Item 1.01

Entry into a Material Definitive Agreement.

On December 14, 2011, HEICO Corporation (the “Company”) entered into a \$670 million Revolving Credit Agreement (“Credit Facility”) with SunTrust Bank, as Administrative Agent, Wells Fargo Bank, National Association and Bank of America, N.A., as Co-Syndication Agents, PNC Bank, National Association, as Documentation Agent, and other lenders that may become parties to the Credit Facility. The Credit Facility includes a feature that will allow the Company to increase the Credit Facility by \$130 million, at its option, to become an \$800 million facility through increased commitments from existing lenders or the addition of new lenders. The borrowings under the Credit Facility may be used to refinance existing indebtedness; to finance working capital needs, permitted acquisitions and capital expenditures; and for other general corporate purposes.

Advances under the Credit Facility accrue interest at the Company’s choice of the “Base Rate” or the London Interbank Offered Rate (“LIBOR”) plus applicable margins (based on the Company’s ratio of total funded debt to earnings before interest, taxes, depreciation and amortization, noncontrolling interests and non-cash charges, or “leverage ratio”). The Base Rate is the highest of (i) the Prime Rate; (ii) the Federal Funds rate plus .50%, per annum; and (iii) the Adjusted LIBO Rate determined on a daily basis for an Interest Period of one month, plus 1.00% per annum, as such, capitalized terms are defined in the Credit Facility. The applicable margins for LIBOR-based borrowings range from .75% to 2.25%. The applicable margins for Base Rate borrowings range from 0% to 1.25%. A fee is charged on the amount of the unused commitment ranging from .125% to .35% (depending on the Company’s leverage ratio).

The Credit Facility also includes a \$50 million sublimit for borrowings made in foreign currencies, letters of credit and swingline borrowings. The Credit Facility matures in December 2016. Under certain circumstances, the maturity of the Credit Facility may be extended for two one-year periods.

Outstanding principal, accrued and unpaid interest and other amounts payable under the Credit Facility may be accelerated upon an event of default, as such events are described in the Credit Facility. The Credit Facility is unsecured and contains covenants that require, among other things, the maintenance of a total leverage ratio, a senior leverage ratio and a fixed charge coverage ratio. In the event the Company’s total leverage ratio exceeds a specified level, the Credit Facility would become secured by the capital stock owned in substantially all of the Company’s subsidiaries.

This description of Credit Facility is qualified in its entirety by reference to the copy of such agreement filed as Exhibit 10.1 to this report, which is incorporated by reference herein.

A copy of the Company’s press release announcing the execution of the Credit Facility is attached hereto as Exhibit 99.1.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 14, 2011, the Company entered into the Credit Facility; the information required by Item 2.03 of Form 8-K is included in Item 1.01 of this report and is hereby incorporated in Item 2.03 by reference.
