**INFORMATION ABOUT THE 2009 ANNUAL MEETING AND VOTING**

***The Annual Meeting***

The annual meeting will be held on June 4, 2009 at our corporate office, 10706 Beaver Dam Road, Hunt Valley, Maryland 21030 at 10:00 a.m. local time.

***This Proxy Solicitation***

On or about April 20, 2009, we began mailing this proxy statement to people who, according to our records, owned common shares or beneficial interests in us as of the close of business on March 4, 2009. We are sending you this proxy statement because our Board of Directors is seeking a proxy to vote your shares at the annual meeting. This proxy statement is intended to assist you in deciding how to vote your shares. Proxy materials are also available at <http://www.amstock.com/ProxyServices/ViewMaterial.asp?CoNumber=26141>.

We are paying the cost of soliciting these proxies. Our directors, officers and employees may request proxies in person or by telephone, mail, or letter. We will reimburse brokers and other nominees for their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners of our common shares.

***Voting Your Shares***

The Securities and Exchange Commission (SEC) has adopted a Notice and Access rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials to shareowners in lieu of a paper copy of the proxy statement and the Company's Annual Report to Shareholders.

**Shareholders of Record.** You may vote your shares at the annual meeting either in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot. Ballots for registered shareholders to vote in person will be available at the annual meeting. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the *registered* holder of those shares. As the *registered* stockholder, you can ensure your shares are voted at the meeting by submitting your instructions by completing, signing, dating and returning the enclosed proxy card in the envelope provided.

If you complete the proxy card, except for the voting instructions, then your shares will be voted FOR each of the director nominees identified on the proxy card and FOR ratification of the selection of PricewaterhouseCoopers, LLP as our independent registered public accounting firm for 2009.

## Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

We have described in this proxy statement all the proposals that we expect will be made at the annual meeting. If a shareholder or we properly present any other proposal at the meeting, we will use your proxy to vote your shares on the proposal in our best judgment.

***Your proxy card will be valid only if you sign, date and return it in time for it to be received by us before the annual meeting scheduled to be held on June 4, 2009.***

**Beneficial Owners.** Most of our stockholders hold their shares through a broker, bank, trustee or another nominee, rather than registered directly in their name (which is often referred to as "street name"). In that case, you are considered the *beneficial owner* of shares held in street name, and the proxy materials including a notice enabling you to receive proxy material through the mail are being forwarded to you by your broker, bank, trustee or nominee. As the *beneficial owner*, you are entitled to direct the voting of your shares by your intermediary. Brokers, banks and nominees typically offer telephonic or electronic means by which the *beneficial owners* of shares held by them can submit voting instructions, in addition to the traditional mailed voting instruction cards. If you are a *beneficial owner* of shares, you cannot vote in person at the annual meeting unless you have a proper power of attorney from your broker. Votes directed through such a broker must be received by us before the annual meeting.

If you hold your shares in street name with a broker and you do not tell your broker how to vote, your broker has the authority to vote on proposals 1 and 2. Abstentions and broker non-votes (where a broker or nominee is not permitted to exercise discretionary authority to vote on a matter and has not received voting instructions from the beneficial owner) are not counted as votes cast on any matter to which they relate and will not affect the outcome of any proposal being voted on at the annual meeting, but are counted in determining the presence of a quorum.

Table of Contents

***Revoking Your Proxy***

If you decide to change your vote, you may revoke your proxy at any time before it is voted at the annual meeting. You may revoke your proxy by any one of three ways:

- you may notify our Secretary in writing that you wish to revoke your proxy, at the following address: Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland, 21030, Attention: J. Duncan Smith, Vice President and Secretary. We must receive your notice before the time of the annual meeting;
- you may submit a proxy dated later than your original proxy; or
- you may attend the annual meeting and vote. Merely attending the annual meeting will not by itself revoke a proxy; you must obtain a ballot and vote your shares to revoke the proxy and in the case of shares held in street name you must obtain a proper power of attorney from your broker to vote your shares.

***Vote Required for Approval***

***Shares Entitled to Vote.*** On March 4, 2009 (the record date), the following shares were issued and outstanding and had the votes indicated:

- 46,376,653 shares of Class A Common Stock, each of which is entitled to one vote on each of the proposals, and
- 34,453,859 shares of Class B Common Stock, each of which is entitled to ten votes on each of the proposals

***Quorum.*** A majority of the outstanding shares of common stock entitled to vote, or a quorum, must be present at the annual meeting in order to transact business. A quorum will be present if 195,457,623 votes are represented at the annual meeting, either in person (by the shareholders) or by proxy. If a quorum is not present, a vote cannot occur. In deciding whether a quorum is present, abstentions and broker non-votes will be counted as shares that are represented at the annual meeting.

***Votes Required.*** The votes required on each of the proposals are as follows:

## Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

- Proposal 1: Election of Eight Directors      The eight nominees for director who receive the most votes will be elected. This is called a plurality. If you indicate withhold authority to vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee.
- Proposal 2: Ratification of Selection of Independent Registered Public Accounting Firm      The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the Audit Committee's selection of the independent registered public accounting firm. If you abstain from voting, your abstention will not count as a vote cast for or against the proposal.

### *Additional Information*

**We are mailing our annual report to registered shareholders for the year ended December 31, 2008, including consolidated financial statements, to all shareholders entitled to vote at the annual meeting together with this proxy statement. The annual report does not constitute a part of the proxy solicitation material. Proxy materials are also available to registered shareholders at <http://www.amstock.com/ProxyServices/ViewMaterial.asp?CoNumber=26141> and to beneficial owners at [www.proxyvote.com](http://www.proxyvote.com). The annual report includes details on how to get additional information about us.**

***PROPOSAL 1: ELECTION OF DIRECTORS***

Nominees for election to the Board of Directors are:

David D. Smith

Frederick G. Smith

J. Duncan Smith

Robert E. Smith

Daniel C. Keith

Martin R. Leader

Lawrence E. McCanna

Basil A. Thomas

Each director will be elected to serve for a one-year term, unless he resigns or is removed before his term expires, or until his replacement is elected and qualified. Each of the nominees listed above is currently a member of the Board of Directors and each of them has consented to serve as a director if elected. More detailed information about each of the nominees is available in the section of this proxy statement titled *Directors, Executive Officers and Key Employees*.

