PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of Tarrant Apparel Group, a California corporation ("Tarrant," the "Company", "we", or "us"), of Proxies to be voted at our 2007 Annual Meeting of Shareholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Shareholders on Wednesday, June 27, 2007, beginning at 10:00 a.m. Pacific Daylight Time. The meeting will be held at our corporate headquarters, 3151 East Washington Boulevard, Los Angeles, California, 90023.

It is anticipated that the 2006 Annual Report and this Proxy Statement and the accompanying Proxy will be mailed to shareholders on or about May 25, 2007.

SHAREHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on May 18, 2007 are entitled to receive this notice and to vote their shares at the Annual Meeting. Common stock is the only outstanding class of securities of the Company entitled to vote at the Annual Meeting. As of May 18, 2007, there were 30,543,763 shares of common stock outstanding.

PROXIES. Your vote is important. If your shares are registered in your name, you are a shareholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All shareholders can vote by written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE meeting. If you are a shareholder of record, you may revoke your Proxy at any time before the meeting either by filing with our Secretary, at our principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

QUORUM. The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the shareholders entitled to vote at the Annual Meeting is

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

VOTING. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to shareholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

ELECTION OF DIRECTORS. Our Articles of Incorporation do not authorize cumulative voting. In the election of directors, the three candidates receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS. The ratification of the appointment of Singer Lewak Greenbaum & Goldstein LLP as our independent registered public accounting firm for the year ending December 31, 2007 will require the

1

affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting.

OTHER MATTERS. At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a shareholder proposal was not submitted to us prior to March 18, 2007, the enclosed Proxy will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Meeting. As of the date hereof, no shareholder proposal has been submitted to us, and management is not aware of any other matters to be presented for action at the Meeting. However, if any other matters properly come before the Meeting, the Proxies solicited hereby will be voted by the Proxyholders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors' nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.

2

ITEM 1: ELECTION OF DIRECTORS

Item 1 is the election of three Class I members of the Board of Directors. Our Articles of Incorporation provide that the Board of Directors is divided into

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

two classes which are elected for staggered two-year terms. One of the two classes is elected each year to succeed the directors whose terms are expiring. Our Bylaws provide that the number of directors shall be fixed from time to time exclusively by the Board of Directors, but shall not be less than six nor more than eleven. The Board of Directors has fixed the number of directors constituting the entire Board of Directors at no more than nine directors, and there are currently two vacancies.

The Class I directors whose terms expire at the 2007 Annual Meeting are Stephane Farouze, Milton Koffman and Mitchell Simbal. The Board of Directors, upon recommendation of the independent directors, has nominated Stephane Farouze, Milton Koffman and Mitchell Simbal to serve as Class I directors for terms expiring in 2009. The Class II directors are serving terms that expire in 2008. There is currently one vacancy among the Class I directors and one vacancy among the Class II directors, and the Board of Directors has not yet identified suitable candidates for these vacancies.

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Board of Directors proposes the election of the following nominees as Class I directors:

Stephane Farouze
Milton Koffman
Mitchell Simbal

If elected, the foregoing three nominees are expected to serve until the 2009 Annual Meeting of Shareholders. The three nominees for election as Class I directors at the Annual Meeting who receive the highest number of affirmative votes will be elected.

The principal occupation and certain other information about the nominees, other directors whose terms of office continue after the Annual Meeting and certain executive officers are set forth on the following pages.

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

MEETINGS, COMMITTEES AND INDEPENDENCE. The Board of Directors held thirteen meetings during fiscal 2006 and took action by written consent without a meeting three times during same fiscal year. The Board of Directors has the following standing committees: Audit Committee and Compensation Committee. While directors generally attend annual shareholder meetings, we have not established a specific policy with respect to members of the Board of Directors attending annual meetings.

AUDIT COMMITTEE. The Audit Committee currently consists of Messrs. Farouze, Koffman, Mizrachi, Mani and Simbal, all of whom are considered "independent" under Rule 4200(a)(15) of the NASDAQ listing standards. The Board of Directors has determined that Mitchell Simbal is an audit committee financial expert, as defined in Item 401(h)(2) of Regulation S-K. The primary purposes of the Audit Committee are (i) to review the scope of the audit and all non-audit services to be performed by our independent auditors and the fees incurred by us in connection therewith, (ii) to review the results of such audit, including the independent accountants' opinion and letter of comment to management and management's response thereto, (iii) to review with our independent accountants our internal accounting principles, policies and practices and financial reporting, (iv) to engage our independent auditors and (v) to review our quarterly and annual financial statements prior to public issuance. The role and responsibilities of the Audit Committee are more fully set forth in a written Charter adopted by the Board of Directors and attached to this Proxy Statement as Appendix A. The Audit Committee held seven meetings during fiscal 2006.

COMPENSATION COMMITTEE. The Compensation Committee currently consists of Messrs. Farouze, Koffman, Mizrachi, Mani and Simbal. The Compensation Committee is responsible for considering and making recommendations to the Board of Directors regarding executive compensation and is responsible for our stock option and executive incentive compensation plans. The Compensation Committee held five meetings during fiscal 2006 and took action by written consent without a meeting one time during same fiscal year.

Please see "Compensation Discussion and Analysis" section below for further information regarding our Compensation Committee and our compensation policy.

DIRECTOR NOMINATIONS. We do not currently have a standing nominating committee. The Board of Directors has adopted resolutions requiring that all director nominations be approved or recommended for approval by a majority of the independent directors (as defined by NASDAQ), voting in executive session (the "Independent Board Members").

