### 1. Other Events

O2Micro International Limited (NASDAQ: OIIM) announced that on March 3, 2011, a judge in the Northern District of California issued an order awarding Monolithic Power Systems, Inc., ("MPS") costs of \$339,315 in the case Monolithic Power Systems, Inc. v. O2Micro International Limited, Civil Case No. 08-04567, Northern District of California. This order is in response to MPS' motion for attorneys' fees and costs filed in June 2010 after O2Micro dismissed its case against MPS regarding certain of O2Micro's patents. The court did not award any attorneys fees in the order, and O2Micro anticipates the court will issue its final order on MPS' motion for an award of attorneys' fees in approximately sixty (60) days. Based on the current order, O2Micro reserves the right to appeal the final ruling when it is issued.
