**(Title of Class)**

**Item 1. Description of Registrant's Securities to be Registered.**

The following description of capital stock is a summary and is qualified by reference to the Registrant's certificate of incorporation and bylaws, which are exhibits that are incorporated herein by reference.

***Voting Rights***

Except as described below or as required by law, the holders of the Registrant's Class A Common Stock, par value \$0.001 per share (the **Class A Common Stock**), will be entitled to one vote per share on all matters to be voted on by stockholders and shall vote together as a single class. Holders of Class A Common Stock will not be entitled to cumulative voting rights, and, accordingly, the holders of a majority of the shares voting for the election of directors may be able to elect the entire Board of Directors (except for the limitation described in the section below entitled **Class B Common Stock**) and, in that event, the holders of the remaining shares will not be able to elect any person to the Board. Amendments to the Registrant's certificate of incorporation that would alter or change the powers, preferences or special rights of any class of its Common Stock, so as to affect the holders of such class adversely, must be proposed in a resolution adopted by the Board declaring its advisability, and must be approved by a majority of the votes entitled to be cast by the holders of the shares affected by the amendment, voting as a separate class.

***Classification of the Board***

The Board (other than directors elected by holders of any series of Preferred Stock, as defined below) will be divided into three classes, designated Class I, Class II and Class III, which will be as nearly equal in number as possible. Directors of Class I will hold office for an initial term expiring at the annual meeting of stockholders to be held in 2011. Directors of Class II will hold office for an initial term expiring at the annual meeting of stockholders to be held in 2012. Directors of Class III will hold office for an initial term expiring at the annual meeting of stockholders to be held in 2013. Subject to the provisions in the certificate of incorporation with respect to the filling of vacancies on the Board and the removal of directors, at each annual meeting of stockholders, the respective successors of the directors whose terms are then expiring will be elected for terms expiring at the annual meeting of stockholders held on the third anniversary thereof.

***Merger or Consolidation***

In the event of a merger or consolidation of the Registrant with or into another company in connection with which shares of Common Stock are converted into or exchangeable for shares of stock, other securities or property (including cash), all holders of the Registrant's Common Stock will be entitled to receive the same kind and amount of shares of stock, other securities or property (including cash).

***Preferred Stock***

The Board has the authority, without action by the stockholders, to designate and issue preferred stock, par value \$0.001 per share ( **Preferred Stock** ), in one or more series and to designate the rights, preferences and privileges of each series, such as dividend rates, dividend rights, liquidation preferences, voting rights and the number of shares constituting any series and designation of such series, which may be greater than the rights of the Common Stock. It is not possible to state the actual effect of the issuance of any shares of Preferred Stock upon the rights of holders of the Common Stock until the Board determines the specific rights of the holders of such Preferred Stock. However, the effects may include, among other things:

restricting dividends of the Common Stock;

impairing the liquidation rights of the Common Stock; or

delaying or preventing a change of control of the Registrant without further action by the stockholders.

***Class B Common Stock***

The rights evidenced by, or amounts payable with respect to, the Class A Common Stock may be materially limited or qualified by the rights of the holders of the Registrant's Class B Common Stock, par value \$0.001 per share ( **Class B Common Stock** ). With respect to voting, the holders of Class B Common Stock, acting as a separate class, shall be entitled to vote (or provide written consent) for up to two directors to the Board, in which case the holders of the Class A Common Stock would vote for all other directors.