The Independent Board Members review those directors who are candidates for re-election to our Board of Directors, and make the determination to nominate a candidate who is a current member of the Board of Directors for re-election for the next two-year term. The nominating committee's methods for identifying candidates for election to the Board of Directors (other than those proposed by our shareholders, as discussed below) include the solicitation of ideas for

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

possible candidates from a number of sources--members of the Board of Directors; our executives; individuals personally known to the members of the Board of Directors; and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates. The Independent Board Members also nominate outside candidates for inclusion on the Board of Directors.

6

A Tarrant shareholder may nominate one or more persons for election as a director at an annual meeting of shareholders if the shareholder complies with the notice, information and consent provisions contained in our Bylaws. In addition, the notice must be made in writing and include (1) the qualifications of the proposed nominee to serve on the Board of Directors, (2) the principal occupations and employment of the proposed nominee during the past five years, (3) directorships currently held by the proposed nominee and (4) a statement that the proposed nominee has consented to the nomination. The recommendation should be addressed to our Secretary.

Among other matters, the Independent Board Members:

- o Review the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of Tarrant and the Board;
- o Conduct candidate searches, interview prospective candidates and conduct programs to introduce candidates to Tarrant, its management and operations, and confirm the appropriate level of interest of such candidates;
- o Recommend to the Board qualified candidates who bring the background, knowledge, experience, independence, skill sets and expertise that would strengthen and increase the diversity of the Board;
- o Conduct appropriate inquiries into the background and qualifications of potential nominees; and
- o Review the suitability for continued service as a director of each Board member when he or she has a significant change in status, such as an employment change, and recommend whether or not such director should be re-nominated.

Based on the foregoing, the Independent Board Members recommended the nomination of Stephane Farouze, Milton Koffman and Mitchell Simbal for re-election as Class I directors to the Board of Directors, subject to shareholder approval, for a two-year term ending on the date of the 2009 Annual Meeting.

All directors attended 75% or more of all the meetings of the Board of Directors and those committees on which he or she served in fiscal 2006.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. The Compensation Committee of our Board of Directors currently consists of Messrs. Farouze, Koffman, Mizrachi, Mani and Simbal. None of these individuals was an officer or employee of Tarrant at any time during fiscal 2006. None of our current executive officers has served as a member of the board of directors or compensation committee of any entity for which a member of our Board of Directors or Compensation Committee has served as an executive officer.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

SHAREHOLDER COMMUNICATIONS. Holders of our securities can send communications to the Board of Directors via mail or telephone to the Secretary at our principal executive offices.

7

ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Item 2 is the ratification of Singer Lewak Greenbaum & Goldstein LLP ("SLGG") as our independent registered public accounting firm for the year ending December 31, 2007. SLGG audited our consolidated financial statements for the fiscal years ended December 31, 2006 and 2005. The Audit Committee of the Board of Directors recommended and the Board of Directors has selected, subject to ratification by a majority vote of the shares of common stock present or represented and entitled to vote at the Annual Meeting, the firm of SLGG as our independent registered public accounting firm for the current fiscal year ending December 31, 2007. We anticipate that a representative of SLGG will attend the Annual Meeting for the purpose of responding to appropriate questions. At the Annual Meeting, a representative of SLGG will be afforded an opportunity to make a statement if he or she so desires.

While there is no legal requirement that this proposal be submitted to shareholders, it will be submitted at the Annual Meeting nonetheless, as the Board of Directors believes that the selection of auditors to audit our consolidated financial statements is of sufficient importance to seek shareholder approval. If the shareholders do not ratify this appointment, other firms of certified public accountants will be considered by the Board of Directors upon recommendation of the Audit Committee.

Grant Thornton LLP ("Grant Thornton") served as our principal independent public accounting firm for the years ended December 31, 2003 and 2004. Grant Thornton was dismissed on November 17, 2005. Grant Thornton's report on the financial statements for the fiscal years ended December 31, 2003 and 2004 did not contain an adverse opinion or a disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope, or accounting principles. The decision to change accountants was recommended and approved by the Audit Committee. During the fiscal years ended December 31, 2003 and 2004, there were no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Grant Thornton would have caused it to make reference to the subject matter of the disagreement in connection with its report.

Other than the following there were no "reportable events," as defined in Item 304(a)(1)(iv) of Regulation S-K of the Securities Exchange Act of 1934, as amended. As previously disclosed in our Form 10-K/A for the year ended December 31, 2004, as filed with the Securities and Exchange Commission on May 31, 2005, we restated our audited financial statements following our review of the accounting treatment of our October 2003 private placement of convertible preferred stock. After our review, management and the Audit Committee of the Board of Directors determined to revise our accounting treatment to reflect the beneficial conversion feature of the convertible preferred stock and to restate our financial statements for the fiscal years ended December 31, 2003 and 2004. In light of the restatement, management and Grant Thornton, our independent accountants, concluded that a material weakness existed in our internal control over financial reporting. Subsequent to December 31, 2004, we remedied this

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

material weakness by changing our policies and procedures for accounting for instruments with convertible features. Specifically, our Chief Financial Officer, who was hired in the third quarter of 2004, will review and approve the appropriate accounting for convertible instruments and determine whether any embedded beneficial conversion feature is required to be recognized and measured separately.