If any of the nominees cannot serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees. If a substitute is nominated, we will vote all valid proxies for the election of the substitute nominee or nominees. Alternatively, the Board of Directors may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the Board.

The Amended and Restated Certificate of Incorporation provides that our business shall be managed by a Board of Directors of not less than three and not more than thirteen directors with the number of directors to be fixed by the Board of Directors from time to time. The Board of Directors has presently established the size of the Board at eight members. Proxies for the annual meeting may not be voted for more than eight nominees.

The controlling shareholders own collectively 86.8% of the total voting power.

**The Board of Directors recommends a vote FOR each of the nominees to the Board of Directors.**

***PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM***

The Audit Committee of the Board of Directors has sole responsibility for the selection of our independent registered public accounting firm and has appointed PricewaterhouseCoopers, LLP (PricewaterhouseCoopers) as our independent registered public accounting firm for the fiscal year ending December 31, 2009. The Board of Directors recommends ratification of this appointment by the shareholders. If the shareholders do not ratify the appointment of PricewaterhouseCoopers, the Audit Committee will reevaluate the engagement of the independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may nevertheless appoint another independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the shareholders. Ernst & Young LLP (Ernst & Young) has served as our independent registered public accounting firm since 2002. Information regarding this change of independent registered public accounting firm is available below.

A representative of PricewaterhouseCoopers is expected to attend the annual meeting. The PricewaterhouseCoopers representative will have the opportunity to make a statement if he or she desires to do so and will be able to respond to appropriate questions from shareholders.

**The Board of Directors recommends a vote FOR ratification of the appointment of PricewaterhouseCoopers, LLP.**

**Information regarding change of independent registered public accounting firm**

The reports of Ernst & Young on the Company's consolidated financial statements for the fiscal years ended December 31, 2008 and 2007 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the years ended December 31, 2008 and 2007, and through March 5, 2009, there were no (a) disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Ernst & Young's satisfaction, would have caused Ernst & Young to make reference to the subject matter thereof in connection with its reports for such years, (b) reportable events, as described under Item 304(a)(1)(v) of Regulation S-K, or (c) consultations with PricewaterhouseCoopers regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Additional information regarding fees paid to Ernst & Young is available in the section of this proxy statement titled *Audit Committee, Audit Fees and Auditor Independence*.

**CORPORATE GOVERNANCE**

**Board of Directors and Committees.** In 2008, the Board of Directors held a total of 11 meetings. Each director attended all meetings of the Board of Directors and all committees of the Board of Directors on which he served. All directors attended the Annual Meeting held on May 15, 2008. It is the Board's policy that the directors should attend our annual meeting of shareholders, absent exceptional cause.

The Board of Directors currently consists of eight members. The committees of the Board of Directors include an Audit Committee and a Compensation Committee and from time to time special committees formed by the Board of Directors as may be necessary.

**Controlled Company Determination.** Our Board has determined that we are a Controlled Company for purposes of the Nasdaq listing requirements. A Controlled Company is a company of which more than 50% of the voting power is held by an individual, a group or another company. Certain Nasdaq requirements do not apply to a Controlled Company, including requirements that: (1) a majority of its board of directors must be comprised of independent directors as defined in the Nasdaq Stock Market Rules (the Nasdaq listing standards); and (2) the compensation of officers and the nomination of directors be determined in accordance with specific rules, generally requiring determinations by committees comprised solely of independent directors or in meetings at which only the independent directors are present. Our Board of Directors has determined that we are a Controlled Company based on the fact that the Smith brothers hold more than 50% of our voting power and are parties to a stockholders' agreement that obligates them to vote for each other as candidates for election to the Board of Directors. The Smith brothers have been our executive officers and/or directors at all times since we became public in 1995. Currently, David D. Smith, Frederick G. Smith and J. Duncan Smith are executive officers and directors and Robert E. Smith is a director.

**Director Independence.** The Board has determined that Messrs. McCanna, Keith and Leader have no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that they otherwise meet the independence criteria under the Nasdaq listing standards. The Board has also determined that Messrs. McCanna, Keith and Leader satisfy the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, enabling them to serve on the Audit Committee. In making its independence determination, the Board of Directors considered any transactions, relationships and arrangements as required by our independence guidelines. In particular, with respect to each of the most recent completed three fiscal years, the Board evaluated (1) for Mr. Keith, the type and amount of investment advisory services provided by the firm where he serves as an executive officer to our controlling shareholders and family members of our controlling shareholders and (2) for Mr. McCanna, the type and amount of accounting, tax and related services provided by the firm where he serves as its managing director to our controlling shareholders, family members of our controlling

## Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

shareholders and entities (other than Sinclair) owned or controlled by our controlling shareholders or family members of our controlling shareholders.

Pursuant to the Nasdaq listing standards governing director independence, Basil A. Thomas is not deemed to be independent because of Mr. Thomas's relationship to our outside counsel. Mr. Thomas is the father of Steven A. Thomas, a partner and founder of Thomas & Libowitz, P.A., which serves as our outside counsel. During 2006, 2007 and 2008, Sinclair and its subsidiaries paid fees to Thomas & Libowitz, P.A. that exceeded the limits set forth in the independence criteria under the Nasdaq listing standards, which precluded the Board from finding Mr. Thomas independent.

