technology, that our licensed technology will help clean up the significant environmental problems, our beliefs as to providing a unique solution, our projected financial performance, statements containing the words "expects," "estimates," "anticipates," "believes," "projects" and variations thereof, and other statements contained herein regarding matters that are not historical facts are forward looking statements as such term is defined in the Act. Because such statements involve risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, uncertainties involving development stage companies, financing and cash flow requirements and uncertainties, difficulties involved in developing and executing on a business plan, difficulties and uncertainties regarding acquisitions, technological uncertainties, risks relating to managing and integrating acquired businesses, unpredictable developments (including plant outages and repair requirements), the difficulty of estimating construction, development, repair and maintenance costs and timeframes, the uncertainties involved in estimating insurance and implied warranty recoveries, if any, the inability to predict the course or outcome of any negotiations with parties involved with Environmental Power's or Microgy's projects, uncertainties relating to general economic and industry conditions, the amount and rate of growth in expenses, uncertainties relating to government and regulatory policies, the legal environment, intellectual property issues, the competitive environment in which Environmental Power and Microgy operate and other factors, including those described in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2003, as well as other filings with the Securities and Exchange Commission. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date which they are made. Environmental Power undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
