**Item 8.01 Other Events**

Online Resources Corporation (the Company) is the defendant in a civil action lawsuit styled, *Kent D. Stuckey v. Online Resources Corporation*, Case No. 2:08-CV-1188, brought against the Company in U.S. District Court for the Southern District of Ohio, Eastern Division. This lawsuit was filed on December 19, 2008 by Mr. Stuckey, the former Chief Executive Officer and Chairman of Internet Transaction Solutions, Inc. (ITS), alleging certain claims in connection with the Company's acquisition of ITS in August 2007. The plaintiff brought this suit in a representative capacity on behalf of all former ITS stockholders.

As previously reported in the Company's Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission dated November 13, 2012, the trial judge issued a written bench opinion on November 9, 2012 rejecting plaintiff's claims against the Company for common law fraud, punitive damages, costs of litigation (i.e., attorney's fees) and release of approximately \$760,000 currently held in escrow, but ruling in plaintiff's favor and against the Company on the claims for (a) breach of the merger agreement, (b) rescission under the Ohio Securities Act, and (c) violation of the price protection provisions in the merger agreement. The bench opinion further provided that the plaintiff shall elect damage remedies between a total of approximately \$18 million (including prejudgment interest) for breach of the merger agreement for failure to register the stock issued in the transaction (the Breach of Contract Claim), or approximately \$25 million, plus taxable court costs, for violation of the Ohio Securities Act. The bench opinion also awarded plaintiff approximately \$100,000 (including prejudgment interest) for breach of the price protection provisions in the merger agreement.

On December 11, 2012, the plaintiff elected the remedy for the Breach of Contract Claim. In accordance with such election, on December 13, 2012, the Court issued a Final Judgment (the Judgment) against the Company. Under the Judgment, the Court awarded the plaintiff an aggregate of \$18,075,494 (including prejudgment interest) in damages for the Breach of Contract Claim and the breach of the price protection provisions in the merger agreement.

The Company disagrees with the Court's decision. The Company will seek appellate review of the Judgment by filing an appeal to the U.S. Court of Appeals for the Sixth Circuit. The Company will file its notice of appeal within 14 days after the date of the Judgment. Further, the Company intends to deposit with the Court cash in the full amount of the Judgment (\$18,075,494) that will stay the plaintiff's ability to enforce the Judgment during the course of the appeal.

This Judgment relates to Court's bench opinion issued on November 9, 2012, which was previously disclosed on the Company's Form 8-K filed November 13, 2012, the contents of which are incorporated by reference herein.