***Audit Committee.*** The members of the Audit Committee are Messrs. McCanna, Keith and Leader. The Audit Committee is governed by a written charter approved by the Board of Directors and available on our website at [www.sbgi.net](http://www.sbgi.net). The Audit Committee formally met nine times during the year ended December 31, 2008.

Table of Contents

The Board of Directors has determined that all audit committee members are financially literate under the current Nasdaq listing standards and that Lawrence E. McCanna qualifies as an audit committee financial expert as defined by the SEC rules adopted pursuant to the Securities Exchange Act of 1934.

The Nasdaq listing standards require that audit committees have at least three directors and that all directors be independent, as defined by Nasdaq and Rule 10A-3 under the Securities Exchange Act of 1934. The Board has determined that Messrs. McCanna, Keith and Leader meet the independence criteria established by Nasdaq and the SEC.

The Audit Committee assists the Board of Directors in its oversight of financial reporting practices and the quality and integrity of the financial reports of Sinclair including compliance with legal and regulatory requirements, the independent auditors' qualifications and independence and the performance of Sinclair's internal audit function. The Audit Committee is responsible for the appointment of Sinclair's independent auditors, whose appointment may be ratified by the shareholders. The Audit Committee is responsible for reviewing compliance with Sinclair's ethics policy and has established procedures for the receipt, retention and treatment of complaints received by Sinclair regarding accounting controls or auditing matters and the confidential, anonymous submission by Sinclair's employees of concerns regarding questionable accounting or auditing matters. The Audit Committee is also responsible for approving or ratifying related person transactions pursuant to Sinclair's related person transaction policy. This policy is described in this proxy statement under the caption *Related Person Transactions*.

**Compensation Committee.** Nasdaq listing standards require that compensation of executive officers be determined, or recommended to the Board of Directors for determination, either by a majority of the independent directors or a compensation committee comprised solely of independent directors. As a Controlled Company, however, we are not subject to this listing requirement and, as a result, the Board of Directors has determined that notwithstanding Mr. Thomas' failure to meet Nasdaq's current independence criteria for 2008, it was in our best interest and the best interest of our shareholders that Mr. Thomas chair the Compensation Committee. The other members of the Compensation Committee are Messrs. McCanna, Keith, and Leader, all of whom meet the independence criteria established by Nasdaq listing standards. Although the Compensation Committee does not have a written charter, the Compensation Committee is charged with the responsibility for setting executive compensation, reviewing certain compensation programs, administering our equity incentive plans, recommending for inclusion in this proxy statement the Compensation Discussion and Analysis which is included in this proxy statement, preparing the compensation committee report required by SEC rules which is included in this proxy statement, and making other recommendations to the Board of Directors. The Compensation Committee formally met five times during the year ended December 31, 2008.

Each year, the Compensation Committee reviews the prior performance of each named executive officer, reviews the effectiveness of past compensation objectives and approves the compensation policies and plans for the next fiscal year. The Compensation Committee assesses each named executive officer's operational abilities, leadership skills, and potential to contribute to long-term shareholder value. Named executive officers have access to the Compensation Committee to present and discuss their own performance and compensation plan. At times, the Compensation Committee may specifically request meetings with named executive officers to gain a full understanding and exploration of assessed attributes. Our President and Chief Executive Officer, David D. Smith, and our Executive Vice President and Chief Financial Officer, David B. Amy, consult with the Compensation Committee on appropriate compensation for named executive officers other than themselves. In addition, our Vice President, Human Resources, Donald H. Thompson, presents information and recommendations to the Compensation Committee based on market evaluations. The Compensation Committee does not use outside consultants to set compensation.

**Director Nominations.** The Board does not have a standing nominating committee and there is no formal nominating committee charter, although the Board has adopted a resolution addressing the director nominations process. Instead, the directors who are determined to be independent under the Nasdaq listing standards perform the functions of a nominating committee. The Board believes it is appropriate not to maintain a standing nominating committee primarily because the relatively small number of independent directors on the Board makes it unnecessary to separate the nominating function into a committee structure.

Our independent directors are primarily responsible for identifying and recommending nominees to the Board of Directors for approval of membership on the Board. The independent directors' primary responsibilities in recommending nominees are to: (1) establish criteria for the selection of new directors to become members of the Board, which criteria shall be approved by the Board; (2) lead the search for and identify individuals qualified to become members of the Board and conduct the necessary and appropriate inquiries into the backgrounds and qualifications of possible nominees; (3) consider questions of independence and possible conflicts of interest of members of the Board and executive officers, and whether a candidate has special interests or a specific agenda that would impair his or her ability to effectively represent the interest of all shareholders; (4) consider recommendations for director nominees from current

Table of Contents

directors and executive officers, shareholders and other parties they deem appropriate; (5) have the authority to retain and terminate a search firm to identify director candidates at our expense; (6) determine each proposed nominee's qualifications for service on the Board; (7) consult with the CEO and Chairman of the Board during the process of identifying director nominees; (8) identify and recommend annually, or as vacancies or newly created positions occur, director nominees for approval by the Board of Directors; and (9) review the composition and size of the Board in order to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes and personal and professional backgrounds for service as one of our directors.

The independent directors will consider nominees proposed by shareholders. Although there is no formal policy regarding shareholder nominees, the Board of Directors believes that shareholder nominees should be viewed in substantially the same manner as other nominees. The consideration of any candidate for director will be based on an assessment of the individual's background, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of the Board at that time. To recommend a prospective nominee for consideration, shareholders should submit the candidate's name, contact information, biographical material and qualifications in writing to Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030. For more information regarding nominating a director, see *Shareholder Proposals*.

