using the enclosed proxy card or vote by proxy over the telephone or through the Internet. Whether or not you plan to attend the Special Meeting, we urge you to vote by proxy to ensure your vote is counted. To vote in person, we will give you a ballot when you arrive at the Special Meeting.

To vote using the enclosed proxy card, simply complete, sign, date, and return it promptly in the envelope provided. For your vote to be counted, we must receive your signed proxy card by 12:00 a.m., central time, on November [], 2013, the day prior to the Special Meeting.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on the Record Date your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization, rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by proxy over the telephone or through the Internet, as instructed by your broker or bank. To vote in person at the Special Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

You may revoke your proxy at any time before it is exercised by timely submission of a written revocation to our Secretary, by timely submission of a properly executed later-dated proxy or by timely voting by ballot at the Special Meeting. Voting by proxy will in no way limit your right to vote at the Special Meeting if you later decide to attend in person. Attendance at the Special Meeting will not by itself constitute a revocation of your proxy you must vote at the Special Meeting.

All shares that you are entitled to vote and that are represented by a properly-completed proxy received prior to the Special Meeting and not revoked will be voted at the Special Meeting in accordance with the instructions on the proxy. If you properly deliver your proxy but fail to indicate how your shares should be voted, the shares represented by your proxy will be voted FOR the Proposal and in the discretion of the persons named in the proxy as proxy appointees as to any other matter that may properly come before the Special Meeting.

Who may attend the Special Meeting?

All stockholders that were stockholders of Darling as of the Record Date, or their authorized representatives, may attend the Special Meeting. Admission to the Special Meeting will be on a first-come, first-served basis. If your shares are held in the name of a bank, broker or other holder of record and you plan to attend the Special Meeting, you should bring proof of ownership to the Special Meeting, such as a bank or brokerage account statement, to ensure your admission.

How will votes be counted?

The Special Meeting will be held if a quorum, consisting of a majority of the outstanding shares entitled to vote, is represented in person or by proxy. Abstentions and broker non-votes will be counted as present and

Table of Contents

entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee, such as a bank or broker, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange (the "NYSE"), absent instructions from the beneficial owners, banks and brokers who hold shares in street name for beneficial owners only have the authority to vote on routine corporate matters. We consider the approval of an amendment to our restated certificate of incorporation to increase the total number of authorized shares of Common Stock, to be a routine matter.

With respect to the Proposal Approval of an Amendment to our Restated Certificate of Incorporation, As Amended, to Increase the Number of Authorized Shares of Common Stock, the affirmative vote of the holders of a majority of the outstanding shares of Common Stock, voting as a class, entitled to vote thereon is required for approval of such item. For this item, you may vote FOR, AGAINST or ABSTAIN. If you abstain from voting, it will have the same effect as a vote against this item. Your broker (or another organization that holds your shares for you) may exercise its discretionary authority to vote your shares in favor of the Proposal.

Who will count the votes?

Our transfer agent, Computershare Investor Services, will tally the votes and will serve as inspector at the Special Meeting.

How are proxies being solicited and who will pay for the solicitation of proxies?

We will bear the expense of the solicitation of proxies. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and employees by other means, including telephone, over the Internet or in person. No special compensation will be paid to our directors, officers or employees for the solicitation of proxies. To solicit proxies, we will also request the assistance of banks, brokerage houses and other custodians, nominees or fiduciaries, and, upon request, will reimburse these organizations or individuals for their reasonable expenses in forwarding soliciting materials to beneficial owners and in obtaining authorization for the execution of proxies. We will also use the services of the proxy solicitation firm of Georgeson Inc. to assist in the solicitation of proxies. For these services, we will pay a fee that is not expected to exceed approximately \$10,000, plus out-of-pocket expenses.

Who can help answer my other questions and to whom should I send a request for copies of certain material?

