October [], 2015

Dear _____,

The Annual Meeting of Shareholders for TCW Strategic Income Fund was scheduled for September 22, 2015. The meeting has since adjourned to October 23, 2015 at 9:00 a.m. PST at TCW's offices to provide shareholders more time to cast their vote on the amendment to the articles of incorporation proposal. Since you have not yet voted on this important initiative, we are asking you to take a moment of your time to consider the following proposal and vote your shares today.

Why are shareholders being asked to approve the amendment of the Articles of Incorporation to eliminate the requirement that a proposal to convert the Fund to an open-end mutual fund be submitted for shareholder approval under certain circumstances? Management of the Company, as well as the Board, sees no apparent benefit to shareholders from the requirement and do not believe a forced conversion to an open-end structure is always in the shareholders' best interest. For example, during the current trading market with limited liquidity for many fixed income securities, TCW, as the Company's adviser, believes it may be in shareholders' best interest to manage liquidity through other actions such as making use of the Company's line-of-credit to make cash available where needed to settle portfolio transactions or for other operating and investment purposes and leveraging the Company during those periods in order to manage liquidity. If passed, the Company must undertake the expense of converting from a closed-end management investment company to an open-end mutual fund, which means its stock becomes redeemable on a daily basis at the conclusion of that conversion. Management of the Company and the Board believe that conversion of the Company and the resulting ability to redeem daily would work to the detriment of current investors that have sought out the Company as a stable long-term investment. Over the past ten years, the Company has been required under Article X to solicit a shareholder vote relating to converting from a closed-end structure to an open-end structure three times and, each time, the proposal has failed by a wide margin to obtain the required shareholder approval.

A copy of the statement is available for your reference online at: www.proxyonline.com/docs/TSI.pdf

While TCW's Board firmly believes this proposal is in the best interest of all shareholders, it is you, the shareholder who must approve it.

Please vote today by calling toll free (866) 796-7182, use your personal reference number below when calling.

We very much appreciate your attention to this matter and your support of TCW Strategic Income Fund.

Sincerely,

Patrick W. Dennis

Assistant Secretary