***Interested Party Communication with the Board.*** Shareholders and other parties interested in communicating directly with the Board, any Board committee or any Director, may do so by writing to Sinclair Board of Directors, c/o Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030. Under the process adopted by the Board, letters we receive that are addressed to members of the Board are reviewed by our Corporate Secretary who will regularly forward a summary and copies of all such correspondence to the Board.

Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

Shareholder communications that constitute advertising or promotion of a product or service or relate to improper or irrelevant topics will not be forwarded to the Board, any board committee or any director.

**COMPENSATION DISCUSSION AND ANALYSIS**

**Introduction.** In this section, we discuss certain aspects of our compensation program as it pertains to our President and Chief Executive Officer, our Executive Vice President/Chief Financial Officer, our Vice President/Chief Operating Officer (COO) for television operations, our Executive Vice President/General Counsel and our Vice President/Corporate Finance/Treasurer in 2008. These individuals represent our principal executive officer, our principal financial officer and our three other most highly compensated executive officers during 2008. We refer to these five persons throughout this proxy statement as the named executive officers. Our discussion focuses on compensation and practices relating to our most recently completed fiscal year.

We believe that the performance of each of the named executive officers has the potential to impact both our short-term and long-term profitability. Our Board of Directors has established a Compensation Committee that is responsible for establishing and administering our named executive officers' and other key employees' compensation. The Compensation Committee consists of non-employee directors three of which are independent under the Nasdaq listing standards.

**General Philosophy, Objectives and Design.** We believe that our people are our most valuable resource and that the dedication and quality of our named executive officers are vital to the long-term interests of our shareholders. We have established a compensation program for our named executive officers that is competitive and designed to support our strategic goals. The primary objectives of our compensation program are to attract and retain the best available people while efficiently utilizing available resources, to enhance the named executive officers' overall performance, to align the long-term interests of our named executive officers with those of our shareholders, to improve our overall business performance and to reward individual performance. This is accomplished through a combination of base salary, long-term incentive compensation and cash bonus designed to be competitive with comparable employers in the television broadcast industry. The Compensation Committee considers both the Company's overall performance and the individual's performance when setting compensation levels. However, there are no set guidelines or policies outlining the weight of each, as the Compensation Committee assesses each factor at its discretion.

**Compensation Process.** Each year, the Compensation Committee reviews the prior performance of each named executive officer, reviews the effectiveness of past compensation objectives and approves the compensation policies and plans for the next fiscal year. The Compensation Committee assesses each named executive officer's operational abilities, leadership skills, and potential to contribute to long-term shareholder value. Named executive officers have access to the Compensation Committee to present and discuss their own performance and compensation plan. At times, the Compensation Committee may specifically request meetings with named executive officers to gain a full understanding and exploration of assessed attributes. Our President and Chief Executive Officer, David D. Smith, and our Executive Vice President and Chief Financial Officer, David B. Amy, consult with the Compensation Committee on appropriate compensation for named executive officers other than themselves. In addition, our Vice President, Human Resources, Donald H. Thompson, presents information and recommendations to the Compensation Committee based on market evaluations. In determining the amount of named executive officer compensation each year, the Compensation Committee reviews competitive market data from the broadcast and media industry as well as other similarly sized companies comparable to us. In addition, we use a peer group of broadcast and media companies for benchmarking named executive officer compensation including levels of base salary and cash bonuses. We target our named executive officer's compensation to fall within the range of the peer group in order to be competitive in the market. Where each individual's salary falls within the range of the peer group salaries depends upon the Compensation Committee's view of each named executive officer's performance and responsibilities.

The Compensation Committee selected a representative sample of companies which it believes compete directly with us for executive talent in the broadcast industry. For 2008, the peer group consisted of the following companies:

- Hearst-Argyle Television, Inc.
- Gray Television, Inc.
- Lin TV
- Belo Corporation
- Meredith Corporation
- Nexstar Broadcasting Group, Inc.
- Young Broadcasting, Inc.
- Media General, Inc.

In addition, the Compensation Committee considers information from salary surveys to evaluate compensation for similar positions taking into account geographic location and the companies' revenue size. These surveys included CompAnalyst, Towers Perrin and Mercer reports. While we review these surveys, we do not formally engage outside compensation consultants.

Table of Contents

All final compensation decisions regarding named executive officers are made by the Compensation Committee.

**Primary Elements of Compensation.** We provide a competitive mix of compensation elements that align named executive officer compensation with shareholder value. Our compensation program includes both short and long-term compensation in the form of base salary, long-term incentive compensation and cash bonus as discussed below. We believe that these compensation components provide an appropriate mix of fixed and variable pay, balances short-term operation performance with long-term shareholder value and encourages executive recruitment and retention, which aligns with our compensation philosophy and objectives.

**Base Salary.** Base salaries are not objectively determined, but instead reflect levels that we concluded were appropriate based upon our general experience. Base salary is designed to provide competitive levels of compensation to our named executive officers based upon their experience, professional status, accomplishments, duties and scope of responsibility. As noted above under *Compensation Process*, also taken into consideration when establishing base salaries are salaries paid by our competitors for similar positions within the television broadcast industry as well as salaries paid by companies outside of our industry for comparable positions. In addition to market comparisons, individual performance will affect base salary.

**Long-Term Incentive Compensation.** Our compensation program includes long-term incentive compensation, which in 2008 was paid in the form of restricted stock awards made in Class A Common Stock and stock-settled appreciation rights (SARs) for 2007 performance. We have elected to pay long-term incentive compensation in order to provide an incentive for our named executive officers to provide strong returns to our shareholders, to better align the interests of our named executive officers with those of our shareholders, to continue long-term leadership in the service of the company and to ensure a competitive compensation program given the market prevalence of equity compensation.