If you have more questions about voting or wish to obtain another proxy card, you should contact:

PROPOSAL APPROVAL OF AN AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED, TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

On October 16, 2013, the Board unanimously approved, and recommends that our stockholders approve, an amendment to our restated certificate of incorporation, as amended, to increase the number of shares of Common Stock Darling is authorized to issue from 150,000,000 to 250,000,000. The Board has adopted resolutions setting forth the proposed amendment in the form of an amendment to Article Four of our restated certificate of incorporation, as amended, and recommends that the stockholders approve (and vote **FOR**) such amendment. The resolutions also provide that the amendment be submitted to the stockholders entitled to vote thereon for consideration at the Special Meeting in accordance with the Delaware General Corporation Law (**DGCL**). The following is the text of the proposed amendment to Article Four of our restated certificate of incorporation, as amended:

The aggregate number of shares of stock that the Corporation shall have the authority to issue is two hundred fifty-one million (251,000,000) shares, consisting of two hundred fifty million (250,000,000) shares of common stock having a par value of \$0.01 per share (the **Common Stock**), and one million (1,000,000) shares of preferred stock, having a par value of \$0.01 per share (the **Preferred Stock**).

If approved, the amendment to our restated certificate of incorporation, as amended, will become effective upon the filing of the amendment with the Secretary of State of the State of Delaware, which will occur as soon as reasonably practicable following the Special Meeting.

As of the Record Date, the following shares of Common Stock were outstanding or reserved for issuance:

Shares issued and outstanding	118,215,166
Shares reserved for issuance under employee benefit plans (1)	11,362,473
TOTAL	129,577,639

(1) Includes 906,251 shares that are issuable upon exercise of outstanding options.

The Board believes that it is in Darling's best interest to increase the number of authorized shares of Common Stock in order to have additional authorized but unissued shares available for issuance to meet business needs as they arise, including, without limitation, the repayment of certain of our existing or future indebtedness.

As of the Record Date, we have 30,823,995 shares of authorized but unissued shares of Common Stock, of which 11,362,473 shares of Common Stock are reserved for issuance under employee benefit plans or issuable upon the exercise of options and 960,839 shares of issued Common Stock held in Treasury. The Board believes that the availability of such additional shares will provide our company with the flexibility to (i) issue Common Stock for possible future financings, stock dividends or distributions, acquisitions, repayment of indebtedness or stock option plans, (ii) provide liquidity for funding possible acquisitions or other strategic investments or (iii) issue Common Stock for other general corporate purposes that may be identified in the future by the Board. The issuance of additional shares of Common Stock may have a dilutive effect on earnings per share and, for stockholders who do not purchase additional shares to maintain their pro rata interest in our company, on such stockholders' percentage voting power. Neither our restated certificate of incorporation, as amended, nor the DGCL, require us to offer shares of Common Stock to our existing stockholders before, after or concurrently with our offering of Common Stock to any third party(ies).

On August 23, 2013, we announced signing of an Acquisition Agreement (the Acquisition Agreement) with Maple Leaf Foods Inc., a Canadian corporation (MFI), pursuant to which we will acquire substantially all of the assets of Rothsay, the rendering and biodiesel division of MFI (Rothsay), for CAD \$645 million, upon the terms and subject to the conditions set forth in the Acquisition Agreement. Rothsay is the leading recycler of animal by-products in Canada and provides services for the efficient and environmentally responsible collecting, processing and recapturing of edible and inedible by-products. Rothsay processes raw materials into finished

Table of Contents

products of fats and proteins. Rothsay has a network of five rendering plants in Manitoba, Ontario, and Nova Scotia and a biodiesel operation in Quebec, Canada. Rothsay employs approximately 550 people, who will transition to Darling once the transaction closes. We anticipate that the transaction will be consummated on or about October 28, 2013. The foregoing description of the Acquisition Agreement is not a complete description of all of the parties' rights and obligations under the Acquisition Agreement and is qualified in its entirety by this reference to the Acquisition Agreement, which was filed as Exhibit 2.1 to Darling's Current Report on Form 8-K filed with the Securities and Exchange Commission (SEC) on August 26, 2013 and is incorporated herein by reference.

