MANITEX INTERNATIONAL, INC.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of Manitex International, Inc., a Michigan corporation (the Company or Manitex), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders to be held on June 2, 2010 and at any adjournments thereof. The Annual Meeting has been called to consider and vote upon (1) the election of five Directors, (2) the ratification of the appointment of UHY LLP as our independent public accountants for fiscal 2010, and (3) such other business as may properly come before the Annual Meeting or any adjournment(s) thereof. This Proxy Statement and the accompanying Proxy are being sent to Stockholders on or about April 29, 2010.

Persons Making the Solicitation

The enclosed Proxy is solicited on behalf of our Board of Directors. The original solicitation will be by mail. Following the original solicitation, the Board of Directors expects that certain individual Stockholders will be further solicited through telephone or other oral communications from the Board of Directors. The Board of Directors does not intend to use specially engaged employees or paid solicitors. The Board of Directors intends to solicit Proxies for shares which are held of record by brokers, dealers, banks or voting trustees, or their nominees, and may pay the reasonable expenses of such record holders for completing the mailing of solicitation materials to persons for whom they hold shares. All solicitation expenses will be borne by the Company.

Terms of the Proxy

The enclosed Proxy indicates the matters to be acted upon at the Annual Meeting and provides boxes to be marked to indicate the manner in which the Stockholder's shares are to be voted with respect to such matters. By appropriately marking the boxes, a Stockholder may specify whether the proxy holder shall vote for or against or shall be without authority to vote the shares represented by the Proxy. The Proxy also confers upon the proxy holder discretionary voting authority with respect to such other business as may properly come before the Annual Meeting.

If the Proxy is executed properly and is received by the proxy holder prior to the Annual Meeting, the shares represented by the Proxy will be voted. Abstentions and broker non-votes will be included in determining whether a quorum is present at the meeting, but will not otherwise affect the outcome of any vote. Where a Stockholder specifies a choice with respect to the matter to be acted upon, the shares will be voted in accordance with such specification. Except as set forth below, any Proxy which is executed in such a manner as not to withhold authority to vote for the election of the specified nominees as Directors (see Matters To Be Acted Upon Proposal 1: Election of Directors) shall be deemed to confer such authority. **Because of a change in New York Stock Exchange rules, we note that, unlike at previous annual meetings, your broker will NOT be able to vote your shares with respect to the election of Directors if you have not provided directions to your broker. We therefore strongly encourage you to submit your Proxy and exercise your right to vote as a Stockholder.**

A Proxy may be revoked at any time prior to its exercise by giving written notice of the revocation thereof to David H. Gransee, Secretary, 7402 W. 100th Place, Bridgeview, Illinois 60455, by attending the meeting and electing to vote in person, or by a duly executed Proxy bearing a later date.

VOTING RIGHTS AND REQUIREMENTS

Voting Securities

The securities entitled to vote at the Annual Meeting consist of all of our outstanding shares of common stock, no par value per share (Common Stock). The close of business on April 15, 2010 has been fixed by our Board of Directors as the record date. Only Stockholders of record as of the record date may vote at the Annual Meeting. As of April 15, 2010, there were approximately 11,371,457 outstanding shares of Common Stock entitled to vote at the Annual Meeting. Each Stockholder will be entitled to one vote on each matter considered at the Annual Meeting for each outstanding share of Common Stock owned by such Stockholder as of the record date.

Quorum

The presence at the Annual Meeting of the holders of record of a number of shares of Common Stock and Proxies representing the right to vote shares of the Common Stock in excess of one-half of the number of shares of the Common Stock outstanding and entitled to vote as of the record date will constitute a quorum for transacting business.

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, each share of Common Stock subject to options held by that person that will become exercisable within sixty (60) days of April 15, 2010 is deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. These percentages were calculated using the 11,371,457 shares of Common Stock outstanding on April 15, 2010.

