**Item 1.01 Entry into a Material Definitive Agreement**

Beginning on April 24, 2008, Dynamic Materials Corporation (the Company) entered into Indemnification Agreements with each of its directors and named executive officers (the Indemnification Agreements). The Indemnification Agreements require the Company, with certain exceptions, to indemnify its directors and named executive officers against liabilities that may arise by reason of their status or service as directors or officers. They also require the Company to advance any expenses incurred by the directors or named executive officers as a result of any proceeding against them as to which they could be indemnified and to obtain directors and officers insurance, if available on reasonable terms.

This summary of the terms of the Indemnification Agreements is qualified in its entirety by reference to a form-of Indemnification Agreement which is filed as Exhibit 10.1 to this report.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On April 23, 2008, the Company entered into new employment agreements with each of its named executive officers (the Employment Agreements). The Employment Agreements are effective as of January 1, 2008 through December 31, 2008, unless earlier terminated, and supersede earlier employment agreements. Pursuant to the Employment Agreements, the Company may terminate the officer's employment at any time for cause (as defined in the Employment Agreements, copies of which are attached as exhibits 10.2, 10.3 and 10.4 to this Form 8-K) effective immediately upon written notice to the officer. The Employment Agreements also provide that the Company may terminate the officer for any reason other than for cause upon the payment of (a) one year's salary, payable in twelve monthly payments, plus (b) a bonus for such period based on the average bonus paid to the officer for the two years preceding his termination.

The Employment Agreements provide for salaries and incentive bonuses as set forth below. Both the non-discretionary and discretionary bonuses will be determined based on performance goals and rules established by the compensation committee of the Company's board of directors. The bonuses, if any, will be payable before March 15, 2009.