On October 7, 2013, we announced the signing of a Sale and Purchase Agreement (the SPA) with VION Holding N.V., a Dutch limited liability company (VION). VION is a worldwide leader in the development and production of specialty ingredients from animal origin for applications in pharmaceuticals, food, feed, pet food, fertilizer and bio-energy. Under the SPA, we will acquire all of the shares of VION Ingredients Nederland (Holding) B.V., VION Ingredients International (Holding) B.V., and VION Ingredients Germany GmbH (collectively, the Companies) for EUR 1.6 billion, upon the terms and subject to the conditions set forth in the SPA. Each of the Companies is a wholly-owned subsidiary of VION. At the consummation of the contemplated transaction, the Companies will directly or indirectly own all of the shares of the subsidiaries in VION's Ingredients division and existing interests in various operating joint ventures in VION's Ingredients division (collectively, the Group Companies). The Group Companies together conduct the business of the development, production and marketing and sale of products of animal origin (the Ingredients Business). We anticipate that the transaction will be consummated in January 2014. The foregoing description of the SPA is not a complete description of all of the parties' rights and obligations under the SPA and is qualified in its entirety by this reference to the SPA, which was filed as Exhibit 2.1 to Darling's Current Report on Form 8-K filed with the SEC on October 10, 2013 and is incorporated herein by reference.

Pursuant to the terms and conditions of the Acquisition Agreement and the SPA, respectively, and subject to certain adjustments as provided therein, Darling will pay an aggregate purchase price of CAD \$645 million in cash in connection with the MFI transaction, and an aggregate purchase price of EUR 1.6 billion in cash in connection with the VION transaction. In connection with the SPA, on October 5, 2013, Darling received commitments (the Commitments) (i) from JPMorgan Chase Bank, N.A. (JPMorgan) and Bank of Montreal, acting under its trade name BMO Capital Markets (BMO), with respect to a \$1.0 billion revolving facility and a \$350 million term loan A facility and (ii) from JPMorgan, BMO and Goldman Sachs Bank USA with respect to a \$1.2 billion term loan B facility and a \$1.3 billion senior unsecured bridge loan facility, pursuant to commitment letters to finance the transactions contemplated by the SPA. The funding of the Commitments is subject to the terms and conditions set forth therein, including execution of definitive documentation regarding such loans.

The representations, warranties and covenants contained in the Acquisition Agreement and SPA were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Acquisition Agreement and SPA; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. You should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of Darling, Rothsay, the Ingredients Business, MFI, VION or any of their respective subsidiaries, affiliates or businesses. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the respective dates of the Acquisition Agreement and the SPA, which subsequent information may or may not be fully reflected in public disclosures by Darling. Accordingly, you should read the representations and warranties in the Acquisition Agreement and the SPA not in isolation but only in conjunction with the other information about Darling, Rothsay, the Ingredients Business, MFI or VION that the respective companies include in reports, statements and other filings Darling makes with the SEC, MFI makes under applicable securities laws in Canada or VION makes under applicable laws in the Netherlands. We do not intend to, and do not undertake to, update our disclosure

regarding Darling, the Acquisition Agreement, Rothsay, MFI, the SPA, the Ingredients Business or VION, except as required by law.

Table of Contents

The increase in the amount of authorized Common Stock, to be effectuated by the amendment to our restated certificate of incorporation to be voted on at the Special Meeting, is not a prerequisite to, or necessary for, the completion of the transactions contemplated by the Acquisition Agreement and the SPA.

We currently intend to access the capital and loan markets in the near term to raise equity and debt. If you approve the amendment to our restated certificate of incorporation to increase the number of authorized shares of Common Stock as described herein, we may in the near future and from time to time conduct one or more public offerings of shares of our Common Stock, including shares of Common Stock authorized pursuant to the Proposal. The timing and size of any Common Stock offering or other financing transaction will depend on the then-existing market conditions and other factors, including the discretion of the Board. The proceeds of any such Common Stock offering or other financing transaction may be used for general corporate purposes, including, without limitation, to consummate currently contemplated or future acquisitions, for working capital purposes and/or to repay indebtedness outstanding at the time of any such offering (including repayment of the Commitments). There can be no assurance that any such offering or other financing transaction will occur or will be successfully completed. This Proxy Statement shall not constitute an offer to sell or the solicitation of an offer to buy any securities.

