**Item 8.01 Other Events.**

On September 6, 2011, Koss Corporation ( Koss ) distributed a letter to stockholders ( Letter to Stockholders ) along with its annual report to stockholders. The Letter to Stockholders presents, among other things, the consolidated balance sheet, the consolidated statement of operations, and certain management information.

The Letter to Stockholders contains forward-looking statements. These statements relate to future events or Koss' future financial performance. In some cases, it is possible to identify forward-looking statements by terminology such as may, will, should, forecasts, expects, plans, anticipates, believes, estimates, predicts, potential, or continue or the negative of such terms and other comparable terminology. These statements are only predictions. Actual events or results may differ materially. In evaluating forward-looking statements, consider various factors that may cause actual results to vary from those contained in the forward-looking statements, such as general economic conditions, in particular, consumer demand for Koss' and its customers' products, competitive and technological developments, foreign currency fluctuations, and costs of operations. Stockholders, potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements in the Letter to Stockholders are only made as of the date of the Letter to Stockholders, and Koss undertakes no obligation to publicly update such forward-looking statements to reflect subsequent events or circumstances. In addition, such uncertainties and other operational matters are discussed further in Koss' quarterly and annual filings with the Securities and Exchange Commission.

A copy of the Letter to Stockholders is being furnished as Exhibit 99.1 to this Form 8-K and is incorporated herein by reference.
