Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On August 14, 2006, Merge Technologies Incorporated (the Registrant) received a written notification from the staff of The Nasdaq Stock Market stating that the Registrant s failure to timely file its Quarterly Report on Form 10-Q for the quarter ended June 30, 2006, as required by NASD Marketplace Rule 4310(c)(14), would serve as an additional basis for delisting the Registrant s common stock from The Nasdaq Stock Market. The written notification further provides that the NASDAQ Listing Qualifications Panel will consider this matter in rendering its determination regarding the Registrant s continued listing on the NASDAQ Global Market.

This notification is in addition to the previously disclosed written notification from the staff received on May 16, 2006, stating that the Registrant was not in compliance with NASD Marketplace Rule 4310(c)(14) because the Registrant did not timely file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2006, and the written notification from the staff received on March 20, 2006, stating that the Registrant was not in compliance with NASD Marketplace Rule 4310(c)(14) because the Registrant did not timely file its Annual Report on Form 10-K for the year ended December 31, 2005, and that the Registrant s common stock was, therefore, subject to delisting from the NASDAQ Global Market.

On July 11, 2006, the Registrant disclosed that it had received a written notification from the NASDAQ Listing Qualifications Panel stating that the panel determined to continue the listing of the Registrant s common stock on the NASDAQ Global Market, subject to the Registrant s filing its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, its Form 10-Q for the quarter ended March 31, 2006 and all required restatements by no later than August 29, 2006. The Registrant will also need to file its Form 10-Q for the quarter ended June 30, 2006 by that date to regain compliance with the NASDAQ listing standards. As previously disclosed, the Registrant is working to make all of the necessary filings, including its Form 10-Q for the quarter ended June 30, 2006, by the August 29, 2006 deadline.

A copy of the Registrant s press release with respect to this matter is attached hereto as Exhibit 99.1, and the information contained therein is incorporated herein by reference.