Our restricted stock awards are granted pursuant to the Company's 1996 Long-Term Incentive Plan (the LTIP) and are time-based awards requiring the named executive officer to remain employed by the Company in order for the restricted stock to vest 25% after one year, 25% after the second year and 50% after the third year. Dividends on the vested and unvested portion of the award are paid quarterly to the named executive officers subject to our ordinary policy for declaring and paying dividends. As of February 2009, dividends were suspended on all Class A Common Stock.

SARs granted pursuant to the LTIP, have a 10-year term and are fully vested upon grant. Upon exercise of SARs, the holder would receive a number of shares of Class A Common Stock equal in value to the difference between the SARs' base value and the per share closing price of the Company's Class A Common Stock on the date of exercise for the number of SARs being exercised.

When granting equity awards, consideration is given to company and employee performance, but awards are made at the discretion of the Compensation Committee under no objective guidelines. Grants of equity awards are valued only at the closing price of our stock on the date of grant. We try to make grants of equity awards at times when they will not be influenced by scheduled releases of information or while we otherwise possess material, non-public information, but we have no formal policy as to the timing of equity grants.

Historically, equity-based awards have been a significantly smaller source of our named executive officers' total compensation than base salary. No restricted stock or SARs were granted in 2009 for 2008 performance.

**Cash Bonus.** For 2008 performance, with the exception of our COO, no named executive officer received a cash bonus. As shown in the Security Ownership of Certain Beneficial Owners and Management table, Mr. David D. Smith, our CEO, is one of the largest shareholders of the Company. His financial well-being is directly tied to the performance of the Company through his significant share ownership. In 2008 he did not receive a cash bonus. We believe that his significant share ownership is a contributing factor to strong, long-term corporate performance.

Our compensation philosophy is to primarily award cash bonuses to those that have a direct influence on our ongoing revenue performance. Based on this criteria, in early 2008, the Compensation Committee determined that our COO was the only named executive officer to be eligible to receive a performance-based cash bonus for 2008 performance. The purpose of our COO's cash bonus is to promote the attainment of specific financial goals and reward achievement of those goals. We favor an objective approach when measuring his cash bonus. The cash bonus is categorized into two components: a quarterly cash bonus and an annual cash bonus. The Compensation Committee determines at its discretion the maximum bonus amounts paid under each component. For 2008, the maximum amounts were \$120,500 (\$30,125 per quarter) and \$300,000 for the quarterly bonus and annual bonus,

Table of Contents

respectively. Each component is dependent on the generation of television broadcast cash flow (BCF) levels. BCF is a non-GAAP measure reflective of our television assets' operating performance. We believe this measure best captures our COO's influence over our revenue performance and operating efficiencies at our television stations. In the event that certain events take place that were not contemplated at the time the BCF targets were determined, the Compensation Committee can adjust BCF targets to exclude the effect of these events. Examples of such events include acquisitions, dispositions and changes in accounting rules. For example, during 2008 BCF amounts used in the determination of the COO's bonus payments excluded the results of KFXA-TV in Cedar Rapids, Iowa which was purchased in February 2008. BCF used in our COO's cash bonus calculation is GAAP operating income plus corporate general and administrative expenses, stock-based compensation, depreciation and amortization, impairments, other operating divisions expenses and other non-cash charges less other operating divisions revenues and cash film payments.

The quarterly component is paid on a sliding scale. If actual quarterly BCF is equal to or in excess of budgeted quarterly BCF for a particular quarter, then one quarter of 100% of the maximum quarterly bonus is paid. For any particular quarter, if actual quarterly BCF is between 95% and 99.9% of budgeted quarterly BCF, then 25% to 95% of one quarter of the maximum quarterly bonus is paid as follows:

Percentage Achievement of Budgeted BCF	Payout % of Maximum Quarterly Bonus
95 - 95.9%	25%
96 - 96.9%	40%
97 - 97.9%	65%
98 - 98.9%	80%
99 - 99.4%	90%
99.5 - 99.9%	95%

If actual quarterly BCF is less than 95% of budgeted BCF, then no quarterly bonus is paid. For 2008, budgeted BCF for the first, second, third and fourth quarters was \$51.9 million, \$61.2 million, \$56.5 million and \$75.4 million, respectively. During 2008, actual BCF relative to the COO exceeded budgeted BCF for the first quarter and therefore, 100% of the maximum quarterly bonus of \$30,125 was paid. Actual BCF relative to the COO was less than 95% of budgeted BCF for the second, third and fourth quarters and therefore, no quarterly bonus amount was awarded for those quarters. The annual component is paid on a progressive scale. For every \$1.0 million that actual annual BCF exceeds budgeted annual BCF of \$245.0 million, \$15,000 is paid up to the maximum annual bonus. During 2008, actual annual BCF relative to the COO was less than the budgeted annual BCF, therefore no annual bonus was paid for the year.

For fiscal 2009 performance and similar to the recent past, the only named executive officer expected to be eligible to receive a cash bonus is our COO. We expect the 2009 bonus structure to be similar to that of 2008.

**Retirement Plans.** Our compensation program includes retirement plans designed to provide income following a named executive officer's retirement. Our named executive officers can participate in The Sinclair Broadcast Group, Inc. 401(k) Profit Sharing Plan and Trust (the 401(k) Plan). Contributions made to the 401(k) Plan are matched by the company, typically in the form of our Class A Common Stock. The match is discretionary and typically equal to 50% of elective deferrals, up to 4% of each named executive officer's total cash compensation subject to Internal Revenue Service regulations. In addition, the Compensation Committee has the ability to make additional discretionary contributions to the 401(k) Plan for the benefit of all employees including named executive officers. Calculations of targeted overall compensation for named executive officers do not include the benefits expected to be received under the 401(k) Plan. The Company suspended its discretionary match for 2008.

## Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

Named executive officers also have the ability to contribute pre-tax dollars to the Post 2004 Executive Deferred Compensation Plan (the Deferred Plan). Participants in the Deferred Plan can choose to invest their accounts among mutual funds that are reviewed annually. The Company does not make contributions to the Deferred Plan for the benefit of the named executive officers.