AUDIT FEES

Singer Lewak Greenbaum & Goldstein billed us an aggregate of approximately \$391,000 in fees for audit services associated with the audit of our annual financial statements for the fiscal year ended December 31, 2006 and the review of our financial statements included in our quarterly reports on Form 10-Q for 2006. Singer Lewak Greenbaum & Goldstein billed us an aggregate of approximately \$265,000 in fees for audit services associated with the audit of our annual financial statements for the fiscal year ended December 31, 2005. Grant Thornton LLP (our prior principal accountants) billed us an aggregate of approximately \$93,000 in fees for the review of our financial statements included in our quarterly reports on Form 10-Q for 2005.

AUDIT-RELATED FEES

Singer Lewak Greenbaum & Goldstein billed us \$0 in fees for audit-related services for the years ended December 31, 2006 and 2005. Audit-related services principally include assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees" above.

8

TAX FEES

Singer Lewak Greenbaum & Goldstein billed us \$0 for tax services during the years ended December 31, 2006 and 2005, which would include services for tax compliance, tax advice and tax planning.

ALL OTHER FEES

Singer Lewak Greenbaum & Goldstein billed us \$99,000 and \$0 in fees for the years ended December 31, 2006 and 2005, respectively, other all services provided during such periods and not otherwise described above. For 2006, these fees were for due diligence and related services in connection with financing and acquisition activities.

All of the services described above were approved by our Audit Committee.

The ratification of SLGG as our independent registered public accounting firm for the fiscal year ended December 31, 2007 will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. All Proxies will be voted to approve the ratification of the appointment of the independent public accountants unless a contrary vote is indicated on the enclosed Proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF SINGER LEWAK GREENBAUM & GOLDSTEIN LLP AS OUR INDEPENDENT PUBLIC ACCOUNTANTS.

REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board of Directors, which consists of independent directors (as that term is defined in Rule 4200(a)(15) of the NASDAQ Marketplace Rules), has furnished the following report:

The Audit Committee assists the Board of Directors in overseeing and monitoring the integrity of our financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Board of Directors. The Audit Committee reviews and reassesses the Charter annually and recommends any changes to the Board of Directors for approval.

The Audit Committee is responsible for overseeing our overall financial reporting process. In fulfilling its responsibilities for the financial statements for fiscal year 2006, the Audit Committee:

- Reviewed and discussed the audited financial statements for the year ended December 31, 2006 with management and Singer Lewak Greenbaum & Goldstein LLP, our independent registered public accounting firm;
- Discussed with SLGG the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit; and
- Received written disclosures and the letter from SLGG regarding its independence as required by Independence Standards Board Standard No. 1. The Audit Committee discussed with the Auditors their independence.

Based on the Audit Committee's review of the audited financial statements and discussions with management and the Auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC.

The Audit Committee also considered the status of pending litigation and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

9

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

Our named executive officers for 2006 were as follows:

- o Gerard Guez, Chairman of the Board and (since March 31, 2006) Interim Chief Executive Officer;
- o Barry Aved, former Chief Executive Officer (resigned as CEO as of March 31, 2006);
- o Corazon Reyes, former Chief Financial Officer (resigned as CFO as of March 28, 2007);
- o Todd Kay, Vice Chairman of the Board;
- o Charles Ghailian, President of our subsidiary, Tag Mex, Inc.; and
- o Henry Chu, President of our subsidiary, Tarrant Company Limited.

OVERVIEW OF COMPENSATION PHILOSOPHY AND OBJECTIVES

Our compensation programs are designed to deliver a compensation package which is competitive in attracting and retaining key executive talent in the garment industry. Different programs are geared to short and longer term performance with the goal of increasing shareholder value over the long term. To achieve these objectives, the Compensation Committee has established an incentive program for our executive officers based on meeting specific revenue and margin criteria in which long term continued improvement in pre-tax profit is the goal. More specifically, the Compensation Committee believes that our executive compensation should encompass the following:

- o help attract and retain the most qualified individuals by being competitive with compensation packages paid to persons having similar responsibilities and duties in comparable businesses;
- o motivate and reward individuals who help us achieve our short term and long term objectives and thereby contribute significantly to the success of our company;
- o relate to the value created for shareholders by being directly tied to our financial performance and condition and the particular executive officer's contribution; and
- o reflect the qualifications, skills, experience, and responsibilities of the particular executive officer.

The Compensation Committee has approved a compensation structure for the named executive officers, determined on an individual basis, which incorporates four key components: base salary, annual discretionary incentive payments, stock options and other benefits.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

In connection with its compensation determinations, the Compensation Committee seeks, and is significantly influenced by, the views of the Chief Executive Officer with respect to appropriate compensation levels of the other officers.

EXECUTIVE COMPENSATION COMPONENTS

For the year ended December 31, 2006, the principal components of compensation for the named executive officers were:

- o annual base salary;

11

- o annual discretionary incentive compensation;
- o stock options; and
- o retirement and other benefits.

ANNUAL BASE SALARY

In general, base salary for each employee, including the named executive officers, is established based on the individual's job responsibilities, performance and experience; our size relative to competitors; the competitive environment; and a general view as to available resources.

For our Chief Executive Officer, the Compensation Committee's practice is to review the base salary to ensure competitiveness in the market place. Currently, our Chairman of the Board, Gerard Guez, is also serving as our Interim CEO. No adjustments to Mr. Guez's compensation have been made to reflect the interim added responsibility. The Compensation Committee considers the base salaries of the named executives to ensure they take into account their performance, experience and retention value and that salary levels continue to be competitive with companies of similar size and complexity.