Our authorized shares of Common Stock in excess of those currently issued will be available for issuance at such times and for such corporate purposes as the Board may deem advisable, without further action by our stockholders, except as may be required by applicable law or by the rules and regulations of the NYSE. Upon any such issuance, such shares will have the same rights as the outstanding shares of Common Stock.

Other than as described, we have no arrangements, agreements, understandings or plans at the current time for the issuance or use of the additional shares of Common Stock proposed to be authorized. The terms upon which any securities may be issued will be determined by the Board. The Board does not intend to issue any Common Stock except on terms which the Board deems to be in the best interests of our company and its then existing stockholders. The Board could use the additional shares of Common Stock to discourage an attempt to change control of our company. However, the proposed amendment is not in response to any effort of which we are aware to obtain control by accumulating shares of Common Stock or otherwise.

Cautionary Statement Regarding Forward-Looking Statements

This proxy statement contains forward-looking statements within the meaning of the Private Securities Litigations Reform Act of 1995 regarding the business operations and prospects of Darling and industry factors affecting it. These statements are identified by words such as may, will, begin, look forward, expect, believe, intend, anticipate, potential, estimate, continue, momentum and other words referring to events to occur in the future. These statements reflect Darling's current view of future events and are based on its assessment of, and are subject to, a variety of risks and uncertainties beyond its control, including the fulfillment of all conditions to the closing of the MFI and VION transactions, disturbances in world financial, credit, commodities, stock markets and climatic conditions, including disturbances resulting from any prolonged shutdown of the U.S. government; unanticipated changes in national and international regulations affecting Darling's products; a decline in consumer confidence and discretionary spending; the general performance of the U.S. and global economies; global demands for bio-fuels and grain and oilseed commodities, which have exhibited volatility, and can impact the cost of feed for cattle, hogs, and poultry, thus affecting available rendering feedstock; risks associated with the renewable diesel plant in Norco, Louisiana owned and operated by a joint venture between Darling and Valero Energy Corporation, including possible unanticipated operating disruptions; risks relating to possible third party claims asserting intellectual property infringement; economic disruptions resulting from the European debt crisis; and continued or escalated conflict in the Middle East, each of which could cause actual results to differ materially from those projected in the forward-looking statements. Other risks and uncertainties regarding Darling, its business and the industry in which it operates are referenced from

time to time in Darling's filings with the SEC, including those contained in its Form 10-K for the fiscal year ended December 29, 2012, which was filed February 27, 2013. Darling assumes no obligation to publicly update

or supplement any forward-looking statement to reflect actual results or changes in other factors affecting these forward-looking statements except as required by law.

Vote Required

Approval of an amendment to our restated certificate of incorporation, as amended, requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock, voting as a class, entitled to vote thereon. Abstentions will have the same effect as a vote against this proposal, and your broker (or another organization that holds your shares for you) may exercise its discretionary authority to vote your shares in favor of this proposal.

Recommendation of the Board

The Board recommends that the stockholders vote FOR the Proposal.

OTHER MATTERS

Our management is not aware of any matters other than the Proposal to be presented for action at the Special Meeting; however, if any matters are properly presented for action, it is the intention of the persons named in the enclosed form of proxy to vote in accordance with their best judgment on these matters.

HOUSEHOLDING OF PROXY MATERIAL

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, banks, brokers, trustees or other nominees) to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies. Each stockholder who participates in householding will continue to receive a separate proxy card.

A number of brokers with account holders who are our stockholders will be householding our proxy materials. A single proxy statement report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your bank, broker, trustee or other nominee and direct a written request to Darling International Inc., Attn: Investor Relations, 251 O Connor Ridge Boulevard, Suite 300, Irving, Texas 75038 or an oral request by telephone at (972) 717-0300. If any stockholders in your household wish to receive a separate copy of this Proxy Statement, they may call or write to Investor Relations and we will promptly provide additional copies.
