CALCULATION OF FILING FEE

Transaction Valuation*	Amount of Filing Fee**
\$219,002,454	\$25,448.00

* Estimated for purposes of calculating the amount of the filing fee only. Because there is no active trading market for the 6.00% Convertible Senior Notes Due 2017 (the Notes), this valuation is based on the book value of the securities to be received by PHH Corporation (PHH) and assumes the exchange of all \$245,000,000 aggregate principal amount of the Notes currently outstanding, for cash and shares of common stock of PHH, par value \$0.01 per share.

** The amount of the filing fee, calculated in accordance with Rule 0-11 of the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 1 for Fiscal Year 2015, equals \$116.2 for each \$1,000,000 of the value of the transaction.

x Check the box if any part of the filing fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

INTRODUCTION

This Amendment No. 2 (this Amendment No. 2) amends and supplements the Issuer Tender Offer Statement on Schedule TO filed on May 6, 2015, as previously amended by Amendment No. 1 (Amendment No. 1) on May 26, 2015 (the Schedule TO), by PHH Corporation, a Maryland corporation (PHH or the Company), pursuant to Rule 13e-4 under the Securities Exchange Act of 1934, as amended (the Exchange Act) in connection with an offer by PHH to exchange any and all of its 6.00% Convertible Senior Notes Due 2017 (the Notes) for consideration per \$1,000 principal amount of validly tendered and accepted Notes of \$1,125.00 in cash, *plus* accrued and unpaid interest from June 15, 2015 to, but excluding, the settlement date (which we expect to be June 18, 2015), and a number of shares of the Company's common stock, par value \$0.01 per share, which we refer to as the Exchange Ratio (together, the Offer Consideration), on the terms and subject to the conditions described in the Offer to Exchange, dated May 6, 2015 (the Offer to Exchange), and the accompanying Letter of Transmittal (the Letter of Transmittal), which are filed as exhibits (a)(1)(A) and (a)(1)(B), respectively, to the Schedule TO.

All information in the Offer to Exchange and the related Letter of Transmittal, which were previously filed as Exhibits (a)(1)(A) and (a)(1)(B), respectively, to the Schedule TO, as amended by Amendment No. 1, is hereby expressly incorporated by reference in this Amendment No. 2 in response to all applicable items required in the Schedule TO, as so amended, except that such information is hereby amended and supplemented to the extent specifically provided herein. Capitalized terms used and not otherwise defined in this Amendment No. 2 shall have the meanings assigned to such terms in the Offer to Exchange as amended or supplemented. You should read this Amendment No. 2 together with the Schedule TO, Amendment No. 1, the Offer to Exchange and the related Letter of Transmittal.

Item 1. Summary Term Sheet.

The Offer to Exchange, Item 1 of the Schedule TO, and the other Items of the Schedule TO, to the extent such Items incorporate the information contained in the Offer to Exchange, are hereby amended and supplemented as follows:

1. The following language is added after the language "The Exchange Ratio will be equal to the sum of the Daily Settlement Amounts (as defined herein) for each VWAP Trading Day (as defined herein) during the Observation Period (as defined herein)" appearing on the front cover page of the Offer to Exchange:

The minimum Offer Consideration holders will receive per \$1,000 principal amount of validly tendered and accepted Notes is \$1,125.00 in cash and 30.5824 shares of Common Stock. The maximum number of shares of Common Stock that may be issued as consideration in the Offer is 42.4871 per \$1,000 principal amount of validly tendered and accepted Notes.

2. The following language is added after the last sentence of the third paragraph under the caption "The Offer" on the front cover page of the Offer to Exchange:

If the Exchange Ratio will equal 42.4871, the maximum number of shares of Common Stock that may be issued per \$1,000 principal amount of Notes as part of the Offer Consideration, then the Offer will be automatically extended (a *Mandatory Extension*) until 11:59 p.m., New York City time, on the second trading day following the originally scheduled Expiration Date to permit holders of Notes to tender or withdraw their

Edgar Filing: PHH CORP - Form SC TO-I/A

Notes during those days. See *Description of the Offer Extension, Termination or Amendment*.

3. The following language is added after the fourth paragraph under the captions (i) *The Offer* in the section *Summary of the Offer* on page 1 of the Offer to Exchange, (ii) *What will I receive pursuant to the Offer if I validly tender Notes for exchange and they are accepted by PHH* in the section entitled *Questions and Answers about the Offer* on page 7 of the Offer to Exchange and (iii) *Exchange Ratio* in the section entitled *Description of the Offer* on page 36 of the Offer to Exchange:

As a result of such minimum and maximum Daily VWAP levels, (i) the minimum Offer Consideration holders will receive per \$1,000 principal amount of validly tendered and accepted Notes is \$1,125.00 in cash and 30.5824 shares of Common Stock, and (ii) the maximum number of shares of Common Stock that may be issued as consideration in the Offer is 42.4871 per \$1,000 principal amount of validly tendered and accepted Notes.

4. The following additional questions and respective answers are added after the question "What will I receive pursuant to the Offer if I validly tender Notes for exchange and they are accepted by PHH?" and respective answer following that question in the section entitled "Questions and Answers about the Offer" on page 8 of the Offer to Exchange:

Is there a minimum Offer Consideration that will be paid in the Offer?

