company thereof if such depository institution or holding company has one or more offices or branches within 30 miles of our main office or any other offices, (b) solicit our clients with which they had contact in connection with products and services provided by us for the purpose of providing financial services, or (c) solicit our employees. (1) Includes shares for which the named person has sole voting and investment power, has shared voting and investment power with a spouse, or holds in an IRA or other retirement plan program, unless otherwise indicated in these footnotes.

(2) Includes shares that may be acquired within 60 days of the date of this prospectus by exercising vested stock options and warrants but does not include any unvested stock options or warrants. Each of the following directors served as an organizer of our bank: Andrew B. Cajka, Jr., Mark A. Cothran, Leighton M. Cabbage, Fred Gilmer, Jr., Tee Hooper, Jr., Trip Johnstone, III, James B. Orders, III, R. Arthur Seaver, Jr., and William B. Sturgis. Each of these directors received a warrant to purchase one share of common stock at a purchase price of \$6.06 per share for every two shares purchased by that individual in our initial public offering as compensation for the risks taken in forming the bank, including their personal guarantees of the original line of credit. These warrants cover an aggregate of 175,943 and are exercisable until January 10, 2010. For Jim Austin, Gwen Bridges, Fred Gilmer, Jr., Fred Gilmer, III, Art Seaver, and Justin Strickland, the right to acquire column includes employee stock options to purchase 41,250 shares, 1,650 shares, 9,900 shares, 37,975 shares, 94,875 shares, and 2,500 shares, respectively.

(3) For each individual, this percentage is determined by assuming the named person exercises all options and warrants which he or she has the right to acquire within 60 days, but that no other persons exercise any options or warrants. For the directors and executive officers as a group, this percentage is determined by assuming that each director and executive officer exercises all options and warrants which he or she has the right to acquire within 60 days, but that no other persons exercise any options or warrants. The calculations are based on 2,974,706 shares of common stock outstanding on March 26, 2008.

Meetings and Committees of the Board of Directors

During the year ended December 31, 2007, the board of directors of the company held 12 meetings and the board of directors of the bank held 12 meetings. All of the directors of the company and the bank attended at least 75% of the aggregate of such board meetings and the meetings of each committee on which they served except for Mr. Ellison and Dr. Johnstone who each attended one of the two Personnel Committee meetings held during 2007.

Although we do not have a formal policy regarding attendance by members of the board of directors at our annual shareholders meetings, directors are encouraged to attend the annual meeting of Southern First Bancshares, Inc. All directors were present at the 2007 annual meeting of shareholders.

Board Independence

Mr. Cajka, Mr. Cabbage, Ms. Ellefson, Mr. Ellison, Mr. Hooper, Mr. Orders and Mr. Sturgis are "independent" directors, based upon the independence criteria set forth in Rule 4350 of the corporate governance listing standards of The NASDAQ Stock Market.

Communications with Shareholders

Our board of directors has implemented a process for shareholders of the company to send communications to the board. Any shareholder desiring to communicate with the board, or with specific individual directors, may so do by writing to the secretary of the company, at Southern First Bancshares, Inc., 100 Verdae Boulevard, Suite 100, Greenville, South Carolina 29607. The secretary has been instructed by the board to promptly forward all such communications to the addressees indicated thereon.

Committees of the Board of Directors

The company's board of directors has appointed four committees, including an audit, personnel, nominating, and finance committee.

Audit Committee

The audit committee is composed of Mr. Cajka, Mr. Hooper, Ms. Ellefson, Mr. Sturgis, and Mr. Cabbage. Each of these members is considered "independent" under Rule 4350 of the corporate governance listing standards of The NASDAQ Stock Market. The audit committee met seven times in 2007.

None of the current members of the audit committee nor any other member of our board qualifies as an "audit committee financial expert" as defined under the rules of the Securities and Exchange Commission. As a relatively small public company, it is difficult to identify qualified candidates who meet all of the qualification of a audit committee financial expert and are willing to serve on our board. At the present, we do not know if or when we will appoint a new board member that qualifies as an audit committee financial expert.

Although none of the members of our audit committee qualify as "financial experts" as defined in the SEC rules, each of our audit committee members has made valuable contributions to the company and its shareholders as members of the audit committee. The board has determined that each member is fully qualified to monitor the performance of management, the public disclosures by the company of its financial condition and performance, our internal accounting operations, and our independent auditors.

