### Item 1.01 Entry Into a Material Definitive Agreement

In connection with the tender offer by BioMarin Falcons B.V. and BioMarin Giants B.V., each a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of the Netherlands and a wholly-owned direct or indirect subsidiary of BioMarin Pharmaceutical Inc., a Delaware corporation ( BioMarin ), for all of the outstanding ordinary shares, nominal value 0.01 per share ( Shares ), of Prosensa Holding N.V., a public limited liability company (*naamloze vennootschap*) organized under the laws of the Netherlands ( Prosensa ), that was commenced pursuant to the Purchase Agreement, dated November 23, 2014, between BioMarin, BioMarin Falcons B.V. and Prosensa (the Purchase Agreement ) (such tender offer, the Offer ), on January 14, 2015, BioMarin and BioMarin Falcons B.V. entered into a Contingent Value Rights Agreement (the CVR Agreement ) with American Stock Transfer & Trust Company, LLC, as rights agent.

The CVR Agreement governs each contingent value right ( CVR ) being issued pursuant to the terms and conditions of the Offer. Each CVR represents the right to receive the following cash payments, if any, without interest and less any applicable withholding taxes, with each payment conditioned upon the achievement of the applicable product approval milestone as follows:

Each CVR holder will be entitled to receive \$2.07 per CVR, without interest, payable by BioMarin Falcons B.V. if, prior to 11:59 p.m. New York City Time, on May 15, 2016, BioMarin Falcons B.V. or its affiliates (or their respective successors or assigns) receives approval from the U.S. Food and Drug Administration of a new drug application that grants BioMarin Falcons B.V. or its affiliates (or their respective successors or assigns) the right to market and sell Prosensa's drisapersen product in the United States for the treatment of Duchenne Muscular Dystrophy, including subject to any applicable label restrictions; and

Each CVR holder will be entitled to receive \$2.07 per CVR, without interest, payable by BioMarin Falcons B.V. if, prior to 11:59 p.m. New York City Time, on February 15, 2017, BioMarin Falcons B.V. or its affiliates (or their respective successors or assigns) receives approval by the European Commission of a marketing authorisation application that grants BioMarin Falcons B.V. or its affiliates (or their respective successors or assigns) the right to market and sell Prosensa's drisapersen product in the European Union for the treatment of Duchenne Muscular Dystrophy, including subject to any applicable label restrictions.

BioMarin Falcons B.V. has agreed to use diligent efforts (as defined in the CVR Agreement) to achieve the milestones within the applicable milestone periods. However, there can be no assurance that approvals will occur or that any or all of the payments in respect of the CVRs will be made, and a failure to achieve either milestone in and of itself may be consistent with using diligent efforts.

The right to payments under the CVRs as evidenced by the CVR Agreement is a contractual right only and will not be transferable or evidenced by a certificate, except (i) upon death by will or intestacy or by instrument to an inter vivos or testamentary trust in which the CVRs are to be passed to beneficiaries upon the death of the trustee, (ii) pursuant to a court order, (iii) by operation of law (including a consolidation or merger) or without consideration in connection with the dissolution, liquidation or termination of any corporation, limited liability company, partnership or other entity, (iv) in the case of CVRs payable to a nominee, from a nominee to a beneficial owner (and, if applicable, through an intermediary) or from such nominee to another nominee for the same beneficial owner, in each case as allowable by the Depository Trust Company, or (v) to BioMarin, BioMarin Falcons B.V. or their affiliates.

BioMarin has guaranteed BioMarin Falcons B.V.'s obligations under the CVR Agreement, including the payment of the milestones when and if such payments become due.

The description of the CVR Agreement in this Current Report on Form 8-K is only a summary, does not purport to be complete and is qualified in its entirety by reference to the full text of the CVR Agreement, a copy of which is filed as

## Item 2.01 Completion of Acquisition or Disposition of Assets

On January 15, 2015, BioMarin Falcons B.V. and BioMarin Giants B.V. (together, Purchaser ) closed the initial offering period relating to the Offer, and immediately launched a subsequent offering period. BioMarin issued a press release announcing the expiration of the initial offering period for the Offer, which expired at 6:00 p.m., New York City time, on January 14, 2015. American Stock Transfer & Trust Company, LLC, the depositary for the Offer, advised Purchaser and Prosensa that approximately 33,746,104 Shares were validly tendered and not properly withdrawn pursuant to the Offer (excluding Shares tendered pursuant to notices of guaranteed delivery procedures that had not yet been delivered in satisfaction of such guarantee), which represented approximately 93.4% of all outstanding Shares as of the Offer's expiration date. Purchaser accepted for payment all Shares that were validly tendered and not properly withdrawn, and payment for such Shares is being made in accordance with the Offer's terms, and Purchaser immediately launched a subsequent offering period.

The subsequent offering period is scheduled to expire at 6:00 p.m., New York City time, on January 29, 2015. The procedures for accepting the Offer and tendering Shares during the subsequent offering period are the same as those applicable to the initial offering period as described in the Offer to Purchase relating to the Offer, except that (i) the guaranteed delivery procedures may not be used during the subsequent offering period and (ii) no withdrawal rights will apply to Shares tendered during the subsequent offering period.

Following the expiration of the subsequent offering period, Purchaser intends to complete a corporate reorganization of Prosensa and its subsidiaries (the Post-Closing Reorganization ). As part of the Post-Closing Reorganization, Purchaser may complete a sale of all of Prosensa's assets to BioMarin Falcons or its designee, followed by the dissolution and liquidation of Prosensa. Purchaser may, alternatively, commence a statutory buy-out of Shares from any remaining minority shareholder in accordance with Dutch law, or if BioMarin determines that it is not reasonably practicable to consummate the Post-Closing Reorganization by means of an asset sale or a statutory buy-out of Shares, subject to the prior approval of the two members of Prosensa's supervisory board who are not designated by Purchaser and/or BioMarin, any other measure constituting a Post-Closing Reorganization. The Post-Closing Reorganization, including the asset sale and subsequent dissolution and liquidation of Prosensa, is a process available to Purchaser under Dutch law to ensure that Purchaser becomes the owner of all of Prosensa's business operations from and after the consummation of the Post-Closing Reorganization.

In addition, following the expiration of the subsequent offering period, Purchaser, subject to and in accordance with applicable laws, intends to cause Prosensa to (i) delist the Shares from the NASDAQ, (ii) terminate Prosensa's obligation to file reports under the Securities Exchange Act of 1934 (the Exchange Act ), pending termination of registration of the Shares under the Exchange Act and (iii) terminate the registration of the Shares under the Exchange Act.

The cash consideration of Purchaser's acquisition of 100% of the Shares was approximately \$680 million (which does not account for any proceeds to Prosensa from the exercise of outstanding options to purchase Shares as of the expiration of the Offer nor does it account for any contingent value rights that may become payable with respect to the Shares). To date, Purchaser has paid approximately \$637.5 million for Shares tendered to date and options that vested pursuant to the Purchase Agreement. Purchaser funded the acquisition with its available cash balances.

The full text of the press release issued by BioMarin on January 15, 2015 announcing expiration of the initial offering period for the Offer was filed as Exhibit (a)(5)(J) to BioMarin's Schedule TO-T/A filed on January 15, 2015, and is incorporated by reference into this Current Report on Form 8-K.