Yes. The minimum Offer Consideration holders will receive per \$1,000 principal amount of validly tendered and accepted Notes is \$1,125.00 in cash and 30.5824 shares of Common Stock. This minimum Offer Consideration is based on the minimum Daily VWAP of \$21.00 to be used in calculation of the Daily Settlement Amount for each VWAP Trading Day, as set forth above.

Is there a maximum Offer Consideration that will be paid in the Offer?

Yes. The Offer Consideration will be subject to the maximum number of shares of Common Stock that may be issued as part of such consideration of 42.4871 per \$1,000 principal amount of validly tendered and accepted Notes. This maximum number of shares is based on the maximum Daily VWAP of \$28.00 to be used in calculation of the Daily Settlement Amount for each VWAP Trading Day, as set forth above.

What will happen if the Exchange Ratio will equal 42.4871, the maximum number of shares of Common Stock that may be issued as part of the Offer Consideration?

We will announce the Exchange Ratio no later than 4:30 p.m., New York City time, on the Expiration Date, and the final Exchange Ratio will also be available by that time at <http://www.gbsc-usa.com/PHH> and from the Information Agent. If the Exchange Ratio is equal to 42.4871, the maximum number of shares of Common Stock that may be issued per \$1,000 principal amount of Notes as part of the Offer Consideration, then there will be a Mandatory Extension of the Offer until 11:59 p.m., New York City time, on the second trading day following the originally scheduled Expiration Date to permit holders to tender or withdraw their Notes during those days. The Daily VWAP and trading prices of our Common Stock during this Mandatory Extension will not, however, affect the Exchange Ratio, which will be fixed at 42.4871 shares of Common Stock per \$1,000 principal amount of Notes. We will issue a press release or other public announcement no later than 9:00 a.m., New York City time, on the next business day following any such Mandatory Extension. See *Description of the Offer Extension, Termination or Amendment*.

5. The following language is added after the second paragraph in the answer to the question "Will I have an opportunity to tender my Notes in the Offer, or withdraw previously tendered Notes, after the determination of the Exchange Ratio?" appearing in the section entitled "Questions and Answers about the Offer" on page 8 of the Offer to

Exchange:

If the Exchange Ratio will equal 42.4871, the maximum number of shares of Common Stock that may be issued per \$1,000 principal amount of Notes as part of the Offer Consideration, then there will be a Mandatory Extension of this Offer until 11:59 p.m., New York City time, on the second trading day following the originally scheduled Expiration Date to permit holders to tender or withdraw their Notes during those days. See *Description of the Offer Extension, Termination or Amendment*.

6. The following language is added after the first paragraph in the answer to the question "Under what circumstances may I withdraw previously tendered Notes?" appearing in the section entitled "Questions and Answers about the Offer" on page 11 of the Offer to Exchange:

The Offer will be subject to Mandatory Extension if the Exchange Ratio will equal 42.4871, the maximum number of shares of Common Stock that may be issued per \$1,000 principal amount of Notes as part of the Offer Consideration. For more information regarding our right to extend, amend or terminate the Offer and the Mandatory Extension of the Offer, see *Description of the Offer Extension, Termination or Amendment*.

7. The following language is added after the last sentence of the eighth paragraph appearing under the caption **Exchange Ratio** in the section entitled **Description of the Offer** on page 36 of the Offer to Exchange:

The actual Offer Consideration will be subject to the minimum Offer Consideration and the maximum number of shares of Common Stock that may be issued as part of the Offer Consideration, as described above.

8. The following language is added after the last paragraph appearing under the caption **Exchange Ratio** in the section entitled **Description of the Offer** on page 37 of the Offer to Exchange:

The following summarizes the Offer Consideration information that will be available during the Offer:

- on each VWAP Trading Day of the Observation Period, the webpage will show the Daily VWAP, the resulting Daily Settlement Amount and indicative Exchange Ratio per \$1,000 principal amount of Notes, as though that day was the Expiration Date, calculated based on the number of VWAP Trading Days that have passed in the Observation Period, which information, for the 10 VWAP Trading Days ending on the Expiration Date, will be updated every three hours starting at 10:30 a.m., New York City time, on each such VWAP Trading Day;
- the Daily VWAP, the resulting Daily Settlement Amount and indicative Exchange Ratio per \$1,000 principal amount of Notes, calculated as set forth above, for all trading days during the Observation Period will be available on the webpage through the Expiration Date; and
- each time the webpage is updated, it will also show a reasonably current trading price for the Common Stock on the NYSE.

9. The following language is added after the last paragraph under the caption **Extension, Termination or Amendment** in the section entitled **Description of the Offer** on page 38 of the Offer to Exchange:

Mandatory Extension

We will announce the Exchange Ratio no later than 4:30 p.m., New York City time, on the Expiration Date, and the final Exchange Ratio will also be available by that time at <http://www.gbsc-usa.com/PHH> and from the Information Agent. If the Exchange Ratio is equal to 42.4871, the maximum number of shares of Common Stock that may be issued per \$1,000 principal amount of Notes as part of the Offer Consideration, then there will be a Mandatory Extension of the Offer until 11:59 p.m., New York City time, on the second trading day following the originally scheduled Expiration Date to permit holders to tender or withdraw their Notes during those days. The Daily VWAP and trading prices of our Common Stock during this Mandatory Extension will not, however, affect the Exchange Ratio, which will be fixed at 42.4871 shares of Common Stock per \$1,000 principal amount of Notes. We will issue a press release or other public announcement no later than 9:00 a.m., New York City time, on the next business day following any such Mandatory Extension.
