**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

(a) On August 2, 2005, Apogee Technology, Inc. ( Apogee ) received notice from the Staff of the American Stock Exchange ( AMEX ) indicating that AMEX has determined to proceed with an application to the Securities and Exchange Commission to remove the common stock of Apogee from listing and registration on AMEX. This action, which is being appealed by Apogee, is being taken because Apogee is no longer in compliance with the AMEX 's continuing listing standards due to the failure to file its Annual Report on Form 10-KSB for the year ended December 31, 2004 and a Quarterly Report on Form 10-QSB for the period ended March 31, 2005. This reporting delinquency is a violation of Sections 134, 1101 and 1003(d) of the AMEX Company Guide.

Apogee has appealed this determination by submitting an application for a written submission to the AMEX Listing Qualifications Panel. During the period prior to the determination on the written submission the Company 's stock will continue to trade on the AMEX. There can be no assurance that Apogee 's request for continued listing will be granted. Apogee and its auditors are working diligently toward completing the required financial statements necessary to complete and file the necessary reports under the Securities Exchange Act of 1934, as amended, and in turn regain AMEX compliance prior to the written submission hearing date.

A copy of Apogee 's press release dated August 9, 2005, relating to the delisting notice from the AMEX, is attached hereto as Exhibit 99.1.
