Explanatory Note - This current report on Form 8-K/A amends the current report on Form 8-K (the Original Form 8-K) furnished by Zumiez Inc. (the Company) on August 19, 2010. The Original Form 8-K reported the Company s issuance of a press release announcing its financial results for its fiscal quarter ended July 31, 2010. As disclosed below, the Company has reached a tentative agreement to settle a previously disclosed lawsuit and as a result, the Company has revised the financial results that were reported in the Original Form 8-K to record a \$2.1 million liability for the potential settlement.

The sole purpose of this amendment to the Original Form 8-K is to furnish the revised financial results for the fiscal quarter ended July 31, 2010 incorporating the tentative settlement agreement.

Item 2.02. Results of Operations and Financial Condition

On September 1, 2010, Zumiez Inc. issued revised financial results for the fiscal quarter ended July 31, 2010, which are attached to this report as Exhibit 99.1.

The Company reached agreement on basic settlement terms to resolve a previously disclosed lawsuit (Chandra Berg et al. v. Zumiez Inc., Case No. BC408410, Los Angeles Superior Court, filed February 25, 2009; the Lawsuit) related to certain California wage and hour laws. The Lawsuit is similar to numerous lawsuits filed against retailers and others with operations in California. Although the Company believes that the allegations in the Lawsuit lack merit, it has agreed to a mediator s proposal to settle the claims in the Lawsuit to avoid significant legal fees, other expenses and management time that would have to be devoted to protracted litigation.

Because this latest development occurred before the Company filed its Quarterly Report on Form 10-Q for its fiscal quarter ended July 31, 2010, the Company revised its previously announced financial results and recorded a liability for the potential settlement involving the Company. The Form 10-Q report for the Company s fiscal quarter ended July 31, 2010 was filed on September 1, 2010.

The settlement agreement, which is subject to final documentation and court approval, is expected to cost the Company approximately \$2.1 million. If the settlement is approved by the court, it is expected to dispose of the claims. The proposed settlement covers California exempt and non-exempt employees during the period from February 25, 2005 to present.

As a result of the liability recorded, the Company s operating loss for the fiscal quarter ended July 31, 2010 has been increased by \$2.1 million from the amount previously reported in the Original Form 8-K furnished by Zumiez on August 19, 2010 to \$2.4 million. The Company s net income has been reduced by \$1.3 million from the amount previously reported in the Original Form 8-K to a net loss of \$1.2 million, and the Company s diluted earnings per share have been reduced by \$0.04 from the amount previously reported in the Original Form 8-K to a diluted loss per share of \$0.04. The Company did not adjust its fiscal 2010 outlook including its guidance for the fiscal quarter ended October 30, 2010.