The audit committee functions are set forth in its charter, which was adopted on September 19, 2000 and later amended on June 15, 2004. A copy of the audit committee charter is available on our website, www.southernfirst.com. The audit committee has the responsibility of reviewing financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all audits and examinations required by law are performed. The committee recommends to the board the appointment of the independent auditors for the next fiscal year, reviews and approves the auditor's audit plans, and reviews with the independent auditors the results of the audit and management's responses. The audit committee is responsible for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts. The audit committee reports its findings to the board of directors.

Personnel Committee

The personnel committee, which we also refer to as the compensation committee, was composed of Mr. Sturgis, Mr. Cothran, Mr. Cabbage, Dr. Johnstone, Mr. Ellison, and Mr. Orders during 2007. Mr. Sturgis, Mr. Cabbage, Mr. Ellison, and Mr. Orders are each considered "independent" under Rule 4350 of corporate governance listing standards of The NASDAQ Stock Market, and Mr. Cothran and Dr. Johnstone are not considered to be independent. Our entire board of directors, including a majority of independent directors, considers and approves all matters recommended by the personnel committee. The personnel committee met two times in 2007. The personnel committee has the responsibility of annually reviewing all benefit plans of the bank as well as the performance of the chief executive officer. Beginning in 2008, Mr. Cothran and Dr. Johnstone are no longer members of the personnel committee.

The personnel committee of the board of directors recommends all compensation and awards to executive and senior officers, which includes the chief executive officer, president, four executive vice presidents, and eight senior vice presidents, to the entire board of directors for approval. Generally, on its own initiative the Personnel Committee reviews the performance and compensation of the chief executive and president and, following discussions with those individuals and, where it deems appropriate, Benchmark or another appropriate compensation advisor, assist in determining their compensation levels. For the remaining executive and senior officers, the chief executive officer makes recommendations to the Personnel Committee that generally, with minor adjustments, have been approved. With respect to equity compensation awarded to others, the Personnel Committee, with the approval of the entire board of directors, grants restricted stock, generally based upon the recommendation of the chief executive officer, and has delegated option granting authority for non-executive officers to the chief executive officer.

A copy of the personnel committee charter is available on our website, www.southernfirst.com.

Finance Committee

The finance committee is composed of Mr. Orders, Mr. Cajka, Mr. Cothran, Mrs. Ellefson, Mr. Ellison, Mr. Gilmer, Mr. Hooper, Dr. Johnstone and Mr. Seaver. The finance committee met 12 times in 2007. The finance committee has the responsibility of reviewing the loan policy, investment policy, and the bank's asset/liability structure.

Nominating Committee

During 2007, the nominating committee was composed of Mr. Cothran, Dr. Johnstone, and Mr. Cajka. Mr. Cajka is considered "independent" under Rule 4350 of the corporate governance listing standards of The NASDAQ Stock Market. The nominating committee met

Edgar Filing: SOUTHERN FIRST BANCSHARES INC - Form DEF 14A

once in 2007. The nominating committee recommends nominees for election to the board. The board of directors, including a majority of the independent directors, selects the nominees for election to the board. The nominating committee for 2008, which nominated the class of directors for re-election in 2008, consists of Mr. Cabbage, Mr. Ellison, Mr. Orders and Mr. Sturgis. Each of these directors is considered independent under the standards of the NASDAQ Stock Market. On June 15, 2004, we adopted a formal nominating committee charter which is available on our website, www.southernfirst.com.

For directors previously elected by shareholders to serve on the board and whose terms of service are expiring, the nominating committee considers whether to recommend to the board the nomination of those directors for re-election for another term of service. The nominating committee also considers whether to recommend to the board the nomination of persons to serve as directors whose nominations have been recommended by shareholders.

Any shareholder may recommend the nomination of any person to serve on the board. Our policy is to require a shareholder to submit the name of the person to our corporate secretary in writing no later than (i) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, no more than seven days after notice of the special meeting is given to shareholders. Each notice must set forth: (i) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the shareholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (iv) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the board of directors; and (v) the consent of each nominee to serve as a director of the company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The nominating committee considers a number of factors in determining whether to recommend to the board the nomination of any person for election as a director. While no single factor is determinative, the following factors are considered by the nominating committee in considering any potential nominee:

educational background, work experience, business acumen,

ability to grasp business and financial concepts, knowledge or experience related to banking or financial services,

previous service on boards (particularly of public companies),

willingness and ability to devote time and energy to the duties of a director,

a desire and ability to help enhance shareholder value,

reputation in the community,

character,

whether the nominee has any history of criminal convictions or violation of SEC rules,

actual or potential conflicts of interest, and

any other factor that the nominating committee considers relevant to a person's potential service on the board of directors.

