One Selling Stockholder also granted the underwriters an option exercisable for 30 days from the date of the Underwriting Agreement to purchase, at the public offering price less any underwriting discounts and commissions, up to an additional 880,434 shares of Common Stock. The Company will not receive any of the proceeds from the sale of Shares by the Selling Stockholders. The offering is expected to close on or about October 9, 2013, subject to customary closing conditions. A copy of the Underwriting Agreement is attached as Exhibit 1.1 to this report and is incorporated herein by reference, and the description of the Underwriting Agreement herein is qualified in its entirety by reference to such exhibit.