- (3) Based solely on a Schedule 13G filed with the SEC on February 17, 2010. First Wilshire Securities Management, Inc. - (1) Represents shares available for issuance under our Second Amended and Restated 2004 Equity Incentive Plan.
- (2) On June 18, 2007, we issued a warrant to purchase 15,000 shares of our Common Stock to Hayden Communications, Inc. (Hayden) as compensation for the services to be provided by Hayden to us pursuant to that certain Investor Relations Consulting Agreement, dated June 15, 2007, between us and Hayden. The warrant became exercisable on June 15, 2008 and will expire on June 15, 2011. The warrant may be exercised for cash or, under certain circumstances, on a cashless basis. The number of shares of our Common Stock that may be acquired by Hayden upon exercise of the warrant is limited to the extent necessary to insure that, following such exercise, the total number of shares of Common Stock then beneficially owned by Hayden and its affiliates does not exceed 9.99% of the total number of issued and outstanding shares of our Common Stock. Under certain circumstances, we may require Hayden to exercise the unexercised portion of the warrant. Additionally, in the event that a fundamental transaction (such as a merger, a sale of all or substantially all of our assets, a tender offer, an exchange offer, a reclassification of our Common Stock or a compulsory share exchange) occurs while the warrant is outstanding, Hayden will have the right to receive, upon exercise of the warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such fundamental transaction if it had been, immediately prior to such fundamental transaction, the holder of the number of shares of our Common Stock then issuable upon exercise in full of the warrant.

MATTERS TO BE ACTED UPON
PROPOSAL 1: ELECTION OF DIRECTORS**Directors**

The nominees for the Board of Directors are set forth below. Our bylaws provide for the annual election of Directors and grant the Board the power to set the number of Directors at no less than one (1) and no more than six (6). The size of our Board is currently set at five (5) Directors and each Director position will be filled by election at the Annual Meeting to be held on June 2, 2010.

Five (5) persons have been nominated by the Board of Directors to serve as Directors until the 2011 Annual Meeting of Stockholders. The Board of Directors recommends that each nominee, Robert S. Gigliotti, David J. Langevin, Terrence P. McKenna, Marvin B. Rosenberg and Stephen J. Tober, be elected to serve until the 2011 Annual Meeting of Stockholders. Information on the background and qualification of the nominees is set forth below.

The Board knows of no reason why any nominee for Director would be unable to serve as a Director. In the event that any of them should become unavailable prior to the Annual Meeting, the Proxies will be voted for a substitute nominee or nominees designated by the Board of Directors, or the number of Directors may be reduced accordingly. In no event will the Proxies be voted for more than five (5) persons.

Vote Required

The favorable vote of a plurality of the shares of Common Stock present in person or by proxy at the Annual Meeting is required for the election of each nominee for Director. **THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR EACH OF THE NOMINEES LISTED BELOW.**

Mr. Gransee received his Bachelor of Science degree in Accounting from DePaul University.

Board Leadership Structure and Role in Risk Oversight

Mr. Langevin serves as both the Chairman of our Board of Directors and the Chief Executive Officer of our company. We have determined that this leadership structure is appropriate because:

It promotes unified leadership and direction for our company;

It allows for a single, clear focus for management to execute our company's strategic initiatives and business plans;

The Chief Executive Officer is in the best position to chair Board meetings and to ensure that the key business issues and risks facing our company are brought to the Board's attention; and

We believe that we can more effectively execute our strategy and business plans to maximize stockholder value if the Chairman of the Board is also a member of the management team.

We do not currently have a lead independent director.

Risk Oversight

Our Board of Directors has oversight responsibility for the Company's risk management process. The Board administers its oversight function through its committees, but retains responsibility for general oversight of risks. The committee chairs are responsible for reporting findings regarding material risk exposure to the Board as quickly as possible. The Board has delegated to the Audit Committee oversight responsibility to review our major financial risk exposures and management's financial risk management process, including the policies and guidelines used by management to identify, assess and manage the Company's exposure to financial risk. Our Committee on Directors and Board Governance monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Board of Directors Meetings and Committees

The Board of Directors manages and directs the management of the business of our company. During the fiscal year ended December 31, 2009, there were four meetings of the Board of Directors. All of our Directors attended all of the meetings of the Board and the Board committees on which they served during 2009.

Our Directors are expected to attend Annual Meetings of Stockholders except where attendance is impractical due to illness or unavoidable scheduling conflicts. The 2009 Annual Meeting of Stockholders was attended by all of our then-current Directors.

The Board has established three (3) standing committees—the Compensation Committee, the Audit Committee, and the Committee on Directors and Board Governance. The principal functions of these committees are briefly

described below. The charters of the Compensation, Audit, and Directors and Board Governance Committees are posted in the Investor Relations section of our website, www.manitexinternational.com, and paper copies will be provided upon request to the office of the Secretary, Manitex International, Inc., 7402 W. 100th Place, Bridgeview, Illinois 60455.