ANNUAL DISCRETIONARY INCENTIVE COMPENSATION

Named executive officers are eligible to receive discretionary annual cash incentive bonuses. We believe that annual incentive compensation should be determined with specific reference to our overall performance and goals, as well as the performance and goals of the division or function over which each individual executive has primary responsibility. In this regard, the Compensation Committee considers both quantitative and qualitative factors. At this time, the incentive program has not yet been linked with a set of clear objectives.

In 2006, the Compensation Committee approved incentive bonuses payable to each of Gerard Guez and Todd Kay based upon our achievement of specified pre-tax income thresholds for the year. Mr. Kay was awarded a cash bonus of \$150,000 for 2006, but Mr. Guez was not awarded a bonus for 2006 as the target for his bonus was not achieved. In 2006, Barry Aved received a discretionary cash bonus of \$100,000, which was awarded to Mr. Aved based primarily on his performance as CEO prior to his resignation in March 2006. In addition, Charles Ghailian received a cash bonus in 2006 of \$170,000.

STOCK OPTIONS

We provide a long term incentive opportunity for each of the named executive officers through awards of stock options. Our stock option program is a long

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

term plan designed to create a link between executive compensation and our financial performance, provide an opportunity for increased equity ownership by executives, and maintain competitive levels of total compensation.

In the case of recommended stock option awards, the Compensation Committee reviews the recommendation of senior management and tests fairness before approving the stock awards. All stock options have been granted at an exercise price equal to the closing market price of our common stock on the date of grant. Stock options generally vest in four equal annual installments over a period of four years; however, options will immediately vest in full upon a change on control of the Company. Stock options expire ten years from date of grant.

In 2006, no named executive officers received stock option awards other than Charles Ghailian and Henry Chu.

RETIREMENT BENEFITS

We maintain a 401(k) plan for our employees. Named executive officers participate in these plans on the same terms as other eligible employees, subject to any legal limits on the amount that may be contributed by executives under the plans. We make a "matching" contribution equal to 100% of the employee's contribution up to 5% of the employee's annual compensation.

12

OTHER BENEFITS

- o MEDICAL BENEFITS. Our employees have a choice of three coverage options under our company-sponsored group health insurance plan. Each option covers the same services and supplies but differs in the quality of provider network. During 2006, we fully funded the HMO portion of the employee coverage.
- o DENTAL BENEFITS. We maintain a group dental plan that covers preventive, basic and major services for employees and eligible dependents. During 2006, we fully funded the HMO portion of our California employee coverage and the PPO coverage for our New York employee coverage.
- o LIFE INSURANCE. We maintain a group life insurance plan that provides for basic life and accidental death and dismemberment coverage ranging from \$10,000 to \$50,000 depending on the employee classification. We pay the premiums under this plan.
- o VACATION. All employees are eligible for vacation based on years of service.
- o OTHER PERQUISITES. Vehicle and car allowances have been provided for certain named executives. We do not generally provide other perquisites for other employees.
- o PRIVATE PLANE. From time to time our executives use a private plan owned by 477 Aviation LLC, a company owned by Gerard Guez for business purposes. We reimburse Mr. Guez for the fuel and related expenses incurred by 477 Aviation LLC for our executives' business use of the aircraft. For 2006, the amount of expenses reimbursed was approximately \$240,000.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

DEDUCTIBILITY OF COMPENSATION EXPENSES

Pursuant to Section 162(m) under the Internal Revenue Code, certain compensation paid to executive officers in excess of \$1 million is not tax deductible, except to the extent such excess constitutes performance-based compensation. The Compensation Committee has and will continue to carefully consider the impact of Section 162(m) when establishing incentive compensation plans and could, in certain circumstances, approve and authorize compensation that is not fully tax deductible.

ACCOUNTING AND TAX CONSIDERATIONS

We consider the accounting implications of all aspects of our executive compensation program. Our executive compensation program is designed to achieve the most favorable accounting (and tax) treatment possible as long as doing so does not conflict with the intended plan design or program objectives.

EMPLOYMENT AGREEMENTS, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

EMPLOYMENT AGREEMENTS

Except for our agreement Henry Chu described below, we do not have written employment agreements with any of our other named executive officers.

We entered into an employment agreement as of September 16, 2005 with Henry Chu, President of our Hong Kong subsidiary Tarrant Company Limited. This employment agreement is for a term of three years. Mr. Chu's employment agreement provides for a monthly salary of HKD200,000 (or approximately US\$25,787 per month). The agreement provides that either party may terminate the agreement provided a two months advance written notice is provided to the other party. As a result, if we

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

were to immediately terminate Mr. Chu's employment, we would be required to continue to pay him two months' salary, or approximately (US) \$51,574.

POTENTIAL TERMINATION AND CHANGE IN CONTROL BENEFITS

We do not have a formal plan for severance or separation pay for our employees, but from time to time we include a severance provision in the employment agreements of our executive officers that is triggered in the event of involuntary termination without cause or in the event of a change in control. Currently, except for Henry Chu's employment agreement, none of our named executive officers are entitled to receive severance payments upon a termination of employment.

Our stock option plans provide that upon a change in control of the Company, all outstanding stock options will immediately become vested and exercisable. As of December 31, 2006, there were no unvested stock options held by the named executive officers that had an exercise price lower than the closing price of our common stock on December 29, 2006 of \$1.47, as reported by NASDAQ. As a result, there would have been no value of the accelerated vesting had a change in control occurred on December 31, 2006. Currently, there are no other benefits payable to our named executive officers upon a change in control.