The board of directors also considers the foregoing criteria in determining whether to nominate any person for election by the shareholders.

In determining whether to nominate any person for election by the shareholders, the board assesses the appropriate size of the board of directors, consistent with our bylaws, and whether any vacancies on the board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the board will consider various potential candidates for director recommended by the nominating committee. Candidates may come to the attention of the nominating committee or board through a variety of sources including, but not limited to, current members of the board, shareholders, or other persons. The nominating committee and board of directors consider properly submitted recommendations by shareholders who are not our directors, officers, or employees on the same basis as candidates recommended by any other person.

We do not pay a third party to assist in identifying and evaluating candidates.

Report of the Audit Committee of the Board

The report of the audit committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the company specifically incorporates the information contained in the report by reference, and shall not be deemed filed under such acts.

The audit committee reviewed and discussed with management the audited financial statements. The audit committee discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61. The audit committee received from the independent auditors the written disclosures and the letter required by the Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") and discussed with the independent auditors the independent auditor's independence from the company and its management. In reliance on the reviews and discussions referred to above, the audit committee recommended to our board of directors that the audited financial statements be included in our Annual Report on SEC Form 10-K for the fiscal year ended December 31, 2007 for filing with the SEC.

The report of the audit committee is included herein at the direction of its members Mr. Cajka, Mr. Hooper, Mrs. Ellefson, Mr. Sturgis, and Mr. Cabbage.

Independent Certified Public Accountants

Elliott Davis, LLC was our auditor during the fiscal year ended December 31, 2007. A representative of Elliott Davis, LLC will be present at the annual meeting and will be available to respond to appropriate questions and will have the opportunity to make a statement if he or she desires to do so. The following table shows the fees that we paid for services performed in fiscal years ended December 31, 2007 and 2006:

	Years Ended December 31,			
	2007		2006	
Audit Fees	\$	61,200	\$	42,350

Other fees in 2007 consist primarily of 401(k) plan services. Other fees in 2006 consist primarily of fees related to 401(k) plan services and consultation regarding the company's purchase of the main office building and preparation of Consent Letter related to the company filing SEC Form S-8.

Compensation/Benefits Committee Interlocks and Insider Participation.

Our board of directors had a personnel committee composed of Messrs. Cothran, Cubbage, Ellison, Orders and Sturgis during 2007. No member of the personnel committee was an officer or employee of the company or any of its subsidiaries during the year ended December 31, 2007 or was formerly an officer or employee of the company or any of its subsidiaries, or had any relationship otherwise requiring disclosure. Our Chief Executive Officer, however, did participate in deliberations regarding other executive officers. He was not involved in any decisions regarding his own compensation.

Certain Relationships and Related Transactions

We enter into banking and other transactions in the ordinary course of business with our directors and officers of the company and the bank and their affiliates. Our policies and procedures related to these transactions are not in writing, but are reflected by our course of conduct. It is our policy that these transactions be on substantially the same terms (including price, or interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated parties. We do not expect these transactions to involve more than the normal risk of collectibility nor present other unfavorable features to us. Loans to individual directors and officers must also comply with our bank's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of the loan application. We intend for all of our transactions with our affiliates to be on terms no less favorable to us than could be obtained from an unaffiliated third party and it is our policy that they be approved by a majority of disinterested directors.

Interests of Management and Others in Certain Transactions

On September 20, 2005, the bank entered into a ten year, five month lease with various renewal options on its new main office building. The company moved the corporate office and branch operation, to the new leased space in the first quarter of 2007. Mr. Cothran, a director of the bank and real estate developer by occupation, assisted the bank in the negotiation of the lease. The lessor paid Mr. Cothran a leasing agency fee of \$164,414, of which \$82,207 was paid in 2005 and the remainder in 2007 when the bank occupied the building.