Corporate Governance

The Board of Directors has determined that four of our five directors are independent under NASDAQ Rule 5605(a)(2). These independent directors are: Robert S. Gigliotti, Terrence P. McKenna, Marvin B. Rosenberg and Stephen J. Tober. Each of the directors serving on the Compensation Committee, the Audit Committee, and the Committee on Directors and Board Governance are also independent under the NASDAQ independence standards applicable to members of such committees.

Compensation Committee

In general, the Compensation Committee reviews and makes recommendations regarding the compensation of our executive officers and certain other management staff. In addition, our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

The Compensation Committee approves the compensation provisions set forth in employment agreements of the Company's named executive officers. The committee also approves bonus and equity awards, and establishes performance objectives. The Compensation Committee evaluates the performance of our Chief Executive Officer and determines his compensation based on this evaluation. With respect to the other named executive officers, the committee considers the Chief Executive Officer's input as to performance evaluations and recommended compensation arrangements. The compensation of all named executive officers is subject to the final approval of the committee.

The current members of the Compensation Committee are Robert S. Gigliotti (Chairman), Terrence P. McKenna, Marvin B. Rosenberg and Stephen J. Tober. The members of the Compensation Committee are independent directors as that term is defined in NASDAQ Rule 5605(a)(2). The Compensation Committee met two times during the year ended December 31, 2009.

Audit Committee

The Audit Committee, which was established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, assists the Board in monitoring (1) the integrity of our financial statements; (2) the independent auditor's qualifications and independence; (3) the performance of our internal control function and independent auditors; and (4) our compliance with legal and regulatory requirements. In addition, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures.

The current members of the Audit Committee are Robert S. Gigliotti, Terrence P. McKenna (Chairman) and Stephen J. Tober. The members of the Audit Committee are independent directors as that term is defined in NASDAQ Rule 5605(a)(2), NASDAQ Rule 5605(c)(2)(A), and Rule 10A-3 as promulgated under the Securities Exchange Act of 1934, as amended. The Board of Directors has determined that Mr. Gigliotti is an audit committee financial expert as defined by Item 407(d)(5)(ii) of Regulation S-K. The Audit Committee met four times during the year ended December 31, 2009.

Committee on Directors and Board Governance

The Committee on Directors and Board Governance reviews the performance of our Directors, makes recommendations for new Directors, and evaluates and makes recommendations regarding our governance practices. The Committee on Directors and Board Governance will consider nominees recommended by Stockholders provided such recommendations are made in accordance with the procedures described in this

Proxy Statement below under Procedure for Stockholder Recommendations to the Committee on Directors and Board Governance for Potential Director Nominees and under Stockholder Proposals. In addition, our Committee on Directors and Board Governance monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper conduct.

The current members of the Committee on Directors and Board Governance are Robert S. Gigliotti, Terrence P. McKenna and Marvin B. Rosenberg (Chairman). The Committee on Directors and Board Governance met one time during the year ended December 31, 2009.

Principal Functions

The principal functions of the Committee on Directors and Board Governance are to:

consider and recommend to the Board qualified candidates for election as directors of our company;

periodically prepare and submit to the Board for adoption the Committee's selection criteria for directors nominees;

recommend to the Board and management a process for new Board member orientation;

consider matters of corporate governance and Board practices and recommend improvements to the Board;

review periodically our articles of incorporation and bylaws in light of statutory changes and current best practices;

review periodically the charter, responsibilities, membership and chairmanship of each committee of the Board and recommend appropriate changes;

review Director independence, conflicts of interest, qualifications and conduct and recommend to the Board removal of a Director when appropriate; and

annually assess the Committee's performance.

Nominating Procedures

The Board has adopted membership guidelines that outline the desired composition of the Board and the criteria to be used in selecting directors. These guidelines provide that the Board should be composed of directors with a variety of experience and backgrounds, who have high-level managerial experience in a complex organization and who represent the balanced interests of stockholders as a whole rather than those of special interest groups. Other important factors in Board composition include diversity, age, international background and experience and specialized expertise. A significant majority of the Board should be Directors who are not our past or present employees or significant stockholders, customers or suppliers.

In considering candidates for the Board, the Committee on Directors and Board Governance considers the entirety of each candidate's credentials and does not have any specific, minimum qualifications that must be met by a Board nominee. The Committee is guided by the composition guidelines set forth above and by the following basic selection criteria: highest character, integrity and experience.

