Item 4.01. Change in Company's Certifying Accountants

(a) The Audit Committee of the Board of Directors of Universal Forest Products, Inc. (the "Company") completed a competitive process for purposes of selecting an audit firm to serve as the Company's independent registered public accounting firm for the fiscal year ending December 27, 2014. On February 24, 2014, the Audit Committee approved the engagement of Deloitte & Touche LLP ("Deloitte") as the Company's independent registered public accounting firm for purposes of auditing the Company's financial statements, effective as of February 27, 2014, subject to Deloitte's completion of its customary client acceptance procedures. This selection resulted in the dismissal of Ernst & Young LLP ("EY"), which had served that role until February 27, 2014.

The audit reports of EY on the consolidated financial statements of the Company as of and for the years ended December 29, 2012, and December 28, 2013, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two most recent calendar years ended December 29, 2012, and December 28, 2013, and from December 28, 2013 through the effective date of EY's dismissal (the "Relevant Period"), there have been no (i) disagreements between the Company and EY on any matters of accounting principle or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to EY's satisfaction, would have caused EY to make reference to the subject matter of such disagreements in connection with its reports for those years, or (ii) reportable events as described in Item 304(a)(1)(v) ("Reportable Events") of Regulation S-K.

The Company provided EY with a copy of the disclosures it is making in this Current Report on Form 8-K, and has requested from EY a letter addressed to the Securities and Exchange Commission indicating whether it agrees with this disclosure. A copy of EY's letter dated February 28, 2014, is attached as Exhibit 16.1.

During the Relevant Period, neither the Company nor (to the Company's knowledge) anyone acting on behalf of the Company consulted with Deloitte regarding either (i) the application of accounting principles to a specified (b) transaction (either completed or proposed), (ii) the type of audit opinion that might be rendered on the Company's financial statements, or (iii) any matter that was either the subject matter of a "disagreement", as described in Item 304(a)(1) of Regulation S-K, or a Reportable Event.