DIRECTOR COMPENSATION

The general policy of the Board of Directors is that compensation for independent directors should be a mix of cash and equity-based compensation. We do not pay management directors for Board service in addition to their regular employee compensation. The full Board of Directors has the primary responsibility for reviewing and considering any revisions to director compensation.

DIRECTOR SUMMARY COMPENSATION TABLE

The following table details the total compensation earned by our non-employee directors in 2006.

(6) The amounts in this column represent the dollar amounts recognized for financial statement reporting purposes in fiscal 2006 with respect to stock options granted in 2006 as well as prior fiscal years, in accordance with SFAS 123R. For additional information on the valuation assumptions with respect to option grants, including the options granted in 2006, see note 14 to the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2006. These amounts do not reflect the actual value that may be realized by the named executive officers which depends on the value of our shares in the future.

We pay to each non-employee director a monthly cash retainer of \$4,000 for service as a director. We also reimburse non-employee directors for all expenses incurred in their capacity as a member of the Board. In addition, the Chairman of each Board committee receives \$2,000 per year for such service.

Our current practice is to grant each non-employee director an initial option to purchase 20,000 shares of our common stock upon joining the Board of Directors, and, thereafter, to grant each non-employee an option to purchase 4,000 shares of common stock on the date of each annual meeting at which such person is reelected to serve as a director. These options have an exercise price equal to the fair market value of such shares on the date of grant, become exercisable so long as the recipient continues to serve as a director in four equal annual installments commencing on the first anniversary of the grant thereof, and expire on the tenth anniversary of the date of grant.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

REVIEW AND APPROVAL OF RELATED PERSON TRANSACTIONS

We have adopted, by resolution of our Board of Directors, a policy that any transactions between us and any of our affiliates or related parties, including our executive officers, directors, shareholders who own 5% or more of our common stock, the family members of those individuals and any of their affiliates, must (1) be approved by a majority of the members of the Board of Directors and by a majority of the disinterested members of the Board of Directors and (2) be on terms no less favorable to us than could be obtained from unaffiliated third parties.

REPORTABLE RELATED PERSON TRANSACTIONS

Other than the employment arrangements described elsewhere in this Proxy Statement and the transactions described below, since January 1, 2006, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party:

- o in which the amount involved exceeds \$120,000; and
- o in which any director, executive officer, shareholder who beneficially owns 5% or more of our common stock or any member

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

of their immediate family had or will have a direct or indirect material interest.

We lease our principal offices and warehouse located in Los Angeles, California from GET and office space in Hong Kong from Lynx International Limited. GET and Lynx International Limited are each owned by Gerard Guez, our Chairman and Interim Chief Executive Officer, and Todd Kay, our Vice Chairman. We believe, at the time the leases were entered into, the rents on these properties were comparable to then prevailing market rents. During the first seven months of 2006, our Los Angeles offices and warehouse were leased on a month to month basis. On August 1, 2006, we entered into a lease agreement with GET for the Los Angeles offices and warehouse, which lease has a term of five years with an option to renew for an additional five year term. On February 1, 2007, we entered into a one year lease agreement with Lynx International Limited for our office space and warehouse in Hong Kong. We paid \$1,076,000 in 2006 in rent for office and warehouse facilities at these locations.

On May 1, 2006, we sublet a portion of our executive office in Los Angeles, California and our sales office in New York to Seven Licensing Company, LLC ("Seven Licensing") for a monthly payment of \$25,000 on a month to month basis. Seven Licensing is beneficially owned by Gerard Guez. We received \$200,000 in rental income from this sublease in the year ended December 31, 2006.

On September 1, 2006, our subsidiary in Hong Kong, Tarrant Company Limited, entered into an agreement with Seven Licensing to be its buying agent to source and purchase apparel merchandise. Total sales to Seven Licensing during the year ended December 31, 2006 were \$4.4 million.

19

In August 2004, we entered into an Agreement for Purchase of Assets with affiliates of Mr. Kamel Nacif, a shareholder at the time of the transaction, which agreement was amended in October 2004. Pursuant to the agreement, as amended, on November 30, 2004, we sold to the purchasers substantially all of our assets and real property in Mexico, including the equipment and facilities we previously leased to Mr. Nacif's affiliates in October 2003, for an aggregate purchase price consisting of: a) \$105,400 in cash and \$3,910,000 by delivery of unsecured promissory notes bearing interest at 5.5% per annum; and b) \$40,204,000, by delivery of secured promissory notes bearing interest at 4.5% per annum, with payments due on December 31, 2005 and every year thereafter until December 31, 2014. The secured promissory notes are payable in partial or total amounts anytime prior to the maturity of each note. As of September 30, 2006, the outstanding balance of the notes and interest receivables were \$41.1 million prior to the reserve. Historically, we have placed orders for purchases of fabric from the purchasers pursuant to the purchase commitment agreement we entered into at the time of the sale of the Mexico assets, and we have satisfied our payment obligations for the fabric by offsetting the amounts payable against the amounts due to us under the notes. However, during 2006, the purchasers ceased providing fabric and are not currently making payments under the notes. We further evaluated the recoverability of the notes receivable and recorded a loss on the notes receivable in the third quarter of 2006 in an amount equal to the outstanding balance less the value of the underlying assets securing the notes. The loss was estimated to be approximately \$27.1 million, resulting in a notes receivable balance at September 30, 2006 of approximately \$14 million. We believe there was no significant change subsequently on the value of the underlying assets securing the notes; therefore, we did not have additional reserve in the fourth quarter of 2006. We will continue to pursue payments on the notes receivable and believe the remaining \$14 million balance at December 31, 2006 is realizable.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