The Committee on Directors and Board Governance will consider written recommendations from stockholders for potential nominees for director that are made in accordance with the procedure set forth below. The committee will apply the same criteria to all candidates it considers, including any candidates submitted by stockholders. The committee evaluates each incumbent director to determine whether he or she should be nominated to stand for re-election, based on the types of criteria outlined above as well as the director's contributions to the board during their current term.

Procedure for Stockholder Recommendations to the Committee on Directors and Board Governance for Potential Director Nominees

The Committee on Directors and Board Governance will consider written recommendations from stockholders for potential nominees for director. The names of suggested nominees, together with the information set forth below, should be submitted for consideration in accordance with the directions for proposals to be considered for inclusion in the Company's proxy materials described in the section below entitled

Stockholder Proposals. Timely nominations will be considered but may not be part of the slate nominated by our Board of Directors and, accordingly, would not be included in our proxy materials.

In order to be a valid submission for recommendation to the Committee on Directors and Board Governance for a potential nominee, the form of recommendation must set forth:

Biographical information about the candidate and a statement about his or her qualifications;

Any other information required to be disclosed about the candidate under the Securities and Exchange Commission's proxy rules (including the candidate's written consent to being named in the proxy statement and to serve as a director, if nominated and elected); and

TEMPORARY SALARY REDUCTIONS

Beginning September 2008, the United States and world financial markets came under unprecedented stress. The immediate impact was a dramatic decrease in liquidity and credit availability throughout the world. An incredibly rapid and significant deterioration in economic conditions, especially in the United States and Europe, followed. These events had an immediate and significant adverse impact on the Company, including a very dramatic curtailment of new orders and requests to delay deliveries and, in some cases, to cancel existing orders. See the Management's Discussion and Analysis of Financial Conditions and Results of Operations sections in the Company's December 31, 2008 and December 31, 2009 Annual Reports on Form 10-K filed with Securities and Exchange Commission for additional details.

Since the end of the third quarter of 2008, the Company has implemented across the board cost reductions. As part of the ongoing cost reduction program, Mr. Langevin, Mr. Rooke and Mr. Gransee voluntarily reduced their base salaries on a temporary basis. On February 1, 2009, Mr. Langevin, Mr. Rooke and Mr. Gransee's base salaries were decreased by 20%, 10% and 10%, respectively. On March 16, 2009, these executive officers voluntarily reduced their base salaries by another 10%. Following these reductions, Mr. Langevin, Mr. Rooke and Mr. Gransee's temporarily reduced annual base salaries for 2009 were \$252,000, \$222,750 and \$162,000, respectively.

In January 2010 and again in April 2010, the annual base salaries to be paid to Mr. Langevin, Mr. Rooke and Mr. Gransee were increased (from their reduced levels) to approximately \$315,000, \$247,500, and \$180,000, respectively. The actual annual base salaries for Mr. Langevin, Mr. Rooke and Mr. Gransee in 2010 will be slightly less than the foregoing amounts, as these amounts have been annualized.

If a named executive officer's service terminates for any other reason during the restriction period, all shares of restricted stock still subject to restriction will be forfeited, unless our Compensation Committee determines that it is in our best interest to waive the restrictions.

If a named executive officer is employed by the Company immediately prior to a change of control of the Company, his restricted stock will become fully vested on the date of the change of control.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

The employment agreements with our named executive officers provide for payments to such executive officers upon voluntary termination, involuntary termination without just cause; non-renewal by us of a named executive officer's employment agreement, just cause termination, termination following a change in control, and in the event of permanent disability of the executive. Such amounts payable to each executive officer are described below assuming that each event triggering payment occurred on December 31, 2009.

The following assumptions were made in estimating the payments set forth below: (1) termination payment of accrued unpaid base salary is calculated assuming a full pay period (this payment may be less, depending upon where the termination date falls within the pay period); (2) the value of post-termination health, dental and life insurance is estimated to be \$1,200 per month; and (3) accrued and unused vacation is assumed to be the annual maximum of four weeks. In addition, the tables below do not reflect any voluntary decreases in annual base salary, as such decreases do not affect the Company's obligation under the executive employment agreements.

