On January 22, 2008, MoSys, Inc. (the "Company") announced the appointment of James W. Sullivan as its Vice President of Finance and Chief Financial Officer, effective January 18, 2008. A copy of the related press release is attached to this Current Report on Form 8-K as Exhibit 99.1.

Prior to joining the Company, Mr. Sullivan served as Chief Financial Officer of Apptera, Inc. from July 2006 until January 2008. Prior to joining Apptera, Mr. Sullivan served as Chief Financial Officer of 8x8, Inc. from July 2002 to June 2006. Mr. Sullivan holds a Bachelor of Science degree in Accounting from New York University and is a Certified Public Accountant.

Under the terms of Mr. Sullivan's employment offer letter agreement with the Company, he will be paid an annualized base salary of \$195,000 and has been granted an option to purchase 190,000 shares of the Company's common stock that will vest with respect to 25% of the total number of shares subject to the option on the first anniversary of his employment with the Company and with respect to 1/48 of the shares subject to the option at the end of each successive calendar month thereafter, subject in all events to Mr. Sullivan's continued service with the Company.

In addition, the Company and Mr. Sullivan entered into a Change-in-Control Agreement, a standard form of Indemnity Agreement between the Company and its directors and executive officers, and the Company's standard form Employment Confidential Information and Invention Assignment Agreement, all effective as of January 18, 2008. The Change-in-Control Agreement provides, among other things, that in the event of termination of Mr. Sullivan's employment for "good reason" (as defined below) within two years following a "change-in-control," as defined in the agreement, that occurs during the first year of his employment with the Company, Mr. Sullivan will be entitled, among other things, to accelerated vesting of 50 percent of the then unvested stock options and stock awards previously granted to Mr. Sullivan and, for the one-year period following termination, the right to exercise any stock options or other awards held by him, and that if the change-in-control occurs after the first year of his employment, one year of the remaining then unvested options and stock awards will vest in full.
