Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 21, 2014, the Board of Directors of Patterson-UTI Energy, Inc., a Delaware corporation (the Company), adopted the Patterson-UTI Energy, Inc. 2014 Long-Term Incentive Plan (the 2014 Plan), subject to the approval of the Company's stockholders. In addition, on the same date, the Board of Directors approved, subject to and effective upon the approval by the stockholders of the 2014 Plan, the termination of any future grants under all existing equity plans of the Company.

On April 17, 2014, the Company's stockholders approved the adoption of the 2014 Plan. Directors, employees, including officers, consultants and advisors are eligible for awards under the 2014 Plan. The 2014 Plan provides for awards of non-qualified stock options (NQSOs), Incentive Stock Options (ISOs), tandem and freestanding stock appreciation rights (SARs), restricted stock awards, other stock unit awards, performance awards and dividend equivalents. With respect to awards to participants other than directors, the 2014 Plan is administered by the Compensation Committee of the Company's Board of Directors, which comprises exclusively non-employee independent directors. With respect to awards to directors, the 2014 Plan is administered by the Board of Directors.

The aggregate number of shares of Common Stock authorized for grant under the 2014 Plan is 9,100,000, reduced by the number of shares that are subject to awards granted under existing equity plans of the Company during the period commencing on January 1, 2014 and ending on April 17, 2014. Shares that are subject to options or SARs count as one share of Common Stock against the aggregate number. Shares that are subject to other awards count as two shares of Common Stock against the aggregate number. Generally, if an award granted under the 2014 Plan or the existing equity plans of the Company expires, is forfeited, is settled in cash or otherwise terminates without the issuance of all or a portion of the shares of Common Stock subject to the award, the shares allocable to the expired, forfeited, cash settled, or terminated portion of the award will be available for awards again under the 2014 Plan. Any shares of Common Stock that again become available for grant under the 2014 Plan will be added back as one share if the shares were subject to options or SARs, and as two shares if the shares were subject to awards other than options or SARs. If any shares subject to an award are used to exercise options, are not issued upon the settlement of a SAR, or are withheld by the Company for income or employment taxes on exercise of an option or SAR, such shares will not become available for grant under the 2014 Plan.

Under the 2014 Plan, no participant may be granted options or SARs during any 12-month period with respect to more than 1,000,000 shares of Common Stock or restricted stock, performance awards denominated in shares and/or other stock unit awards that are denominated in shares in any 12-month period with respect to more than 500,000 shares. In addition to the foregoing limits, the maximum dollar value payable to any participant in any 12-month period with respect to performance awards denominated in cash is \$5,000,000. Any award will only be subject to one of the applicable per person limits set forth in the previous sentence. No director may be granted during any calendar year awards having a value determined on the date of grant in excess of \$500,000.

The foregoing description of the 2014 Plan is qualified in its entirety by reference to the text of the 2014 Plan, which is included as Exhibit 10.1 hereto and incorporated herein by reference. The forms of award agreements under the 2014 Plan are included as Exhibits 10.2-10.6 hereto and incorporated herein by reference.