The employment agreements for our named executive officers define "change of control" as:

- (1) the sale or other transfer of more than 50% of the ownership interests of the Company to one or more non-affiliated corporations, persons or other entities,
- (2) the merger or consolidation of the Company with another non-affiliated corporation, person or entity such that the shareholders of the Company, immediately preceding the merger or consolidation own less than 50% of the person or other entity surviving the merger or consolidation,
- (3) the failure of the Company to assign such employment agreement to a successor,
- (4) a majority of the members of the Board of Directors of the Company on the date of the employment agreement (each a "Current Director") cease to be members of the Board of Directors of the Company, provided that any director recommended by a majority of the Current Directors as a successor of a Current Director shall be deemed to be a Current Director, and
- (5) the sale, merger or other transfer of all or substantially all of the Company's consolidated assets to one or more non-affiliated corporations, persons or other entities.

The employment agreements for our named executive officers define "just cause" as:

- (1) employee's admission of, or conviction of any act of fraud, embezzlement or theft against the Company or any of its subsidiaries;
- (2) employee's plea of guilty or of no contest with respect to, admission of, or conviction for, a felony or any crime involving moral turpitude, fraud, embezzlement, theft or misappropriation;
- (3) employee's violation of the confidentiality, ownership of inventions, and non-competition provisions set forth in the employment agreement;
- (4) employee's misappropriation of the Company's or any of its subsidiaries' funds or a corporate opportunity by employee;
- (5)

Edgar Filing: Manitex International, Inc. - Form DEF 14A

employee's negligence, willful or reckless conduct that has brought or is reasonably likely to bring the Company or any of its subsidiaries into public disgrace or disrepute or which has had or is reasonably likely to have a materially adverse effect on the Company's business;

(6) any violation by employee of any statutory or common law duty of loyalty to the Company or any of its subsidiaries;

(7) alcohol or substance abuse by employee that interferes with the performance of employee's duties; or

(8) any other material breach by employee of his employment agreement; provided that the reasons described in clauses (3), (6), (7) and (8) are subject to giving the employee notice and an opportunity to correct such behavior.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of securities ownership and changes in such ownership with the SEC. Officers, directors and greater than 10% beneficial owners are also required by rules promulgated by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to us and/or written representations that no Form 5 filings were required, we believe that, except as described below, during the period from January 1, 2009 through December 31, 2009, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with on a timely basis.

On October 1, 2008 and October 1, 2009, Andrew Rooke satisfied his tax withholding obligations upon the vesting of his restricted stock awards by having us withhold 817 shares of restricted stock and 854 shares of restricted stock, respectively. Through inadvertence, the Form 4's reporting these two share dispositions were not timely filed. A Form 4 disclosing these two share dispositions has subsequently been filed.

On October 1, 2008 and October 1, 2009, David Gransee satisfied his tax withholding obligations upon the vesting of his restricted stock awards by having us withhold, on each date, 613 shares of restricted stock. Through inadvertence, the Form 4's reporting these two share dispositions were not timely filed. A Form 4 disclosing these two share dispositions has subsequently been filed.

Code of Ethics

We have adopted a code of ethics applicable to our principal executive officer and principal financial and accounting officer, in accordance with Section 406 of the Sarbanes-Oxley Act of 2002, the rules of the SEC promulgated thereunder, and the NASDAQ rules. The code of ethics also applies to all of our employees as well as our Board of Directors. In the event that any changes are made or any waivers from the provisions of the code of ethics are made, these events would be disclosed on our website or in a report on Form 8-K within four business days of such event. The code of ethics is posted on our website at www.manitexinternational.com. Transactions with Related Persons

Discussed below are certain direct and indirect relationships and transactions involving our company and certain of our Directors, executive officers, nominees for Director, beneficial owners of more than five percent of our Common Stock and members of the immediate families of the foregoing. We believe that the terms of the following transactions are comparable to terms that would have been reached by unrelated parties in arms-length transactions.

Transactions with GT Distribution, Inc.

We purchase parts from and sell parts to GT Distribution, Inc. (*GT Distribution*) through our Manitex and Manitex Lifting subsidiaries. Prior to October 6, 2008, GT Distribution had three operating subsidiaries: Crane & Machinery, Inc., Schaeff Lift Truck, Inc., and BGI USA, Inc. (*BGI*). BGI is a distributor of assembly parts used to manufacture various types of lifting equipment. Crane & Machinery, Inc. distributes Terex and Manitex cranes, and services and sells replacement parts for most brands of light duty and rough terrain cranes. Schaeff Lift Truck, Inc. manufactures electric forklifts and has a 100% owned subsidiary domiciled in Bulgaria, SL Industries, Ltd.

