Pursuant to Rule 13d-1 of Regulation 13D-G of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended, the undersigned, Ronald L. Chez (the Reporting Person) hereby files this Schedule 13D.

Item 1. Security and Issuer:

This Schedule 13D relates to the Common Stock, Par Value \$0.001 per share (Common Stock) of True Drinks Holdings, Inc. (the Company). The principal executive offices of the Company are located at 18552 MacArthur Blvd., Suite 325, Irvine, California 92612.

Item 2. Identity and Background:

(a)-(b)-(c) The Reporting Person is an individual whose principal occupation is an investor and his business address is in Chicago, Illinois.

(d)-(e) During the last five years, the Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The Reporting Person is a citizen of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration:

The consideration used by the Reporting Person to purchase the Series B Preferred and Warrants described and defined in Item 4 below (collectively, the Securities) of the Company that require the filing of this Schedule 13D are personal funds, including amounts held by an individual retirement account for the benefit of the Reporting Person.

Item 4. Purpose of Transaction:

The Securities of the Company to which this statement relates have been acquired by the Reporting Person for investment purposes.

On November 25, 2013, the Reporting Person entered into a Securities Purchase Agreement with the Company (the Purchase Agreement), pursuant to which the Reporting Person purchased 300,000 shares of the Company's Series B Convertible Preferred Stock, par value \$0.001 per share (the Series B Preferred) with terms more fully described in that certain Certificate of Designation, Preferences, Rights And Limitations of Series B Convertible Preferred Stock of the Company filed with the Secretary of State of Nevada on November 22, 2013 (the Certificate of Designation); and five-year warrants, (the Warrants), to purchase an aggregate of 1,400,000 shares of the Company's Common Stock (Warrant Shares) exercisable

for \$0.30 per share, for \$1,200,000 in the aggregate. Subsequent to that date, the Reporting Person entered into purchase agreements substantively similar to the Purchase Agreement to purchase additional Series B Preferred and Warrants in the amounts and on the dates set forth below:

Date	Series B Preferred	Warrant Shares	Purchase Price
December 10, 2013	50,000	233,333	\$ 200,000
January 7, 2014	25,000	116,667	\$ 100,000
January 31, 2014 (1 st transaction)	25,000	116,667	\$ 100,000
January 31, 2014 (2 nd transaction)	25,000	116,667	\$ 100,000

In addition to the Purchase Agreement, the Company and the Reporting Person entered into a Registration Rights Agreement (the Registration Rights Agreement), pursuant to which the Company agreed to register the Common Stock issuable upon exercise of the Warrants and the conversion of the Series B Preferred, pursuant to the Securities Act, of 1933, as amended, on a Registration Statement on Form S-1 within 120 days of November 22, 2013.

Conversion of the Series B Preferred and Warrants were not permitted until the Company possessed sufficient authorized shares of Common Stock to permit conversion of (among other things) the Series B Preferred and the Warrants, which the Reporting Person understands occurred on February 6, 2014.

In addition, provisions of the Certificate of Designation and the Warrants prevent the Reporting Person from converting his Series B Preferred or exercising his Warrants to the extent that, after giving effect to such conversion, such Holder (together with such Holder's affiliates) would beneficially own (calculated in accordance with Section 13(d) of the Exchange Act) in excess of 9.99% of the shares of Common Stock outstanding immediately after giving effect to such conversion or exercise. The Certificate of Designation also prevents the Reporting Person from exercising voting rights with respect to the Series B Preferred in excess of 9.99% of the voting securities (such limitations on conversion, exercise and voting, the Maximum Percentage Limitation).

The foregoing descriptions of the Purchase Agreement, Certificate of Designation, Warrant and Registration Rights Agreement (collectively, the Preferred and Warrant Agreements), are qualified in their entirety by reference to the text of those agreements, and incorporated herein by reference.

Subject to the terms of the Preferred and Warrant Agreements, the Reporting Person may give consideration to acquiring a more significant voice in the Company's management and/or becoming a director of the Company, but he has not yet made that determination. It is possible that at a future date the Reporting Person might decide to sell Securities and/or Common Stock or to acquire additional shares of the Common Stock (or securities convertible or exchangeable into Common Stock) through open market or privately negotiated transactions. Any such future decisions will be made by the Reporting Person in light of the then current financial conditions and prospects of the Company, the market value of the Common Stock, the financial condition of the Reporting Person and other relevant factors. Except as noted above, the Reporting Person has not formulated any plans or proposals which relate to or would result in:

(a) The acquisition by any person of additional securities of the issuer, or the disposition of securities of the issuer;

- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the issuer or of any of its subsidiaries;
- (d) Any change in the present board of directors or management of the issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of the issuer;
- (f) Any other material change in the issuer's business or corporate structure, including but not limited to, if the issuer is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940;
- (g) Changes in the issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person; causing a class of securities of the issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (h) Causing a class of securities of the issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- (j) Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer:

(a) Based on the Company's Consent Solicitation Statement filed on Schedule 14A on January 13, 2014, 27,885,587 shares of Common Stock were outstanding as of December 27, 2013. Due to the Maximum Percentage Limitation, the aggregate number of shares of Common Stock beneficially owned by the Reporting Person on account of any future exercise of the Warrants or conversion of the Series B Preferred is 3,094,956 shares of Common Stock, representing 9.99% of the Company's outstanding Common Stock (calculated in the manner set

forth under Rule 13d-3(d)(1)(i) of the rules promulgated pursuant to the Securities Exchange Act of 1934, as amended). Absent the Maximum Percentage Limitation, the Warrants would be exercisable into, and the Series B Preferred would be convertible into, 8,783,335 shares of Common Stock in the aggregate.

(b) The Reporting Person has the sole power (and no shared power) to vote, dispose of or direct the disposition of the Securities and any Common Stock resulting from the exercise or conversion thereof.

(c) Except as disclosed in item 4 above, during the past 60 days, the Reporting Person effected no transaction in the Company's securities.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer:

Except as set forth in Item 4 above, the Reporting Person has not had any contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Person and any person with respect to any securities of the issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, put or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.

Item 7. Material to Be Filed as Exhibits:

The Certificate of Designation, and forms of the Purchase Agreement, Warrant and Registration Rights Agreement, are incorporated herein by reference to Exhibits 3.1, 10.1, 10.2 and 10.3, respectively, to the Company's Current Report on Form 8-K dated November 22, 2013 filed with the Securities and Exchange Commission on November 26, 2013.

SIGNATURE

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.

Dated as of February 10, 2014.
