Item 8.01

Other Events.

On January 5, 2018, BioLife Solutions, Inc. (the “**Company**”) filed a Registration Statement on Form S-3 (the “**Replacement Registration Statement**”) for the sole purpose of continuing the prior registration of 2,817,444 shares of common stock issuable upon exercise of unexercised warrants of the Company that were purchased in March 2014 in a registered public offering of units (each unit consisting of one share of common stock and one warrant). The Company covenanted to keep these warrant shares registered and filed the Replacement Registration Statement to replace the earlier, expiring registration statement. No new shares are being registered in the Replacement Registration Statement and the Company cannot sell any additional securities pursuant to the Replacement Registration Statement.

Additionally, on January 5, 2018, the Company filed a Registration Statement on Form S-8 (the “**S-8 Registration Statement**”). The purpose of the S-8 Registration Statement is to register 1,041,072 previously unregistered shares issuable pursuant to the BioLife Solutions, Inc. Second Amended & Restated 2013 Performance Incentive Plan and to add a reoffer prospectus allowing for the future sale of “control securities” by certain officers and directors of the Company. The filing of the S-8 Registration Statement does not mean that persons holding registered securities will sell their shares, but it does provide these persons with the flexibility to sell their shares if they require liquidity or investment diversification. A Form 4 will be required to be filed with the Securities and Exchange Commission for any sales made by officers or directors listed in the reoffer prospectus.