On October 6, 2008, we completed the acquisition of substantially all of the domestic assets of Schaeff Lift Truck, Inc. (*Schaeff*) and Crane & Machinery, Inc. (*Crane*, together with Schaeff, the *Sellers*) pursuant to an Asset Purchase Agreement (the *Purchase Agreement*) with the Sellers and their parent company, GT Distribution. We did not acquire Schaeff's Bulgarian subsidiary, SL Industries, Ltd. The aggregate consideration paid in connection with this acquisition was \$3,684,000 consisting of (1) 269,378 shares of our Common Stock valued at \$867,000, (2) a promissory note for \$2,000,000 payable to Terex Corporation (the *Terex Note*), and (3) payment of \$751,000 to pay off Crane's line of credit.

In 2008, David J. Langevin, our Chairman and Chief Executive Officer owned 38.8% of the membership interests of GT Distribution. Accordingly, the dollar value of Mr. Langevin's interest in the above-described transaction was approximately \$1,429,392. Due to the related-party aspects of this transaction, the Purchase Agreement and the transactions contemplated thereby were approved by a committee of our independent Directors (the *Special Committee*) and the Audit Committee of our Board of Directors. The Special Committee also received a fairness opinion from an independent financial advisory firm that the consideration to be paid by us pursuant to the Purchase Agreement to acquire the Sellers' assets and liabilities, including the shares of our Common Stock issued in the transaction, was fair from a financial point of view. In January 2009, Mr. Langevin assigned his ownership interest in GT Distribution to an employee of our company. As a result, Mr. Langevin no longer has an ownership interest in GT Distribution.

The Terex Note bears interest at an annual rate of 6%. We granted Terex a lien on and security interest in all of the assets of our Crane & Machinery Division, as security for the Terex Note. We are required to make annual principal payments to Terex of \$250,000 commencing on March 1, 2009 and on each year thereafter through March 1, 2016. So long as the Company's common stock is listed for trading on NASDAQ or another national stock exchange, we may opt to pay up to \$150,000 of each annual principal payment in shares of our common

stock, subject to attaining shareholder approval if we issue more than 2,059,725 shares to Terex, in the aggregate. Accrued interest under the Terex Note is payable quarterly commencing on January 1, 2009. The largest aggregate amount of principal outstanding on the Terex Note in 2008 was \$2,000,000.

All transactions with Crane and Schaeff that occurred before October 6, 2008 were related party transactions. Transactions with GT Distribution and the subsidiaries that GT Distribution continues to own (BGI and SL Industries) were related party transactions until January of 2009.

Although we do not independently verify the cost of the parts purchased from and sold to GT Distribution, we believe the terms of such purchases and sales were at least as favorable to us as the terms we could obtain from a third party. In 2008, we had sales to and purchases from GT Distribution and its subsidiaries of \$575,000 and \$1,848,000, respectively. The dollar value of Mr. Langevin's interest in these purchases and sales was approximately \$223,100 and \$717,024, respectively.

Exchange Agreement with Related Parties

On May 2, 2008, we entered into an Exchange Agreement (the "Exchange Agreement") with David Langevin, our Chairman and Chief Executive Officer, Robert Skandalaris, the beneficial owner of more than 5% of our outstanding Common Stock, and certain other individuals (the "Holders"). The Exchange Agreement contemplated the exchange of a Non-Negotiable Subordinated Promissory Note, dated July 3, 2006, which was entered into in connection with our acquisition of the membership interests of Quantum Value Management, LLC, for shares of our common stock and a cash payment of accrued and unpaid interest. As of the date of the Exchange Agreement, the principal amount outstanding under the note was approximately \$1,072,000 and the total amount of accrued and unpaid interest was approximately \$5000. Pursuant to the Exchange Agreement, we paid \$5000, in cash, and issued 211,074 shares of our common stock, in the aggregate, to the Holders. The terms of the Exchange Agreement also provided the Holders with "piggy-back" registration rights for the shares issued to them pursuant to the Exchange Agreement. Due to the related-party aspect of this transaction, the Exchange Agreement and the transactions contemplated by the Exchange Agreement were approved by the Audit Committee of our Board of Directors. The dollar value of Mr. Langevin's interest in the transaction was approximately \$418,500, and the dollar value of Mr. Skandalaris' interest in the transaction was approximately \$418,500.

