**PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

*Introduction to Unaudited Pro Forma Consolidated Financial Statements*

On June 22, 2005, the operating partnership of the Registrant, Berkshire Income Realty OP, L.P., through its subsidiary, McNab KC 3 Limited Partnership, consummated the disposition of 100% of the fee simple interest of Windward Lakes Apartments ( Windward Lakes ), a 276 unit multifamily apartment community located in Pompano, Florida, to Bay Pompano Beach, LLC (the Buyer ). The Buyer is an unaffiliated third party. The sale price was \$34,725,000, and was subject to normal operating pro rations and adjustments as provided for in the purchase and sale agreement.

The Registrant received the proceeds from the sale of the multifamily apartment community in cash. A portion of the proceeds was used to payoff the outstanding mortgage debt on the property. The payoff of the mortgage debt was subject to a prepayment penalty in the amount of \$918,774 as provided for in the multifamily mortgage agreement in place with the lender at the time of sale. The net proceeds from the transaction are being held in a 1031 exchange account by a qualified intermediary institution in anticipation of the completion of a Section 1031 tax deferred exchange under the Internal Revenue Code of 1986, as amended.

The following unaudited pro forma consolidated financial statements give effect to the sale by the Registrant of 100% of the fee simple interest of Windward Lakes. The unaudited pro forma consolidated balance sheet as of March 31, 2005 presents the financial position of the Registrant as if the sale of Windward Lakes, which occurred subsequent to March 31, 2005, had occurred on March 31, 2005. The unaudited pro forma consolidated statements of operations for the three months ended March 31, 2005 and for the year ended December 31, 2004 reflect the results of operations of the Registrant as if the sale of Windward Lakes had been completed as of January 1, 2004.

These unaudited pro forma consolidated financial statements do not represent the Registrant's financial condition or results of operations for any future date or period. Actual future results could be materially different from these pro forma results. The unaudited pro forma consolidated financial statements should be read in conjunction with the audited consolidated financial statements of the Registrant and the related management's discussion and analysis of financial condition and results of operations included in our Form 10-K for the year ended December 31, 2004.