Upon consummation of the sale of our Mexico assets, we entered into a purchase commitment agreement with the purchasers, pursuant to which we agreed to purchase annually over the ten-year term of the agreement, \$5 million of fabric manufactured at our former facilities acquired by the purchasers at negotiated market prices. This agreement replaced a previously existing purchase commitment agreement with Mr. Nacif's affiliates. We did not purchase any fabric under this agreement in 2006. Net amount due from Mr. Kamel Nacif and his affiliates was \$116,000 as of December 31, 2006.

From time to time in the past, we had advanced funds to Mr. Guez. These were net advances to Mr. Guez or payments paid on his behalf before the enactment of the Sarbanes-Oxley Act in 2002. The promissory note documenting these advances contains a provision that the entire amount together with accrued interest is immediately due and payable upon our written demand. The greatest outstanding balance of such advances to Mr. Guez during 2006 was approximately \$2,279,000. At December 31, 2006, the entire balance due from Mr. Guez totaling \$2.2 million was reflected as a reduction of shareholders' equity. All amounts due from Mr. Guez bore interest at the rate of 7.75% during the period. Total interest paid by Mr. Guez was \$171,000 for the year ended December 31, 2006. Mr. Guez paid expenses on our behalf of approximately \$299,000 for the year ended December 31, 2006, which amounts were applied to reduce accrued interest and principal on Mr. Guez's loan. These amounts included fuel and related expenses incurred by 477 Aviation, LLC, a company owned by Mr. Guez, when our executives used this company's aircraft for business purposes. Since the enactment of the Sarbanes-Oxley Act in 2002, no further personal loans (or amendments to existing loans) have been or will be made to officers or directors of Tarrant.

We purchased \$1.1 million of fabric from Azteca Production International, Inc. and its affiliates for the year ended December 31, 2006. Our total sales of fabric and services to Azteca Production International in 2006 were \$9,000. Azteca Production International is owned by the brothers of Gerard Guez.

We purchased \$205,000 of trim from Tag-It Pacific, Inc. for the year ended December 31, 2006. At December 31, 2006, Gerard Guez and Todd Kay beneficially owned 488,400 and 1,003,500 shares, respectively, of common stock of Tag-It Pacific, collectively representing 8.1% of Tag-It Pacific's common stock.

APPENDIX "A"

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

OF TARRANT APPAREL GROUP

This Charter identifies the purpose, composition, meeting requirements, committee responsibilities, annual evaluation procedures and investigations and studies of the Audit Committee (the "COMMITTEE") of the Board of Directors (the "BOARD") of Tarrant Apparel Group, a California corporation (the "COMPANY").

I. PURPOSE

The Committee has been established to: (a) assist the Board in its oversight responsibilities regarding (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent accountant's qualifications and independence and (4) the performance of the Company's internal audit function; (b) prepare the report of the audit committee required by the United States Securities and Exchange Commission (the "SEC") for inclusion in the Company's annual proxy statement; (c) retain and terminate the Company's independent accountant; (d) approve audit and non-audit services to be performed by the independent accountant; and (e) perform such other functions as the Board may from time to time assign to the Committee. In performing its duties, the Committee shall seek to maintain an effective working relationship with the Board, the independent accountant, the internal auditors and management of the Company.

II. COMPOSITION

The Committee shall be composed of at least three, but not more than five, members (including a Chairperson), all of whom shall be "independent directors," as such term is defined in the rules and regulations of the SEC and the Nasdaq Stock Market, Inc.'s National Market System ("NASDAQ"). The members of the Committee and the Chairperson shall be selected by the Board and serve at the pleasure of the Board. A Committee member (including the Chairperson) may be removed at any time, with or without cause, by the Board. The Board may designate one or more independent directors as alternate members of the Committee, who may replace any absent or disqualified member or members at any meetings of the Committee. No person may be made a member of the Committee if his or her service on the Committee would violate any restriction on service imposed by any rule or regulation of the SEC or any securities exchange or market on which shares of the common stock of the Company are traded. The Chairperson shall maintain regular communication with the chief executive officer, chief financial officer, the lead partner of the independent accountant and the manager of the internal audit.

All members of the Committee shall have a working familiarity with basic finance and accounting practices and be able to read and understand financial statements. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

Except for Board and Committee fees, a member of the Committee shall not be permitted to accept any fees paid directly or indirectly for services as a consultant, legal advisor or financial advisor or any other fees prohibited by the rules of the SEC and Nasdaq. In addition, no member of the Committee may be an "affiliated person" of the Company or any of its subsidiaries (as such term is defined by the SEC). Members of the Committee may receive their Board and Committee fees in cash, Company stock or options or other in-kind consideration as determined by the Board or the Compensation Committee, as applicable, in addition to all other benefits that other directors of the Company receive. No director may serve on the Committee, without the approval of the Board, if such director simultaneously serves on the audit committee of more than three public companies.