Named executive officers participate in the 401(k) Plan and the Deferred Plan on the same terms as all other employees.

***Perquisites and Other Benefits.*** Perquisites and other benefits represent a minimal amount of the named executive officers' compensation. The Compensation Committee annually reviews the perquisites that named executive officers receive. The primary perquisites for named executive officers are golf club memberships, automobile allowance and related expenses, tickets to sporting events and certain business entertainment events and related expenses. During 2008, the Company suspended certain perquisites to certain named executive officers.

Table of Contents

Named executive officers also participate in our other benefit plans on the same terms as all other employees. These other plans include medical, dental and vision insurance, disability and life insurance and the employee stock purchase plan.

**Employment Agreements.** We do not have an employment agreement with David D. Smith, President and Chief Executive Officer and we do not currently anticipate entering into an agreement. Below is a description of the employment agreements we have entered into with our other named executive officers:

In September 1998, we entered into an employment agreement with David B. Amy, Executive Vice President and Chief Financial Officer. The agreement does not have any specified termination date and we have the right to terminate the employment of Mr. Amy at any time, with or without cause. The severance payment due upon termination without cause is equal to one month's base salary in effect at the time of termination times the number of years of continuous employment by us or our predecessor. Mr. Amy has been employed by us 24 years as of December 31, 2008. Mr. Amy received a base salary for 2008 of \$646,000. The agreement also contains non-competition and confidentiality restrictions on Mr. Amy.

In February 1997, we entered into an employment agreement with Steven M. Marks, COO. The agreement does not have any specified termination date and we have the right to terminate the employment of Mr. Marks at any time, with or without cause. The agreement does not provide for any payments to Mr. Marks upon termination. Mr. Marks received a base salary for 2008 of \$725,000. The agreement also contains non-competition and confidentiality restrictions on Mr. Marks.

In August 2004, we entered into an employment agreement with Barry M. Faber, Executive Vice President and General Counsel. The agreement does not have any specified termination date and we have the right to terminate the employment of Mr. Faber at any time, with or without cause. The severance payment due upon termination without cause is equal to one month's base salary in effect at the time of termination times the number of years of continuous employment by us or our predecessor. Mr. Faber has been employed by us 12 years as of December 31, 2008. Mr. Faber received a base salary for 2008 of \$625,000. The agreement contains non-competition and confidentiality restrictions on Mr. Faber.

In March 2001, we entered into an employment agreement with Lucy A. Rutishauser, Vice President/Corporate Finance/Treasurer. The agreement does not provide for any payments to Ms. Rutishauser upon termination. The agreement does not have any specified termination date and we have the right to terminate the employment of Ms. Rutishauser at any time, with or without cause. Ms. Rutishauser received a base salary for 2008 of \$286,000. The agreement contains non-competition and confidentiality restrictions on Ms. Rutishauser.

**Accounting and Tax Consideration.** Section 162(m) of the Internal Revenue Code of 1986 (Section 162 (m)), as amended, imposes a \$1.0 million limit on the amount that a public company may deduct for compensation paid to the Company's CEO or any of the Company's four other most highly compensated executive officers who are employed as of the end of the year. This limitation does not apply to certain types of compensation, such as certain commissions, qualified performance-based compensation, retirement plan contributions and excludable benefits, among others. Qualified performance-based compensation is not subject to Section 162(m)'s limitation if: 1) it was paid solely because the executive has attained one or more pre-established objective performance goals; 2) a compensation committee or sub-committee comprised solely of two or more outside directors established the performance goals; 3) the material terms of the performance goals were disclosed to and subsequently approved by the shareholders before the compensation is paid; and 4) the compensation committee certified in writing, before the compensation is paid, that the performance goals and any other materials terms were, in fact, satisfied. In 2007, we received shareholder approval of performance criteria that enables us to preclude the deduction limitation requirements pursuant to Section 162(m) in the future. In 2008, our CEO and four most highly compensated executive officers were not paid compensation that exceeded the Section 162(m) limits.

As a general matter, we determine and implement compensation elements based on their alignment with our compensation philosophy and objectives and not based on any unique or preferential accounting or tax treatment.

***Executive Compensation Actions After December 31, 2008.*** On March 12, 2009, in keeping with past practice the Compensation Committee met to discuss salaries and long term incentive compensation for 2009. Due to the current economic recession the company did not issue raises to any employees for 2009. The Compensation Committee agreed that each named executive officer's base salary should stay at the 2008 rates and no long-term incentive awards were granted.

The grant date fair values of the restricted stock and SARs awards were computed in accordance with FAS 123R and do not include estimates for forfeitures. **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires our officers (as defined in the SEC regulations), directors and persons who beneficially own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Frederick G. Smith and Basil A. Thomas did not file reports on Form 4 (reporting purchases of stock) on a timely basis. Martin R. Leader, Barry M. Faber and Lucy A. Rutishauser did not file reports on Form 4 (reporting automatic reinvestment of quarterly cash dividends received) on a timely basis. Barry M. Faber and Steven M. Marks did not file reports on Form 4 (reporting disposition of stock) on a timely basis. David D. Smith did not file one report on Form 4 (reporting a grant of SARs) on a timely basis. Based solely on a review of copies of such reports of ownership furnished to us, or written representations that no forms were necessary, we believe that during the past fiscal year our officers, directors and greater than ten percent beneficial owners complied with all applicable filing requirements except for the Forms 4 mentioned above.

**RELATED PERSON TRANSACTIONS**

In January 2007 we adopted a written related person transaction policy. Our related person transaction policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which the Company was or is to be a participant, wherein the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest. The Board of Directors has determined that certain transactions falling within the characteristics above do not create a material direct or indirect interest on behalf of the related person, and are, therefore, not deemed to be related person transactions.

