Pearson plc (the "Company")

Notification of Directors' and PDMRs' Interests

Long-Term Incentive Plan

In 2001, the Company established the Pearson Long-Term Incentive Plan (the "LTIP"). Its purpose is to link management's long-term reward with Pearson's financial performance and returns to shareholders. Since 2006, the annual LTIP awards have been based around three performance measures: relative total shareholder return, return on invested capital and earnings per share growth. The LTIP was renewed and approved by shareholders in 2011. The operation of the LTIP is governed by the remuneration policy approved by shareholders at the Annual General Meeting on 25 April 2014.

2016 Award

On 3 May 2016, the Company made a grant of performance-related restricted shares to executive directors and other members of the Pearson Executive under the LTIP. This represents the company's annual grant of long-term incentives to executive directors and other members of the Pearson Executive for 2016.

The awards will vest on 3 May 2019 as follows:

- a) one-half of the award will be based on Pearson's earnings per share in 2018;
- b) one-third of the award will be based on Pearson's return on invested capital in 2018; and
- c) one-sixth of the award will be based on Pearson's total shareholder return performance relative to the constituents of the FTSE World Media Index over the three-year period 1 January 2016 to 31 December 2018

Subject to meeting the performance conditions in full, and the retention of shares that vest on 3 May 2019 for a further two years, the maximum number of shares that John Fallon, CEO, may receive is: 383,000 and the maximum number of shares that Coram Williams, CFO, may receive is: 222,000.

The awards are consistent with the remuneration policy approved by shareholders at the Annual General Meeting on 25 April 2014 and were made on the following basis:

Name	Title	Restricted shares awarded	Share price on date of award	Face value on date of award