The bank also has a land lease with Mr. Cothran on the property for a branch office, with monthly payments of \$4,804. In addition, the bank had various consulting agreements with the director for development, administration and advisory services related to the purchase of property and construction of current and future branch office sites. During 2005, the bank paid the director \$40,000 under these agreements. Beginning in 2006, the bank has also contracted with Mr. Cothran on an annual basis to provide property management services for each of its branch offices. The bank paid Mr. Cothran approximately \$19,000 for these services during 2006 and \$41,000 during 2007.

The bank is of the opinion that the lease payments and consulting fees paid to Mr. Cothran represent market costs that could have been obtained in similar "arms length" transactions.

Edgar Filing: SOUTHERN FIRST BANCSHARES INC - Form DEF 14A

On July 28, 2006, the bank purchased \$5.0 million of bank owned life insurance from Northwestern Mutual Insurance Company. The purchase was made through an agency that is owned by director, David Ellison. Mr. Ellison received a commission of \$60,000. At approximately the same time, the bank purchased a \$3.0 million bank owned life insurance policy from an independent third party. The terms and conditions of both the \$5.0 million and \$3.0 million insurance policies are substantially the same. Therefore, management believes that the \$5.0 million policy was obtained at a cost that was consistent with the cost in a similar "arms length" transaction. This transaction was approved by our personnel committee, with Mr. Ellison abstaining from the decision, and then ratified by the board of directors.

In January 2008, the bank entered into a commitment with a company partially owned indirectly by James B. Orders, III, one of the Bank's directors. John Orders and David Orders, who are siblings of James B. Orders, III, indirectly own the remaining interest in the company. James B. Orders, III and these siblings are involved in the management of the parent company. The bank has committed to pay the company a development fee up to \$550,000 in three annual installments related to the development and construction of the Company's regional headquarters in Cayce, South Carolina. The bank paid the first installment of approximately \$189,000 in January 2008. The bank is of the opinion that the development fees represent market costs that could have been obtained in similar "arms length" transactions.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

As required by Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers and certain other individuals are required to report periodically their ownership of our common stock and any changes in ownership to the SEC. Based on a review of Forms 3, 4, and 5 and any representations made to us, it appears that all such reports for these persons were filed in a timely fashion during 2007, except that a Form 4 was filed after the two day required period for Messrs. Cabbage, Strickland, and Terrell and two Form 4s were filed after the required period for Mr. Ellison due to untimely notifications of the transactions.

Code of Ethics

We expect all of our employees to conduct themselves honestly and ethically, particularly in handling actual and apparent conflicts of interest and providing full, accurate, and timely disclosure to the public.

We have adopted a Code of Ethics that is specifically applicable to our senior management and financial officers, including our principal executive officer, our principal financial officer, and our principal accounting officer and controllers. A copy of this Code of Ethics is available without charge to shareholders upon request to the secretary of the company, at Greenville First Bancshares, Inc., 100 Verdae Boulevard, Suite 100, Greenville, South Carolina 29607.

Our board of directors has approved 436,424 shares of common stock to be issued as stock options.

(2) Each of our organizers received, for no additional consideration, a warrant to purchase one share of common stock for \$6.06 per share for every two shares purchased during our initial public offering. The warrants are represented by separate warrant agreements. One third of the warrants vested on each of the first three anniversaries of the date of our initial public offering, and they are exercisable in whole or in part during the ten year period following that date. The warrants may not be assigned, pledged, or hypothecated in any way. The 204,192 of shares issued pursuant to the exercise of such warrants are transferable, subject to compliance with applicable securities laws. If the South Carolina Board of Financial Institutions or the FDIC issues a capital directive or other order requiring the bank to obtain additional capital, the warrants will be forfeited, if not immediately exercised.

Shareholder Proposals for the 2009 Annual Meeting of Shareholders

If shareholders wish a proposal to be included in our proxy statement and form of proxy relating to the 2009 annual meeting, they must deliver a written copy of their proposal to our principal executive offices no later than December 12, 2008. To ensure prompt receipt by the company, the proposal should be sent certified mail, return receipt requested. Proposals must comply with our bylaws relating to shareholder proposals in order to be included in our proxy materials.

It is our policy that any shareholder proposal to be made at an annual meeting, but which is not requested to be included in the our proxy materials, must be delivered to the secretary of the company between 30 and 60 days prior to the annual meeting; provided, however, that if less than 31 days' notice of the meeting is given to shareholders, the notice must be delivered within 10 days following the day on which notice of the meeting was mailed to shareholders.