The Audit Committee of the Board of Directors reviews all related person transactions and may approve or ratify the related person transaction only if the Audit Committee determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, the best interests of the Company. The Audit Committee may, in its sole discretion, impose such conditions as it deems appropriate on the Company or the related person in connection with approval of the related person transaction.

Any related person transaction previously approved by the Audit Committee or otherwise already existing that is ongoing in nature shall be reviewed by the Committee annually to ensure that such related person transaction has been conducted in accordance with the previous approval granted by the Committee, if any, and that all required disclosures regarding the related person transaction are made.

Prior to the adoption of our related person transaction policy, consistent with the Nasdaq listing standards and the Audit Committee charter, the Audit Committee reviewed or approved all related person transactions requiring disclosure under SEC regulations to the extent such transactions were entered into or amended since February 2004. Certain of the following transactions were not approved pursuant to the current related person transaction policy because they were entered into before the policy's existence.

## Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

David, Frederick, J. Duncan and Robert Smith (collectively, the controlling shareholders) are brothers and hold substantially all of our Class B Common Stock. During the year ended December 31, 2008, we engaged in the following transactions with them and/or entities in which they have substantial interests.

*Cunningham Broadcasting Corporation.* Concurrently with our initial public offering, we acquired options from trusts established by Carolyn C. Smith, a parent of our controlling shareholders, for the benefit of her grandchildren that will grant us the right to acquire, subject to applicable FCC rules and regulations, 100% of the capital stock of Cunningham Broadcasting Corporation (Cunningham). The Cunningham option exercise price is based on a formula that provides a 10% annual return to Cunningham. Cunningham is the owner-operator and FCC licensee of: WNUV-TV, Baltimore, Maryland; WRGT-TV, Dayton, Ohio; WVAH-TV, Charleston, West Virginia; WTAT-TV, Charleston, South Carolina; WMYA-TV (formerly WBSC-TV), Anderson, South Carolina; and WTTE-TV, Columbus, Ohio. The financial statements for Cunningham are included in our consolidated financial statements for all periods presented.

Table of Contents

In addition to the option agreement, we entered into five-year LMA agreements (with five-year renewal terms at our option) with Cunningham pursuant to which we provide programming to Cunningham for airing on WNUV-TV, WRGT-TV, WVAH-TV, WTAT-TV, WMYA-TV and WTTE-TV. In November 2008, we amended the terms of the LMA and option agreements. The amendment includes a monthly payment of \$50,000. A portion of the monthly payment is allocated as a reduction to the Cunningham option exercise price. In addition, the amendment includes an annual payment to Cunningham based on a percentage of each station's broadcast cash flow. During the year ended December 31, 2008, we made payments of \$8.0 million to Cunningham under these LMA agreements. The amended LMA and option agreements have been approved pursuant to the current related person transaction policy.

*Related Person Leases.* Certain assets used by us and our operating subsidiaries are leased from Cunningham Communications Inc., Keyser Investment Group, Gerstell Development Limited Partnership and Beaver Dam, LLC (entities owned by the controlling shareholders). Lease payments made to these entities were \$4.8 million for the year ended December 31, 2008. We entered into a new lease agreement with Beaver Dam, LLC with an effective date of January 1, 2008, which replaced all prior leases with Beaver Dam, LLC. The lease arrangement related to Beaver Dam, LLC and a lease agreement with Gerstell Development Limited Partnership for building space related to our Pittsburgh station have been approved pursuant to the current related person transaction policy. No other lease agreements have been approved pursuant to the current related person transaction policy because they were entered into before the policy was adopted.

Sinclair Communications, LLC (Sinclair Communications), our subsidiary, and Cunningham Communications, Inc. (Cunningham Communications) originally entered into a Lease Agreement (the Lease) in July 1998, which has been amended from time to time. Cunningham Communications is owned by our controlling shareholders. The Lease covers tower and building space at one location. On October 11, 2007, Sinclair Communications and Cunningham Communications amended the Lease, effective July 1, 2007, to allow Sinclair Communications to lease tower and building space utilized for digital television transmission. In addition the monthly rent increased in July of 2008 to \$62,805. Aggregate lease payments under the Lease for the year ended December 31, 2008 were \$0.8 million. The Lease has been approved pursuant to the current related person transaction policy.

*Bay TV.* In January 1999, we entered into a local marketing agreement (LMA) with Bay Television, Inc. (Bay TV), which owns the television station WTTA-TV in Tampa, Florida. Our controlling shareholders own a substantial portion of the equity of Bay TV. The LMA provides that we deliver television programming to Bay TV, which broadcasts the programming in return for a monthly fee to Bay TV of \$143,500. We must also make an annual payment equal to 50% of the adjusted annual broadcast cash flow of the station (as defined in the LMA) that is in excess of \$1.7 million. The additional payment is reduced by 50% of the adjusted broadcast cash flow of the station that was below zero in prior calendar years until that amount is recaptured. An additional payment of \$1.5 million was made during the year ended December 31, 2008, related to the excess adjusted broadcast cash flow for the prior years. Lease payments made to Bay TV were \$1.7 million for the year ended December 31, 2008. We received \$0.5 million for the year ended December 31, 2008 from Bay TV for certain equipment leases. The LMA with Bay TV was not approved pursuant to the current related person transaction policy because it was entered into before the policy was adopted.

*Atlantic Automotive Corporation.* We sold advertising time to and purchased vehicles and related vehicle services from Atlantic Automotive Corporation (Atlantic Automotive), a holding company that owns automobile dealerships and a leasing company. David D. Smith, our President and Chief Executive Officer, has a controlling interest in Atlantic Automotive and is a member of the Board of Directors. Our stations in Baltimore, Maryland and Norfolk, Virginia received payments for advertising time totaling \$0.6 million during the year ended December 31, 2008. We paid \$0.9 million for vehicles and related vehicle services from Atlantic Automotive during the year ended December 31, 2008. Arrangements with Atlantic Automotive have been approved pursuant to the current related person transaction policy.