Lease of Georgetown Facility

We lease our Georgetown, Texas manufacturing facility from an entity owned by Robert Skandalaris, the beneficial owner of more than 5% of our outstanding Common Stock. This lease is for a term of 12 years, which expires in April of 2018. Pursuant to the terms of the lease, we made monthly lease payments of approximately \$70,000 in 2008 and \$69,000 in 2009. We are also responsible for all of the associated operating expenses of the facility including, insurance, property taxes and repairs. Under the lease, the monthly rent is adjusted annually by the lesser of the increase in the Consumer Price Index or 2%. The dollar value of Mr. Skandalaris' interest in the lease transaction was approximately \$828,000 in each of 2008 and 2009. We have assumed for the purpose of calculating Mr. Skandalaris' interest in the lease transaction, that he and his affiliates own 100% of the equity interests of the entity that is a party to such transaction.

Approval Process

Transactions involving related persons are approved, or ratified if pre-approval is not feasible, by our Audit Committee, which approves or ratifies the transaction only if our Audit Committee determines that it is in the best interests of our stockholders. In considering the transaction, our Audit Committee considers all relevant factors, including, as applicable (i) the business rationale for entering into the transaction; (ii) available alternatives to the transaction; (iii) whether the transaction is on terms no less favorable than terms generally available to an unrelated third party under the same or similar circumstances; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction. Our Audit Committee also periodically monitors ongoing transactions involving related persons to ensure that there are no changed circumstances that would render it advisable to amend or terminate the transaction.

DIRECTOR COMPENSATION

Directors who are employees of the Company receive no compensation, as such, for their service as members of the Board. In calendar year 2009, pursuant to the Non-Employee Director Plan, Directors who were not employees of the Company received \$6,250 per fiscal quarter. All Directors are reimbursed for expenses incurred in connection with attendance at meetings. In addition, non-employee Directors are eligible to participate in the Company's Second Amended and Restated 2004 Equity Incentive Plan.

The following table sets forth information regarding the compensation received by each of our non-employee Directors during the year ended December 31, 2009:

	Paid in Cash	Stock Awards					
	(\$)	(\$)	(\$)	(\$)	(\$)	(\$)	(\$)
Robert S. Gigliotti	\$ 25,000						\$ 25,000
Terrence P. McKenna	\$ 25,000						\$ 25,000
Marvin B. Rosenberg	\$ 25,000					\$ 36,000(1)	\$ 61,000
Stephen J. Tober	\$ 25,000						\$ 25,000

(1) Represents a \$3,000 monthly consulting fee paid to Mr. Rosenberg for services provided to the Company.

Meetings of Non-Employee Directors

The non-employee directors of the Board typically meet in executive session without management present either prior to or immediately following each scheduled Board Meeting, and as otherwise needed. When the non-employee directors of the Board or respective committees meet in executive session without management, a temporary chair is selected from among the directors to preside at the executive session.

Tax Fees. These fees relate to federal, state and foreign tax compliance services, including preparation, compliance, advice and planning.

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy which requires the Audit Committee's pre-approval of audit and non-audit services performed by the independent auditor to assure that the provision of such services does not impair the auditor's independence. The policy authorizes the Committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

Except as set forth below, all engagements for audit, non-audit and tax services rendered by UHY for fiscal year 2008 and 2009 were pre-approved in accordance with the Audit and Non-Audit Services Pre-Approval Policy. The pre-approval requirement was waived under the de minimus exception for 45% of the total Tax Fees for fiscal year 2009, which exception is described in our Audit and Non-Audit Services Pre-approval Policy and applicable rules and regulations of the Securities and Exchange Commission.

Leased Employees. UHY acts as our principal independent public accounting firm. Through December 31, 2009, UHY had a continuing relationship with Advisors from which it leased auditing staff who were full time, permanent employees of Advisors and through which UHY's partners provide non-audit services. UHY has only a few full time employees. Therefore, few, if any, of the audit services performed were provided by permanent full-time employees of UHY. UHY manages and supervises the audit services and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

Audit Committee Report

The Audit Committee report set forth below shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Audit Committee Report. Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors. In this context, the Audit Committee has reviewed and discussed with management the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 114 (The Auditor's Communication with those Charged with Governance). In addition, the Audit Committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with them their independence from the Company and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of other non-audit services to the Company is compatible with the auditor's independence. Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009 for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or fairness of the audited financial statements.

Sincerely,

ROBERT S. GIGLIOTTI