III. MEETING REQUIREMENTS

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

The Committee shall meet as necessary, but at least quarterly, to enable it to fulfill its responsibilities. The Committee shall meet at the call of any member of the Committee, preferably in conjunction with regular Board meetings. The Committee may meet by telephone conference call or by any other means permitted by law or the Company's Bylaws. A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. Without a meeting, the Committee may act by

A-1

unanimous written consent of all members. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore, in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Committee may ask members of management, employees, outside counsel, the independent accountant or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board from time to time (but at least once each year) as requested by the Board.

As part of its responsibility to foster free and open communication, the Committee should meet periodically with management, the internal auditors and the independent accountant in separate executive sessions to discuss any matters that the Committee or any of these groups believe should be discussed privately. In addition, the Committee or at least its Chairperson should meet with the independent accountant and management quarterly to review the Company's financial statements prior to their public release consistent with the provisions set forth below in SECTION IV. The Committee may also meet from time to time with the Company's investment bankers, investor relations professionals and financial analysts who follow the Company.

IV. COMMITTEE RESPONSIBILITIES

In carrying out its responsibilities, the Committee's policies and procedures should remain flexible to enable the Committee to react to changes in circumstances and conditions so as to ensure the Company remains in compliance with applicable legal and regulatory requirements. In addition to such other duties as the Board may from time to time assign, the Committee shall have the following responsibilities:

A. OVERSIGHT OF THE FINANCIAL REPORTING PROCESSES

1. In consultation with the independent accountant and the internal auditors, review the integrity of the organization's financial reporting processes, both internal and external.
2. Review and approve all related-party transactions,

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

unless such responsibility has been reserved to the full Board or delegated to another committee of the Board.

3. Consider the independent accountant's judgments about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting. Consider alternative accounting principles and estimates.
4. Annually review major issues regarding the Company's auditing and accounting principles and practices and its presentation of financial statements, including the adequacy of internal controls and special audit steps adopted in light of material internal control deficiencies.
5. Discuss with management and legal counsel the status of pending litigation, taxation matters, compliance policies and other areas of oversight applicable to the legal and compliance area as may be appropriate.
6. Meet at least annually with the chief financial officer, the internal auditors and the independent accountant in separate executive sessions.
7. Review all analyst reports and press articles about the Company's accounting and disclosure practices and principles.

A-2

8. Review all analyses prepared by management and the independent accountant of significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any analysis of the effect of alternative generally accepted accounting principle ("GAAP") methods on the Company's financial statements and a description of any transactions as to which management obtained Statement on Auditing Standards No. 50 letters.
9. Review with management and the independent accountant the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements.

B. REVIEW OF DOCUMENTS AND REPORTS

1. Review and discuss with management and the independent accountant the Company's annual audited financial statements and quarterly financial statements (including disclosures under the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operation") and any reports or other financial information submitted to any governmental body, or the public, including any certification, report, opinion or review rendered

by the independent accountant, considering, as appropriate, whether the information contained in these documents is consistent with the information contained in the financial statements and whether the independent accountant and legal counsel are satisfied with the disclosure and content of such documents. These discussions shall include consideration of the quality of the Company's accounting principles as applied in its financial reporting, including review of audit adjustments (whether or not recorded) and any such other inquiries as may be appropriate. Based on the review, the Committee shall make its recommendation to the Board as to the inclusion of the Company's audited consolidated financial statements in the Company's annual report on Form 10-K.

2. Review and discuss with management and the independent accountant earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee need not discuss in advance each earnings release but should generally discuss the types of information to be disclosed and the type of presentation to be made in any earnings release or guidance.
3. Review the regular internal reports to management prepared by the internal auditors and management's response thereto.
3. Review reports from management, the internal auditors and the independent accountant on the Company's subsidiaries and affiliates, compliance with the Company's code(s) of conduct, applicable law and insider and related party transactions.
4. Review with management and the independent accountant any correspondence with regulators or government agencies and any employee complaints or published reports that raise material issues regarding the Company's financial statements or accounting policies.
5. Prepare the report of the audit committee required by the rules of the SEC to be included in the Company's annual proxy statement.
6. Submit the minutes of all meetings of the Committee to, or discuss the matters discussed at each Committee meeting with, the Board.
7. Review any restatements of financial statements that have occurred or were recommended. Review the restatements made by other clients of the independent accountant.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

C. INDEPENDENT ACCOUNTANT MATTERS

1. The Committee shall be directly responsible for interviewing and retaining the Company's independent accountant, considering the accounting firm's independence and effectiveness and approving the engagement fees and other compensation to be paid to the independent accountant.
2. On an annual basis, the Committee shall evaluate the independent accountant's qualifications, performance and independence. To assist in this undertaking, the Committee shall require the independent accountant to submit a report (which report shall be reviewed by the Committee) describing (a) the independent accountant's internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control review, or peer review, of the accounting firm or by any inquiry or investigations by governmental or professional authorities (within the preceding five years) respecting one or more independent audits carried out by the independent accountant, and any steps taken to deal with any such issues and (c) all relationships the independent accountant has with the Company and relevant third parties to determine the independent accountant's independence. In making its determination, the Committee shall consider not only auditing and other traditional accounting functions performed by the independent accountant, but also consulting, legal, information technology services and other professional services rendered by the independent accountant and its affiliates. The Committee shall also consider whether the provision of any of these non-audit services is compatible with the independence standards under the guidelines of the SEC and of the Independence Standards Board.
3. Approve in advance any non-audit services to be provided by the independent accountant and adopt policies and procedures for engaging the independent accountant to perform non-audit services.
4. Review on an annual basis the experience and qualifications of the senior members of the audit team. Discuss the knowledge and experience of the independent accountant and the senior members of the audit team with respect to the Company's industry. The Committee shall ensure the regular rotation of the lead audit partner and audit review partner as required by law and consider whether there should be a periodic rotation of the Company's independent accountant.
5. Review the performance of the independent accountant and terminate the independent accountant when circumstances warrant.
6. Establish and periodically review hiring policies for employees or former employees of the independent accountant.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