*Allegiance Capital.* In August 1999, we made an investment in Allegiance Capital Limited Partnership (Allegiance), a small business investment company. Our controlling shareholders and our Chief Financial Officer and Executive Vice President are also investors in Allegiance, along with Allegiance Capital Management Corporation (ACMC), the general partner. ACMC controls all decision making,

investing and management of operations of Allegiance in exchange for a monthly management fee based on actual expenses incurred which currently averages approximately \$0.1 million and which is paid by the limited partners. During 2008, Allegiance did not make any distributions to us. We did not make any contributions into Allegiance during 2008. As of December 31, 2008, our remaining unfunded commitment was \$5.3 million. Arrangements with Allegiance Capital have not been approved pursuant to the current related person transaction policy because they were entered into before the policy was adopted.

*Thomas & Libowitz P.A.* Basil A. Thomas, a member of our Board of Directors, is the father of Steven A. Thomas, a partner and founder of Thomas & Libowitz. We paid fees of \$1.0 million to Thomas & Libowitz during 2008. Transactions with Thomas & Libowitz P.A. discussed in this paragraph have been approved pursuant to the current related person transaction policy.

*Charter Aircraft.* From time to time, we charter aircraft owned by certain controlling shareholders. We incurred \$0.1 million related to these arrangements during the year ended December 31, 2008. Charters have been approved pursuant to the current related person transaction policy

*Other Leases.* In September 2008, AP Management Company, the management company of Patriot Capital II, L.P., a small business investment company in which we have made investments, entered into a five year office lease agreement with Skylar Development LLC, a subsidiary of one of our real estate ventures. The Lease has been approved pursuant to the current related person transaction policy.

*Other.* One of our controlling shareholders, Frederick Smith, holds an investment in Patriot Capital II, L.P. Qualified employees, directors and officers have been approved to invest in entities we have an interest in pursuant to the current related person transaction policy.

**Code of Business Conduct and Ethics**

We have adopted a code of business conduct and ethics that applies to all of our directors, officers (including our chief executive officer, chief financial officer, chief accounting officer and corporate controller and any person performing similar functions) and employees. We have made the Code of Business Conduct and Ethics available on our website at [www.sbgi.net](http://www.sbgi.net). **AUDIT COMMITTEE, AUDIT FEES AND AUDITOR INDEPENDENCE**

**Report of the Audit Committee**

*The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, except to the extent that the Company incorporated it by specific reference.*

The Audit Committee has received from Sinclair's independent registered public accounting firm, Ernst & Young LLP (E&Y), written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board, regarding E&Y's independence, including communications between E&Y and us regarding E&Y's independence, and has discussed with E&Y its independence. The Audit Committee has discussed whether the provision of non-audit services by E&Y is compatible with maintaining E&Y's independence. E&Y has stated that it believes that it is in full compliance with all of the independence standards established under generally accepted auditing standards and the rules of the SEC. The Audit Committee concurs, and has approved all non-audit services provided by E&Y in 2008. The Audit Committee also has discussed with E&Y the matters required to be discussed by Statements on Auditing Standards No. 61, as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T, Communication with Audit Committees and No. 90, Audit Committee Communications including the selection of and changes in Sinclair's significant accounting policies, the basis for management's accounting estimates, E&Y's conclusions regarding the reasonableness of those estimates and the disclosures included in the financial statements.

The Audit Committee met with management and representatives of E&Y in connection with E&Y's audit of Sinclair's consolidated financial statements and related schedule for the year ended December 31, 2008, and reviewed and discussed such financial statements with management. The Audit Committee also reviewed management's report on its assessment of the effectiveness of Sinclair's internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of Sinclair's internal control over financial reporting. Based on such review and discussion with management, and based on the Audit Committee's reviews and discussions with E&Y regarding its independence and the matters required to be discussed under Statement on Auditing Standards No. 61 and No. 90, the Audit Committee recommended to the Board of Directors that the audited financial statements and related schedule and management's assessment of the effectiveness of Sinclair's internal control over financial reporting be included in Sinclair's Annual Report on Form 10-K and the Board has approved that recommendation.

The Audit Committee has reviewed and discussed the fees paid to E&Y during the last year for audit and non-audit services, which are set forth in the proxy statement under Disclosure of Fees Charged by Independent Registered Public Accounting Firm, and has determined that the provision of the non-audit services are compatible with E&Y's independence.

All of the services described above were pre-approved by the Audit Committee. None were approved pursuant to the waiver of pre-approval provisions set forth in Regulation S-X of the Securities and Exchange Commission.

*Pre-Approval Policy for Services of Independent Registered Public Accounting Firm*

In May 2003, the Audit Committee adopted a pre-approval policy that provides guidelines for the audit, audit-related, tax and other permissible non-audit services that may be provided by the independent registered public accounting firm (the independent auditors) in order to ensure that the provision of such services does not impair the auditor's independence. Under this policy, which remains in effect, the Audit Committee annually pre-approves the audit fee and terms of the engagement, as set forth in the engagement letter, along with a specified list of audit-related and tax services. If any service to be provided by the independent auditors has not received pre-approval during this annual process, it will require specific pre-approval by the Audit Committee and the independent auditor may not begin work on any engagement without confirmation of the Audit Committee pre-approval from the Chief Accounting Officer or his or her delegate. In accordance with this policy, the Chairman of the Audit Committee has been authorized by the Committee to pre-approve any audit-related, tax or other permissible non-audit service engagements of the independent auditors.