7. Review with the independent accountant any problems or difficulties the auditor may have encountered and any "management" or "internal control" letter provided by the independent accountant and the Company's response to that letter. Such review should include: (a) any difficulties encountered in the course of the audit work, including any restrictions on the scope of activities or access to required information and any disagreements with management; (b) any accounting adjustments that were proposed by the independent accountant that were not agreed to by the Company; (c) communications between the independent accountant and its national office regarding any issues on which it was consulted by the audit team and matters of audit quality and consistency; (d) any changes required in the planned scope of the internal audit; and (e) the responsibilities, budget and staffing of the Company's internal audit function.
8. Communicate with the independent accountant regarding (a) critical accounting policies and practices to be used in preparing the audit report, (b) alternative treatments of financial information within the parameters of GAAP that were discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the independent accountant, (c) other material written communications between the

independent accountant and management of the Company, and (d) such other matters as the SEC and Nasdaq may direct by rule or regulation.

9. Periodically consult with the independent accountant out of the presence of management about internal controls and the fullness and accuracy of the organization's financial statements.
10. Oversee the independent accountant relationship by discussing with the independent accountant the nature and rigor of the audit process, receiving and reviewing audit reports and ensuring that the independent accountant has full access to the Committee (and the Board) to report on any and all appropriate matters.
11. Discuss with the independent accountant prior to the audit the general planning and staffing of the audit.
12. Obtain a representation from the independent accountant that Section 10A of the Securities Exchange Act of 1934 has been followed.

D. INTERNAL AUDIT CONTROL MATTERS

1. Discuss with management policies with respect to risk

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

assessment and risk management. Although it is management's duty to assess and manage the Company's exposure to risk, the Committee should discuss guidelines and policies to govern the process by which risk assessment and management is handled and review the steps management has taken to monitor and control the Company's risk exposure.

2. Establish regular and separate systems of reporting to the Committee by each of management, the independent accountant and the internal auditors regarding any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.
3. Following completion of the annual audit, review separately with each of management, the independent accountant and the internal auditors any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.
4. Review with the independent accountant, the internal auditors and management the extent to which changes or improvements in financial or accounting practices have been implemented. This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Committee.
5. Advise the Board about the Company's policies and procedures for compliance with applicable laws and regulations and the Company's code(s) of conduct.
6. Establish procedures for receipt, retention and treatment of complaints and concerns regarding accounting, internal accounting controls or auditing matters, including procedures for confidential, anonymous submissions from employees regarding questionable accounting or auditing matters.
7. Periodically discuss with the chief executive officer and chief financial officer (a) significant deficiencies in the design or operation of the internal controls that could adversely affect the Company's ability to record, process, summarize and report financial data and (b) any fraud that involves management or other employees who have a significant role in the Company's internal controls.

A-5

8. Ensure that no officer, director or any person acting under their direction fraudulently influences, coerces, manipulates or misleads the independent accountant for purposes of rendering the Company's financial statements materially misleading.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

E. EVALUATION OF INTERNAL AUDITORS

1. Review activities, organizational structure and qualifications of the internal auditors.
2. Review and concur in the appointment, replacement, reassignment or dismissal of the manager of internal auditing.
3. Consider and review with management and the manager of internal auditing: (a) significant findings during the year and management's responses thereto; (b) any difficulties encountered in the course of internal audits, including any restrictions on the scope of the internal auditors' work or access to required information; (c) any changes required in the planned scope of the internal auditors' audit plan; (d) the internal auditors' budget and staffing; and (e) the internal auditors' compliance with The Institute of Internal Auditors' Standards for the Professional Practice of Internal Auditing.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent accountant.

V. ANNUAL EVALUATION PROCEDURES

The Committee shall annually assess its performance to confirm that it is meeting its responsibilities under this Charter. In this review, the Committee shall consider, among other things, (a) the appropriateness of the scope and content of this Charter, (b) the appropriateness of matters presented for information and approval, (c) the sufficiency of time for consideration of agenda items, (d) frequency and length of meetings and (e) the quality of written materials and presentations. The Committee may recommend to the Board such changes to this Charter as the Committee deems appropriate.

VI. INVESTIGATIONS AND STUDIES

The Committee shall have the authority and sufficient funding to retain special legal, accounting or other consultants (without seeking Board approval) to advise the Committee. The Committee may conduct or authorize investigations into or studies of matters within the Committee's scope of responsibilities as described herein, and may retain, at the expense of the Company, independent counsel or other consultants necessary to assist the Committee in any such investigations or studies. The Committee shall have sole authority to negotiate and approve the fees and retention terms of such independent counsel or other consultants.

VII. MISCELLANEOUS

Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the directors of the Company or members of the Committee. The purposes and responsibilities outlined in this Charter are meant to serve as guidelines rather than as inflexible rules and the Committee is encouraged to adopt such additional procedures and standards as it deems necessary from time to time to fulfill its responsibilities. This Charter, and any amendments thereto, shall be displayed on the Company's web site and a printed copy of such shall be made available to any shareholder of the Company who requests it.
